Reports prepared by appointed auditors are addressed to non-executive directors/members or officers. They are prepared for the sole use of the audited body. Auditors accept no responsibility to:

- any director/member or officer in their individual capacity; or
- any third party.

# Summary

## Purpose

- 1 This report summarises the findings from our 2007/08 audit, which is substantially complete. It identifies the key issues that you should consider before we issue our opinion, conclusion and certificate.
- 2 This report includes only matters of governance interest that have come to our attention in performing our audit. Our audit is not designed to identify all matters that might be relevant to you.

## Financial statements

- 3 We propose issuing an unqualified opinion on the financial statements on 24 September 2008.

## Value for Money

- 4 The Council's system of internal control is adequate we propose issuing an unqualified conclusion on the Council's arrangements for securing economy, efficiency and effectiveness in the use of resources on 24 September 2008.

## Next steps

- 5 We ask the Audit Sub Committee to:
  - consider the matters raised in the report relating to the financial statements approved by the Personnel and Resources Committee on 30 June 2008; and
  - discuss and agree the representation letter on behalf of the Council before we issue our opinion, conclusion and certificate.

# Financial statements and Annual Governance Statement

- 6 The Council's financial statements and Annual Governance Statement are important means by which the Council accounts for its stewardship of public funds. As Council members you have final responsibility for the financial statements and Annual Governance Statement. It is therefore important that you consider our findings in respect of the financial statements and Annual Governance Statement approved on 30 June 2008.
- 7 In planning our audit we identified specific risks and areas of judgement that we have focused on during our audit. We report to you the findings of our work in those areas.
- 8 In addition, auditing standards require us to report to you:
- the draft representation letter which we are asking management to sign and you to discuss and agree;
  - our views about the Council's accounting practices and financial reporting;
  - errors in the financial statements;
  - any expected modification to our report;
  - weaknesses in internal control; and
  - certain other matters.

## Key areas of judgement and audit risk

- 9 In planning our audit we identified key areas of judgement and audit risk that we have considered as part of our audit. Our findings are set out in Table 1.

**Table 1 Key areas of judgement and audit risk**

| Issue or risk                                                                                                                                              | Finding                                                                                                                                                |

| Significant technical changes to the accounts resulting from amendments to the Capital Financing Regulations and Statement of Recommended Practice (SoRP). | All new requirements have been correctly reflected in the draft accounts. At audit request amendments have been made to a small number of disclosures. |

| The major change associated with the planned Large Scale Voluntary Transfer (LSVT) of the Council's housing stock to a housing association. This will impact upon both the accounts audit and on our assessment of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources. | Using the services of our technical expert we have held regular meetings with key officers. We have monitored the projects progress and agreed the disclosure in the financial statements. |

### Draft representation letter

**10** Before we issue our opinion, auditing standards require us to obtain from you and management, written representations that:

- you acknowledge your collective responsibility for preparing financial statements in accordance with the applicable financial reporting framework;
- you have approved the financial statements;
- you acknowledge your responsibility for the design and implementation of internal controls to prevent and detect fraud and error;
- you have told me the results of your assessment of the risk that the financial statements might be materially misstated because of fraud;
- you have told me any actual or suspected fraud by management, employees with significant roles in internal control or others (where the fraud could have a material impact on the financial statements);
- you have told me of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, regulators or others;
- you have told me about all known actual or possible non-compliance with laws and regulations whose effects should be considered when preparing financial statements;
- you have assessed the reasonableness of significant assumptions, including whether they appropriately reflect management's intent and ability to carry out specific courses of action on behalf of the Council where relevant to the fair value measurements or disclosures;
- you are satisfied that all related parties requiring disclosure in the financial statements have been disclosed and that the disclosure is adequate;
- you are satisfied that the individual or collective impact of errors we have identified, but that you have not corrected, is not material; and
- cover areas where other sufficient appropriate evidence cannot reasonably be expected to exist, for example the completeness of the disclosure of contingent liabilities.

11 Appendix 1 contains the draft of the letter of representation we seek from you.

### Accounting policies and financial reporting

12 We considered the qualitative aspects of your financial reporting and have not identified any significant issues we would wish to raise with you.

### Adjustments to the financial statements

13 We identified adjustments that were required to the draft financial statements (other than those of a trivial nature) and reported these to management.

14 Management has agreed to make these adjustments identified in Appendix 2. However, because of we consider them relevant to your wider governance responsibilities we are reporting these errors to you. We provide a commentary below.

### Pensions

15 The value of the pension fund's assets, as estimated by the actuary, overstated their actual value by £0.793 million. We have therefore made the following changes to the accounts.

- Pension Liability was £23.755 million, now £22.962 million.
- Pensions Reserve balance was £23.755 million now £22.962 million.

16 These changes are also reflected in the Statement of Total Recognised gains and Losses and Note 9.

### The audit report

17 We plan to issue an unmodified report including an unqualified opinion on the financial statements. Appendix 3 contains a copy of our draft report.

### Weaknesses in internal control

18 We have not identified any weakness in the design or operation of an internal control that might result in a material error in your financial statements of which you are not aware.

19 Internal audit have issued 'limited assurance' reports in the following areas.

- Leisure income.
- Trade waste.
- Debtors.
- Housing repairs.

20 The issues raised do not materially impact on our opinion but do raise matters of significant concern. Action plans to address recommendations will be followed up by internal audit and progress reported to members through the Audit Sub Committee.

## Financial statements and Annual Governance Statement

**21** We have not provided a comprehensive statement of all weaknesses which may exist in internal control, nor of all improvements which may be made. We have reported only those matters which have come to our attention because of the audit procedures we have performed.

### Other matters

**22** There are no other matters that auditing standards require me to report to you.

# Value for money

- 23** We are required to conclude whether the Council put in place adequate corporate arrangements for securing economy, efficiency and effectiveness in its use of resources. We assess your arrangements against twelve criteria specified by the Commission. Our conclusion is informed by our work on Use of Resources, a scored judgement reported to the Audit Commission.
- 24** We have assessed the arrangements of the Council as adequate in all twelve areas and we therefore propose to issue an unqualified conclusion.

# Formal audit powers

25 We have:

- a power to issue a public interest report. We do so where we believe this is necessary to draw a matter to your attention, or to that of the public;
- a power to apply to court for a declaration that an item in the Council's accounts is contrary to law;
- a power to issue an advisory notice An advisory notice requires the Council to meet and consider the notice before:
  - making a decision that might give rise to unlawful expenditure; or
  - taking an unlawful course of action that would give rise to a loss; or
  - making unlawful entry in the accounts; and
- a power to seek judicial review of a decision of the Council.

26 We have not and do not propose to exercise these powers.

# Independence

- 27** The Code of Audit Practice and the APB's Ethical Standards with which auditors must comply require that auditors act, and are seen to act, with integrity, objectivity and independence.
- 28** We confirm that we comply with the APB's Ethical Standards, that we are independent and that our objectivity is not compromised.
- 29** We communicate to you:
- any relationships between us and the Council, its members and senior management that might affect our objectivity and independence and any safeguards put in place;
  - total fees charged to you for audit and non-audit services; and
  - our arrangements to ensure independence and objectivity.

## Relationships with the Council

- 30** We have identified no relationships that might affect objectivity and independence.

## Audit fees

- 31** We reported our fee proposals as part of the Audit Plan for 2007/08. The table below reports the outturn fee against that plan.

**Table 2     Audit fees**

## Independence

32 The analysis above shows that we contained our audit fee within the totals you have already agreed.

### Our arrangements to ensure independence and objectivity

33 We have comprehensive procedures to ensure independence and objectivity. These are outlined in Table 3.

# Appendix 3 – Proposed auditor's report

## Independent auditor's report to the Members of Gedling Borough Council

### Opinion on the financial statements

I have audited the Authority accounting statements and related notes of Gedling Borough Council for the year ended 31 March 2008 under the Audit Commission Act 1998. The Authority accounting statements comprise the Authority Income and Expenditure Account, the Authority Statement of the Movement on the General Fund Balance, the Authority Balance Sheet, the Authority Statement of Total Recognised Gains and Losses, the Authority Cash Flow Statement, the Housing Revenue Account, the Collection Fund and the related notes. These accounting statements have been prepared under the accounting policies set out in the Statement of Accounting Policies.

This report is made solely to the members of Gedling Borough Council in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 36 of the Statement of Responsibilities of Auditors and of Audited Bodies prepared by the Audit Commission.

### Respective responsibilities of the Head of Corporate Services and auditor

The Head of Corporate Services responsibilities for preparing the financial statements in accordance with relevant legal and regulatory requirements and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2007 are set out in the Statement of Responsibilities for the Statement of Accounts.

My responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

I report to you my opinion as to whether the Authority accounting statements present fairly, in accordance with relevant legal and regulatory requirements and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2007, the financial position of the Authority and its income and expenditure for the year.

I review whether the governance statement reflects compliance with 'Delivering Good Governance in Local Government: A Framework' published by CIPFA/SOLACE in June 2007. I report if it does not comply with proper practices specified by CIPFA/SOLACE or if the statement is misleading or inconsistent with other information I am aware of from my audit of the financial statements. I am not required to consider, nor have I considered, whether the governance statement covers all risks and controls. Neither am I required to form an opinion on the effectiveness of the Authority's corporate governance procedures or its risk and control procedures

I read other information published with the Authority accounting statements, and consider whether it is consistent with the audited Authority accounting statements. This other information comprises the Explanatory Foreword. I consider the implications for my report if I become aware of any apparent misstatements or material inconsistencies with the Authority accounting statements. My responsibilities do not extend to any other information.

### Basis of audit opinion

I conducted my audit in accordance with the Audit Commission Act 1998, the Code of Audit Practice issued by the Audit Commission and International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the Authority accounting statements and related notes. It also includes an assessment of the significant estimates and judgments made by the Authority in the preparation of the Authority accounting statements and related notes, and of whether the accounting policies are appropriate to the Authority's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the Authority accounting statements and related notes are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the Authority accounting statements and related notes.

### Opinion

In my opinion:

The Authority financial statements present fairly, in accordance with relevant legal and regulatory requirements and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2007, the financial position of the Authority as at 31 March 2008 and its income and expenditure for the year then ended.

### **Conclusion on arrangements for securing economy, efficiency and effectiveness in the use of resources**

#### **Authority's responsibilities**

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance and regularly to review the adequacy and effectiveness of these arrangements.

#### **Auditor's responsibilities**

I am required by the Audit Commission Act 1998 to be satisfied that proper arrangements have been made by the Authority for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the Audit Commission requires me to report to you my conclusion in relation to proper arrangements, having regard to relevant criteria specified by the Audit Commission for principal local authorities. I report if significant matters have come to my attention which prevent me from concluding that the Authority has made such proper arrangements. I am not required to consider, nor have I considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

#### **Conclusion**

I have undertaken my audit in accordance with the Code of Audit Practice and having regard to the criteria for principal local authorities specified by the Audit Commission and published in December 2006, I am satisfied that, in all significant respects, Gedling Borough Council made proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ending 31 March 2008.

#### **Best Value Performance Plan**

I have issued our statutory report on the audit of the authority's best value performance plan for the financial year 2006/07 on 14 December 2008. I did not identify any matters to be reported to the authority and did not make any recommendations on procedures in relation to the plan.

**Certificate**

I certify that I have completed the audit of the accounts in accordance with the requirements of the Audit Commission Act 1998 and the Code of Audit Practice issued by the Audit Commission.
