In accordance with the Scrutiny Improvement Plan 2010, a review is commissioned when:

- There is added value that this work will bring to the core priorities of the Council
- It is likely to make a difference if a working group undertake this work
- It is likely to lead to improved performance
- It is likely that the working group's recommendations will improve the lives of the residents of Gedling Borough
- It will increase Member awareness of important issues

### **3. Proposals**

Members are asked to consider the reports and recommendations of the above reviews, which have previously been reported to the Policy and Performance Scrutiny Committees and approved by the Overview Scrutiny Committee for referral to Cabinet.

### **4. Recommendations**

That Cabinet review the recommendations made and the Portfolio Holders for Health and Wellbeing (Domestic Violence Follow Up review) and Environment and Sustainability (On Street Parking review) respond to the respective reports to the Overview Scrutiny Committee.
