ITEMS FOR INFORMATION

111 NOTTINGHAMSHIRE SUBSTANCE MISUSE STRATEGY 2012 - 15

Consideration was given to a verbal presentation by Tammy Coles of the Nottinghamshire County Primary Care Trust, on the draft Nottinghamshire Substance Misuse Strategy 2012 – 15, which had been previously circulated.

RESOLVED to:

- 1) Thank Tammy Coles for the presentation
- 2) Note the contents of the draft strategy
- 3) Note that David Wakelin, Corporate Director, would respond to the consultation on behalf of the Council and provide Cabinet Members with a copy of that response.

112 SOUTH NOTTINGHAMSHIRE COMMUNITY SAFETY PARTNERSHIP – END OF YEAR CRIME STATISTICS

Councillor Payne introduced a presentation by Dave Wakelin, Corporate Director and David Jayne, Crime and Community Safety Coordinator. Referring to the data report produced by Dave Wakelin, Corporate Director, he acknowledged the excellent work carried out by officers leading to the substantial reduction in incidents of a range of crime and anti social behaviour.

The presentation highlighted the work of the newly formed South Nottinghamshire Community Safety Partnership and an information brochure was circulated which detailed the successes and areas for improvement over the previous year. Further information was provided regarding future strategy and priority areas of work.

RESOLVED:

- 1) To thank Dave Wakelin and David Jayne for their presentation
- 2) To promote the opportunity to visit the CCTV facilities to all Members
- 3) To circulate Ward level Crime and Community Safety statistics and web links to the South Nottinghamshire Community Safety Partnership key documents to all Members.

ITEMS FOR DECISION

113 REDESIGN AND RESTRUCTURE OF COMMUNITY ENGAGEMENT

Consideration was given to a report of Paula Darlington, Corporate Director, which had been previously circulated, informing Cabinet of proposals to restructure the way that community engagement was delivered by the Council.

RESOLVED:

- 1) To note the final staffing structures following the review and redesign of the Community Engagement function as detailed.
- 2) To acknowledge that the new staffing structure exceeds current staffing budget provision, however, it is considered that this should be contained within the overall budgets of the Council.
- 3) To note that it was expected to avoid any potential redundancy costs as displaced staff could be redeployed into suitable alternative roles

within the Council.

- 4) On the basis that any staffing budget shortfall would be met by virement from permanent under spend elsewhere within the Council as the financial year progresses, to allow the Corporate Director to proceed to gain approval for implementation of the new structure from the Chief Executive as Head of Paid Service.
