

The following Notice of Motion has been received in the name of Councillor W.H. Golland: -

“In view of the continued public resistance and concern, the increased carbon emissions resulting from a long detour, the additional traffic through Netherfield, and the very serious effect the traffic now has on Lambley, this Council requests the County Council to remove the bus plug on the A612 and to replace the one on Stoke Lane with a weight limit to remove lorry traffic while still allowing lighter traffic through to Stoke Bardolph”
