

Questions received from Members of the Council under Standing Order 9

Question to the Leader of the Council, Councillor John Clarke:

“Over the last few months some of the green bins have not been collected from Clovely Avenue, Mapperley Plains. This has happened on at least two occasions.

When one of the residents rang the Council to enquire what was happening, she was told that the recycling bins were not classed as an essential service and to date they have not been collected.

Could the Leader of the Council please clarify the situation for us?”
