Report to: Licensing Act Committee

Subject: Review of the Gedling Statement of Licensing Policy

Date: 29th October 2013

Author: Corporate Director – David Wakelin

Purpose of the Report

To inform Members on the progress of the consultation of the amended draft Gedling Statement of Licensing Policy.

Background

At the meeting of the Licensing Act Committee on 16th July 2013 Members resolved to note the draft amended Gedling Statement of Licensing Policy for the purpose of undertaking the necessary statutory consultation in accordance with Section 5(3) of the Licensing Act 2003.

That consultation ended on 18th October 2013 and no comments or responses have been received by the Licensing Section on the draft policy document.

Proposal

Licensing authorities must have finalised their policy statement draft for consultation purposes; carried out twelve weeks of consultation as advocated by central Government best practice; have undertaken the necessary changes to the document arising from consultation and informed Members of the final licensing policy statement for endorsement by full Council prior to coming into effect in January 2014.

Recommendation

That Members endorse the Gedling Statement of Licensing Policy and refer it to Council for adoption.
