LICENSING PANEL & COMMITTEE HEARING PROCEDURE

1. Upon notification that a matter is to be put before a Licensing Panel or the Committee, the applicant, interested parties and the responsible authorities shall within the time period provided for in the relevant regulations give notice to the Licensing Office stating
 - i. Whether they intend to be represented at the hearing
 - ii. The names and addresses of any witnesses that they intend to call
 - iii. The time estimate for their presentation/representations to the Committee
 - iv. Whether they consider a hearing to be unnecessary
2. Where a large number of interested parties are involved they will be encouraged to appoint a spokesperson or spokespersons so as to avoid duplication of evidence in so far as is possible.
3. Anyone invited to attend before a Panel or the Committee may bring legal or other professional representatives with them if they so wish. Advocates are, however, reminded that these are civil proceedings and inquisitorial rather than adversarial in nature. Aggressive advocacy is not encouraged and will not be tolerated.
4. Copies of the application and representations made by the parties will have been circulated to members prior to the hearing. However in appropriate cases, where a matter is to proceed to a hearing the applicant will be expected to supply a further 6 copies of the plan accompanying the application for use at the hearing. The hearing will concentrate solely on those areas of the application which are in dispute. The Authority is under an obligation to disregard information which is not relevant to the application, representation, or notice or to the licensing objectives. Advocates are therefore asked to be as succinct as possible and should be aware that the Chair may impose a time limit within which parties are to present their case.
5. Whilst additional material in support of the application, representation or notice may be taken into account by the Authority, such material should be provided and circulated by the producer to all parties concerned (including the Authority) as soon as possible before the hearing. Material produced at the hearing can only be admitted with the consent of all the other parties. The late production of material may lead to a hearing having to be adjourned and is discouraged. Additional material which reveals a new ground of representation or which is not relevant to the application, representation or notice lodged will be disregarded
6. Any party who intends to put additional written material before the Panel or the

Committee should provide 18 copies of that material to the licensing Office if the application is to go to the full Committee and 6 copies if the matter is to go before the Panel. Applicants should note that changes to application plans during the application process should be notified to the licensing Office as soon as possible and are likely to result in a new application having to be submitted. All relevant documentation received by the Authority will be sent to Members of the Panel/Committee and interested parties before the hearing if at all possible. Any failure to adhere to the requirements listed above may result in a case having to be adjourned and therefore delay the decision.

7. Where a party does not attend the hearing and is not represented the Authority may either adjourn the hearing if it is in the public interest to do so, or may continue with the hearing in the party's absence. If the latter option is followed the Committee/Panel will still consider any application, representation, or notice submitted by the absent party in so far as it is relevant.
8. The following procedure will ordinarily be followed at the Panel/Committee hearing:
 - i. The Chair will introduce themselves, other members and relevant officers. The Chair will also ask the applicant, interested parties and the responsible authorities to introduce themselves and any witnesses they wish to call. The Chair will then outline the procedure to be followed by the Panel/Committee and any time limits to be imposed on the presentation of cases.
 - ii. The applicant will be asked to present their case. Where a general presentation is made interested parties and the responsible authorities may ask questions at the end of that presentation. However, where witnesses are called, it is expected that each witness will give their evidence and then be open for questioning once their evidence has finished. The next witness will then give evidence. The order for asking questions will be:
 - Responsible Authorities
 - Interested parties
 - Panel/Committee Members
 - Legal advisor to the Panel/Committee (where appropriate)
 - iii. Responsible authorities, and interested parties will then be given an opportunity to present their representations. Once the representation has been presented and any evidence given, there will be an opportunity for questions to be asked firstly, by the applicant and then by other responsible authorities and interested parties, members and the legal advisor to the Panel/Committee. Where there is more than one body making representations to an application the order for the hearing of representations will normally be the responsible authorities followed by interested parties

- iv. Once all the evidence has been given responsible authorities, and interested parties will be given an opportunity to sum up their representations in the same order as they presented their case. The applicant will then be given an opportunity to sum up their case and have the final word.
 - v. Whilst Hearings will normally be conducted in Public the Panel/Committee does have powers of exclusion (which cover the public, the press, and even applicants, parties and their representatives) in appropriate circumstances. The Panel/Committee will however always discuss and make its decision on the application in private.
 - vi. The decision will normally be announced in public and transmitted in writing in accordance with the relevant rules and guidance. The decision may however be notified where applicable to the parties in writing at a subsequent date following the conclusion of the hearing.
9. If all parties agree and the Authority considers is appropriate, a hearing may be dispensed with. In some circumstances (where representations are not withdrawn), the Panel/Committee may still have to determine the application but will do so having considered the papers previously submitted. In such circumstances the Authority would also consider the terms of any "consent order" drawn up by the parties indicating terms upon which all of the relevant parties would be content that the application be granted.
10. Adjournments
- i. Due to the time constraints upon the Panels/Committee, applications for adjournments will only be granted where absolutely necessary
 - ii. Once a hearing date has been set it is for the parties to ensure that they attend or are represented. Hearings may proceed in the absence of a party and in such circumstances the party's original representations will be taken into account together with any further material in support of that representation which has been served on all parties before the day of the hearing.
 - iii. If it is not possible for a party or their witness to attend a hearing the Authority's preference would be for their representation to proceed by way of written evidence
 - iv. If it is necessary to make an application for an adjournment the party seeking the adjournment should seek the consent of all other parties to the application and notify the Licensing Office as soon as possible that an adjournment may be sought. If all parties agree the matter may be adjourned administratively.
 - v. If not agreed administratively the matter will remain listed before the Panel/ Committee to hear the application and determine whether to agree the adjournment or proceed.
 - vi. The Authority may adjourn proceedings of its own motion where it considers it necessary for it's consideration of any application, representations or notice made or where it considers it to be in the interests of natural justice.
 - vii. Where an adjournment is granted all parties will be given notice of the adjournment and the new hearing date.

11. Applications to Extend Time Limits

- i. These may be dealt with administratively but will only be granted where it is necessary in the public interest.
- ii. Applications should be made to the Licensing Officer identifying:-
 - i. the licensing application and premises concerned,
 - ii. the person making the application for the time limit to be extended
 - iii. the time limit concerned,
 - iv. the reasons why that time limit cannot be complied with,
 - v. the extension sought,
 - vi. why it is believed that it would be in the interests of justice to grant the application, and
 - vii. whether all other parties have agreed to an extension of time.
- iii. Where an extension is granted all parties will be given notice of the extension.

THE PANEL'S CONSIDERATIONS

The Panel will disregard any information given or evidence produced, which is not relevant to the application or the promotion of the licensing objectives.

The Objectives are: -

- **The prevention of crime and disorder;**
- **Public safety;**
- **The prevention of public nuisance, and**
- **The protection of children from harm.**

Each objective is of equal importance.

The Panel will have regard to the national Guidance issued under Section 182 of the Licensing Act 2003 and the Borough Council's own Statement of Licensing Policy.

The Panel has a duty to act in a manner which is compatible with the Human Rights Act 1998.

A Licence is regarded as property for the purposes of the Human Rights Act 1998. Article 1 of the First Protocol states that:

"Every natural or legal person is entitled to the peaceful enjoyment of his possessions. No one shall be deprived of his possessions except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

The preceding provisions shall not, however, in any way impair the right of a State to enforce such laws as it deems necessary to control the use of property in accordance with the general interest or to secure the payment of taxes or other contributions or penalties."

The Panel must also take into account the effect on local residents. Article 8 states:

"1. Everyone has the right to respect for his private and family life, his home and his correspondence.

2. There shall be no interference by a public authority with the exercise of this right except such as is in accordance with the law and is necessary in a democratic society in the interests of national security, public safety or the economic well-being of the country, for the prevention of disorder or crime, for the protection of health **Page 14**, or for the protection of the rights and freedoms of others."

Three stage test to be applied: -

1. Is the interference in accordance with the law?
2. Is the interference necessary in a democratic society in pursuit of one of the legitimate aims set out above?
3. Is the decision proportionate i.e. striking a fair balance between the demands of the general interests of the community and the requirement to protect the individual's fundamental rights?

14th September 2015

Dear Sir/Madam

Re: Planning Act & Licensing Act 2003: Application by Great Northern Bars to convert existing premises to 'Smokehouse Bar & Grill', 934 Woodborough Road, Nottingham

We write to you regarding the matter above and we wish to register our objections to the proposed application. We are concerned about the following issues and request that the application is discussed at an open meeting where local residents can air their views, prior to an application being awarded. We are not against the principle of such a venue but we would ask that, in terms of fairness and our right as residents to live in peace and safe from noise nuisance and further harm, certain conditions are imposed on the license i.e. the license arrangements are in line with existing licensed premises along Mapperley Top. We believe that alcohol should only be served until 12.30am, food until 11pm and the premises should keep doors and windows closed when playing music, whether it is live or recorded. These are reasonable requests to ensure happiness for all and are in line and consistent with existing premises. Any further extension to these licensed hours sets an alarming precedent for others to follow in the longer term and in the short term potentially creates a 'pub-crawl' mentality, where customers, heavily influenced by alcohol will swarm over to the new bar for further alcohol and food. If this were continue until 1am, this creates a nightmare scenario in terms of potential noise nuisance and anti-social behaviour for residents. This is not fair and the last thing we want is a new 'noisy neighbour' at the end of the road. We quote the Licensing Act 2003, particularly the prevention of public nuisance, as a key point in our argument. There is the potential for shouting, fighting, urinating, littering and possible criminal damage to nearby property.

We shall summarise the key points below:

- With the extended licensing hours proposed it has the potential to attract unwanted cliental into the area late at night and potentially along with existing licensed premises, a reputation all for the wrong reasons i.e. a drinking culture in Mapperley as opposed to a quiet residential area
- Increased potential for anti-social behaviour. Austerity has reduced the number of Police Officers and PCSOs in the area, so how are the authorities i.e. Notts Police going to cope with yet more licensed premises? You only have to look at the recent license restrictions imposed on the Plainsman PH to see the potential for trouble
- Rumours are rife locally that it will be a 'lads/sports' bar with all that it entails – not the greatest advert for anyone's doorstep. Who and what is the proposed profile/market for the new bar?
- Noise pollution – drunkenness, late night shouting, banging of car doors
- Traffic pollution, late night parking in Bonington Road car park and in adjoining streets
- Sets a precedence – could create a 'pub crawl' mentatlity, last orders at the 'Smokehouse'
- Late license – a 'skinful at the Plainsmans' then off to Smokehouse for food – is that the plan? If not, how will it be prevented?
- Recent issues with Copper with live music and the doors open, creating unacceptable noise. Licensing restrictions to be requested & doors closed if playing music. Consistency please & in line with other local licensed premises
- Impact on the area – saturation of bars and coffee shops
- Safeguarding for local residents – bouncers on the door? Not a great image but how will 'pub-crawls' be prevented? I think it is reasonable to prevent access to new customers after 11pm
- Litter & broken bottles already blight the area – not very safe for youngsters
- These proposals could affect property prices and the reputation along this road and our ability to move home; it will attract undesirable individuals, has the potential to create a public nuisance, anti-social behaviour and will no doubt create policing issues for Nottinghamshire Police

We have invested considerably in our properties to turn them into safe and warm family homes. Due to the number of bars opening in the area and the issues with existing licensed premises, i.e. the Plainsman PH, we feel this may have a negative impact of our lives. That is really upsetting and is incredibly unfair on many levels. This is meant to be a residential area, along a very busy road and such developments may add nothing to the area suffice further excessive drinking, noise nuisance and anti-social behaviour. We appreciate empty shops is not the preferred option but at least an empty shop does not create a potential noise nuisance. Therefore we seek to work with the new owners/establishment to ensure our fears are exacerbated and the new bar is an asset to the area not a nuisance.

We await your urgent consideration and response to our letter. Thank you for your time.

Yours faithfully
