c) Requests from Cabinet

The Overview and Scrutiny Committee can, but does not have to, review issues put forward by the Executive.

d) Petitions

Under the Council's Petitions Policy (section 28 of the constitution), the Overview and Scrutiny Committee may be asked to examine issues raised by a petition. The Committee can also review the handling of a petition if a petitioner believes that their petition has not been handled correctly.

8 Call-in procedure

- 8.1 “Call in” is a statutory right for members of the council to “call in” a key decision of cabinet, an individual cabinet member or an officer with delegated authority after it is made but before it is implemented.
- 8.2 Call in does not apply to cabinet decisions that make recommendations to Council because those decisions will not be implemented in any event until the matter has been considered and agreed by Council.
- 8.3 Call in is not intended to be a mechanism for voicing objection to or dislike of any particular decision. It should only be used in exceptional circumstances and where there is evidence to show that one of the following may apply:
- a) that there has been inadequate consultation with stakeholders prior to the decision being made;
 - b) that there was inadequate evidence on which to base a decision and that not all relevant matters were fully taken into account;
 - c) that the decision materially departs from the budget and policy framework;
 - d) that the decision is disproportionate to the desired outcome;
 - e) that the decision has failed to take into account the provisions of the Human Rights Act 1998 and or the public sector equality duty;
 - f) that the decision-maker has failed to consult with and take professional advice from all relevant officers including the monitoring officer and the chief finance officer, as appropriate, or has failed to have sufficient regard to that advice;
 - g) that the decision exceeds the powers or terms of reference of the decision maker responsible for the decision; or
 - h) that the access to information rules have not been adhered to.
- 8.4 Where a decision has been taken in circumstances where the special urgency provisions apply, as set out in the access to information rules, that decision will not be subject to call in.
- 8.5 The call in procedure will also not apply where the decision taken needs to be implemented urgently. A decision will be urgent if any delay likely to be caused

by the call-in process would seriously prejudice the council's or the public interest.

- 8.6 In this case the record of the decision, and notice by which is it made public shall state whether in the opinion of the decision making person or body, the decision is one that requires urgent implementation and the reasons why, and the monitoring officer should confirm that as such it is not subject to call in.
- 8.7 Decisions taken as a matter of urgency must be reported to the next available meeting of Council, together with the reasons for urgency.
- 8.8 To exercise the "call in" mechanism, no less than three councillors must make such request in writing (email is acceptable) to the Monitoring Officer. The written notification of call-in must include reasons as set out in 8.3 above.

9 Whipping

When considering any matter in respect of which a member of the Overview and Scrutiny Committee is subject to instructions from his party or group to how they should speak or vote ("the party whip") the member must declare the existence of the whip and the nature of it before the commencement of the committee's deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

10 Scrutiny working groups

On completion of a review the Overview and Scrutiny Committee will agree the report and recommendations and send it to the Executive for a response. The Executive must consider this at their next meeting and respond to the Overview and Scrutiny Committee within 28 days of receipt of the report.

If the working group cannot agree on a single final report then a minority report can be submitted for consideration by the Executive alongside the majority report.

11 Scrutiny Committee members' rights to see documents

In addition to their rights as councillors members of the Overview and Scrutiny Committee and its working groups have additional rights of access to documents as included in the Access to Information rules in the Constitution. This allows the committee access to copies of any documents which are in the possession, or control, of the Executive or its committees.

12 Duty of Cabinet members and officers to attend the Overview and Scrutiny Committee

The Overview and Scrutiny Committee can require Executive members to attend meetings and answer questions about:

- Their performance
- Decisions they were involved with
- The extent to which they have complied with the budget and policy framework.

7 Delegation

Delegations from the Planning Committee to Officers can be found in Section 19 of this constitution.

8 Code of Practice for Councillors in Dealing with Planning Applications

8.1 Introduction

This Code is based upon the Guidance Note issued by the Local Government Association on Probity in Planning for Councillors and Officers. It has been prepared by the Planning Committee and has been adopted by the Council. Failure on the part of any Councillor to comply with this Code may comprise conduct which could reasonably be regarded as bringing his office or the Council into disrepute and may accordingly be a breach of Paragraph 7 of the Members' Code of Conduct.

8.2 The General Role of Councillors and Officers

- a) Councillors and Officers have different but complementary roles. Both serve the public but Councillors are responsible to the electorate, whilst Officers are responsible to the Council as a whole. Officers advise Councillors and the Council and carry out the Council's work. They are employed by the Council, not by individual Councillors. A successful relationship between Councillors and Officers will be based upon mutual trust, understanding and respect of each other's positions and roles.
- b) Officers who are chartered town planners are subject to the Royal Town Planning Institute (RTPI) Code of Professional Conduct, breaches of which may be subject to disciplinary action by the RTPI. Similarly Officers who are Solicitors are subject to the Solicitors Regulation Authority (SRA) Code of Conduct, breaches of which may be subject to disciplinary action by the SRA. Councillors must not ask officers to act in a way which will put them in breach of their professional rules.

8.3 Conflicts of Interest and Predetermination

- a) A member of the Planning Committee who is also a member of another body, whether within the Council such as the Cabinet or a committee, or outside the Council such as a parish council or charitable body, should comply with the requirements of the Council's Members' Code of Conduct with regard to the declaration of interests and the participation or non-participation in the consideration of any planning application submitted by that body.
- b) A Member of the Planning Committee who has expressed a clear intention to vote in a particular way or has otherwise predetermined their position on an application before its consideration by the Committee must not take part in the decision as a Member of the Planning Committee.
- c) If any member of the Planning Committee has expressed a view on a planning application to be considered by the Planning Committee on any occasion and in any forum in advance of consideration of the matter by the Planning Committee, but is willing to and intends to listen to all the considerations presented to the committee before deciding on how to vote, then they should not be regarded as having fettered their discretion and they may participate and on that application.

8.4 Development proposals submitted by councillors and officers and Council development

- a) Councillors and Officers have a right as members of the public to submit planning applications. Such applications must be handled in the following way so as to avoid accusations of favouritism:
 - Officers and Councillors must not act as agents for those pursuing planning matters within the Council even if they are not involved in the decision making.

- Where a Councillor is the applicant for planning permission or is a relative or close associate of the applicant, that Member should play no part in the decision-making process for those proposals. A Councillor who is the applicant will have a disclosable pecuniary interest in their own application and would commit a criminal offence if they participated in its consideration.
 - Where an Officer is the applicant for planning permission or is a relative or close associate of the applicant, that Officer should play no part in processing, advising on or determining the application.
 - The Monitoring Officer should be informed of any application submitted by a Councillor or Officer.
 - Councillor/Officer applicants must not lobby or bring pressure to bear on other Officers or Councillors in connection with their application.
 - Any planning application submitted by a Councillor or Officer (or their partner or spouse or immediate family member) should be dealt with by the Planning Committee itself and not dealt with by officers under delegated powers.
 - The right of an applicant to address the Planning Committee before consideration of the application by the Planning Committee should not apply where the applicant is a member of the Council. In that case, the Councillor may write to the Committee with such representations as they wish to make.
- b) The decision making process for proposals relating to Council owned land or Council development can be open to criticism on the basis that the Council may find it difficult to separate its roles as developer and planning authority. It is therefore important that the application is treated with the same transparency and impartiality as those of private developers. Such applications must therefore be handled in the following way:
- Any Officer involved in the initiation of the proposals must not be involved in the processing and determination of the application.
 - Any Councillor/Officer involved in the initiation of the proposals must not lobby or bring pressure to bear on other officers or Councillors in connection with the application.
 - Any planning application submitted by or on behalf of the Council should be dealt with by the Planning Committee itself and not dealt with by officers under delegated powers.
 - Any Councillor involved in the decision to initiate the proposals can only participate at Planning Committee if they are prepared to make their decision in the light of the information and evidence presented there.

8.5 Lobbying of and by Councillor

- a) Lobbying is a normal part of the planning process; however it can lead to the impartiality and integrity of Councillors being called into question unless care is exercised. When being lobbied by any party on a planning application, members of the Planning Committee should avoid expressing any opinion which might be taken as indicating that they have already made up their mind on the issue. If Councillors do express an opinion, they should make it clear that they will only be in a position to make a final decision after having heard all the relevant

Gedling Borough Council Constitution

arguments and taking into account all relevant material and planning consideration at committee. In order to avoid any allegation of predetermination or bias, Councillors could restrict themselves to giving procedural advice, including advice on how and to whom those lobbying can communicate.

- b) Councillors can raise issues which have been raised by their constituents with officers.
- c) The consideration of planning applications by the Planning Committee should not be subject to whipping arrangements on behalf of the political groups and Councillors must not decide in group meetings before the Committee how they should vote on the matter in Committee. The use of political whips to seek to influence the outcome of a planning application is likely to be regarded as maladministration.
- d) A member of the Planning Committee should avoid organising support for or against a planning application and should avoid lobbying other Councillors on such applications.
- e) Councillors should not put improper pressure on officers for a particular recommendation or decision, and should not do anything which compromises or is likely to compromise officers' impartiality or professional integrity. Councillors must recognise that Officers who are chartered town planners are subject to the Royal Town Planning Institute (RTPI) Code of Professional Conduct and may be subject to disciplinary action if they are in breach of the Code. Similarly Solicitors are subject to the Solicitors Regulation Authority Code of Conduct.
- f) If any Councillor, whether or not a member of the Planning Committee, acts as a speaker on behalf of a lobby group at Committee, they must withdraw once they have spoken in order to avoid any suggestion that members of the Committee may be influenced by their continued presence.

8.6 Decisions Contrary to Officer Recommendations

- a) The Planning Committee must only make planning decisions in accordance with the development plan (which includes the Aligned Core Strategy and adopted Local Plan and supplementary planning documents), unless material considerations indicate otherwise, and Article 11 of the Articles of the Constitution
- b) Planning Committee can make a decision which is contrary to the officer recommendation. This will usually be as a result in the difference in the assessment of how a policy has been complied with or a different weight given to material considerations.

- c) When making a decision which differs from the Officer recommendation, Planning Committee will:
- Record the reasons for the decision as part of the mover's motion.
 - Adjourn for officers to draft suitable wording to reflect the reasons proposed.
 - In any case in which Councillors wish to add to or amend conditions proposed by Officers, adjourn the meeting to give Officers a reasonable opportunity to draft suitable conditions reflecting Councillors wishes
 - Give officers the opportunity to explain the implications of the decision, including an assessment of a likely appeal outcome and chance of a successful award of costs against the Council, should one be made.
 - Formally agree the detailed reasons for the decision when the meeting re-convenes.
 - Consider adjourning the matter to another meeting where there are concerns about the validity of the reasons proposed.
- d) If the Planning Committee makes a decision contrary to the officers' recommendation, the Minutes should contain a detailed note of the Committee's reasons for the decision, which should be placed on the application file. Councillors must be prepared to explain in full their reasons for not agreeing with the officer recommendation. The reasons for the decision should be clear and convincing.
- e) Where Councillors refuse permission contrary to Officer advice, after the Committee meeting, Officers and Councillors will meet to discuss how to pursue the matter. Where it appears that the grounds for refusal could be overcome by further negotiation with the applicant, Officers will pursue this with a view to encouraging a revised application. However, this can involve cost for the applicant and can be time consuming. Therefore, notwithstanding any attempts at negotiation by Officers, the applicant may decide to appeal the decision.
- f) Where an appeal is received, Officers and Councillors will meet to discuss the nature of the appeal, the issues raised and how it will be handled.
- g) For appeals determined by Written Representations, after discussion with the relevant Councillors, Officers will produce the draft written statement, which will reflect and justify the reasons for refusal. This will then be sent to the nominated Member(s) to agree or add to the statement. Officers will provide technical and professional guidance on whether it is appropriate to include or exclude certain information. The statement will then be submitted and the appeal determined.
- h) For appeals determined at Informal Hearings, the statement will be produced as above. Pre-hearing meetings will then be held between Planning and Legal Officers and the nominated Member(s) to discuss what the planning issues are, and how the nominated Member(s) will present their reasons for the decision and defend the appeal at the hearing.
- i) An informal hearing is a round table debate in the form of a discussion led by the Inspector. Cross-examination is not usually permitted unless the Inspector considers that it is required to ensure a thorough examination of the main issues. In such cases the Inspector will consider whether the informal hearing should be closed and a full public inquiry be held instead.

- j) Solicitors or other professional advisers (such as highways or landscape officers) do not usually attend informal hearings on behalf of the Council as there is no role for them at the round table discussion. However, it is recognised that in exceptional circumstances there may be grounds for an advocate to attend the informal hearing. In such cases the Monitoring Officer, in consultation with the Chair of the Planning Committee, will determine what attendance, if any, is appropriate.
- k) Planning Officers will attend the informal hearing to act in a facilitator role, clarifying any questions regarding process or factual matters, for example regarding points of planning policy, site history or technical issues, and to provide professional advice for Councillors.
- l) At the hearing itself, if an application for award of costs is made by the appellant, Planning Officers will support the nominated Member(s) in responding to these, and may respond on issues of procedure and decision-making. In this situation Officers will work with Councillors to emphasise the importance of local decision making and to explain the process which was applied when applying weight to the material considerations of the case.
- m) For appeals determined at Public Inquiries, the same process as above will apply. However, as these involve more significant issues, and may require professional legal representation, there are likely to be more meetings before statements are exchanged and before the inquiry itself. It will be important therefore that both Officers and the nominated Councillors attend all of these.
- n) Officers and professional legal representatives will act as advocates (or expert witnesses) and will also work with Councillors to prepare them to be cross examined during the Inquiry. This will include investigating potential lines of inquiry.

8.7 Site Visits

- a) Site visits will only be arranged for the Planning Committee with the agreement of the Chair of the Committee where the benefit is clear and substantial. A site visit is only likely to be necessary if:
 - 1) the impact of the proposed development is difficult to visualise from the plans and any supporting material, including photographs taken by Officers; or
 - 3) there is a good reason why the comments of the applicant and objectors cannot be expressed adequately in writing
 - 4) the proposed development is particularly contentious or significant in relation to the locality.
- b) Where a site visit is arranged for the Planning Committee:
 - the purpose, format and conduct should be clear at the outset and adhered to by all throughout the visit

- record of the reasons why a site visit is called shall be kept
 - the Committee will be accompanied by Officers
 - the visit must not be used as a lobbying opportunity by the applicant, objectors or supporters. This will be made clear to parties present
 - the visit itself will consist of an inspection of the site by the Committee to gain a better understanding of the issues and will be run on the strict lines of a planning inspector's site visit.
 - the merits or otherwise of the application will not be discussed.
- c) Where a site visit is not arranged for the Planning Committee a member of the Committee may be tempted to visit the application site alone. Members do not have the right to enter private property and can only view the site from public vantage points. Even if invited by the owner to do so, Members of the Planning Committee should not enter the site on their own, as this could lead to a perception of bias or pre-determination.

12 Application of Rules to the Executive

Rules 1 – 11 apply to the Executive and its committees. If the Executive or its committees meet to take a key decision then it must also comply with Rules 13-23 unless Rule 15 (general exception) or Rule 16 (special urgency) apply. A key decision is as defined in Section 16 of this Constitution.

Gedling Borough Council Constitution

If the Executive or its committees meet to discuss a key decision to be taken collectively, with an officer other than a political assistant present, within 28 days of the date according to the forward plan by which it is to be decided, then it must also comply with Rules 1 – 10 unless Rule 15 (general exception) or Rule 16 (special urgency) apply. This requirement does not include meetings whose sole purpose is for officers to brief members.

13 Procedure Before Taking Key Decisions

Subject to Rule 15 (general exception) and Rule 16 (special urgency), a key decision may not be taken unless:

- a) a document (called here a forward plan) has been made available for inspection at the Civic Centre and on the Council's website in connection with the matter in question;
- b) at least 28 clear days have elapsed since the publication of the forward plan; and
- c) where the decision is to be taken at a meeting of the Executive or its committees, notice of the meeting has been given in accordance with Rule 4 (notice of meetings).

14 The Forward Plan

14.1 Period of forward plan

Forward plans will be prepared to cover a minimum period of four months, beginning with the first day of any month. They will be prepared on a monthly basis and subsequent plans will cover a period beginning with the first day of the second month covered in the preceding plan. It will be available for inspection at the Civic Centre and on the Council's website.

14.2 Contents of forward plan

The forward plan will contain matters which will be the subject of a key decision to be taken by the Executive, a committee of the Executive, individual members of the Executive or officers in the course of the discharge of an executive function during the period covered by the plan. It will describe the following particulars in so far as the information is available or might reasonably be obtained:

- (a) the matter in respect of which a decision is to be made;
- (b) where the decision maker is an individual, his/her name and title, if any, and where the decision taker is a body, its name and details of membership;

Gedling Borough Council Constitution

- (c) the date on which, or the period within which, the decision will be taken;
- (d) a list of the documents submitted to the decision maker for consideration in relation to the matter.
- (e) the address from which copies of, or extracts from, those documents are available
- (f) that other documents may be submitted to the decision maker;
- (g) the procedure for requesting those documents when they are available.

The forward plan will not contain any confidential information, exempt information or particulars of the advice of a political adviser.

15 General Exception

- 1) If a matter which is likely to be a key decision has not been included in the forward plan, then subject to Rule 16 (special urgency), the decision may only be taken if:
 - a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next forward plan and at least 28 clear days have elapsed since the publication of that forward plan.
 - b) the Proper Officer has informed the chair of the Overview and Scrutiny Committee, or if there is no such person, each member of that committee by notice in writing of the matter in respect of which the decision is to be made;
 - c) the Proper Officer has made a copy of that notice available for public inspection at the Civic Centre and published on the Council's website; and
 - d) at least 5 clear days have elapsed since the Proper Officer complied with (b) and (c).

Where such a decision is taken collectively, it must be taken in public.

As soon as reasonably practicable after the Proper Officer has complied with Rule 15 (1) above, the Proper Officer must make available for inspection at the Civic Centre and publish on the Council's website a notice setting out why compliance with Rule 23 is impracticable.

16 Special Urgency

- 1) If by virtue of the date by which a decision must be taken Rule 15 (general exception) cannot be followed, then the decision can only be taken if the decision taker (if an individual) or the chair of the body making the decision, obtains the agreement of the chair of the Overview and Scrutiny Committee that the taking of the decision is urgent and cannot be reasonably deferred. If there is no chair of the Overview Scrutiny Committee, or if the chair of the Overview Scrutiny Committee is unable to act, then the agreement of the Mayor or in his/her absence the Deputy Mayor will suffice.
- 2) As soon as reasonably practicable after the decision maker has obtained agreement under Rule 16(1), the decision maker must make available at the Civic Centre and publish on the Council's website a notice setting out the reasons that the meeting is urgent and cannot reasonably be deferred.

17 Report to Council

17.1 When the Overview and Scrutiny Committee can require a report

If the Overview and Scrutiny Committee thinks that a key decision has been taken which was not treated as a key decision the committee may require the Executive to submit a report to the Council within such reasonable time as the committee specifies. The requirement may be raised by resolution passed at a meeting of the Overview and Scrutiny Committee.

17.2 Executive's report to Council

The Executive will prepare a report for submission to the next ordinary meeting of the Council, setting out the decision and reasons for the decision, the individual or body making the decision, and if the Executive is of the opinion that it was not a key decision the reasons for that opinion.

The Leader will submit at least one report to Council each year.

18 Record of Decisions made at Executive Meetings

After any meeting of the Executive or any of its committees, whether held in public or private, the Proper Officer or, where the Proper Officer was not present, the person

20 Notice of Private Meeting of the Executive

Members of the Executive or its committees will be entitled to receive five clear working days notice of a meeting to which they are summoned, unless the meeting is convened at shorter notice as a matter of urgency.

21 Record of Decisions by Individual Members of the Executive and Officers

Gedling Borough Council Constitution

Part 1 - General

1 The framework for Executive decisions

The Council will be responsible for the adoption of its budget and policy framework as set out below. Once a budget or a policy framework is in place, it will be the responsibility of the Executive to implement it.

1.1 Meaning of Policy Framework

The Policy Framework means the following three categories of plans and strategies:

- a) Those required by law to be adopted by the Council, namely:
 - Development Plan documents
 - Licensing Authority Gambling Statement of Policy
 - The Capital Strategy and any plan or strategy for the control of the Authority's borrowing and investments.

Gedling Borough Council Constitution

- b) Those which the Council has chosen to adopt as part of the Policy Framework, namely:
 - Gedling Plan
- c) Any plan or strategy required by law to be sent to a Minister of the Crown for approval.

The Executive will be responsible for adopting all other plans and strategies, unless reserved to Council or specified as a non-executive function by law.

1.2 Budget

The Budget includes the allocation of financial resources to the delivery of the Gedling Plan and different services and projects, proposed contingency funds, determining the Council tax base, setting the Council tax level, decisions relating to the control of the Council's borrowing requirements, investments, the control of its capital expenditure and the setting of expenditure and virement limits.

2 Process for developing the Policy Framework

2.1 Development of the Policy Framework

The process by which the Policy Framework shall be developed is:

- i. The Executive will publicise by including in the Forward Plan a timetable for making proposals to the Council for the adoption of any plan or strategy that forms part of the Policy Framework, and its arrangements for consultation after publication of the initial proposals. The Chair of the Overview and Scrutiny Committee will also be notified.
- ii. At the end of the consultation period, the Executive will draw up firm proposals having regard to the responses to the consultation. If the Overview and Scrutiny Committee wishes to respond to the Executive in that consultation process then it may do so. As the Overview and Scrutiny Committee has responsibility for fixing its own work programme, it is open to the Overview and Scrutiny Committee to investigate, research or report in detail with policy recommendations before the end of the consultation period, having particular regard not to duplicate any consultation carried out by the Executive. The Overview and Scrutiny Committee shall report to the Executive on the outcome of its deliberations.
- iii. The Executive will take any response from the Overview and Scrutiny Committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the Executive's response.
- iv. Once the Executive has approved the firm proposals, it will refer them at the earliest opportunity to the Council.

2.2 Dispute Resolution - Policy Framework

2.2.1 Where the Executive has submitted a draft plan or strategy that forms part of the Policy Framework to the Council for its consideration and, following consideration of that draft plan or strategy, the Council has any objections to it, the Council must take the action set out below.

2.2.2 Before the Council:

- (a) amends the draft plan or strategy;
- (b) approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft) of which any part is required to be so submitted; or
- (c) adopts (with or without modification) the plan or strategy,

it must inform the Leader of any objections which it has to the draft plan or strategy and must give to him instructions requiring the Executive to reconsider, in the light of those objections, the draft plan or strategy submitted to it.

2.2.3 Where the Council gives such instructions it must specify a period of at least five working days beginning on the day after the date on which the Leader receives the instructions on behalf of the Executive within which the Leader may:

- a) submit a revision of the draft plan or strategy as amended by the Executive (the "revised draft policy or strategy") with the Executive's reasons for any amendments made to the draft plan or strategy, to the Council for the Council's consideration; or
- b) inform the Council of any disagreement that the Executive has with any of the Council's objections and the Executive's reasons for any such disagreement.

2.2.4 When the period specified by the Council, in its instructions to the Leader has expired, the Council must, when:

- a) amending the draft plan or strategy or, if there is one, the revised draft plan or strategy;
- b) approving, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft or revised draft) of which any part is required to be so submitted; or
- c) adopting (with or without modification) the plan or strategy,

take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Executive's reasons for those amendments, any disagreement that the Executive has with any of the Council's objections and the Executive's reasons for that disagreement, which the Leader submitted to the Council, or informed the Council of, within the period specified.

3 Process for developing the Budget

3.1 Development of the Budget

The process by which the Budget shall be developed is:

- i. The Executive will publicise by including in the Forward Plan, a timetable for making proposals to the Council for the adoption of the budget and its arrangements for consultation after publication of the initial proposal. The Chair of the Overview and Scrutiny Committee will also be notified.
- ii. The Executive can, if it wishes, invite views from the Overview and Scrutiny Committee on priorities and suggestions for growth prior to preparation of the budget. The Executive can, if it wishes, invite comment from the Overview and Scrutiny Committee on the draft budget prior to its consideration by Cabinet.
- iii. At the end of the consultation period, the Executive will draw up firm proposals having regard to the responses to the consultation. If the Overview and Scrutiny Committee wishes to respond to the Executive in that consultation process then it may do so. The Overview and Scrutiny Committee shall report to the Executive on the outcome of its deliberations.
- iv. The Executive will take any response from the Overview and Scrutiny into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the Executive's response.
- v. Firm proposals will be approved by the Executive no later than 21st February relating to the budget for the following financial year. Once the Executive has approved the firm proposals, it will refer them at the earliest opportunity to the Council for adoption.

and following consideration of those estimates or amounts the Council has any objections to them; it must take the action set out in paragraph 3.2 below.

3.2.1 Before the Council makes a calculation (whether originally or by way of substitute) in accordance with any of the sections referred to in paragraph 3.1(vi), or issues a precept under Chapter IV of Part I of the Local Government Finance Act 1992, it must inform the Leader of any objections which it has to the Executive's estimates or amounts and must give to him instructions requiring the Executive to reconsider, in the light of those objections, those estimates and amounts in accordance with the Council's requirements.

3.2.2 Where the Council gives instructions in accordance with paragraph 3.2.1, it must specify a period of at least five working days beginning on the day after the date on which the Leader receives the instructions on behalf of the Executive within which the Leader may:

- (a) submit a revision of the estimates or amounts as amended by the Executive ("revised estimates or amounts"), which have been reconsidered in accordance with the Council's requirements, with the Executive's reasons for any amendments made to the estimates or amounts, to the Council for the Council's consideration; or

If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken by the Council, subject to paragraph 4(b) below.

b) If the Executive, committees of the Executive, individual members of the Executive and any officers want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Financial Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 5 (urgent decisions outside the budget and policy framework) shall apply.

5 Urgent decisions outside the Budget and Policy Framework

a) The Executive, a committee of the Executive, an individual member of the Executive or officers discharging Executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. 7 In-year changes to the Policy Framework

The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Executive, committees of the Executive, individual Members of the Executive and officers, discharging Executive functions must be in line with it. No change to any policy or strategy which make up the policy framework may be made by those bodies or individuals except those changes:-

- b) Which are necessary to ensure compliance with the law, ministerial direction or government guidance;
- c) In relation to the policy framework which would normally be agreed by the Council following consultation, but are required because the existing policy document is silent on a matter under consideration.

Any such changes to any plan or strategy which make up the policy framework must be reported to the next ordinary Council meeting.

8 Call-in of decisions outside the Budget or Policy Framework

- a) Where the Overview and Scrutiny Committee is of the opinion that an Executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or Chief Financial Officer.
- b) In respect of functions which are the responsibility of the Executive, the Monitoring Officer's report and/or Chief Financial Officer's report shall be to the Executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Executive must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Financial Officer conclude that the decision was a departure, and to the Overview and Scrutiny Committee if the Monitoring Officer or the Chief Financial Officer conclude that the decision was not a departure.
- c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Financial Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Overview and Scrutiny Committee may request the Mayor to call an extraordinary meeting of the Council to consider the matter. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 20 working days of the request by the Overview and Scrutiny Committee, at the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Financial Officer. - 2.2 A waiver from any of the following provisions of these Contracts and Procurement Rules may only be made by direction of the Council where it is satisfied that the exemption is justified in special circumstances. A waiver cannot be given where the contract value exceeds the statutory thresholds set out pursuant to the Procurement Act 2023 and replacement regulations. A record of such waiver shall be made in the minutes of the Council meeting.
- 2.3 Where the Council acts as agent for another organisation or authority then if that principal shall so require, the contractual and tendering procedures of the principal shall be used in substitution, in whole or in part, for these Rules.

3 Relevant Contracts

- 3.1 All relevant contracts must comply with these Rules.
- 3.2 A relevant contract is any arrangement by or on behalf of the Council to procure the carrying out of works or provision of supplies or services. This includes arrangements for:

4 Officer Responsibilities

- 4.1 Every Council officer responsible for procuring and managing relevant contracts on behalf of the Council must comply with these Rules, the Council's Financial Regulations, Officers' Code of Conduct, all relevant legal requirements or guidance and any relevant policies of the Council. It is the responsibility of officers to ensure that they are aware of and fully understand the requirements under these Rules. Any Council officer who fails to comply with these rules may be subject to disciplinary action.
- 4.2 Prior to commencing any procurement process the lead officer for the procurement (the **Contract Officer**) must:
- a) Conduct preliminary market engagement compliantly (see Rule 6)
 - b) ensure there is sufficient time to complete the procurement process, including contract completion and mobilisation, and establish a procurement timetable;
 - c) ensure there is a sufficient budget established or approval has been obtained from the Chief Financial Officer in accordance with Rule 5);

 - j) for contracts for services which are valued in excess of the statutory threshold, consider how the procurement may improve the economic, social and environmental well-being of the borough in order to demonstrate compliance with the Public Services (Social Value) Act 2012.
 - k) Provide a minimum of three KPI's for the appropriate management of the contract with regular reviews.
- 4.3 The Contract Officer is responsible for ensuring that an appropriate audit trail, through written and/or electronic records, is made to evidence that the procurement process has been carried out in accordance with these Rules, including decisions relating to the method of procurement, evaluation of tenders and contract award.
- 4.4 All records must be retained by the Contract Officer in accordance with the [Council's Records Retention & Disposal Policy](#).
- 4.5 All completed contracts must be passed to Legal Services for retention in accordance with the Council's Records Retention & Disposal Policy.

5 Funding

In accordance with the Council's Financial Regulations, an order must not be placed or a formal process for letting a contract commenced unless expenditure has been included in approved capital or revenue budgets or the prior approval of the Chief Financial Officer has been obtained.

6 Preliminary Market Engagement

- 6.1 Potential suppliers may be consulted prior to the issue of a request for quotation or invitation to tender in general terms about the nature, level, standard and packaging of the supplies, services or works and other relevant matters so as to best ensure competition, establishing achievable and impactful social value targets and value for money, provided that this does not distort competition or prejudice any potential supplier.
- 6.2 When carrying out preliminary market engagement, it must be made clear to potential suppliers that they will not receive preferential treatment in the quotation or tender process and that there is no guarantee that any procurement exercise will take place.
- 6.3 Preliminary market engagement does not negate the need to undertake a formal procurement process such as a request for quotations or tender.
- 6.4 Where the estimated contract value is equal to or exceeds the relevant statutory threshold (but is not a framework call-off) and preliminary market engagement has been carried out:
- a) a Preliminary Market Engagement Notice must be published on the Government's online central digital platform prior to the publication of a Tender Notice
 - b) an explanation must be given in the Tender Notice why a Preliminary Market Engagement Notice was not published. Reasons for not publishing should be limited (e.g. where there are extenuating circumstances such as a high risk of critical service failure if the procurement doesn't progress quickly).
- 6.5 Publication of the Preliminary Market Engagement Notice will be arranged by Procurement Services.

7 Procurement Requirements

- 7.1 If an Officer wishes to alert the market to an upcoming contract with a value equal to or exceeding the relevant statutory threshold prior to inviting tenders. Procurement Services will advise and publish a Planned Procurement Notice in accordance with the Procurement Act if considered appropriate.

Gedling Borough Council Constitution

- 7.2 Where the Council considers that it will pay more than £100 million under any contract for the supply of goods, services or works (other than exempt contracts) in the coming financial year, it must publish a pipeline notice within 56 days of the start of the new financial year. A pipeline notice sets out prescribed information about any contract with an estimated value of more than £2 million in respect of which the Council intends to publish a Tender Notice or Transparency Notice during the period of 18 months beginning with the first day of the new financial year.
- 7.3 The nature of the procurement process to be undertaken will depend on the estimated total value of the contract.
- 7.4 When establishing the total value of the contract, the whole life costs and any possible extension periods which may be awarded must be included along with VAT. Contracts must not be artificially under or over-estimated or divided into separate contracts to avoid the application of the Procurement Act or these rules.
- 7.5 Consideration should also be given to contracts held with the same supplier elsewhere within the Council and contracts that run consecutively with the same supplier when calculating the contract value. Rewarding a contract to the same supplier will require the contract value to be calculated on a cumulative basis, including both the contract due to expire and the proposed new contract in order to establish the whole contract value.
- 7.6 Where the estimated total value of the proposed contract is within the values in the second column of the table below, the procurement process in the third column and the requirements set out in the fourth column must be followed unless a waiver under [Rule 2](#) has been granted or an exception under [Rule 35](#) applies.
- 7.5 All procurements using the [Open Procedure](#), the [Competitive Flexible Procedure](#) or the [Multi-Staged Procedure](#) must seek to achieve wider financial and non-financial outcomes, including improving wellbeing of individuals and communities and the environment by making Social Value a decision-making criterion when awarding contracts as required by the Public Services (Social Value) Act 2012. Please see the Procurement Strategy for more detail on decision-making criterion to be used.

Such approval is to be recorded in writing on a contract waiver form approved by the Chief Financial Officer and Monitoring Officer and must be kept on the file.
- 8.5 For contracts in excess of £30,000.00 but below threshold, where the market has not been tested through a competitive procurement exercise as detailed in the table at [Rule 7](#), a waiver form can be submitted provided one of the exemptions detailed at Rule 35.3 apply.

- 9.2 The Council's eTendering system must be used. Notice of the contract opportunity shall be advertised in accordance with the Procurement Act on the Government's [Contracts Finder](#) website, on SourceNottinghamshire and SourceDerbyshire websites and, where the Director considers it appropriate to generate additional interest in the contract, in such newspaper, journal or website as they see fit.

10 Competitive Flexible Procedure

- 10.1 This procedure can only be used when authorised by the Director with the approval of the Monitoring Officer where the nature of the contract is such that the Council wishes to design its own procurement procedure with one or more stages. This may include restricted forms of procurement, negotiated or competitive dialogue forms of procurement. This procedure may be appropriate for complex technical IT contracts, for example.
- 10.2 The procedure rules as set out in the Procurement Act must be complied with and advice from Procurement and Legal Services must be sought.

11 Multi-Staged Procedure

- 11.1 This procedure can only be used where authorised by the Director with the approval of the Monitoring Officer where the Council is unable to define the design, technical, financial or legal elements of the project. It is intended for complex procurement projects. The multi-staged procedure is a two-stage procedure where firstly the contract is advertised and anyone who expressed an interest must complete a pre-qualification questionnaire. These are then evaluated, and a number of potential suppliers are shortlisted and invited to enter into a dialogue with the Council.
- 11.2 The procedure rules as set out in the Procurement Act must be complied with and advice from Procurement and Legal Services must be sought.

12 Framework Agreements and Dynamic Market System (DMS)

- 12.1 A Framework Agreement is a general term for an agreement with appointed suppliers that sets out terms and conditions under which a contract can be awarded or specific purchases (call-offs) can be made throughout the term of the agreement without the need to enter into a separate full procurement process. A DMS is similar to an electronic framework however new suppliers can join at any time and the procedure must be run as a completely electronic process.
- 12.2 Framework agreements and DMSs procured by other local authorities, public bodies or purchasing consortiums may only be used where the Council is either a named participant or where the Council is considered a recognisable class of contracting authority under the terms of the framework agreement or DMS.

- 12.3 Contracts based on framework agreements and DMSs may only be awarded by either:
- a) applying the terms laid down in the framework agreement or DMS (where such terms are sufficiently precise to cover the particular call-off); or
 - b) where the terms laid down in the framework agreement or DMS are not sufficiently precise for the particular call off, by holding a Competitive Selection Process in accordance with the procedure set out in the framework agreement or DMS.

13 e-Auction

- 13.1 An e-Auction (an electronic auction) may be used where authorised by the Director with the approval of the Chief Financial Officer and Monitoring Officer. This is a procurement tool where potential suppliers can complete online in real time to give prices for supplies or services under auction.
- 13.2 Advice must be sought from Procurement and Legal Services.

14 Specifications and Standards

- 14.1 All tenders and LTRFQ and RFQ shall, except to the extent that the Council in a particular case or specified categories of contract otherwise decides, be based on a definite specification that describes the Council's requirements in sufficient detail to enable the submission of competitive bids and objective evaluation.
- 14.2 Where an appropriate British Standard Specification or British Standards Code of Practice is current at the date of the tender or LTRFQ and RFQ, every contract shall require that all goods and materials used or supplied, and all the workmanship shall be at least of the standard required by the appropriate British Standards Specification or Code of Practice.
- 14.3 Specifications should not include product names and can only reference trade names and marks where it is necessary to adequately specify the Council's requirements and equivalent products must be accepted.

15 Evaluation Criteria

- 15.1 The evaluation criteria must be defined and clearly set out in a request for quotation or invitation to tender. Such criteria must be that which is best suited to the procurement exercise and designed to secure value for money for the Council.

- 15.2 The following criteria are available:
- a) lowest price where payment is made by the Council;
 - b) highest price where payment is to be received by the Council (e.g. in respect of concession contracts); or
 - c) most advantageous tender (**MAT**) where considerations other than price apply.
- 15.3 The request for quotation or invitation to tender must clearly outline the criteria which will be used to evaluate tenders received and, in the case of MAT, the overall weightings to be attached to each element.
- 15.4 In the latter case, the Council will use criteria linked to the subject matter of the contract to determine that an offer is the most advantageous for the Council. Such criteria may include: price, service, quality, technical merit, aesthetic and functional characteristics, accessibility, environmental characteristics, running costs, cost effectiveness, safety, organisational qualification and experience of staff assigned to perform the contract, after- sales service, technical assistance, delivery process, delivery date, delivery period and period of completion.
- 15.5 Issues that are important to the Council in terms of meeting corporate objectives can be used to evaluate bids. The criteria can include for example: sustainability considerations and support for the local economy and social value. All criteria must relate to the subject matter of the contract and must be objectively quantifiable and non-discriminatory. The criteria must not include non-commercial considerations, matters which discriminate against suppliers or matters which are anti-competitive.

16 Submission of Quotations and Tenders

- 16.1 The entire RFQ and tender process for contracts over £30,000.00 shall be conducted electronically through an e-Tendering system approved by the Council for this purpose. Quotations and tenders must be submitted via the approved system and in accordance with instructions given in the request for quotation or invitation to tenders.
- 16.2 No quotation or tender received after the time and date specified in the invitation to tender shall be accepted or considered. Any late quotation or tender must be notified promptly to the bidder (if applicable).
- 16.3 Quotations and tenders shall not be opened until the time and date specified for their opening.

17 Opening of Tender

- 17.1 Tenders received shall be opened one at a time by a representative of the Monitoring Officer in the presence of a representative of the Director who invited the tenders.

- 17.2 The relevant Cabinet Member, Chair of the Overview and Scrutiny Committee, the Chief Financial Officer and the Monitoring Officer must be notified of the time and place appointed for the opening and be afforded the opportunity to attend the tender opening.  - iii. the supplier has exclusive rights, including intellectual property rights

but only in the case of paragraphs (ii) and (iii) where no reasonable alternative or substitute exists, and the absence of genuine competition is not as a result of an artificial narrowing down of the parameters of the procurement;
- j) tenders or quotations have been invited on behalf of any consortium, collaboration or similar body of which the Council is a member, provided that such tenders or quotations shall have been invited in accordance with the provisions of the Contracts and Procurement Rules of the said body or lead authority;

DISPOSALS

The following Rules apply to all 'relevant disposals' of land and buildings by the Council.

For the purposes of these Rules, a 'relevant disposal' means:

- The sale / transfer of a freehold interest;
- The sale / grant of a leasehold interest (excluding a tenancy not exceeding seven years);
- The assignment of any unexpired term of a lease which at the date of the assignment has not more than seven years to run;
- The grant of an easement;
- The grant of an option to purchase a freehold interest; and
- The grant of an option to purchase a leasehold interest (excluding a tenancy not exceeding seven years).

In these Rules 'the Executive' means the relevant decision maker which shall be Cabinet or the relevant Cabinet member or Director in accordance with the Council's approved Scheme of Delegation for Officers – Executive Functions as set out in this Constitution.

1. Best Consideration

- 1.1 The Executive shall ensure that land and/or buildings are not disposed of for consideration less than the best that can be reasonably obtained on the open market except with the express consent of the Secretary of State or where the General Disposal Consent (England) 2003, the General Housing Consents 2013 or other Ministerial Consent applies and following consultation with the Chair of the Overview and Scrutiny Committee.
- 1.2 Where the disposal is for less than best consideration, the Executive shall also be satisfied that all subsidy control rules applicable at the time of the disposal are complied with.

2. Notification

- 2.1 The Executive shall notify all relevant ward members before making any decision to dispose of any land or building to which these Rules apply.

3. Disposal of Open Space Land

- 3.1 No disposal of open space land shall be effected until the statutory procedures set out in section 123(2A) of the Local Government Act 1972 and section 233(4) of the Town and Country Planning Act 1990 have been complied with. Open space land means any land laid out as a public garden, or used for the purposes of public recreation, or land which is a disused burial ground. The Director shall ensure that the Council advertises its interest to dispose of the land in a local

Gedling Borough Council Constitution

newspaper for at least two consecutive weeks and consider any objections received before any final decision to dispose of the land is taken.

- 3.2 Land which is designated as public open spaces will not be disposed of unless the prospective purchaser / lessee has first obtained the necessary planning consent or it is a condition of the sale or lease that the necessary planning consent is obtained.

4. Disposal of Land Held on Trust

- 4.1 Land held on trust shall not be disposed of under delegated powers and must be disposed of in accordance with the terms of the trust.

5. Valuation and Use of External Advisors

- 5.1 Before the disposal of any land or building is authorised by the Executive, a valuation shall be prepared by the Council's surveyor or an independent qualified valuer ("the Valuation").
- 5.2 The Valuation shall be obtained from an independent qualified valuer in all cases where the anticipated value of the land or building exceeds £500,000 or where it is considered necessary due to the complexity or uniqueness of the land or building.
- 5.3 Where it is considered necessary to use the services of external advisers (for example where a disposal is complex or not a typical sale), the instruction given to the adviser shall ensure, so far as may be appropriate, compliance with these Rules.

6. Methods of Disposal

- 6.1 The Executive shall authorise the method of disposal of any land or building.
- 6.2 A report to the Executive to obtain agreement in principle to the disposal and to approve the method of disposal to be used shall include (but not limited to) the following:
- identity of the land and legal extent of ownership, including a plan;
 - any legal requirements relating to the disposal including compliance with its duty to obtain the best consideration that can reasonably be obtained pursuant to s123 of the Local Government Act 1972 (see para 2.1 above);
 - the valuation as prepared by the Council's surveyor or an independent qualified valuer;
 - the key terms and conditions that the disposal should be subject to including any restrictions upon and / or covenants required from a purchaser to be contained in any contract for sale;

- any representations from consultees;
- confirmation whether the disposal includes land consisting or forming part of public open space and, if so, that the requirements of paragraph 3 above must be complied with; and
- the recommended method of disposal and the justification for it.

6.3 Disposal shall be by one of the following methods:

A Private Treaty

A.1 Disposal by private treaty may be either through the open market or off market.

Open Market

A.2 Disposal by private treaty through the open market is likely to be appropriate where the level of interest is unknown and the land and / or buildings are easily marketable.

A.3 With such disposal, the sale shall first be marketed, including by public advertisement or through use of an estate or lettings agent, to generate interest with the aim of achieving an offer which represents the best consideration that can usually be obtained. The Director shall approve the terms of any sale / letting before the disposal is marketed.

A.4 Where disposal by private treaty through open market is authorised, the Director shall, if the level of interest is sufficiently high, require best and final offers to be made by a specified date.

Off Market

A.5 Disposal by private treaty off market is likely to be appropriate where the nature of the land and / or buildings or other special circumstances have been identified which indicates that there is likely to be only one potential purchaser or tenant or where the disposal is to a public sector partner / stakeholder. Such circumstances may include the following:

- the land is small in size or value;
- the only realistic purchaser is an adjoining landowner; or
- where there is a purchaser for whom the land has a higher value than anyone else i.e. ransom strips.

A.6 Disposal by private treaty off market may only be authorised following consultation with the Chair of the Overview and Scrutiny Committee.

A.7 Where disposal by private treaty off market is authorised, file notes shall be kept of all negotiations with prospective purchasers or tenants and, in relation to higher value disposals, two officers should be present during any negotiations.

Gedling Borough Council Constitution

B Public Advertisement and Tender

- B.1 Where there is likely to be interest on the open market, disposal by public advertisement and tender is likely to be the appropriate method of disposal to ensure best value is obtained.
- B.2 Written sales particulars shall be prepared which include full details of the land and / or building and of any rights or obligations by which the parties to the transaction are intended to be bound. The contract, conditions of sale, searches, replies to enquiries and any other supporting documentation shall also be prepared.
- B.3 The intention to dispose of the land and / or building shall be advertised in at least one local newspaper or a local property advertising service and, in cases where the land or building is estimated to have a value in excess of £100,000, the land and / or building shall also be advertised in the property pages of at least one or more national newspaper or journal or such other national property advertising service, including online services, as the Executive considers to be appropriate.
- B.4 The advertisement shall state the nature of the property and where further information can be obtained and either give at least fourteen days' notice by which parties wishing to be invited to tender should advise the Council of their interest or, where tenders have been invited, give at least fourteen days for interested parties to submit a tender.
- B.5 Where expressions of interest are first sought, tenders shall be invited from all of the persons who stated that they wished to be invited to tender. Details of the conditions of sale, contract and all supporting documentation, including any searches and replies to enquiries, shall be included in the invitation to tender along with the approved criteria for evaluating bids.
- B.6 Every invitation to tender shall state that all tenders must be submitted in hardcopy in a plain sealed envelope bearing the words "Tender For" followed by the description of the land and / or building to which it relates or by using an electronic system approved by the Council. Where submitted in hardcopy, each such envelope shall be addressed to the Council's Monitoring Officer. All tenders received must be stamped with the date and time they were received and shall be kept securely in the custody of the Monitoring Officer until the time and date specified for their opening.
- B.7 Every invitation to tender must state that a tender will only be considered if it is submitted in accordance with the instructions provided, and received by the date and time specified in the invitation to tender. The invitation to tender must also state that tenders which do not comply fully may be rejected and that the Council reserves the right not to accept the highest or any tender received.

Gedling Borough Council Constitution

- B.8 Sealed bids shall be opened by a representative of Legal Services in the presence of a representative of the relevant Director. The relevant Cabinet member, the Monitoring Officer and the Chair of the Overview and Scrutiny Committee shall be notified of the time and place appointed for the opening of tenders and any Member of the Council who wishes may be present at the opening. A formal record of all tenders received must be made and include the tenderer's name and the tendered value. The record shall be signed by those persons present at the tender opening.
- B.9 Any tender received that is not in accordance with paragraph B.6 above or is received after the deadline for receipt of tenders shall not be accepted. The tender may be opened to ascertain the identity of the tenderer and shall be returned to the tenderer without any details of such tender being revealed to any party.
- B.10 All parties submitting a tender, whether successful or unsuccessful, shall be promptly notified of the outcome.

C Public Auction

- C.1 Sale by public auction is likely to be appropriate where speed and certainty is required. This method of disposal may generate wide interest and it is easy to allocate a reserve price.
- C.2 Should the disposal be undertaken by public auction, an auctioneer(s) shall be instructed to conduct the sale. Any reserve price shall be set by the Executive, which shall not be less than the Valuation.
- C.3 Legal Services shall prepare the contract, conditions of sale, searches, replies to enquiries and any other supporting documentation. The contract documentation must be ready for exchange at the auction where a binding contract will be made on the acceptance of the highest bid which exceeds the reserve price.

7. Acceptance

- 7.1 In respect of tenders or sealed bids, the highest tender/bid or the tender/bid scoring highest against the approved evaluation criteria should be accepted. In any case where it is intended that the highest tender should not be accepted a report shall be submitted forthwith on the matter to the Executive who may authorise acceptance of another tender if they are satisfied for good reasons that such lower tender should be accepted and, in which case, the reasons for any such decision shall be given and any necessary Ministerial consent shall be obtained before a binding contract for the sale shall be entered into.

Gedling Borough Council Constitution

- 7.2 No tender for or offer to purchase any land and / or building shall be accepted unless the prospective purchaser will be able to complete the transaction within a reasonable time from the date of acceptance.
- 7.3 If no tender or offer is accepted, a report shall be prepared for the Executive to consider whether any further efforts should be made to dispose of the land and / or building and, if so, what further efforts should be made.
- 7.4 A prospective purchaser or tenant shall not be permitted to occupy the land and / or building prior to completion of the disposal unless some other written agreement approved by the Monitoring Officer has been entered into.

ACQUISITIONS

- 8.1 All acquisitions of land and / or building shall be the subject of a valuation report prepared by the Council's surveyor or an independent qualified valuer. A valuation of the land and / or building and any relevant terms must be included in the report to the Executive when seeking authorisation for the acquisition.
- 8.2 All acquisitions must be made in accordance with the Council's Financial Regulations and be approved by the Executive. There must be an approved budget for the acquisition.

Financial Regulations

- 1.1 The Financial Regulations establish the system of control for financial decisions. They are an integral part of the Council's Constitution. The rules reflect the responsibilities arising from being entrusted with public money.
- 1.2 The Financial Regulations consist of 2 parts:
 - Part One sets the context within which the Financial Regulations operate and defines the roles and responsibilities of Members and Officers;
 - Part Two contains the overarching Financial Regulations, and provides the details on how those regulations are implemented.
- 1.3 Detailed guidance notes and practices generally support the Financial Regulations. Whilst such guidance is regularly updated, where there is any difference between the Financial Regulations and the detailed guidance, the Finance Regulations will have precedence in all cases.

Status of the Financial Regulations

- 2.1 The Council must conduct its business efficiently and ensure it has sound financial management policies in place, including arrangements to monitor compliance. The Council's Chief Financial Officer, the statutory responsible officer under Section 151 of the Local Government Act 1972, is charged with ensuring that proper financial management processes are in place.
- 2.2 The Chief Financial Officer, in consultation with the Chief Executive and Directors, is responsible for the preparation and maintenance of financial procedures.
- 2.3 The Financial Regulations, together with the Budget and Policy Framework Procedure Rules, provide the basis for managing the Council's financial affairs and are part of the Council's Constitution. They apply to every Member and Officer of the Council and to anyone acting on its behalf. The Council's Scheme of Delegation will be taken account of in all matters relevant to these procedure rules.
- 2.4 In the absence of a Director, the Chief Executive and/or other Directors have authority to deal with matters within the responsibility of the Director.

1.5.1 The Chief Financial Officer is responsible for ensuring that the requirements of the Local Government Act 2003 are met, and that the Council has regard to the Prudential Code. This requires that Prudential Indicators are set for a minimum period, currently 3 years, to ensure that the Council's capital investment plans are affordable, prudent and sustainable. The Council will set Prudential Indicators for a period that is consistent with the Medium Term Financial Plan and in compliance with the Prudential Co. It also requires that the Council's policies for managing its investments give due priority to the security of those investments over liquidity and yield. This will be updated annually for consideration by the Cabinet and approval by the Council.

1.5.2 Key Controls

The key controls are:

- 1.5.1.1 Annual approval by full Council of the Treasury Management Strategy (including Borrowing and Investment Strategies, Prudential Indicators for the following four years as a minimum, linked to the period of the Medium Term Financial Plan, and the existence of an Authorised Limit and Operational Boundary to ensure affordable borrowing);
- 1.5.1.2 Regular monitoring of Treasury activity and Prudential Indicators;
- 1.5.1.3 The operation of Treasury Management Practices (TMP's) and Treasury Management Practice Schedules.

Regulation 2 – Financial Management - Capital

2.1 The Capital Programme

- 2.1.1 Capital expenditure involves the acquisition or enhancement of fixed assets such as buildings and major items of plant, equipment or vehicles, with a long-term value to the Council. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and running costs.
- 2.1.2 The Government places controls on the Council's capital financing capacity requiring local authorities to have regard to CIPFA's Prudential Code under the Local Government Act 2003. All capital expenditure must be demonstrated to be affordable and sustainable in terms of financing costs and therefore capital expenditure should be carefully prioritised in order to maximise the benefit of scarce resources in accordance with the Capital Investment Strategy.
- 2.1.3 The Senior Leadership Team, on behalf of the Leader, is responsible for preparing a capital programme, in accordance with the Prudential Code, which covers a period consistent with the MTFP, and is fully integrated within the MTFP and reports the

Gedling Borough Council Constitution

expenditure and funding implications of the programme to Cabinet for consideration. Cabinet will make recommendations to full Council, which will approve the full Capital Programme.

- 2.1.4 The Chief Financial Officer is responsible for ensuring that adequate records are kept for all capital contracts.

2.2 Determining the Capital Programme

- 2.2.1 The Chief Financial Officer, in conjunction with Directors, is responsible for the initial consideration of capital spending proposals and the comparative ranking by priority of these proposals. The Chief Financial Officer will issue guidance regarding capital schemes, and will determine the definition of 'capital' having regard to government regulations and accounting requirements.
- 2.2.2 The Council operates a de-minimus level of £10,000 for the capital spending proposals. All new spending proposals less than £10,000 will be treated as revenue proposals.
- 2.2.3 The ranking process is based on the completion of a Resource Development Bid (Business Case) which, as well as a project definition, includes the background and business case for the project, the strategic objectives and outcomes, and the key risks and project costs including associated revenue expenditure implications. A scoring mechanism specified by the Chief Financial Officer and approved by Council in the Capital Investment Strategy will then be applied ensuring projects meet corporate objectives and providing a ranking of schemes to prioritise resource allocation.
- 2.2.4 Heads of Service are responsible for submitting the Resource Development Bids (Business Case), which have been approved by their Director, and complying with any guidance issued by the Chief Financial Officer.
- 2.2.5 The Senior Leadership Team, on behalf of the Leader, will recommend the full Capital Programme and its funding to Cabinet in accordance with the Prudential Code. Cabinet's recommendation will be referred to Council for approval.

2.3 Amendments to the Capital Programme

- 2.3.1 Any in-year amendments to the Capital Programme as approved by Council must be approved:

By Cabinet and referred to Council for approval where:

- additional Council funding is required to add a new scheme or add to the budget of an existing scheme i.e. is not funded by external grants, contributions, or earmarked reserves. The proposed amendment will confirm the affordability of the project in the context of the MTFP and its contribution to the Council priorities detailed in the Gedling Plan.

Gedling Borough Council Constitution

By Cabinet where:

- a) It is proposed to add a new scheme to the programme, or add to the budget of an existing scheme, which is funded entirely by external grants, contributions or earmarked reserves;
- b) A scheme is to be deleted from the capital programme;
- c) Re-profiling of an approved scheme to or from a later year is proposed.

2.3.2 The Chief Financial Officer must approve any in-year amendment to the approved Capital Programme before a report is submitted to Cabinet. This also applies to re-profiling requests i.e. where the amendment involves a change in the timing of the spending over the life of the project, but there is no change in the total cost or funding.

2.3.3 The Chief Executive may take decisions in an emergency, subject to the delegation and budget and policy framework provisions of the Constitution, in consultation with the Chief Financial Officer.

2.3.4 With the exception of emergency decisions, expenditure must not be incurred or committed on any capital scheme until Council or Cabinet has given approval, neither should expenditure be incurred until funding is in place. For external funding, this means that a formal approval of funding has been received rather than a conditional offer or a bid that has been given provisional approval.

2.4 Capital Monitoring

2.4.1 For each approved scheme the relevant Director will appoint a project manager, who will be responsible for the progress (financial and otherwise) of the scheme.

2.4.2 Quarterly capital budget monitoring will be carried out in accordance with guidance issued by the Chief Financial Officer and will be reported to Cabinet including the reporting of any in-year amendments and request for appropriate approvals as detailed at 2.3.

2.4.3 If there is any anticipated re-profiling of a scheme that will affect the allocation of resources over future financial years the procedures outlined under Regulation 2.3 (amendments to the capital programme) must be followed. Any loss of external funding arising from re-profiling must be reported to Cabinet and approval sought for the alternative funding required, or for other corrective action.

2.4.4 Where in-year spending is likely to exceed the profiled budget and this has an impact on the financial year, the Director must report this to the Chief Financial Officer who will then review the overall capital financing arrangements for that year and make appropriate recommendations to Cabinet for amendments to the capital financing.

2.4.5 Where the total cost of a scheme exceeds, or is expected to exceed the budget approved in the Capital Programme, the Director must report this to the Chief Financial Officer as soon as possible. In the first instance, overspends will fall on the relevant service area's revenue budget, unless alternative funding is identified and approval sought under 2.3 above. In respect of any overspending in excess of

Gedling Borough Council Constitution

£10,000 or 20% whichever is lesser these shall be reported to the Executive in accordance with 6.4.26.

2.4.6 Directors must notify the Chief Financial Officer of applications for grants and all receipts or offers of grant awards, or any other offer of financial support for capital expenditure in accordance with the requirements of Regulation 7.3.

2.4.7 Capital receipts will be regarded as corporate resources, and may only be ring-fenced to schemes on the express approval of Cabinet. The Council operates a de-minimus level of £10,000 for the recognition of capital receipts, all receipts below £10,000 will be treated as revenue.

2.5 Capital Year-End and Carry Forwards

2.5.1 The Chief Financial Officer will report all overspends and underspends on service estimates to the Executive as soon as practical after the financial year-end.

2.5.2 Underspending on capital estimates may be carried forward to the new financial year to enable the delivery of the approved capital project, subject to consultation with the Chief Financial Officer who will confirm available resourcing and administer the scheme in accordance with the following parameters:

- All contractually committed capital schemes can be approved by the Chief Financial Officer and will be subsequently reported to the Executive for information;
- Non-contractually committed capital schemes up to £50,000 can be approved by the Chief Financial Officer and will be subsequently reported to the Executive for information;
- Non-contractually committed capital schemes above £50,000 require the approval of Cabinet.

2.6 Key Controls

The key controls are:

- a) Approval by full Council of the Capital Programme;
- b) Completion of a Resource Development Bid for all schemes to be included in the Capital Programme;
- c) A prioritisation process in accordance with the Capital Investment Strategy and corporate priorities;
- d) A project manager is responsible for each capital project (delivery and budget);
- e) Appropriate project management techniques are used and project managers are trained to carry out their responsibilities;
- f) Contracts and Procurement Rules are adhered to at all times;
- g) The requirements imposed by funding bodies are followed;
- h) Monitoring and reporting requirements on schemes are implemented.
- i) In-year additions and amendments to the budget are appropriately approved.

Regulation 3 – Financial Management Revenue

3.1 The Revenue Budget

- 3.1.1 Revenue resources must be aligned to the corporate objectives of the Council and the Council will agree a Medium Term Financial Plan (MTFP) annually.
- 3.1.2 The MTFP will include the Revenue Budget for the coming year, plus forecasts for the next four subsequent years. The budget will be published on the Council's website and in the internal electronic Budget Book. The approved Revenue Budget may be amended during the year in compliance with the Financial Regulations.

3.2 Revenue Resources

- 3.2.1 Funding for revenue will come from government grants, fees and charges, calls on revenue reserves and balances, and local taxation. Capital resources **cannot** be used to fund revenue expenditure.

3.2.2 Key Controls

The key controls are:

- a) Resources are allocated in accordance with legislation using an approved authorisation process (i.e. the budget setting process);
- b) Resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for;
- c) Professional guidance in relation to the adequacy of reserves and minimum level of balances is followed;
- d) The budget, which sets out how the Council is resourced, is approved annually by the Council;
- e) The MTFP ensures that the year on year sustainability of resources is considered in setting spending plans,

3.3 Determining the Revenue Budget

- 3.3.1 The Chief Financial Officer is responsible for ensuring that the MTFP and Budget are prepared and submitted for approval by Council (upon the recommendation of Cabinet) on or before the statutory date for such approval. The adoption of the budget by the Council is to be accompanied by a Resolution as to the level of Council Tax required for the coming financial year in order to sustain the budget. The MTFP should set out forward projections of council tax increases for at least the four subsequent years.
- 3.3.2 The Chief Financial Officer will recommend the overall quantum of revenue resources available to the Council, based on potential increases in the Council Tax, affordable calls on reserves, and best estimates of grant income and fees and charges income. The Chief Financial Officer advises what would constitute a prudent and necessary minimum level of uncommitted balances/reserves for the Council to retain, and whether the budget being proposed is consistent with such a requirement. In forming such a judgement, the Chief Financial Officer will have regard to all available statutory and professional guidance.

- 3.3.3 The Council will approve an overall MTFP and budget that matches the available resources with its corporate priorities, and statutory requirements.
- 3.3.4 The annual revenue budget agreed by Council sets Cabinet's maximum budget for the forthcoming year and, as a minimum, allocates spending to:
- 3.3.4.1 Each Portfolio and service area, showing gross expenditure and income, and net budget;
- 3.3.4.2 Each levy payable;
- 3.3.4.3 The net cost of borrowing.
- 3.3.5 Directors must ensure that all fees and charges are reviewed as part of the annual budget process in line with the Corporate Charging Policy (see Regulation 3.9).
- 3.3.6 The level of reserves is reviewed annually in line with the Financial Strategy and Medium Term Financial Plan, and must be determined before the budget and the Council Tax can be fixed. Reserves are amounts set aside by the Council as a result of surpluses, deferred expenditure, or policy decisions to save towards future expenditure. Reserves can be either earmarked (specific) or general (non-specific).
- 3.3.7 The General Fund Balance will be maintained at a minimum level agreed by Cabinet having regard to the advice of the Chief Financial Officer. The budget report to the Council will include a statement showing the estimated addition to, or withdrawal from, balances, and the estimated year-end balance. Consideration should be given to the extent to which reserves are to be used to finance recurrent expenditure.
- 3.3.8 The Council's approved budget is published in an electronic Budget Book, which breaks down Portfolio budgets into budgets for each service area within the Portfolio.
- 3.3.9 Key Controls
- The key controls are:
- a) Clear and timely guidance from the Chief Financial Officer;
 - b) An effective timetable and project management of the budget setting process;
 - c) A consistent format used across all service areas that reflects the relevant level of accountability for service delivery and enables comparison over time, and with other local authorities;
 - d) Reflection of the content of the Financial Strategy and Medium Term Financial Plan for the appropriate year;
 - e) A balanced budget that is affordable and sustainable;
 - f) Prudent risk assessment of the possible implications in terms of both affordability and service delivery.

3.4 Amendments To The Revenue Budget

- 3.4.1 The overall revenue budget is recommended by Cabinet and approved by full Council. Directors are authorised to incur expenditure in accordance with the estimates and service levels that make up the budget. A budget head is considered to be a line in the approved Budget report.
- 3.4.2 Quarterly revenue budget monitoring, as detailed at 3.5, will be carried out in accordance with guidance issued by the Chief Financial Officer and proposed amendments will be reported to Cabinet for approval.
- 3.4.3 Any in-year amendments to the Revenue Budget as last approved by Council must be approved by either:
- (a) Cabinet and referred to Council for approval where:

It is proposed to add a new ongoing service commitment that cannot be contained within the approved budget and MTFP and does not comply with the Scheme of Virement as detailed at section 3.7. The proposed amendment will confirm the affordability of the proposal in the context of the MTFP and its contribution to the Council priorities detailed in the Gedling Plan; or
 - (b) In accordance with the Scheme of Virement as detailed at section 3.7 enabling use of resources to be optimised within Cabinet's maximum budget as set by Council.

3.5 Budget Monitoring

- 3.5.1 Quarterly revenue budget monitoring will be carried out in accordance with guidance issued by the Chief Financial Officer and will be reported to Cabinet including the reporting of any in-year amendments and request for appropriate approvals as detailed at 3.4. More frequent monitoring for use by Officers may also be required by the Chief Financial Officer.
- 3.5.2 Each Director is required to manage their own expenditure within the cash-limited budget allocated to them. The Chief Financial Officer will ensure that appropriate financial information is available to Directors to enable them to monitor their budgets and the financial aspects of their Service Plans effectively.
- 3.5.3 Directors will maintain budgetary control within their service areas and ensure that all income and expenditure is properly recorded and accounted for.
- 3.5.4 Directors will ensure that an accountable budget holder is identified for each cost centre under their control. Budget managers should be responsible only for income and expenditure that they can influence, and will accept accountability for their budgets and the level of service to be delivered.
- 3.5.5 By continuously identifying and explaining variances against budgets the Council can identify changes in trends and resource requirements at the earliest opportunity.

- 3.5.6 The approved budget is the financial extent of the Council's commitment to a service each year. Any breach of that limit is therefore an ultra vires act. Depending upon the severity and circumstances of any overspend, it may lead to disciplinary action, as Officers have exceeded their delegated authority.

3.6 Revenue Year-End and Carry Forwards

- 3.6.1 The Carry forward of an underspending on revenue estimates will only be considered for contractually committed expenditure or non-contractually committed one-off revenue budgets, and requests must show the source of the underspend, or additional income, and confirm the intention to continue to use the resource for the purpose initially approved.
- 3.6.2 There is no automatic right to carry forward revenue budgets and all requests will be considered by the Chief Financial Officer in the context of the overall outturn position for the budget and the impact on the General Fund Balance.
- 3.6.3 The Chief Financial Officer will report all overspends and underspends to Executive and will administer the scheme of carry forward in accordance with the following parameters:
- All contractually committed revenue schemes can be approved by the Chief Financial Officer and will be subsequently reported to the Executive for information;
 - Non-contractually committed one-off revenue schemes up to £10,000 can be approved by the Chief Financial Officer and will be subsequently reported to the Executive for information;
 - Non-contractually committed one-off revenue schemes above £10,000 require the approval of Cabinet.

3.6.4 Key Controls

The key controls are:

- a) Each Director nominates a responsible budget holder for each cost centre within his/her service area's revenue estimates and ensures that mechanisms are in place to provide early warnings of anticipated under or overspending;
- b) All named budget holders are accountable for their budgets and the level of service to be delivered, and understand their financial responsibilities;
- c) Services are delivered within the net budget allocated in the annual Budget Book and in line with the Service Delivery Plan;
- d) Income and expenditure are properly recorded and accounted for on a timely basis within the Council's general ledger;
- e) The budget and service plans are monitored together and necessary action is taken to align service outputs and budget;
- f) Budget holders are appropriately trained to carry out their budgetary control and financial management responsibilities.
- g) Carry Forward of revenue budget is appropriately approved and reported.

3.7 Amendment to the Revenue Budget - Scheme of Budget Virement

- 3.7.1 The annual capital and revenue budgets are agreed by Cabinet and approved by full Council. Directors are authorised to incur expenditure in accordance with the estimates and service levels that make up the budget. A budget head is considered to be a line in the approved Budget report.
- 3.7.2 The scheme of Virement is intended to enable the Cabinet and Portfolio holders to manage budgets with a degree of flexibility, within the overall budget and performance plan approved by Council i.e. Cabinet's maximum budget, to optimise the use of resources.
- 3.7.3 The switching of resources between approved budget heads is known as "Virement". Virement does not create an additional budget liability but allows resources to be transferred between services within limits. For example, where a potential overspend in one service budget has been identified through monitoring this overspend could be funded by transferring from a service budget where an underspend has been identified subject to the scheme provisions detailed in paragraphs 3.7.4 to 3.7.7 below. Future monitoring will be against these budgets post virement approval.
- 3.7.4 Virement within controllable revenue budgets may be made provided that:
- a) No significant change in policy is involved;
 - b) No continuing future commitment is made;
 - c) Consultation is undertaken with the Chief Financial Officer for all virement.

Virement between revenue and capital budgets is not allowed.

Virement between capital budgets is not allowed

- 3.7.5 Virement is subject to the following:
- Portfolio Holders can authorise virements up to the value of £50,000;
 - Cabinet can authorise all virements and must approve those over £50,000;
- 3.7.6 The establishment, by virement, of expenditure budgets funded by the in-year allocation of lump-sum fund budgets can be authorised by the Chief Financial Officer, and the usage of earmarked reserves can be authorised in accordance with Financial Regulation 3.11.7, for the purpose for which the reserve or fund was initially established and approved by Cabinet. Items outside of the above criteria must be determined by Council.
- 3.7.7 The approval of Cabinet is required for any virement, of whatever amount, where it is proposed to:
- a) Vire between the budgets of different Portfolio Holders;
 - b) Vire between budgets managed by different Directors.

3.7.8 The Chief Financial Officer will determine whether a change to budgets is a virement (e.g. the budget is reallocated to a purpose other than intended) or a re-presentation or restructure where there is no change to the purpose of spending. The virement rules set out above shall not apply to restructure or re-presentational change, instead they will be managed by the Chief Financial Officer.

3.7.9 Key Controls

Key controls are:

- Virement of resources between one budget head and another, whether within or between service areas, is subject to approval;
- Virement does not create additional overall budget liability. Directors are expected to manage their budgets responsibly, prudently, and within approved service levels. They should not support recurring revenue expenditure from one-off sources of savings or additional income, or create future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Directors must plan to fund such commitments from within their own budgets;
- Virement to provide a fundamentally different service level to that approved in Directorate and Service Plans can only be approved by Cabinet.

3.8 Contract and Windfall Savings

3.8.1 Unless the specific agreement of the Chief Financial Officer is obtained, contract savings and windfall savings (i.e. unanticipated income or unanticipated savings on expenditure including any figure relating to previous years) will revert to General Fund Balance.

3.9 Fees and Charges

3.9.1 The corporate charging strategy forms the basis of all fees and charges set within the Council. The strategy establishes clear principles for charging, integrates charging into service management linking with corporate objectives, and sets clear objectives and targets. The strategy will be reviewed by the Chief Financial Officer and reported to Cabinet as a minimum every three years.

3.9.2 The total annual income to be generated from discretionary Fees and Charges should be reviewed and reported to Cabinet for approval as part of the MTFP and revenue budget and setting process.

3.9.3 Fees and charges fall into two categories:

- Statutory;
- Discretionary (including both commercial and non-commercial services).

3.9.4 Statutory Charges

Gedling Borough Council Constitution

Statutory charges are those determined by organisations external to the Council, and over which the Council has no discretion.

3.9.5 Discretionary Charges

- Where charges are not prescribed, the Director or Head of Service is able to propose the charge by reference to a number of factors e.g. cost of service provision, demand trends, local competition, etc.;
- Charges should be set on an appropriate basis, with reference to available legal powers and to reflect the nature of the service and delivery of corporate objectives e.g. full cost recovery, to make a profit or at less than cost recovery i.e. subsidy.
- Directors must have sound systems in place to support the fee-setting process, including the allocation of overheads;
- Where decisions on increases in fees and charges are taken outside the budget process for administrative reasons (e.g. where there is a statutory regulation or a duty of consultation, for example, car parking where notices have to be served) due regard must be given to the financial strategy;
- Concessions and discounts will be considered in accordance with the charging strategy.
- Directors to seek Executive or Committee approval, as appropriate, for individual Fee and Charges in accordance with delegation arrangements and following any statutory requirement to consult.

3.9.6 Key Controls

The key controls are:

- Clear and consistent fees and charges strategy;
- Annual review of the strategy and levels of charges;
- All fees should be considered as part of the Service Planning process;
- Approval of all fees and charges by the Executive or relevant Committee.

3.10 Internal Charging

3.10.1 Internal charges are made between services within the Council in accordance with the CIPFA Service Reporting Code of Practice or equivalent as updated. Whilst they do not directly generate external income, they do affect the total cost of individual services and ensure accountability and transparency of financial performance.

3.10.2 Internal charges include central support service recharges which are completed as a full reallocation of costs to other services on the basis of demand.

3.10.3 Where internal use is made of the Council's chargeable services they should be set in accordance with the Corporate Charging Policy, for example to recover the full cost of services, and may be set at a unit/volume based amount linked to demand, or on a commercial basis if legal powers allow.

3.10.4 Key Controls

The key controls are:

Gedling Borough Council Constitution

- Clear and consistent internal charging strategy;
- Annual review of strategy and basis, and level of charges with specific reference to Value for Money;
- All charges should be considered as part of the Service Planning process.

3.11 Reserves

3.11.1 Reserves are amounts set aside by the Council as a result of surpluses, deferred expenditure or policy decisions to meet future expenditure plans. Reserves can be either specific (earmarked) or general. For each reserve established, the amount, purpose and origin of funding must be clearly identified.

3.11.2 The levels and requirements for reserves are reviewed annually in setting the budget and in the context of the MTFP.

3.11.3 The establishment of new earmarked reserves is subject to approval on a case by case basis except where such a reserve (e.g. the pension reserve) is specifically required by statute or by CIPFA's Accounting Code of Practice.

3.11.4 New earmarked reserves, or additions to earmarked reserves, may be approved by Cabinet as part of the budget setting or budget monitoring process, or by Cabinet as part of the accounts closure process on the recommendation of the Chief Financial Officer.

3.11.5 Contributions to reserves will be managed as a budgeted call on resources, which could otherwise have been spent on services or taken to the General Fund Balance or used to reduce Council Tax. The timing and size of contributions will be considered in the context of the Council's MTFP and reviewed when each year's accounts are closed.

3.11.6 Earmarked reserves will generally fall into four categories:

- Trading account balances;
- Time limited programmes and projects;
- To meet specific risks of a non-insurable nature or self-insured risks;
- To carry forward under spending as a ring fenced amount.

Trading account balances will be allowed where real or quasi trading accounts are used to manage costs. Balances will be maintained to allow flexible response to changes to demand and/or to meet defined future capital expenditure needs.

Time limited programmes may be pre-funded by the establishment of reserves. Reserves will be useful where the pace of spending is difficult to predict and where the spending will run over a number of budget years. However, the creation of a reserve results in a call being made on the taxpayer before the benefits of the programme are received by the taxpayer. Pre-funding therefore requires careful consideration of the benefits of the use of a reserve rather than normal annual revenue budgets. In all cases the purpose of a reserve must be clearly established at the outset and the scope and cost of the programme defined to ensure the adequacy of the reserve.

Reserves to meet specific risks or contingencies should have regard to a reasonable estimate of the potential costs involved, should be held only while the risk remains, and should be reviewed at least annually. The Insurance Fund falls within this category, representing cover for excess payments and a contingency in respect of any past insurance claims yet to be settled.

Transfer of a general under-spending to earmarked reserves for use in the subsequent year.

The Council may determine that a general under-spending may be used to contribute to earmarked reserves if the Council's financial situation does not require the sum to be returned to the General Fund Balance. The sum retained should be identified for a purpose that does not give rise to an ongoing commitment which will be determined by the Chief Financial Officer.

- 3.11.7 Approval to use earmarked reserves will be subject to formal release by the Chief Financial Officer, in consultation with the relevant Director, who will confirm that planned spending is for the purpose the reserve was established by Cabinet and remains affordable when considering any mixed funding including call on reserves, current budgets and/or external funding packages. Monitoring of spending against reserves must be subject to corporate budget monitoring arrangements.
- 3.11.8 Cabinet may approve the closure of an earmarked reserve (except where there is a statutory requirement to maintain it) at any time and appropriate any remaining balance to the General Fund Balance.

3.11.9 Key Controls

The key controls are:

- The establishment of reserves must be authorised by Cabinet;
- The use of reserves must be authorised by the Chief Financial Officer in consultation with the relevant Director, and in accordance with the scheme of virement, ensuring the use of the reserve is for the purpose it was established by Cabinet;
- Reserves will only be established for a defined purpose;
- The level and requirement of each reserve is reviewed annually.

Regulation 4 – Financial Management - Accounting Records

4.1 Accounting Records

- 4.1.1 Maintaining proper accounting records is one of the ways in which the Council discharges its responsibility for the stewardship of public resources. To enable reliance to be placed on financial management information all the Council's transactions, commitments, contracts and other essential accounting information must be recorded completely, accurately, on a timely basis and in corporately approved systems.
- 4.1.2 The Chief Financial Officer is responsible for determining the accounting procedures and records for the Council. Where these are maintained outside Financial Services the Director should consult the Chief Financial Officer when implementing or making changes to accounting procedures and records.
- 4.1.3 Any financial systems and records used within Directorates and service areas that do not interface with the corporate financial ledger must be in a form agreed by the Chief Financial Officer, and must be regularly reconciled to the corporate financial ledger by the relevant Director. Directors must maintain adequate records to provide a management trail leading from the source of income and expenditure through to the accounting system.
- 4.1.4 The Chief Financial Officer and Directors will comply with the following principles when allocating accounting duties:
- Segregation of the duty of providing information about sums due to or from the Council and the calculation, checking and recording of these sums, from the duty of collecting or disbursing such sums;
 - Prompt completion of all claims for funds, including grants, by the due date;
 - Retention of financial documents is in accordance with the Council's document retention schedule.

4.1.5 Key Controls

The key controls are:

- All Executive Members, finance staff and those authorised to incur expenditure operate within the required accounting standards and timetables;
- All the Council's transactions, material commitments and contracts and other essential accounting information are recorded completely, accurately and on a timely basis;
- Procedures are in place to enable accounting records to be reconstituted in the event of systems failure;
- Reconciliation procedures are carried out to ensure that transactions are correctly recorded;

Gedling Borough Council Constitution

- Prime documents are retained in accordance with legislative and other requirements.

4.2 Annual Statement of Accounts

General

4.2.2 The Accounts will be produced within the statutory timescales.

4.2.3 Each year the Chief Financial Officer will draw up a detailed timetable and issue guidance and instructions for final accounts preparation, approval and audit.

4.2.4 The timetable and guidance will cover all areas relating to the closure of accounts, the deadlines by which each task should be completed, and the format in which key information should be submitted. Directors will ensure compliance with the timetable and guidance.

4.2.5 Key Controls

The key controls are:

- The Council's Statement of Accounts is prepared in accordance with proper practices as set out in the relevant codes of practice on local authority accounting in the United Kingdom;
- Clear and consistent advice and instructions are issued for dealing with all year-end processes, such as accruals, prepayments, treatment of year-end balances, and analytical review;
- Accounts are kept up to date during the year, reconciliations are carried out on a regular basis, the revenue and capital budgets are compiled and monitored effectively, and year-end processes are completed in accordance with the timetable issued;
- Year-end variances and balances are reported within the parameters agreed with the external auditor;
- There is a clear policy for the setting up and maintenance of reserves;
- Comprehensive working papers are compiled and maintained.

Accounting Policies

4.2.6 The Chief Financial Officer is responsible for the selection of suitable accounting policies and to ensure that they are applied consistently. The accounting policies are set out in the Statement of Accounts which cover such matters as:

- The requirement for separate accounts for capital and revenue transactions;
- The basis on which debtors and creditors at year-end are included in the accounts;
- Fixed assets;

- Pensions.

4.2.7 Key Controls

The key controls are:

- Systems of internal control are in place to ensure that financial transactions are lawful;
- Suitable accounting policies are selected and applied consistently;
- Proper accounting records are maintained;
- Financial Statements are prepared which present a true and fair view of the financial position of the Council and its expenditure and income.

4.3 Retention of Accounting and Financial Documents

4.3.1 The Council's Records Retention and Disposal Policy is available on the Information Governance section of the intranet. Most financial records should be retained for the current year plus six additional years.

4.3.2 Retention in electronic format (e.g. document imaging) will often be acceptable, subject to the agreement of appropriate authorities, such as External Audit, HMRC.

4.3.3 No documents or records should be disposed of until notification has been received from the External Auditor of the completion of the audit of accounts for the year to which the records relate.

4.3.4 If in doubt, Officers should contact the Chief Financial Officer for advice on specific cases.

Regulation 5 - Risk Management and Resource Control

5.1 Risk Management and Insurance

Introduction

Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk management is the planned and systematic approach to the identification, evaluation and control of risk. It is essential that robust systems are developed and maintained for identifying, evaluating and controlling all of the operational risks to the Council on an integrated basis in accordance with the Council's Risk Management Strategy.

Risk Management

- 5.1.1 The Cabinet is responsible for approving the authority's Risk Management Strategy and Audit Committee is responsible for reviewing the effectiveness of risk management and promoting a culture of risk management awareness throughout the Council.
- 5.1.2 Senior Leadership Team will review the Risk Management Strategy every three years for consideration by Cabinet.
- 5.1.3 Senior Leadership Team will complete and monitor on a quarterly basis the strategic Corporate Risk Register, which records all strategic and high level/impact risks together with an action plan to show how the risks are being addressed. The Chief Financial Officer will develop risk management controls in conjunction with other Directors.
- 5.1.4 Directors will undertake the regular identification, review and management of risk within their Service areas having regard to advice and instructions from the Chief Financial Officer and other specialist officers (health and safety, crime prevention, fire prevention etc.). Each Director must assess risk on an ongoing basis and record them in their Departmental Operational risk registers and monitor then on a quarterly basis. Any risks identified that are corporate in nature should be reported to the Chief Financial Officer.
- 5.1.5 The Council's approach to Risk Management is that it should be embedded throughout the organisation at both a strategic and an operational level, through integration into existing systems and processes.

Insurance

- 5.1.6 The Chief Financial Officer will ensure that appropriate insurance is in place for all items identified as falling within the framework of insurable risks, will determine insurance policy excesses, and will deal with all claims, in consultation with other Directors where necessary.
- 5.1.7 The Chief Financial Officer will determine which risks must be covered by external insurances or internal insurance provision.

Gedling Borough Council Constitution

- 5.1.8 Directors will immediately notify the Chief Financial Officer of all new risks, properties, vehicles and other assets or potential liabilities for which insurance may be required; and of any changes affecting existing risks or insurance cover required.
- 5.1.9 Directors will notify the Chief Financial Officer in writing without delay of any loss, liability or damage or any event likely to lead to a claim, and will provide such information and explanations required by the Chief Financial Officer or the Council's insurers.
- 5.1.10 Directors must ensure that employees, or anyone else covered by the Council's insurances, does not admit liability or make any offer to make compensation that may prejudice the assessment of liability in respect of a future insurance claim.
- 5.1.11 Directors will consult the Chief Financial Officer and the Monitoring Officer concerning the terms of any indemnity which they are requested to give on behalf of the Council.
- 5.1.12 Before entering into any arrangement involving a legal relationship, the Director involved must ensure that the Council has adequate legal powers and where appropriate that there is adequate professional indemnity insurance to cover and minimise any risk to the Council and to those individuals involved (advice should be obtained from the Chief Financial Officer and/or the Monitoring Officer where necessary before proceeding).
- 5.1.13 The Chief Financial Officer will review insurance requirements at each annual renewal date, and as part of the re-tendering process at the end of the insurance contract period.
- 5.1.14 Contact with the Council's insurers must only be completed by officers authorised to do so by the Chief Financial Officer

Self-Insurance

- 5.1.15 For some risks not covered by external insurance policies, the Chief Financial Officer will operate an internal insurance account (the Insurance Fund) and is authorised to charge the various Council service budgets with the cost of contributions to this account. The Insurance Fund covers amounts of settled claims not covered due to an insurance policy excess.
- 5.1.16 Risk Management is the responsibility of every Director, having regard to advice from the Chief Financial Officer and other specialist officers. In general, costs and losses not insured externally and not covered by the Insurance Fund will fall as a charge upon the budget of the Directorate to which the item relates. Also, claims for insured risks could result in increased levels of future premiums, and this emphasises the need for effective preventive measures against all risks.

5.1.17 Key Controls

The key controls are:

- Procedures are in place to identify, assess, prevent or contain material known risks, and these procedures are operating effectively throughout the authority;
- A monitoring process is in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls. The risk management process should be conducted on a continuing basis;
- Managers know that they are responsible for managing relevant risks and are provided with relevant information on risk management initiatives;
- Provision is made in the accounts for losses that might result from the risks that remain;
- Procedures are in place to investigate claims within the required timescales;
- Acceptable levels of risk are determined and insured against where appropriate.
- The Council has identified business continuity plans for implementation by Directors in the event of disaster that results in significant loss or damage to its resources.

5.2 Preventing Fraud and Corruption

5.2.1 The Chief Financial Officer is responsible for the development and maintenance of a Counter-Fraud and Corruption Strategy and the related Whistleblowing policy for approval by Cabinet. These, in conjunction with Member and Officer Codes of Conduct and registers of interest, determine the overall policy of the Council with regard to the prevention of fraud and corruption.

The Chief Financial Officer will ensure that assets are valued in accordance with the CIPFA Code of Practice on Local Authority Accounting in the United Kingdom (the Code).

5.4.2 The Chief Financial Officer will be responsible for ensuring that a rolling revaluation of all Council property, plant and equipment is undertaken, to ensure that all items are valued at least every two years.

5.4.3 Directors will ensure the proper security of all buildings and other assets under their control and that no asset is subject to personal use by an employee without proper authority.

5.4.4 The Chief Financial Officer should be notified in any case where the security of assets is thought to be defective or where it is considered that special security arrangements may be needed.

5.4.19 The Chief Financial Officer is entitled to check stocks, if necessary requiring closure of the store for that purpose, after consultation and agreement with the Director concerned.

Intellectual Property

5.4.20 Intellectual property is a generic term that includes inventions and writing. If these are created by an Officer during the course of employment, then as a general rule they are the property of the Council rather than of the Officer. Examples include software and product development.

5.4.21 Key Controls

Gedling Borough Council Constitution

- In the event that the Council decides to become involved in the commercial exploitation of inventions, the matter should proceed in accordance with the Council's approved intellectual property procedures;
- Directors will ensure that controls are in place to ensure that staff do not carry out private work in the Council's time, and that staff are aware of an employer's rights with regard to intellectual property.

Disposal of Assets by Sale

5.4.22 It would be uneconomic and inefficient for the cost of assets to outweigh their benefits. Surplus, obsolete or non-repairable assets should be disposed of in accordance with the law and the Council's regulations. Assets for disposal will be identified and disposed of at the most appropriate time, and only when it is in the best interests of the Council, and at the best price.

The Council's procedures should ensure that services obtain value for money from their purchasing arrangements, and these procedures should be read in conjunction with the Council's Contracts and Procurement Rules.
- 6.4.2 Every Officer and Elected Member of the Council has a responsibility to declare any links or personal interests that they may have with purchases, suppliers and/or contractors if they are engaged in contractual or purchasing decisions on behalf of the Council, in accordance with the appropriate Codes of Conduct, the Contracts and Procurement Rules and the Procurement Strategy.
- 6.4.3 The Chief Financial Officer is responsible for ensuring the operation and maintenance of effective systems for the ordering of works, goods and service and payment of creditor invoices.

Ordering

- 6.4.4 All orders must comply with the Council's Contracts and Procurement Rules and Procurement Strategy.
- 6.4.5 Where it would be advantageous for supplies to more than one Service area to be ordered from one source, the Chief Financial Officer via the Procurement Team shall be responsible for co-ordinating the arrangements.
- 6.4.6 The Chief Financial Officer will approve the form of official orders and the associated standard terms and conditions. An order must be generated on the electronic system and issued for all works, goods or services to be supplied to the Council, except for supplies from public utility services, for periodic payments such as rent or rates, petty cash purchases, or such other exceptions specified by the Chief Financial Officer. Standard terms and conditions must not be varied without the prior approval of the Chief Financial Officer. Where non-standard contract terms and conditions are required these should be agreed with Legal Services and the official order number, excluding standard terms and conditions, issued to the supplier upon signature of the contract.

- 6.4.9 Official orders must be completed in advance and issued to the supplier and not retrospectively after goods have been received. An exception to this rule may be applied only in exceptional circumstances for minor repairs not exceeding £1,000 in value, which are required in an emergency, and in the event the exception is applied an official order must be completed retrospectively.
- 6.4.10 Official orders must not be raised for any personal or private purchases, nor must personal or private use be made of Council contracts.
- 6.4.11 The officer generating the order on the electronic system will be deemed a “requisitioner”. Heads of Service will notify Financial Services of officers who will be requisitioners and provide updates of changes in a timely manner. The order must then be authorised by an Officer delegated by the relevant Director in accordance with 6.4.7. **An Officer may not be a requisitioner and an authoriser.**
- 6.4.12 Goods and services must be checked upon receipt to verify that they are in accordance with the order and the details should be recorded in the ordering system in a timely manner. This check should, where practical, be carried out by a different Officer from the Officer who authorised the order and **must be done prior to payment**. Appropriate entries should be made in inventories or stores records as appropriate.
- 6.4.13 The Chief Financial Officer will ensure that the budgetary control system enables commitments incurred by placing orders are shown against the appropriate budget allocation so that they can be taken into account in the budget monitoring reports.

- 6.4.17 Payment must not be made unless a proper VAT invoice has been received, checked, coded and certified for payment.
- 6.4.18 In most cases where an order has been raised and an appropriate invoice scanned and registered, a matching exercise will ensure seamless payment for goods and services requiring no additional authorisation, provided that any discrepancy is within an agreed tolerance. Invoices received that are outside of tolerance levels will require authorisation by the delegated officer prior to payment.
- 6.4.19 In cases where orders and invoices are not automatically matched, payment will not be made until an authorised officer at 6.4.7 above has ensured that a proper VAT invoice has been received, checked, coded and certified for payment. They must confirm:

- That the invoice has not previously been paid;
 - That expenditure has been properly incurred and is within budget provision;

The value of work completed should be processed in the electronic system to the level certified and recorded in a register of contracts.
- 6.4.26 With regard to variations and extra work in respect of contracts:
- Subject to the provisions of the contract in each case, every extra or variation will be authorised in writing by the responsible Officer. The reason for any individual extra or variation exceeding £10,000 will be reported to the Portfolio Holder as soon as is practical and if not contained within the overall budget will be subject to securing additional budget approval in accordance with Regulations 2.3 or 3.7 as appropriate;
 - Any addition, omission or substitution which, in the opinion of the responsible Officer, will significantly alter the approved scheme will first be authorised by the appropriate Director following consultation with the Portfolio Holder;
 - If the actual expenditure on any contract at any time exceeds the amount of the accepted tender plus agreed amounts of £10,000 (or more than 20%, whichever is lesser) the responsible Officer will, in conjunction with the Chief Financial Officer, report to the Executive giving salient particulars and an estimate of the amended final cost. Further reports on such contracts will be made at appropriate intervals with regard to further variations, and after final payment has been made;

- 6.4.27 With regard to final certificates in respect of contracts:
- Before the certificate for final payment is issued on completion of a contract, the Director will examine the contractor's final account together with such other relevant documents as may be necessary;
 - In the context of this Financial Regulation, final payment will be regarded as being the instalment which is due to be paid on completion of the work and not the release of the retention at the completion of the maintenance period.

6.4.28 CIS Register:

- For all contracts, the responsible Director will notify the Chief Financial Officer, who will arrange for the keeping of a CIS Register to show the state of accounts on each contract between the Council and the Contractor.

Funds from external agencies, e.g. The National Lottery, may provide additional resources to enable the Council to deliver services to the local community, however in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Council's overall plan.

7.4 Work for Third Parties

7.4.1 Current legislation enables the Council to provide a range of services to other bodies. Such work may enable a service team to maintain economies of scale and existing expertise. - Acquisition or disposal of land, buildings and major items of plant, apparatus and vehicles;
- Construction of roads and buildings;
- Enhancement of land, roads and buildings.

In addition the Council usually regards any item below £10,000 as revenue, its "de-minimis" level.

CIPFA - one of the leading professional accountancy bodies in the UK, having responsibility for setting accounting standards for local government.

CONTINGENCY - money set aside in the budget to meet the cost of unforeseen items of expenditure, or shortfalls in income, and to provide for inflation where this is not included in individual budgets.

1. Introduction

- 1.1 All councils are required to have a local Councillor Code of Conduct. Gedling Borough Council has adopted this Code of Conduct pursuant to section 27 of the Localism Act 2011 to promote and maintain high standards of conduct by Members and Co-opted Members of the Council.
- 1.2 The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that councillors can be held accountable, and all adopt the behaviours and responsibilities associated with the role. The conduct of an individual councillor affects the reputation of the Council as a whole.
- 1.3 Councillors, represent local residents, work to develop better services and deliver local change. The public have high expectations of councillors and entrust councillors to represent the local area, taking decisions fairly, openly, and transparently. Councillors have both an individual and collective responsibility to meet public expectations by maintaining high standards, demonstrating good conduct and by challenging behaviour which falls below expectations.
- 1.4 Importantly, councillors should be able to undertake their role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.
- 1.5 This Code has been designed to protect the democratic role of councillors, encourage good conduct, and safeguard the public's trust in local government, it is based on the

Gedling Borough Council Constitution

principles of selflessness, integrity, objectivity, accountability, openness, honesty and leadership, the Seven Principles of Public Life, also known as the Nolan Principles.

2. Definitions

- 2.1 For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who
- a) is a member of any committee or sub-committee of the authority, or;
 - b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;
- and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

3. Purpose

- 3.1 The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

4. General Principles of Councillor Conduct

- 4.1 Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.
- 4.2 Building on these principles, the following general principles have been developed specifically for the role of councillor.
- 4.3 In accordance with the public trust placed in me, on all occasions:
- I act with integrity and honesty
 - I act lawfully
 - I treat all persons fairly and with respect; and
 - I lead by example and act in a way that secures public confidence in the role of councillor.
- 4.4 In undertaking my role:
- I impartially exercise my responsibilities in the interests of the local community
 - I do not improperly seek to confer an advantage, or

disadvantage, on any person

- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

5. Application of the Code of Conduct

- 5.1 This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.
- 5.2 This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:
- you misuse your position as a councillor
 - your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor.
- 5.3 The Code applies to all forms of communication and interaction, including:
- at face-to-face meetings
 - at online or telephone meetings
 - in written communication
 - in verbal communication
 - in non-verbal communication
 - in electronic and social media communication, posts, statements, and comments.
- 5.4 You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.
- 5.5 The Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from the Monitoring Officer on any matters that may relate to the Code of Conduct.

6. Standards of Councillor Conduct

- 6.1 This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.
- 6.2 Guidance is included to help explain the reasons for the obligations and how

they should be followed.

7. General Conduct Rules

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions, and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening, you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider, or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor- officer protocol.

2. Bullying, harassment, and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate, or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Examples of behaviour which amounts to bullying and harassment are set out in Appendix B to the Code of Conduct.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is:
 1. reasonable and in the public interest; and
 2. made in good faith and in compliance with the reasonable requirements of the local authority; and
 3. I have consulted the Monitoring Officer prior to its' release.

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer, or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents, and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

Gedling Borough Council Constitution

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of Position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

6.2 I behave in accordance with legal obligations and any other requirements contained within the Council's policies, protocols, and procedures.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will when using the resources of the local authority or authorising their use by others:

- act in accordance with the local authority's requirements; and
- ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I will not make trivial or malicious allegations that another Councillor has failed to comply with the Code of Conduct.

8.4 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings including any complainant or witnesses.

8.5 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with the Monitoring Officer.

9. Protecting your reputation and the reputation of the local authority

Interests:

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

*You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.*

***Appendix C** sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.*

10. Gifts and Hospitality

As a Councillor:

- 10.1** I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.
- 10.2** I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.
- 10.3** I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case, you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

8. Appendix A

The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

9. Appendix B

Gedling Borough Council Constitution

Harassment may be characterised as unwanted conduct which has the purpose or effect of violating an individual's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for an individual.

A non-exhaustive list of behaviour which amounts to harassment includes:

- frequent unwanted contact, including texts, letters, phone calls, emails and communication via social media or any other electronic communication

10. Appendix C

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non- participation in cases of a disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the existence and nature of that interest, whether or not it is included in your register of interests, and not participate in any discussion or vote on the matter, and must not remain in the room unless you have been granted a dispensation from the Council's Standards committee or Monitoring Officer.
5. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest.
6. Where you have a disclosable pecuniary interest in any business of the Council, you may attend a meeting (including a meeting of the overview and scrutiny committee of the Council or of a sub-committee of such a committee) but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the

Gedling Borough Council Constitution

meeting for the same purpose, whether under a statutory right or otherwise. You must leave the meeting immediately after making any such representations, answering questions, or giving evidence.

7. Where you have a disclosable pecuniary interest on a matter to be considered, or being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.
8. Where a disclosable pecuniary interest is not included on the Council's register of interests and is not the subject of a pending notification you must notify the Monitoring officer of the interest in writing within 28 days of the date you became aware of the interest.

Disclosure of other registerable Interests

9. Where a matter arises at a meeting which relates to one of your other registerable interests, your non-pecuniary interests (Table 2). You must disclose the interest and the nature of the interest at the commencement of that consideration or when the interest becomes apparent only where you are aware or ought reasonably to be aware of the existence of the non-pecuniary interest.
10. Where you have a non-pecuniary interest, but it is considered to be a sensitive interest, you must indicate the existence of the interest but need not disclose details of the interest to the meeting.
11. Where you have a non-pecuniary interest in any business of the Council and you have made an executive decision in relation to that business, you must ensure that any written statement of that decision records the existence and nature of that interest.
12. If you have a non-pecuniary interest in any business of the Council you may participate, vote and remain in the room or chamber where a meeting considering the business is being held unless your interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice your judgement of the public interest.
13. If you have a non-pecuniary interest in any business of the Council you may participate, vote, and remain in the room or chamber where a meeting considering the business is being held where that business relates to the functions of the Council in respect of:

Gedling Borough Council Constitution

- (i) housing, where you are a tenant of your authority provided that those functions do not relate particularly to your tenancy or lease;

 - (iii) an allowance, payment or indemnity given to members;
 - (iv) any ceremonial honour given to members; and
 - (v) setting council tax or a precept under the Local Government Finance Act 1992.
14. Where you have a non-pecuniary interest in any business of the Council in the circumstances set out in paragraph (12) above, you may remain in the room or chamber where a meeting considering the business is being held for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the meeting for the same purpose, whether under a statutory right or otherwise.

27.1 Purpose

The purpose of this protocol is to assist Officers and Members in understanding their respective roles and to create a working relationship which enhances the provision of services to the borough. It is recognised that Members are expected to comply with the Code of Conduct and this Protocol is not intended to replace the Code.

27.2 Expectations

What Members can expect from Officers:-

- Political neutrality;
- A commitment to act in the interests of the Council as a whole and not to any one political group;
- A professional approach to the working relationship;
- An understanding of their role and its pressures;
- Timely response to enquiries;
- Access to information to enable them to fulfil their role;
- Professional advice;
- Confidentiality where appropriate;
- Courtesy and respect.

Gedling Borough Council Constitution

What Officers can expect from Members:-

- An understanding of the requirements of their roles and an appreciation of competing calls on their time;
- A partnership working approach;
- Courtesy and respect;
- Political leadership and direction;
- Not to be bullied, harassed or subjected to inappropriate pressure;
- Not to be subjected to adverse personal comments or personal attack;
- Respect for professional advice and an understanding of the specific responsibilities of statutory officers.

27.3 Principles

- The relationship between Members and Officers should be based on mutual trust and respect.
- The behaviour of Members and Officers at all times should demonstrate this respect and behaviours such as bullying, harassment or manipulation will not be acceptable. Members and Officers will not undermine each other's roles through personal attack or comment.
- Members and Officers should respect their respective roles and support these.
- When either Members or Officers have concerns about the behaviour or actions of another they should feel able to raise these in the appropriate way without fear of reprisal.

27.4 Roles

The distinct responsibilities of Officers and Members are as described elsewhere in the Constitution of the Council.

Members have five main areas of responsibility:

- (i) collectively to be the policy-makers and carry out a number of strategic functions;
- (ii) contributing to the good governance of the area and actively encourage community participation and citizen involvement in decision making;
- (iii) effectively representing the interests of their ward and of individual constituents;
- (iv) responding to constituents' enquiries and representations, fairly and impartially;
- (v) participating in the governance and leadership of the Council.

Members may also have specific responsibilities within their overarching role. These include as an:

Gedling Borough Council Constitution

- Executive member
- Scrutiny committee member
- Standards committee member
- Ward representative
- Committee member

The role of Officers is to:

- Manage the organisation and take operational decisions;
- Develop policy proposals which accord with the overall framework set by the Council;
- Implement policy;
- Give professional advice;
- Ensure the Council acts lawfully and with financial propriety;
- Take action under delegated authority.

All Officers are employed by the Council as a whole, they are bound by a contract of employment and the terms and conditions therein. Certain Officers have statutory roles — the Head of Paid Service, Monitoring Officer and the Chief Financial Officer have specific responsibilities which are addressed elsewhere in the Constitution. Their roles need to be understood and respected by all Members.

27.5 Personal Relationships

Mutual respect between Officers and Members is essential to good local government and provided this protocol is observed there is no reason why there should not be an informal atmosphere between Members and Officers outside formal meetings and events.

However, close personal familiarity between Officers and Members that transcends the normal employer/employee relationship can potentially undermine Members' confidence in the political neutrality or even handedness of an officer, and should, therefore, be avoided.

It is clearly important that there should be a close working relationship between Executive Members, Group Leaders, Committee Chairs and the Senior Leadership Team and other senior Officers. However, such relationships should never be allowed to become so close, or appear to be so close, so as to bring into question the individual's ability to deal impartially with others, make independent decisions or give professional advice.

27.6 Officer Support to Individual Members and Party Groups

It must be recognised by all Officers and Members that in discharging their duties and responsibilities, Officers serve the Council as a whole and not any political group, combination of groups or any individual member of the Council.

There is statutory recognition for political groups. Officers may be called upon to give advice to political party groups, however this will always be impartial and consistent with any advice given to other political party groups.

Officer support in these circumstances must not extend beyond providing information in relation to matters of council business. Officers must not be involved in advising on matters of party business.

Officers will resource and support Members in discharging Council business, this includes providing relevant information, attending/arranging meetings and problem solving. Members will not ask Officers to use resources or provide support for any purpose set out in 27.8 below.

27.7 Publicity and Media Relations

Officers will provide a publicity and media relations service to promote the Council's activities and services. Officers will liaise with the media in respect of dealing with queries or issuing press releases. The requirements of the Local Government Act 1986 and the Code of Recommended Practice on Local Authority publicity will be complied with. Members will not ask Officers to issue communications, publicity or use the Council's communication channels in contravention of the Act or Code.

Members will be expected to comply with guidance issued by the Returning Officer during pre-election periods ("purdah").

27.8 Use of Council Resources

The Council can only lawfully provide support and resources to Members (such as accommodation, officer time, stationery, typing, printing, photocopying, IT equipment, telephony etc) to assist them in discharging their role as members of the Council.

The support and resources are paid for by public funds and should only be used for Council business. Members should not ask Officers to provide resources or support which they are not permitted to give, for example support or resources:

- which are to be used for political campaigning or business which is solely to do with a political party;
- for work in connection with a ward or constituency party political meeting or electioneering;

Gedling Borough Council Constitution

- for work associated with an event attended by a Member in a capacity other than as a Member of the Council;
- for private personal correspondence;
- for work in connection with another body or organisation where a Member's involvement is other than as a member of the Council; and which constitutes support to a Member in his/her capacity as a member of another authority.

27.9 Advice from Officers

Officer advice to Members in any of their roles will always be given in the following contexts:

- agreed Council policy;
- in accordance with national legislation and guidance;
- best professional practice; and
- appreciation of local and national priorities.

Where Members are unhappy with advice received they should first discuss this with the Officer providing the advice and if they remain unhappy refer the matter to the relevant Service Manager who will then provide further advice. Any disagreement should be referred to the Chief Executive. Officers are not expected to change advice once given unless subsequent information changes the situation. Members may decide not to accept advice given but will need to be advised of the consequences of this, possibly in writing.

27.10 Access to Officers

Members are welcome to visit any offices, sites or properties and to meet Officers to discuss services or plans. However, it must be recognised that Officers have commitments and it is not always possible to be available at short notice to meet Members.

Members should therefore ensure they pre-plan any visits by contacting Officers in advance at convenient times. Officers will make every effort to be available at convenient times. It is recognised that if an urgent situation arises Members may not be able to give prior notice but such situations will be avoided as far as possible.

Officers tend to work within standard office hours. It is recognised that Members may need to contact Officers outside of these times and Officers recognise the nature of their work cannot always be contained within this framework. However it is important that undue workload and pressure is not placed on Officers to respond in the evenings and at weekends. Respect must be given to minimising the impact of work on the individual's private life. Except in emergency situations, as far as possible, Members

will not contact Officers outside standard office hours. Officers are not expected to respond to such contact other than in emergency situations.

27.11 When things go wrong

From time to time the relationship between a Member and an Officer may become strained for various reasons.

27.11.1 Conduct of Officers

If a Member feels that an Officer has breached this Protocol they should raise the matter by writing to the relevant Director. If the complaint is about a Director, it should be made to the Chief Executive and if it is about the Chief Executive to the Monitoring Officer. It is essential that the Member should not raise matters in a manner that is incompatible with the objectives of this Protocol. An Officer has no means of responding to such criticisms in public. The Officer receiving the complaint will then consider the facts and determine whether the matter should be dealt with informally or under the Council's Disciplinary Policy and procedures.

In some circumstances it may be appropriate to arrange a meeting with the aim of resolving the issues or to discuss the matter further and if so, the Officer concerned may wish to be accompanied to such a meeting by another person.

Where the breach of this Protocol includes an allegation of fraud, bribery and corruption, it will be dealt with in accordance with the Counter Fraud and Corruption Strategy and investigated following the procedures contained in the Council's Whistleblowing Policy.

27.11.2 Conduct of Members

Where an Officer feels that a Member has breached this Protocol they should raise the matter with the Chief Executive or Monitoring Officer.

As far as possible, minor issues should be resolved informally by discussion with the relevant Member and/or Leader of the relevant party group. The outcome of any informal resolution will be reported to the Officer who reported the breach. However, if it appears to the Chief Executive or Monitoring Officer that the allegation is more serious and could potentially give rise to a breach of the Members' Code of Conduct, it may be treated as a formal code of conduct complaint and dealt with under the Council's Arrangements for Dealing with Complaints. Where the breach of this Protocol includes an allegation of fraud, bribery and corruption, it will be dealt with in accordance with the Counter Fraud and Corruption Strategy and investigated following the procedures contained in the Council's Whistleblowing Policy.

Gedling Borough Council Constitution

In some circumstances it may be appropriate to arrange a meeting with the aim of resolving the issues or to discuss the matter further and if so, the Member concerned may wish to be accompanied to such a meeting by another person.

27.12 Interpretation of this Protocol

When necessary, the Chief Executive will arbitrate on the interpretation of this Protocol following consultation with the Monitoring Officer.

The Council welcomes the opportunity to hear from the public and recognise that petitions are one of the ways in which people can let us know their concerns.

28.1 What is a Petition?

We will accept as a petition any communication sent to the Council if it identifies itself as a petition or it seems to us that it is intended to be a petition. A petition by its very nature, of course, will be signed by a number of people.

28.2 What should a petition contain?

A petition should include:

- a clear statement setting out what the petition is about and stating what action the petitioners want the Council to take
- the name, address and signature of any person supporting the petition. These can be people who live, work or study in the Borough of Gedling
- the name, address, and any other contact details of the person who is organising the petition

- the issue to which it relates if it is submitted in response to a consultation on a specific matter so that we can ensure that it is considered along with that original matter.

28.3 Different types of petition

How we deal with your petition depends on the type of petition you submit.

Consultation Petitions

These are petitions in response to an invitation from the Council for representations on a particular proposal or application, for example, on planning or licensing applications. These petitions will be dealt with in accordance with the particular process laid down for that consultation.

Statutory Petitions

Some Acts of Parliament require the Council to consider petitions for example a petition for a review of Parish Councils. Where you submit a petition under a particular Act we will deal with it as laid down by those provisions.

Petitions for Debate

If you want your petition to be reported to and debated at a meeting of the Council, it must have at least 3,000 signatures. This is reduced to 140 signatures where the petition relates to a local issue affecting no more than two wards within the Council's area.

Petitions to "Hold an Officer to Account"

If you want your petition to be considered by the Overview and Scrutiny Committee where an officer of the Council will be required to answer questions on the conduct of a particular matter your petition should contain 1500 signatures. This is reduced to 70 signatures where the petition relates to a local issue affecting no more than two wards within the Council's area.

Ordinary Petitions

These are petitions that do not come within any of the above categories. These petitions will be dealt with by reference to the Committee or Councillor with responsibility for the matter which is raised by the petition.

28.4 Who should the petition be sent to?

When you submit a petition in response to a specific consultation carried out by the Council please address it to the return address set out in the consultation invitation. This will ensure that it is considered at the same time as the other replies to that consultation.

All other petitions should be addressed to:

Gedling Borough Council, Civic Centre, Arnot Hill Park, Arnold, Nottingham, NG5 6LU

28.5 What will the council do when a petition is received?

An acknowledgement will be sent to the petition organiser within 10 working days of receiving the petition. We will let the organiser know what we plan to do with the petition and when they can expect to hear from us again.

If we can do what the petition asks for immediately the acknowledgement may confirm that we have taken the action requested and the petition will be closed.

If the petition has enough signatures to trigger a Council debate, or a Senior Officer giving evidence, then the acknowledgement will confirm this and tell you when and where the meeting will take place.

If the petition needs more investigation we will tell you the steps we plan to take.

If the petition applies to a planning or licensing application, is a statutory petition (for example a request for a referendum on an Elected Mayor) or on a matter where there is already an existing right of appeal, such as Council Tax banding, other procedures apply. The petition will not be dealt with under this policy but rather by reference to those alternative processes.

We will not take action on any petition which we consider to be vexatious, abusive or otherwise inappropriate. We will explain the reasons for this in our acknowledgement of the petition.

Where more than one petition is received in time for a particular meeting each supporting the same outcome on one matter, each petition organiser will be treated separately but only the petition organiser of the first petition to be received will be invited to address the relevant meeting.

A petition will not normally be considered where it is received within 6 months of another petition considered by the Council or the Overview and Scrutiny Committee on the same matter.

28.6 How will the council respond to a petition?

Our response to a petition will depend on what the petition asks for and how many people have signed it but may include one or more of the following:-

- Take the action requested in the petition
- Consider the petition at a Council meeting
- Hold an enquiry into the matter
- Hold a public meeting
- Carry out a consultation
- Hold a meeting with petitioners
- Refer the petition to the Council's Overview and Scrutiny Committee with the panel to hold decision takers to account.
- Explain to the organiser why the Council will not take any further action.

If your petition is about something over which the Council has no direct control (for example local transport or health services) we will consider making representations on your behalf to the relevant organisations. The Council works with a large number

Gedling Borough Council Constitution

of local partners and where possible we will work with these partners to respond to your petition.

If your petition is about something that a different council is responsible for we will consult with the petition organiser and forward the petition to the other Council if that is appropriate.

28.7 Full Council Debates

If a petition contains more than 3,000 signatures or 140 signatures for a matter affecting no more than 2 wards, it will be debated by the full Council unless it is a petition asking for a senior council officer to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting which all councillors can attend. The Council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. The petition organiser or their nominated representative will be given five minutes to present the petition at the meeting and the petition will then be discussed by Councillors.

The Council will decide how to respond to the petition at this meeting. The Council may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate or to commission further investigation into the matter, for example by a relevant committee. Where the issue is one on which the Council Executive are required to make the final decision, the Council will decide whether to make recommendations to inform that decision. The petition organiser will receive written confirmation of this decision. This confirmation will also be published on our website.

28.8 Officer evidence

Your petition may ask for a Senior Officer to give evidence at a public meeting about something for which the officer is responsible as part of their job. For example, your petition may ask a senior manager to explain progress on an issue.

If your petition contains at least 1500 signatures, or 70 signatures for a matter affecting no more than 2 wards, the relevant senior officer will give evidence at a public meeting of the Council's Overview and Scrutiny Committee. A list of the senior managers that can be called to give evidence can be found in Section 30 of this Constitution. You should be aware that the Overview and Scrutiny Committee may decide that it would be more appropriate for another officer to give evidence instead of any officer named in the petition. The committee may also decide to call the relevant councillor to attend the meeting. Committee members will ask the questions at this meeting but you will be able to suggest questions to the chair of the committee by contacting Democratic Services.

28.9 E-petitions

We also welcome e-petitions which are created and submitted through our website. E-petitions must follow the same guidelines as paper petitions once this has been enabled. The petition organiser will need to provide us with their name, postal address and email address. An e-petition will run for three months.

Gedling Borough Council Constitution

When you create an e-petition, it may take five working days before it is published online. This is because we have to check that the content of your petition is suitable before it is made available for signature.

If we feel we cannot publish your petition for some reason, we will contact you within this time to explain. You will be able to change and resubmit your petition if you wish. If you do not do this within 10 working days, a summary of the petition and the reason why it has not been accepted will be published under the “rejected petitions” section of the website.

When an e-petition has closed for signature, it will automatically be submitted the Council. In the same way as a paper petition, you will receive an acknowledgement within 10 working days.

A petition acknowledgement and response will be emailed to everyone who has signed the e-petition and elected to receive this information.

How do I “sign” an e-petition?

When you sign an e-petition you will be asked to provide your name, your postcode and a valid email address. When you have submitted this information you will be sent an email to the email address you have provided. This email will include a link which you must click on in order to confirm the email address is valid. Once this step is complete your “signature” will be added to the petition. People visiting the e-petition will be able to see your name in the list of those who have signed it but your contact details will not be visible.

28.10 What can I do if I feel my petition has not been dealt with properly?

If you feel that we have not dealt with your petition properly, the petition organiser has the right to request that the Council’s Overview and Scrutiny Committee review the steps that the Council has taken in response to your petition. It is helpful to everyone and can improve the prospects for a review if the petition organiser gives a short explanation of the reasons why the Council’s response is not considered to be adequate.

The Overview and Scrutiny Committee will endeavour to consider your request at its next meeting, although on some occasions this may not be possible and consideration will take place at the following meeting. Should the Committee determine we have not dealt with your petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the Executive and arranging for the matter to be considered at a meeting of the full Council.

Once the appeal has been considered the petition organiser will be informed of the results within 5 working days. The result of the review will also be published on our website.
