7 TO APPROVE, AS A CORRECT RECORD, THE MINUTES OF THE MEETING HELD ON 6 AUGUST 2019

RESOLVED:

That the minutes of the above meeting, having been previously circulated, are agreed as a correct record.

8 CONSIDERATION OF AN APPLICATION FOR A PREMISES LICENSE - FRESHPOL

The Panel considered an application for a premises licence at the Freshpol in accordance with the agreed procedure.

.RESOLVED to:

Grant the application for a premises licence, subject to the Licensing Act 2003 mandatory conditions, and the conditions agreed with the Police and set out below;

- 1) A Challenge 25 scheme shall operate at the premises. Any person who appears to be under 25 years of age shall not be allowed to purchase alcohol unless they produce an acceptable form of photo identification. (eg passport, driving licence, Military ID or PASS accredited card).

- 2) Challenge 25 notices shall be displayed in prominent positions throughout the premises.
- 3) A CCTV system with recording equipment shall be installed and maintained at all times in working order. All recordings used in conjunction with CCTV shall:
 - Be of evidential quality
 - Cover the point of sale, entrance and exit
 - Indicate the time and date
 - Be retained for a period of 30 days
 - Sufficient staff will be trained to use the system
 - The original images will be made available for inspection immediately upon the request of police officers, or other authorised officers.
 - copies of recordings shall be provided in a format which can be viewed on readily available equipment without the need for specialist software.
- 4) All members of staff shall be fully trained in the retail sale of alcohol. The training shall be ongoing and each member of staff shall be reviewed every 6 months. All details of the level of training shall be recorded in a book or electronic record. This information shall be made available for inspection and copying by the Police or any other authorised person on request and all such records shall be retained at the premises for at least 12 months.
- 5) A bound and sequentially paginated refusals book or electronic record shall be kept at the premises to record all instances where admission or service is refused. Such records shall show:
 - The basis for the refusal
 - The person making the decision to refuse; and
 - The date and time of refusal.

Such records shall be retained at the Premises for at least 12 months, and shall be made available for inspection and copying by the Police or any other authorised person on request.

The licence permits the supply of alcohol as set out in the application, between the hours of 06:30 – 23:00 Monday to Saturday and 09:00 – 23:00 on Sunday during which times the Premises will be open to the public.

The Panel heard from the Applicant's representative that there is already a premises licence in place at 56 Victoria Road, which is currently a convenience store run by the Applicant and this application is to facilitate a change of premises for the store from 56 to 54 Victoria Road Netherfield. As such a new application for a premises licence has been made for 54 Victoria Road, this is not an increase in the number of licensed premises in Netherfield as suggested by the Objector but a move of premises.

The Panel are sympathetic to the Objector and any victims of anti-social behaviour in the area, however the Panel are not satisfied from the evidence considered that granting a premises licence at the Premises would have a significant impact on levels of anti-social behaviour in the area. There has been no representations or evidence from Responsible Authorities to support the suggestion that this application would increase anti-social behaviour or crime and disorder in the area.

The Panel are satisfied that the conditions proposed by the police and agreed by the Applicant would mitigate any potential impact in relation to the licensing objectives, particularly in relation to the prevention of crime and disorder and the prevention of public nuisance.

In making its decision, the Panel has had regard to the Gedling Borough Council Licensing Policy, the guidance issued under section 182 of the Licensing Act 2003 and the Human Rights Act 1998 and has carefully considered all the evidence presented to it including the oral and written representations of the Applicant and all Objectors.

The Panel has made this decision to promote the 4 Licensing Objectives:

- (a) Prevention of crime and disorder;
- (b) Public Safety;
- (c) Prevention of Public Nuisance;
- (d) Protection of Children from harm

The meeting finished at 11.10 am

PROCEDURE

LICENSING PANEL & COMMITTEE HEARING PROCEDURE

1. Upon notification that a matter is to be put before a Licensing Panel or the Committee, the applicant, interested parties and the responsible authorities shall within the time period provided for in the relevant regulations give notice to the Licensing Office stating
 - i. Whether they intend to be represented at the hearing
 - ii. The names and addresses of any witnesses that they intend to call
 - iii. The time estimate for their presentation/representations to the Committee
 - iv. Whether they consider a hearing to be unnecessary
2. Where a large number of interested parties are involved they will be encouraged to appoint a spokesperson or spokespersons so as to avoid duplication of evidence in so far as is possible
3. Anyone invited to attend or appear before a Panel or the Committee may have legal or other professional representatives with them if they so wish. Advocates are, however, reminded that these are civil proceedings and inquisitorial rather than adversarial in nature. Aggressive advocacy is not encouraged and will not be tolerated.
4. Anyone attending a Panel or Committee meeting held virtually, who has notified their intention to speak including; Interested parties, the applicant or any legal or professional representative will be provided with details in order to access the meeting by telephone.
4. Copies of the application and representations made by the parties will have been circulated to members prior to the hearing. However in appropriate cases, where a matter is to proceed to a hearing the applicant will be expected to supply a further 6 copies of the plan accompanying the application for use at the hearing. The hearing will concentrate solely on those areas of the application which are in dispute. The Authority is under an obligation to disregard information which is not relevant to the application, representation, or notice or to the licensing objectives. Advocates are therefore asked to be as succinct as possible and should be aware that the Chair may impose a time limit within which parties are to present their case.
5. Whilst additional material in support of the application, representation or notice may be taken into account by the Authority, such material should be provided and circulated by the producer to all parties concerned (including the Authority) as soon as possible before the hearing. If the hearing is being conducted virtually, it is may not be possible to introduce new material on the

day of the Panel hearing. In any event, material produced at the hearing can only be admitted with the consent of all the other parties. The late production of material may lead to a hearing having to be adjourned and is discouraged. Additional material which reveals a new ground of representation or which is not relevant to the application, representation or notice lodged will be disregarded.

6. Any party who intends to put additional written material before the Panel or the Committee should provide 18 copies of that material to the licensing Office if the application is to go to the full Committee and 6 copies if the matter is to go before the Panel. Applicants should note that changes to application plans during the application process should be notified to the licensing Office as soon as possible and are likely to result in a new application having to be submitted. All relevant documentation received by the Authority will be sent to Members of the Panel/Committee and interested parties before the hearing if at all possible. Any failure to adhere to the requirements listed above may result in a case having to be adjourned and therefore delay the decision.
7. Where a party does not attend the hearing and is not represented, the Authority may either adjourn the hearing if it is in the public interest to do so, or may continue with the hearing in the party's absence. If the latter option is followed the Committee/Panel will still consider any application, representation, or notice submitted by the absent party in so far as it is relevant.
8. The following procedure will ordinarily be followed at the Panel/Committee hearing:
 - i. The Chair will introduce themselves, other members and relevant officers. The Chair will also ask the applicant, interested parties and the responsible authorities to introduce themselves and any witnesses they wish to call. The Chair will then outline the procedure to be followed by the Panel/Committee and any time limits to be imposed on the presentation of cases.
 - ii. The applicant will be asked to present their case. Where a general presentation is made interested parties and the responsible authorities may ask questions at the end of that presentation. However, where witnesses are called, it is expected that each witness will give their evidence and then be open for questioning once their evidence has finished. The next witness will then give evidence. The order for asking questions will be:
 - Responsible Authorities
 - Interested parties
 - Panel/Committee Members
 - Legal advisor to the Panel/Committee (where appropriate)
 - iii. Responsible authorities, and interested parties will then be given an opportunity to present their representations. Once the representation has been presented and any evidence given, there will be an opportunity for questions to be asked firstly, by the applicant and then by other responsible authorities and interested parties, members and the legal

advisor to the Panel/Committee. Where there is more than one body making representations to an application the order for the hearing of representations will normally be the responsible authorities followed by interested parties

- iv. Once all the evidence has been given responsible authorities, and interested parties will be given an opportunity to sum up their representations in the same order as they presented their case. The applicant will then be given an opportunity to sum up their case and have the final word.
 - v. Whilst Hearings will normally be conducted in Public the Panel/Committee does have powers of exclusion (which cover the public, the press, and even applicants, parties and their representatives) in appropriate circumstances. The Panel/Committee will however always discuss and make its decision on the application in private.
 - vi. The decision will normally be announced in public and transmitted in writing in accordance with the relevant rules and guidance. The decision may however be notified where applicable to the parties in writing at a subsequent date following the conclusion of the hearing.
9. If all parties agree and the Authority considers is appropriate, a hearing may be dispensed with. In some circumstances (where representations are not withdrawn), the Panel/Committee may still have to determine the application but will do so having considered the papers previously submitted. In such circumstances the Authority would also consider the terms of any "consent order" drawn up by the parties indicating terms upon which all of the relevant parties would be content that the application be granted.
10. Adjournments
- i. Due to the time constraints upon the Panels/Committee, applications for adjournments will only be granted where absolutely necessary
 - ii. Once a hearing date has been set it is for the parties to ensure that they attend or are represented. Hearings may proceed in the absence of a party and in such circumstances the party's original representations will be taken into account together with any further material in support of that representation which has been served on all parties before the day of the hearing.
 - iii. If it is not possible for a party or their witness to attend a hearing the Authority's preference would be for their representation to proceed by way of written evidence
 - iv. If it is necessary to make an application for an adjournment the party seeking the adjournment should seek the consent of all other parties to the application and notify the Licensing Office as soon as possible that an adjournment may be sought. If all parties agree the matter may be adjourned administratively.
 - v. If not agreed administratively the matter will remain listed before the Panel/ Committee to hear the application and determine whether to agree the adjournment or proceed.
 - vi. The Authority may adjourn proceedings of its own motion where it considers it necessary for it's consideration of any application,

- representations or notice made or where it considers it to be in the interests of natural justice.
- vii. Where an adjournment is granted all parties will be given notice of the adjournment and the new hearing date.

11. Applications to Extend Time Limits

- i. These may be dealt with administratively but will only be granted where it is necessary in the public interest.
- ii. Applications should be made to the Licensing Officer identifying:-
 - i. the licensing application and premises concerned,
 - ii. the person making the application for the time limit to be extended
 - iii. the time limit concerned,
 - iv. the reasons why that time limit cannot be complied with,
 - v. the extension sought,
 - vi. why it is believed that it would be in the interests of justice to grant the application, and
 - vii. whether all other parties have agreed to an extension of time.
- iii. Where an extension is granted all parties will be given notice of the extension.

THE PANEL'S CONSIDERATIONS

The Panel will disregard any information given or evidence produced, which is not relevant to the application or the promotion of the licensing objectives.

The Objectives are: -

- **The prevention of crime and disorder;**
- **Public safety;**
- **The prevention of public nuisance, and**
- **The protection of children from harm.**

Each objective is of equal importance.

The Panel will have regard to the national Guidance issued under Section 182 of the Licensing Act 2003 and the Borough Council's own Statement of Licensing Policy.

The Panel has a duty to act in a manner which is compatible with the Human Rights Act 1998.

A Licence is regarded as property for the purposes of the Human Rights Act 1998. Article 1 of the First Protocol states that:

"Every natural or legal person is entitled to the peaceful enjoyment of his possessions. No one shall be deprived of his possessions except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

The preceding provisions shall not, however, in any way impair the right of a State to enforce such laws as it deems necessary to control the use of property in accordance with the general interest or to secure the payment of taxes or other contributions or penalties."

The Panel must also take into account the effect on local residents. Article 8 states:

"1. Everyone has the right to respect for his private and family life, his home and his correspondence.

2. There shall be no interference by a public authority with the exercise of this right except such as is in accordance with the law and is necessary in a democratic society in the interests of national security, public safety or the economic well-being of the country, for the prevention of disorder or crime, for the protection of health or morals, or for the protection of the rights and freedoms of others."

Three stage test to be applied: -

1. Is the interference in accordance with the law?
2. Is the interference necessary in a democratic society in pursuit of one of the legitimate aims set out above?
3. Is the decision proportionate i.e. striking a fair balance between the demands of the general interests of the community and the requirement to protect the individual's fundamental rights?

Application for: License Variation.....

Details of your representation (please ensure relevance to the above licensing objectives):

We have lived at 68 Main Road, Gedling, since 2003. We live directly next door to Gedling Club. For 17 years, we have put up with many different disturbances from Gedling Club, because we recognise and understand that they are a long-standing local Institute, and we act in a neighbourly way. However, the noise and disturbance we currently experience on a regular basis is taking place even without the granting of the License Variation, which would introduce a new large external drinking area if approved. We strongly object to the License Variation, as it will create additional Public Nuisance, directly affecting us and the community.

We already put up with the following public nuisance issues that are created by Gedling Club:

- Noise from Gedling Club's entertainment act every Saturday night, 9pm – 11.20pm. We can clearly hear the entertainment in our house, even with our doors and windows closed. Our daughter, who has a bedroom at the rear of our house, has often been woken up by this noise disturbance.
- As members leave the Club late at night, particularly after 11pm on a weekend evening, there is noise disturbance as members come out, often shouting, often banging taxi doors closed. Both us and our son have bedrooms facing the road, and we have in the past been woken up by this noise disturbance.
- Second-hand cigarette smoke in our garden, from 12 noon to 3.30pm, and 7pm to 11.30pm. Gedling Club installed a smoking shelter at the rear of their property in 2007 as a result of the national public indoor smoking ban. Our garden is directly next to where the Club members gather to smoke, and the prevailing south-westerly wind takes this second-hand smoke directly into our garden where our 2 young children play. Our children complain when they smell the smoke. We bring our children in from the garden when members are smoking as we are concerned about the long-term effects of inhaling second-hand smoke.
- Swearing, particularly late at night on a Saturday evening, when the Club members gather to smoke in the external area. We do not want our Children to be exposed to swearing so again, we have to make sure our windows and doors are closed to prevent them hearing the swearing. We do not feel it is reasonable to be subjected to swearing whilst we are in our own garden (which is adjacent to Gedling Club)

In the last few months, we have experienced an increased level of Public Nuisance noise generated by Gedling Club. Since January 2020, we have been in contact with Antony Oseland (Environmental Health Officer, Gedling Borough Council) about our concerns and we have submitted numerous diary record sheets, covering the period of January to March 2020, to evidence this. Mr Oseland has read these reports and has advised us that noise monitoring is needed when Gedling Club reopens. This demonstrates the high levels of Public Nuisance that we and others are currently experiencing, even without the larger external drinking area.

What really worries us about this application by Gedling Club is the significant additional negative Public Nuisance impact that the License Variation will have. The License Variation will create additional Public Nuisance that will negatively impact on us and the community every day. Currently, the only reason for the Club members to go into the external area is to smoke a cigarette, or for improved disabled access. The proposed License Variation will encourage more Club members to go outside to a considerably larger seating area and drink alcohol for long periods of time. The License Variation will increase Public Nuisance levels.

As considerate neighbours, we have supported Gedling Club and their members over the years in different ways. As an example, we try not to park our cars outside their emergency exit on Carnarvon Grove on a Saturday evening, as we know their entertainment act needs access to take in their equipment to set up. I have also helped out numerous times when there has been no-one at the Club to accept a delivery.

This License Variation submission goes beyond what we believe is reasonable in a purely residential area. We have always tried our best to be good neighbours to Gedling Club but we object very strongly to this License Variation on the grounds of Public Nuisance in what is a purely residential area.

There has never been an external drinking area at Gedling Club; the Club operates successfully without one. If people do want to drink in established beer gardens, then there is already this option at the Gedling Inn (2-min walk), and the Willowbrook (5-min walk), and the Inn for a Penny (10-min). These facilities are already in use at those pubs, and are well distanced from residential properties to prevent Public Nuisance disturbance.

Continued...

Gedling Club applied for retrospective planning application in Summer 2019 for the following:

1. Improved access for wheelchair users to the rear of the Club
2. Re-siting of the smoking shelter
3. Extending the rear area of Gedling Club by taking part of the garden of No.1 Carnarvon Grove, to provide space for these 2 points

Retrospective planning permission was granted in February 2020 to allow this.

In February 2020, after a period of successful mediation by Rachel Pentlow, an agreement was reached between us, Gedling Club, and Rachel Pentlow (Gedling Borough Council Licensing Department) to finalise a minor variation. This minor variation supported a new mobility-impaired route to access the rear of the Club, allowing Club Members with wheelchairs and mobility scooters to have easier access, and the re-siting of the smoking shelter. It also prohibited the consumption of any food or beverages in this rear area. All parties reached an agreement by making compromises, and this minor variation was agreed and signed by Gedling Club.

Since signing this agreement, Gedling Club have now decided to go back on this minor variation and apply for the License Variation which will allow members to drink alcohol externally for the first time.

We feel that this sudden change is not in the spirit of acting considerately towards neighbours. This License Variation application will significantly impact on our ability to peacefully enjoy our property.

As stated in the Human Rights act, "Every natural or legal person is entitled to the peaceful enjoyment of their own possessions". As the Licensing Authority, Gedling Borough Council must consider the impact on local residents of any Licence Variations to ensure that "Everyone has the right to respect for their private and family life, their home and correspondence". The only reason that this can be interfered with by a Public Authority is if it is necessary in the interests of national security or public safety.

We do not believe that this licencing variation or 'interference' is necessary for any of the above reasons and would significantly impact on our own fundamental human right to peacefully enjoy our own possessions by way of peaceful enjoyment of our property. Gedling Club have been successfully operating for the benefit of their members for well over 100 years without ever having an external drinking area – and we strongly feel that this current position should continue unchanged.

We also do not believe that the decision to allow this License Variation would be proportionate. A fair balance would not be struck between the demands of the general interests of Gedling Club (Club users wanting to drink in the outside area), and our own fundamental rights to enjoy our property as peacefully as possible (considering that there are already Public Nuisance issues and the granting of this License Variation would further exacerbate them).

We believe that the Minor Variation that was previously agreed would strike a fairer balance, whereby Club users can use the outside area to enter the Club for mobility access reasons, and also smoke outside (in line with disability rights and no smoking legislation), but Gedling Club members are not permitted to use the area for outside drinking and socialising.

The current arrangement being maintained would offer further protection to neighbours' fundamental human rights to enjoy our properties and protect ourselves and our children from further negative impacts of second-hand smoke, noise pollution, disturbed sleep and being unable to use parts of our properties at certain times to avoid our children being exposed to swearing, as the impact of these would certainly increase if the License Variation was agreed.

We object very strongly to this License Variation being granted for all the valid reasons explained above.

(e) Please indicate which of the Licensing Objectives your representation refers to by ticking the relevant box(es) below:

☐ The Prevention of Crime and Disorder

☐ Public Safety

☒ Prevention of Public Nuisance

☐ The Protection of Children from Harm

(f) Suggest alternatives

If possible please suggest alterations to the application, or conditions that would resolve the problem mentioned above, again paying attention to the licensing objectives.

Our alternative suggestion to the License Variation is straightforward. We suggest honouring the agreement in the original agreed minor variation, which was agreed in February 2020 between ourselves, Gedling Club, and Rachel Pentlow. The minor variation agreed the following:

1. Improved access for wheelchair users and those with mobility difficulties to the rear of the Club – which is what Gedling Club applied for in 2019. This would be a significant access benefit to some members of Gedling Club who have mobility difficulties.
2. Re-siting of the smoking shelter – which is what Gedling Club applied for in 2019
3. No consumption of food or beverages – to protect us, and all the residents of the community, against an increase of Public Nuisance issues.

This was an agreed position that was made in February 2020 after we compromised to reach an amicable solution. We still feel this is a reasonable position in the spirit of working together as neighbours.

Once the Licensing Section has received this form you will receive a written acknowledgment and you may be contacted to discuss the issue prior to any referral to a Licensing Panel hearing.

☐ Please tick this box if you do not intend to attend or be represented at any hearing. This means that only your written representation will be able to be considered.

If you wish to withdraw any representations you may do so confirming this in writing to the address given below, providing you do so no later than 24 hours before the any hearing, or otherwise orally at the hearing.

Re: Old Boys Club - variation to licence

Hi Rachel

Could you register my concerns about the variation given the proximity to neighbouring properties, the potential for increased noise nuisance and an increase in cigarette smoking with the potential that the smoke emitted could cause harm to neighbours including young children. This objection is for 'The prevention of Public nuisance'

Many thanks

As it stands at the moment with Aedling club is that its already hard enough for residents to park, adding more would be crazy and people parking illegally.

Also we have a 9 year old who goes to bed at 8pm and her bedroom overlooks the rear of the club.

As we are only a small street, we can hear the music in the club and singing untill 11pm, thats ok because it's once a week. Any more noise will make for uncomfortable living.

I do not think the club will benefit with having outdoor drinking in such a small area, so close to residence.
