- b) The purpose of the Audit Committee is to provide independent assurance to the Council of the adequacy of the risk management framework and the internal control environment. It provides independent review of Gedling Borough Council's governance, risk management and control frameworks and oversees the financial reporting and annual governance processes. It oversees internal audit and external audit, helping to ensure efficient and effective assurance arrangements are in place.

Governance, risk and control

- c) To review the Council's corporate governance arrangements including the Local Code of Corporate Governance.
- d) To review the Annual Governance Statement prior to approval and consider whether it properly reflects the risk environment and supporting assurances, taking into account internal audit's opinion on the overall adequacy and effectiveness of the council's framework of governance, risk management and control.

- e) To consider the council's arrangements to secure value for money and review assurances and assessments on the effectiveness of these arrangements.
- f) To consider the council's framework of assurance and ensure that it adequately addresses the risks and priorities of the council.

- k) To consider and monitor the counter-fraud strategy, actions and resources.

Internal audit

- l) To approve the internal audit charter defining the role and scope of internal audit.
- m) To approve the risk-based internal audit plan, including internal audit's resource requirements, the approach to using other sources of assurance and any work required to place reliance upon those other sources.
- n) To make appropriate enquiries of both management and the Head of Internal Audit to determine if there are any inappropriate scope or resource limitations.
- o) To consider reports from the Head of Internal Audit on internal audit's performance during the year, including the performance of external providers of internal audit services.
- p) To consider the Head of Internal Audit's annual report confirming compliance with auditing standards and the opinion on the overall adequacy and effectiveness of the council's framework of governance, risk management and control - these will assist the committee in reviewing the Annual Governance Statement.
- q) To consider summaries of specific internal audit reports as requested.
- r) To receive reports outlining the action taken where the head of internal audit has concluded that management has accepted a level of risk that may be unacceptable to the authority or there are concerns about progress with the implementation of agreed actions.
- s) To consider a report on the effectiveness of internal audit to support the Annual Governance Statement, where required to do so by the Accounts and Audit Regulations.
- t) To support effective communication with the Head of Internal Audit.

External audit

- u) To consider the external auditor's annual letter, relevant reports and the report to those charged with governance.
