Report to Environment and Licensing Committee

Subject: Application for Street Trading consent at Eagle Square Arnold

Date: 1st October 2024

Author: Director of Place

Purpose

To consider an application made by Gedling Borough Council for a Street Trading Consent for the Arnold Market to trade in a consent street in Arnold (Appendix 1).

To seek approval for the consent to be for a period until the end of December 2026. which is a departure from the Council's Street Trading Policy (Appendix 2).

Recommendation(s)

That Members:

- 1. Approve the application made by Gedling Borough Council for a Street Trading Consent for the Arnold Market to trade in a consent street in Arnold as shown attached to the report.**
- 2. Approve a departure from the Council's Street Trading Policy and that the consent be until the end of December 2026.**

1 Background

1.1 Schedule 4 of The Local Government Miscellaneous Provisions Act (1982) gives District Councils the power to designate any street as either

- 'a prohibited street' (all street trading is prohibited);
- 'a licence street' (street trading is prohibited without a licence from the council); or

- 'a consent street' (street trading is prohibited without the consent of the council).

This designation then gives the council the power to control street trading on that street. The Council adopted Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 on 6th June 1983.

- 1.2 In 2012 the Environment and Licensing Committee approved that the Front Street area of Arnold and portions of the streets that branch off it, be re-designated from a 'prohibited street' to a 'consent street'. This was due to the activities in town centres changing allowing for more markets, fairs and other events to take place whilst balancing the control of such events by the Council by way of a policy to monitor the type of trading and events that take place.

This has allowed for the Arnold town centre to have craft fairs and a Christmas market over the last few years whilst protecting the interests of the Arnold Market traders.

- 1.3 During the construction of the AMP the Arnold Market traders were relocated to the Eagle Square area which has been operating under an existing Street Trading Consent granted by this Committee which expires at the end of December 2024. The Council will be undertaking a consultation with a view to the permanent relocation of the market to Eagle Square. This was scheduled to take place in 2022, but due to a restructure and changes in staffing this was delayed. While this consultation is being undertaken, and for any additional permissions to be sought, the Council have submitted a further application and supporting documents for a new Street Trading Consent which are attached at Appendix 1.

- 1.4 The Council street trading policy is attached at Appendix 2. In Section 4.0 (5) the policy states

'The council will not grant permission for any trader to operate for any more than 16 days within a calendar year'.

The application submitted is for consent until the end of December 2026 which contravenes this section of the policy. However, Eagle Square, which is in the 'consent street' area, has proven to be the only viable option for the market to continue to operate while the consultation for permanent relocation is undertaken and any additional permissions are sought.

2 Proposal

- 2.1 To consider an application made by Gedling Borough Council for a Street Trading consent for the Arnold Market to trade in a consent street in Arnold (Appendix 1).

To seek approval for the consent to be until the end of December 2026 which is a departure from the Council's Street Trading Policy (Appendix 2).

3 Alternative Options

3.1	To not allow the application which would result in the Arnold market being unable to trade in Arnold whilst the consultation for permanent relocation is undertaken and any additional permissions are sought.

Supporting Statement

This supporting statement has been prepared on behalf of Gedling Borough Council to support the extension of the change of use of Eagle Square for a temporary market for a further additional 24 months. Changes in structure and staffing in the past 6 months mean that the planned formal consultation exercise for a permanent move has not yet been fully completed; this extension will allow the completion of the exercise and to ensure the correct planning and other permissions to be in place for a permanent move. The extension will give continuity and certainty to the traders and allow for the continued positive impact of the market economically and socially on the Primary Shopping Area and on the town itself.

General Policy on Street Trading in Arnold

1.0 Purpose of the Policy Statement

This statement sets out the Council's policy framework for the management of street trading in Arnold Town Centre. The purpose of the Policy is to ensure a high quality street trading provision in the Centres, allowing for markets and fairs to contribute to a thriving shopping environment.

2.0 Background/Definition of Street Trading

The Council adopted Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 on 6th June 1983. This entitles the Council to manage street trading in its area by designating streets as 'consent streets', 'license streets' or 'prohibited streets'.

'Street Trading' is defined in the Schedule as 'the selling or exposing or offering for sale any article (including a living thing) in a street'. A 'street' includes any road, footway or other area to which the public have access without payment.

A list of the streets covered by this policy is attached as Appendix A and maps showing the streets is attached as Appendix B.

3.0 Application Procedure

Applications must be received by the Council's Licensing Section no less than fourteen days prior to the proposed date of the consent coming into effect. The application must be accompanied by the appropriate fee and a plan showing the exact location at which the applicant wishes to trade. All plans should be 1:1250 scale and should show all residential and commercial premises within a 100m radius of the proposed site.

Upon receipt of an application, the Council will consider each application on its merits taking account of the General Policy provisions and objectives.

4.0 General Policy on Street Trading

In order to fit within the council's aims around the promotion of vibrant town centres, this policy is defined by a clear set of principles:

1. The Council will not grant consent to trade from a stationary van, cart, barrow or other vehicle.

In addition, consent will not be given to the following trades:

- a) Obscene or undesirable publications or articles
- b) Goods or articles manufactured on the stall (except for small scale arts and crafts)
- c) Any goods with alcoholic content
- d) Goods or articles deemed not to comply with appropriate Environmental Health or Trading Standards legislation
- e) Any live animals
- f) Any trade which is likely to cause a nuisance to residents or to give rise to, or encourage, public disorder

However, this list is not exhaustive

2. The Council will only grant consent for street trading that supports events to boost trade in the town/district centres.
3. The Council does not have any fixed street trading locations or specific number limitations within those areas designated as consent streets. However, applications will only be granted where it is considered that the trader will add to existing amenities and be of benefit to the residents of and visitors to Gedling borough. It is unlikely that applications for locations close to existing street traders or where they could obstruct busy pedestrian routes or access to or from nearby premises will be granted. Also, where there are waiting and loading restrictions in place, appropriate waivers or consents to use that location must be obtained where necessary.
4. All applications must meet all the following objectives:
 - a) To support the local economy, businesses and retailers by increasing footfall within the centres.
 - b) To attract new visitors, residents and shoppers to the centres.
 - c) To create a welcoming atmosphere for visitors, residents and shoppers.
 - d) To provide an opportunity to trade for local businesses.
 - e) To complement existing retailers and businesses within the centres.
 - f) To provide a diverse and alternative offer of products to residents, visitors and shoppers.
 - g) To build a programme of successful town centre events to support local traders.
5. The council will not grant permission for any trader to operate for any more than 16 days within a calendar year.

5.0 Standard Conditions

The following conditions will be attached to all consents issued by Gedling Borough Council:

- The consent holder shall be in possession of current public liability insurance with a minimum level of £5 million pounds.
- The consent holder shall only trade from the stall at the location approved in writing by the Council. The stall shall not be altered, adapted or replaced without the prior written consent of the Council.
- It is the responsibility of the consent holder to satisfy all fees and requirements to do with Nottingham City Council's Market Charter rules and must be able to produce evidence on request. For more information on whether your event would be subject to any fees, please visit the Nottingham City Council website - <http://www.nottinghamcity.gov.uk/index.aspx?articleid=15134>
- The consent holder shall maintain the stall in a clean state and in good

repair and condition.

- The consent holder shall only trade from the authorised stall and shall not place any additional stalls, free standing signs or storage boxes upon the public highway.
- No waste material shall be discharged onto the highway or any other property, and must be taken away and disposed of in the proper manner.
- The consent holder shall conduct his business in such a manner as to ensure that he/she does not:-
 - cause a nuisance or danger to users of the street;
 - cause an obstruction to other vehicles or pedestrians or users of the street; or
 - prohibit access for loading or unloading.
- The consent holder shall take adequate precautions to prevent the risk of an outbreak of fire at his/her stall. Where a power source or heating appliance is present, e.g. a generator or bottled gas container, a suitable fire extinguisher must be provided.
- The consent holder shall display the street trading consent permit issued by the Council at all times whilst trading.
- When requested to do so by an authorised officer of the Council or Police officer, the consent holder shall produce the consent for inspection.
- The consent is not transferable and is personal to the consent holder.
- The street trading consent does not imply or give any other permission, consent or authorisation to trade in any other products other than those previously granted on application or renewal.
- The consent holder shall immediately notify the Council of any change to his/her name or address.
- The consent holder should not fail, without reasonable cause, to trade at the location for which consent has been given at all times authorised by the consent.
- The stall holder will remove the stall without undue delay upon the request of a Police Officer or Council Officer.

Failure to comply with any of these conditions may result in the revocation of the consent to trade.

6.0 Fees and Charges

No fee

7.0 Enforcement and Monitoring

Stalls may be inspected by authorised officers of the Council and officers from Nottinghamshire Police during hours of operation. Any non-compliance with statutory requirements or conditions of consent will be investigated with a view to taking appropriate remedial action and will also be taken into account upon receipt of an application to renew or modify consent to trade.
