15 CONSIDERATION OF AN APPLICATION TO VARY A PREMISES LICENCE - LAND AT REAR OF GRIFFINS HEAD

The panel considered an application to vary a premises licence for Land at rear of Griffins Head.

In addition to the written representations in the bundle the panel heard live evidence from:

1. Mark Barter (for the Applicant)
2. Nicky Lee (for the Applicant)
3. Piers Warne (for the Applicant)
4. Matthew Done (Interested Party)
5. Wendy Eyre (Interested Party)

In making its decision, the panel has had regard to the Gedling Borough Council Licensing Policy, the guidance issued under section 182 of the

Licensing Act 2003 and the Human Rights Act 1998 and has carefully considered all the evidence presented to it, including the agreed conditions with the police and the proposed condition set out in the Operating Schedule in the application.

The panel has made this decision to promote the 4 Licensing Objectives:

1. Prevention of crime and disorder;
2. Public safety;
3. Prevention of public nuisance;
4. Protection of children from harm.

RESOLVED to:

Grant the application for the variation of the Premises Licence subject to the current conditions specified in Annex 1 and 2 of the Premises Licence Number 18/01816PREM and would also be subject to the additional conditions and measures set out in the Operating Schedule included in the application form, the conditions agreed with the Police and the additional conditions imposed by the Panel, all as set out below:

Conditions set out in the Operating Schedule

1. The DPS shall give notice of the event dates no later than 2 months before the first day of the event to the Licensing Authority and the Safety Advisory Group.

3. No events with the capacity over 300 will take place within 14 clear days of each other.
4. The number of persons accommodated on the event site at any one time shall not exceed 1500.
5. The DPS will submit the final agreed version of the Event Management Plan to the Licensing Authority no later than 1 months before the day of the event and will liaise with relevant Responsible Authorities in the development of prior drafts.
6. The event Management Plan shall (as a minimum) contain:

The complaints log will be made available to officers from the Council Environmental Health team to inspect.
10. A music management plan will be drawn up and implemented at the premises.
The Plan will set out the following:
 - a) Checks to be completed prior to musicians playing (including musician having agreed to reduce volumes if required by DPS/manager).

LICENSING PANEL & COMMITTEE HEARING PROCEDURE

1. Upon notification that a matter is to be put before a Licensing Panel or the Committee, the applicant, interested parties and the responsible authorities shall within the time period provided for in the relevant regulations give notice to the Licensing Office stating
 - i. Whether they intend to be represented at the hearing
 - ii. The names and addresses of any witnesses that they intend to call
 - iii. The time estimate for their presentation/representations to the Committee
 - iv. Whether they consider a hearing to be unnecessary
2. Where a large number of interested parties are involved they will be encouraged to appoint a spokesperson or spokespersons so as to avoid duplication of evidence in so far as is possible.
3. Anyone invited to attend before a Panel or the Committee may bring legal or other professional representatives with them if they so wish. Advocates are, however, reminded that these are civil proceedings and inquisitorial rather than adversarial in nature. Aggressive advocacy is not encouraged and will not be tolerated.
4. Copies of the application and representations made by the parties will have been circulated to members prior to the hearing. However in appropriate cases, where a matter is to proceed to a hearing the applicant will be expected to supply a further 6 copies of the plan accompanying the application for use at the hearing. The hearing will concentrate solely on those areas of the application which are in dispute. The Authority is under an obligation to disregard information which is not relevant to the application, representation, or notice or to the licensing objectives. Advocates are therefore asked to be as succinct as possible and should be aware that the Chair may impose a time limit within which parties are to present their case.
5. Whilst additional material in support of the application, representation or notice may be taken into account by the Authority, such material should be provided and circulated by the producer to all parties concerned (including the Authority) as soon as possible before the hearing. Material produced at the hearing can only be admitted with the consent of all the other parties. The late production of material may lead to a hearing having to be adjourned and is discouraged. Additional material which reveals a new ground of representation or which is not relevant to the application, representation or notice lodged will be disregarded
6. Any party who intends to put additional written material before the Panel or the

Committee should provide 18 copies of that material to the licensing Office if the application is to go to the full Committee and 6 copies if the matter is to go before the Panel. Applicants should note that changes to application plans during the application process should be notified to the licensing Office as soon as possible and are likely to result in a new application having to be submitted. All relevant documentation received by the Authority will be sent to Members of the Panel/Committee and interested parties before the hearing if at all possible. Any failure to adhere to the requirements listed above may result in a case having to be adjourned and therefore delay the decision.

7. Where a party does not attend the hearing and is not represented the Authority may either adjourn the hearing if it is in the public interest to do so, or may continue with the hearing in the party's absence. If the latter option is followed the Committee/Panel will still consider any application, representation, or notice submitted by the absent party in so far as it is relevant.
8. The following procedure will ordinarily be followed at the Panel/Committee hearing:
 - i. The Chair will introduce themselves, other members and relevant officers. The Chair will also ask the applicant, interested parties and the responsible authorities to introduce themselves and any witnesses they wish to call. The Chair will then outline the procedure to be followed by the Panel/Committee and any time limits to be imposed on the presentation of cases.
 - ii. The applicant will be asked to present their case. Where a general presentation is made interested parties and the responsible authorities may ask questions at the end of that presentation. However, where witnesses are called, it is expected that each witness will give their evidence and then be open for questioning once their evidence has finished. The next witness will then give evidence. The order for asking questions will be:
 - Responsible Authorities
 - Interested parties
 - Panel/Committee Members
 - Legal advisor to the Panel/Committee (where appropriate)
 - iii. Responsible authorities, and interested parties will then be given an opportunity to present their representations. Once the representation has been presented and any evidence given, there will be an opportunity for questions to be asked firstly, by the applicant and then by other responsible authorities and interested parties, members and the legal advisor to the Panel/Committee. Where there is more than one body making representations to an application the order for the hearing of representations will normally be the responsible authorities followed by interested parties

- iv. Once all the evidence has been given responsible authorities, and interested parties will be given an opportunity to sum up their representations in the same order as they presented their case. The applicant will then be given an opportunity to sum up their case and have the final word.
 - v. Whilst Hearings will normally be conducted in Public the Panel/Committee does have powers of exclusion (which cover the public, the press, and even applicants, parties and their representatives) in appropriate circumstances. The Panel/Committee will however always discuss and make its decision on the application in private.
 - vi. The decision will normally be announced in public and transmitted in writing in accordance with the relevant rules and guidance. The decision may however be notified where applicable to the parties in writing at a subsequent date following the conclusion of the hearing.
9. If all parties agree and the Authority considers it appropriate, a hearing may be dispensed with. In some circumstances (where representations are not withdrawn), the Panel/Committee may still have to determine the application but will do so having considered the papers previously submitted. In such circumstances the Authority would also consider the terms of any "consent order" drawn up by the parties indicating terms upon which all of the relevant parties would be content that the application be granted.
10. Adjournments
- i. Due to the time constraints upon the Panels/Committee, applications for adjournments will only be granted where absolutely necessary
 - ii. Once a hearing date has been set it is for the parties to ensure that they attend or are represented. Hearings may proceed in the absence of a party and in such circumstances the party's original representations will be taken into account together with any further material in support of that representation which has been served on all parties before the day of the hearing.
 - iii. If it is not possible for a party or their witness to attend a hearing the Authority's preference would be for their representation to proceed by way of written evidence
 - iv. If it is necessary to make an application for an adjournment the party seeking the adjournment should seek the consent of all other parties to the application and notify the Licensing Office as soon as possible that an adjournment may be sought. If all parties agree the matter may be adjourned administratively.
 - v. If not agreed administratively the matter will remain listed before the Panel/ Committee to hear the application and determine whether to agree the adjournment or proceed.
 - vi. The Authority may adjourn proceedings of its own motion where it considers it necessary for its consideration of any application, representations or notice made or where it considers it to be in the interests of natural justice.
 - vii. Where an adjournment is granted all parties will be given notice of the adjournment and the new hearing date.

11. Applications to Extend Time Limits

- i. These may be dealt with administratively but will only be granted where it is necessary in the public interest.
- ii. Applications should be made to the Licensing Officer identifying:-
 - i. the licensing application and premises concerned,
 - ii. the person making the application for the time limit to be extended
 - iii. the time limit concerned,
 - iv. the reasons why that time limit cannot be complied with,
 - v. the extension sought,
 - vi. why it is believed that it would be in the interests of justice to grant the application, and
 - vii. whether all other parties have agreed to an extension of time.
- iii. Where an extension is granted all parties will be given notice of the extension.

THE PANEL'S CONSIDERATIONS

The Panel will disregard any information given or evidence produced, which is not relevant to the application or the promotion of the licensing objectives.

The Objectives are: -

- **The prevention of crime and disorder;**
- **Public safety;**
- **The prevention of public nuisance, and**
- **The protection of children from harm.**

Each objective is of equal importance.

The Panel will have regard to the national Guidance issued under Section 182 of the Licensing Act 2003 and the Borough Council's own Statement of Licensing Policy.

The Panel has a duty to act in a manner which is compatible with the Human Rights Act 1998.

A Licence is regarded as property for the purposes of the Human Rights Act 1998. Article 1 of the First Protocol states that:

"Every natural or legal person is entitled to the peaceful enjoyment of his possessions. No one shall be deprived of his possessions except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

The preceding provisions shall not, however, in any way impair the right of a State to enforce such laws as it deems necessary to control the use of property in accordance with the general interest or to secure the payment of taxes or other contributions or penalties."

The Panel must also take into account the effect on local residents. Article 8 states:

"1. Everyone has the right to respect for his private and family life, his home and his correspondence.

2. There shall be no interference by a public authority with the exercise of this right except such as is in accordance with the law and is necessary in a democratic society in the interests of national security, public safety or the economic well-being of the country, for the prevention of disorder or crime, for the protection of health or morals, or for the protection of the rights and freedoms of others."

Three stage test to be applied: -

1. Is the interference in accordance with the law?
2. Is the interference necessary in a democratic society in pursuit of one of the legitimate aims set out above?
3. Is the decision proportionate i.e. striking a fair balance between the demands of the general interests of the community and the requirement to protect the individual's fundamental rights?

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the

person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

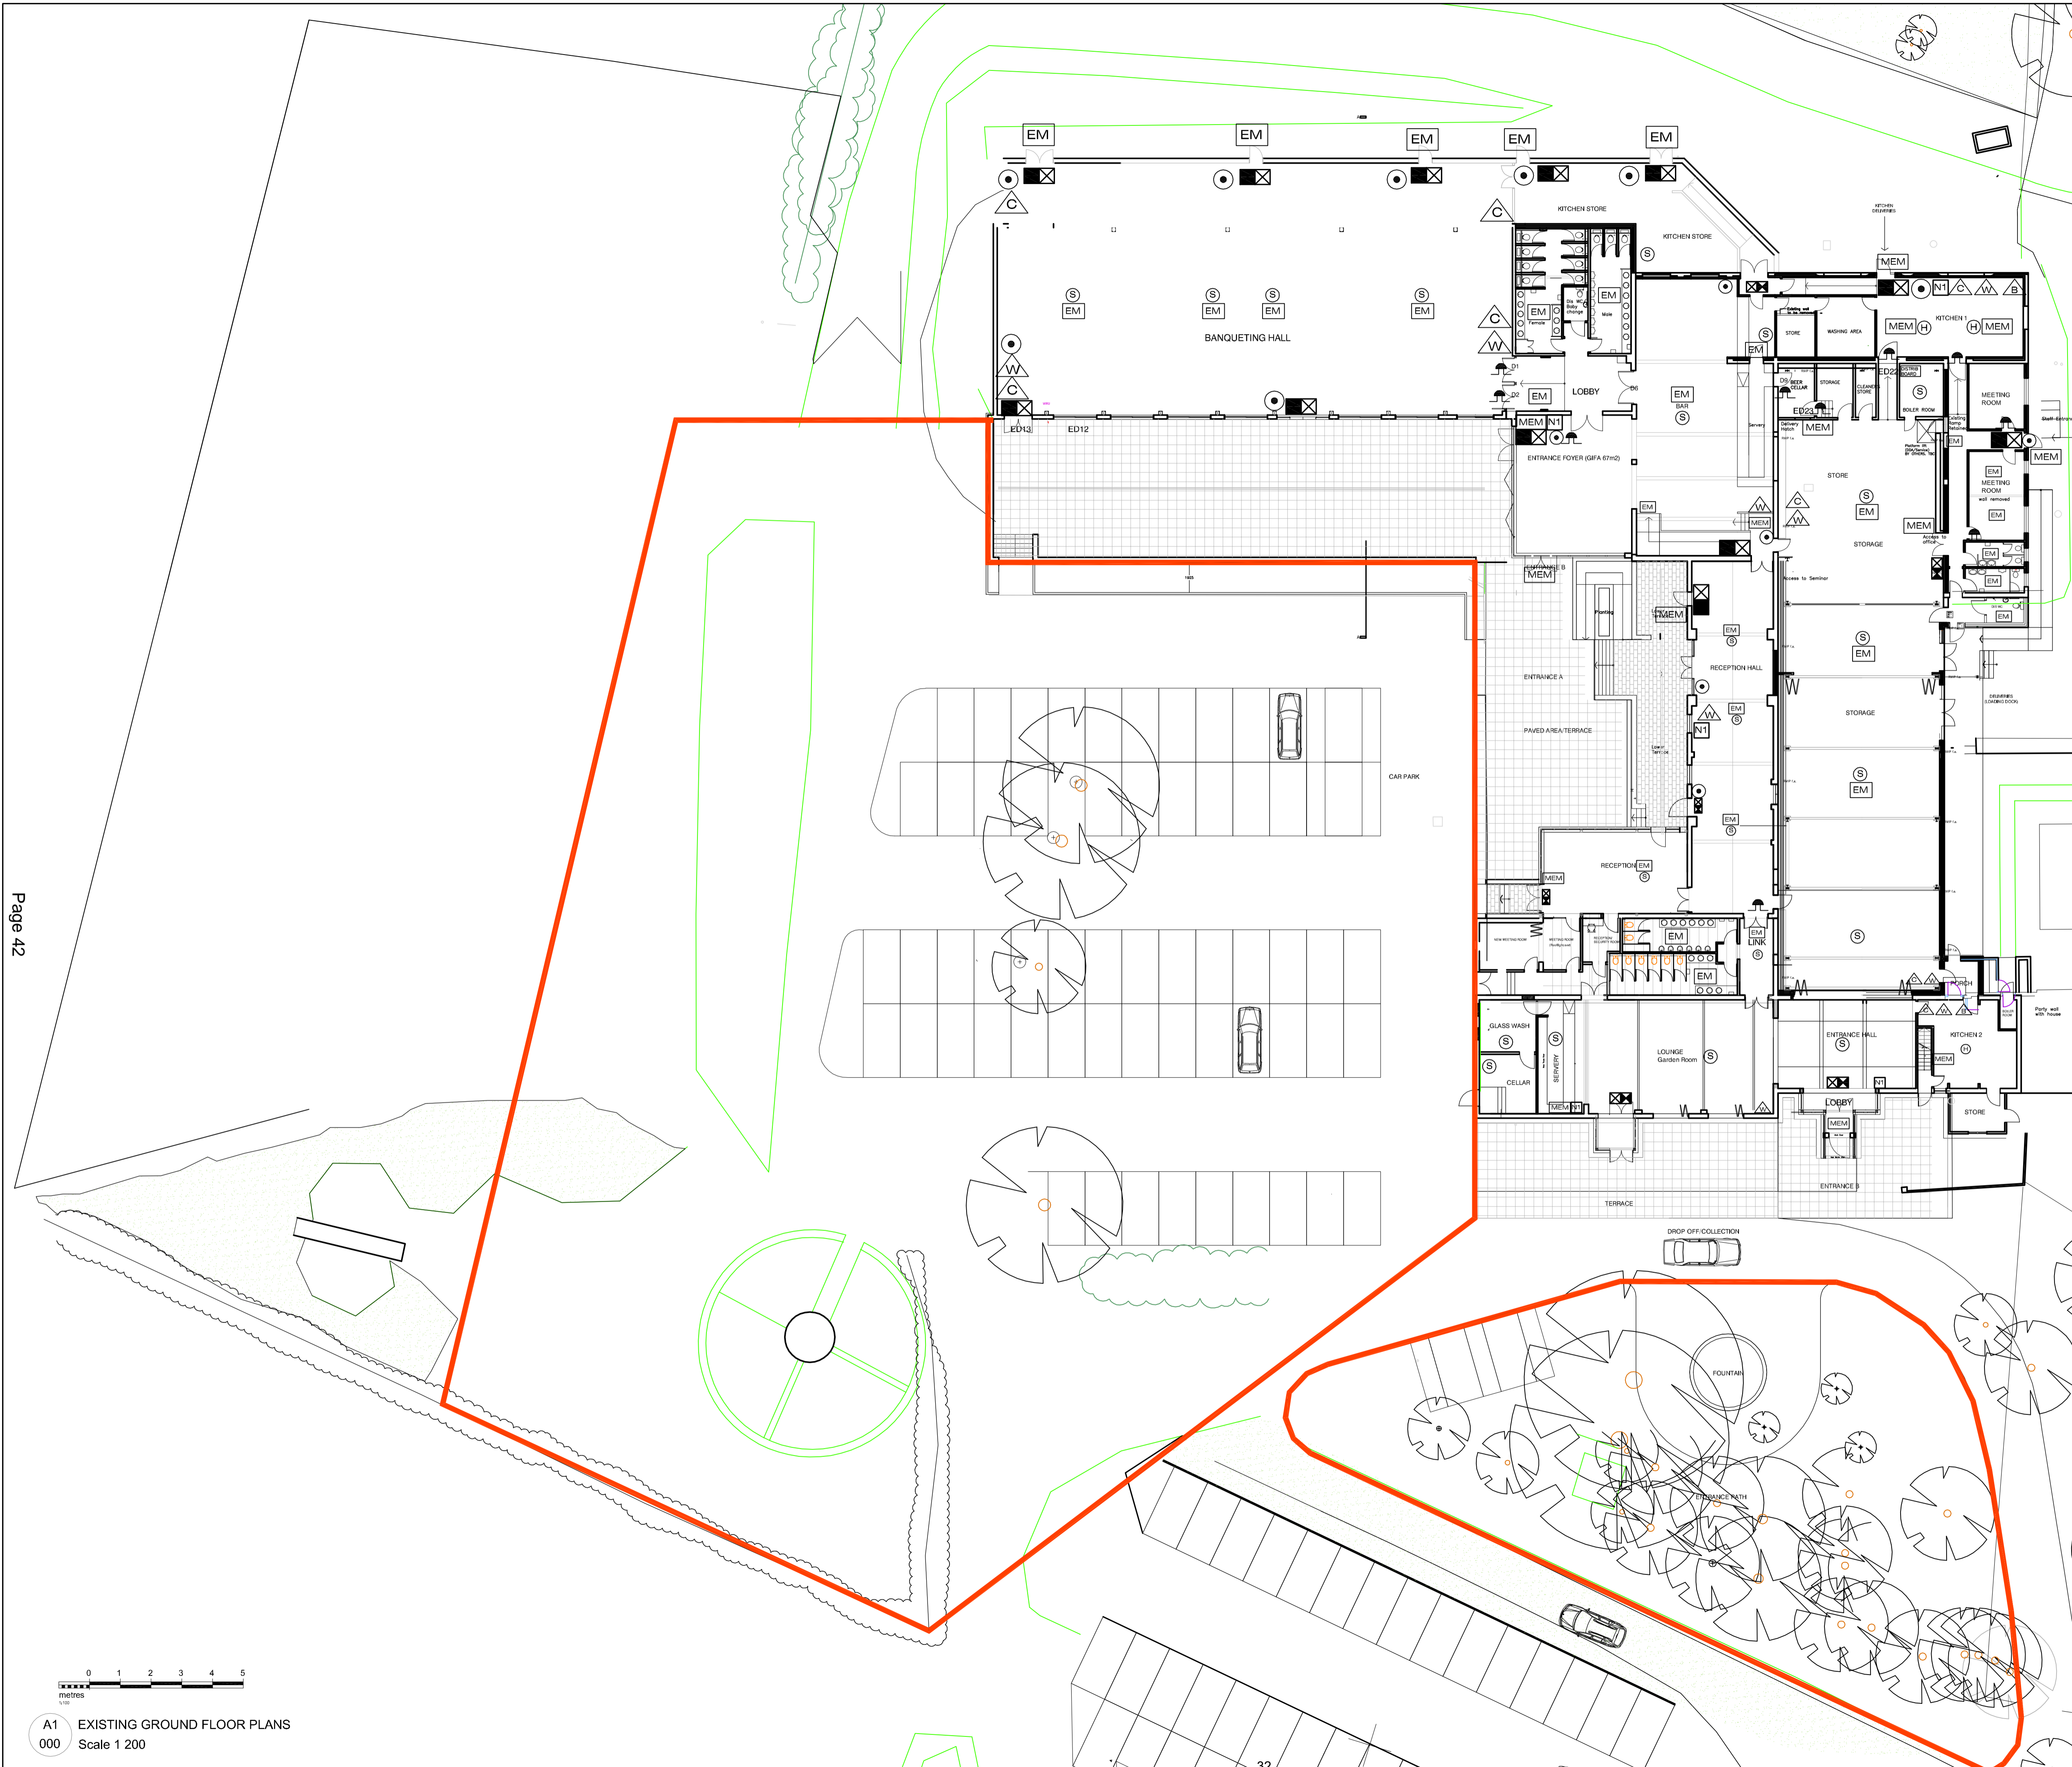

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

4. Please give details of your representation(s) including details as to why you feel the application would be unlikely to promote the objective(s) you have ticked above and including as much evidence as possible in support of your representation. Please continue on a separate sheet if necessary.

This application is to apply for a premises licence, Goosedale farm external, Goosedale Lane, Bestwood, Nottingham, NG6 8UJ. The Applicant is Goosedale Events Limited. The location for this licence already has two premise licences in place, the first being Licence number 15/00219/PREMVE granted on 17.11.2005 and transferred to the current owners on 13.03.2025 and a shadow licence number 24/02339/PREM. The Premise Licence Holder (PLH) for this application differs from the other two Granted licences however from information provided on Companies House we can see that the company director for both is named as Dominic HAYER.

The Goosedale Events Limited is applying for a premise licence which the applicant states is based on similar terms as per the existing licence, with the same conditions to be placed upon such licence if granted. However, it's important to point out at this point that contradicting times have been stated within the application for the commencement time of licensable activity. At section A, B, C, E, F, G, H and J it states a commencement time of 09:00 however at section M (a) it states a commencement time of 10:00. Nottinghamshire Police would like clarity on the actual start time licensable activity would be taking place.

Nottinghamshire police have concerns regarding the limited information that was placed within the operating schedule. The Police would have expected to see proposed conditions that would offer safeguards like CCTV and challenge 25 age verification schemes that would demonstrate a willingness and importance on upholding the licensing conditions, predominantly for the Police to be

- Prevention of Crime and Disorder
- Protection of children from harm

Instead, the applicant stated within the operating schedule:

‘These premises have the benefit of an existing premises licence for the main parts of the premises. This application is being made on similar terms as the existing premises licence for these premises (24/02765/PREMTR) but will be for a limited number of events per year within the additional parts of the premises edged red on the plan. The premises licence shall be for a maximum of 21 events per year; each event authorised for licensable activities between 09:00 and 02:00.’

Nottinghamshire Police is of the opinion that the content that is provided within the operating schedule is not sufficient enough to promote or uphold the licensing objectives.

In an attempt to rectify this, Police contacted the agent Licensing Law Consultancy acting on behalf of the applicant by email on Wednesday 22nd July 2025. The purpose of this email was to suggest an amendment to the operating schedule to place within conditions promoting best practice, which would have allowed appropriate safeguards to be put in place to uphold the licensing the licensing objectives. The conditions are detailed below within this representation. Unfortunately, on the date upon this representation a response to that email from the agent licensing law consultancy, has not been provided.

The Police reserve the right to:

- **Bring further evidence of the Licensing Objectives being undermined to any subsequent panel hearing and to provide live oral evidence to this effect.**
5. If you are suggesting that conditions should be attached to any licence granted, please give the wording of the proposed condition(s) and state why you feel they are necessary and proportionate. Please continue on a separate sheet if necessary.
1. **A CCTV system shall be installed and operative in the premises when licensable activities are taking place.**
All recordings used in conjunction with CCTV shall:
- **Be of evidential quality**
 - **Indicate the correct time and date**

Subject: Goosedale Objection
Date: 28 July 2025 08:49:19

Hello Abbie, I hope you're well.

I have several concerns regarding this application, and how it impacts the licensing objectives.

Owing to the scale of the new area to be licensed, I expect this will be used for large scale events for thousands of attendees.

The residents along Goosedale Lane have experienced several instances of antisocial behaviour across several events in the last 3 years. Most recently this consisted of a university event with students. Towards the end of the night, students were leaving the event on foot down Goosedale lane, drunk, screaming and shouting. The Complainants have also raised issues of drug use and public urination in the small woodland adjacent to their properties. These issues correlate strongly with larger events at the event centre, and this is why I am objecting on the basis of prevention of crime and disorder, which includes ASB and the Prevention of Public Nuisance.

Further to this, during this university event evidence was provided of students at 1am walking towards a main road with no pavement, whilst intoxicated. This in my view represented a serious risk to Public Safety, as Moor road is an unlit, national speed limit road with no footpath.

To get to the event most students had used Taxi services to attend, causing significant congestion along Goosedale lane and onto Moor Road, blocking the lane and stopping the residents from getting to work for several hours. My view is this is further evidence that this site is not suitable for large scale events that would require licensing.

These issues have occurred more than once despite the extensive experience of the license holders with the existing license, and extending the licensable area with a secondary license will my view significantly increase these issues.

I have offered to negotiate on the basis that the license is reduced to a maximum of 3 events per year, and noise levels do not breach an LEQ of 10 Decibels above background at any noise sensitive premises. However, if this is not responded too, then please accept this as my formal objection to the application.

Kind Regards,

Application for: New premises license for sale of alcohol, provision of late night refreshment,
provision of regulated entertainment, extended opening hours.

Details of your representation (please ensure relevance to the above licensing objectives):

We live on Goosedale lane on the approach up to the Goosedale Conference Centre and over the last few years, we have had to regularly raise complaints to Environmental Health and Nottinghamshire Police due to the larger scale events that are taking place there due to the following:

- Antisocial behaviour including drunk and disorderly conduct and violent conduct toward ourselves and our property.
- Trespass on our property.
- Our means of access and egress from our property being completely cut off for several hours at a time during busy events due to the single track lane all the way up to the venue becoming grid locked as it cannot cope with the large amounts of traffic flowing in both directions.
- Guests of the conference centre's vehicles traveling at excessive speed causing a public safety issue as the road is also a public right of way and a public nuisance due to the noise of revving engines and honking of horns etc.
- Guests of the conference centre leaving the venue heavily intoxicated and on foot causing a public nuisance by waking my family up into the early hours of the morning, either by creating too much noise shouting and signing outside of our property or knocking on our door asking for us to call them taxis etc. This also poses a public safety concern as the foot traffic spills out onto Moor Road at the end of Goosedale Lane which is a 60mph unlit highway.
- Public Noise Nuisances due to loud music being played and the venues doors being open during the warmer season.

See below most recent example of the issues we experienced during the last large scale event the conference centre held for 3000+ University of Nottingham students for their end of year ball:

- Our means of access and egress were cut off from around 6pm to 9pm and again from 11pm to 1am.
- People were exposing themselves and relieving themselves all the way up Goosedale Lane, the small patch of private woodland adjoining our property and physically up against and on our property.
- Trespassing on our property.
- Drunk and disorderly conduct from pedestrian foot traffic throughout the evening from 6pm to 1.30am including swearing, shouting, screaming and singing.
- People being sick from suspected alcohol/drug intoxication on the grass verges and private land of the sports club behind our property which my wife had to go out and help with as shes a nurse and the venues staff were not assisting and were too busy trying to direct and divert traffic.
- Drug use within the small patch of private woodland adjoining our property.
- Verbal threats of violence made towards me.
- Noise nuisance from the venues outdoor sound system from 7pm to around 1.30am.
- The private sports club was being used without consent for parking, dropping off and turning.

The direct effect this had on me and my family are:

- My wife couldn't go to work.
- My daughter couldn't get home after being picked up from school by her grandparents.
- My evenings social plans had to be cancelled.
- I had to stop people entering and urinating on my property boundary and removing people from my property whilst having threats of violence made towards me.
- We couldn't get to sleep until around 2am due to the noise from the venue and the vehicular and pedestrian foot traffic outside of our property, and even then weren't able to sleep properly due to the fear of more problems arising and my daughter being terrified.

All of the above has been causing myself and my family a great deal of alarm and distress over the last few years.

Smaller events do not seem to come with the same nuisances and we have been living at this property for many years without a single problem or complaint towards the conference centre. It is only the last few years we have been experiencing the above issues which are a direct result of the larger scale events being held there.

We have tried to work amicably with the management of Goosedale Conference Centre on several occasions yet we feel our concerns are not being heard or taken seriously and this most recent application to extend the licensing hours, extended opening hours and extension of licensing area substantially outside of the venue greatly concerns us.

The venue does not have the infrastructure to cope with the larger events it is currently holding as it is, so the extension of these licenses and reducing the onsite parking capacity by holding events within the carparking area will only make matters worse for us and the other local residents that live on and around Goosedale Lane.

Sirs

Application made by Goosedale Events Ltd for a new premises licence in respect of Goosedale Farm External Area, Goosedale Lane, Bestwood, Nottinghamshire, NG6 8UJ

I refer to the above application which seeks to extend opening hours until 2:00am Monday to Sunday in the 'external area' at Goosedale Farm.

We consider that the proposed extension to 2:00am is unreasonable and will adversely affect us through the possibility of late night music and noise every evening of the week. Low-frequency sound can travel 5km (3 miles) or more: potentially, of considerable nuisance value to a wide catchment of residents and will completely change the character of the area.

As an appendix to this letter I add a note about the detrimental impacts of noise on wildlife. Notts Bat Group have recorded eight species of (highly noise-sensitive) bat in our garden. We have identified 55 species of bird here so far this year. Both groups will be detrimentally affected. You may wish to note that Bestwood Country Park is well-within the three mile radius.

We strongly object and ask that you reject this application.

Yours faithfully,

Rob and Jill Carlyle

Appendix:

Low-frequency noise can have several detrimental impacts on wildlife:

1. **Communication Disruption:** Many species rely on sound for communication. Low-frequency noise can mask these sounds, making it difficult for animals to find mates, warn of predators, or coordinate group behaviours.
2. **Stress and Health Effects:** Prolonged exposure can cause stress responses in wildlife, impacting immune function, growth, and reproduction.
3. **Behavioural Changes:** Animals may alter migration routes, feeding habits, or avoid certain areas, leading to habitat displacement.
4. **Hearing Damage:** Intense low-frequency noise can cause temporary or permanent hearing loss in animals sensitive to these frequencies.

These effects can disrupt ecosystems and threaten biodiversity.

Dear Licensing team

Re: Goosedale Events Licensing Application for a new premises licence in respect of Goosedale Farm External Area, Goosedale Lane, Bestwood Village, Nottinghamshire, NG8 8UJ

We are writing to object to the extension of the licence till 2am seven days a week.

We live less than one mile away from this venue and can attest that the sound of fireworks in the evening from the venue easily carries to our house. We therefore believe that an entertainment and alcohol licence to 2am every night of the week at the premises has a high likelihood of disrupting our evenings and sleep patterns as the noise will easily carry across the open rural landscape that we live in. There are around 200 other dwellings near to us that will also be adversely affected should the licence be granted. We have lived at our address at Keepers Cottage for 25 years and specifically chose it for its quiet rural aspect. An extension of the licence to 2am is in our view unreasonable and not in keeping with the environment that the Goosedale venue sits in - it is not a city centre venue.

We therefore request that the licence application be rejected

Yours faithfully

Drs Nigel and Susan Sturrock

I am quite used to hearing noise late in the evening and fireworks being let off at 10 pm and these are not outdoors events

To continue these activities and selling alcohol until 2 am will not only be disruptive to residence but also the animals that are grazing in the fields close by

The whole of Goosedale Lane is a public footpath and is a single-track lane which goes beyond the Goosedale conference Centre

Persons leaving from the event at 2:30 in the morning could be quite dangerous as they go out onto a 60mph unlit main road

Some of these people may be over the limit and not all come by taxi as some come in their own cars

The license should only be the normal public house opening hours By doing this, you are not promoting late night drinking which may lead to persons driving home or going to work the next day still over the limit.

I have grandchildren visiting during the day and as the opening hours are from 9 a.m. till late I will be worried about there safety.

My family has been in business on Goosedale Lane over three generations and is still actively in business. My concerns are, it is a single track lane into and out of Goosedale Lane regarding traffic and public services.

The business of Sixways Stables has restrictions enforced because of the single track access route. The single track of Goosedale Lane is the only Access to all businesses and properties and already proves difficult so with extra proposals it would prove impossible for customers to get to care for their animals or livestock as and when required. It would also put strain on me operating as a business because of the inconvenience of the extra traffic.

Already there is a lot of noise and fireworks going on after 10pm well into the early hours of the next day. People travelling up the lane often get lost, opening farm gates to turn their vehicles around to travel back towards Moor Road and leaving farm gates open with the possibility of livestock getting out onto the land and Moor Road.

I have had people (strangers) in cars drunk and taking drugs sitting in my car park.

I had someone actually do damage to tractor, stables, forage supplies and turn off the electric fencing and try to open field gates and let out livestock belonging to customers of Sixways Stables. That same person tried to break into my property to cause damage but was caught on CCTV which was dealt with in person personally.

I do have children coming through the day and early evening to ride their horses and selling alcohol through the day from 10am onwards could be dangerous for persons walking up and down the lane.

On the 18th July 2025 the police said on BBC TV that persons drinking after 10pm who may have drunk 6 units of alcohol will be over the limit the next day therefore encouraging people to still buy drinks from 10am up to 2am the next day are encouraging accidents.

Application made by Goosedale Events LTD for a new premises licence in respect to Goosedale farm external area NG6 8UJ

We have been made aware of this application by word of mouth and would like to strongly object to extending the opening hours from 10.00am to 2.30 am for live music and events in the external areas at this location.

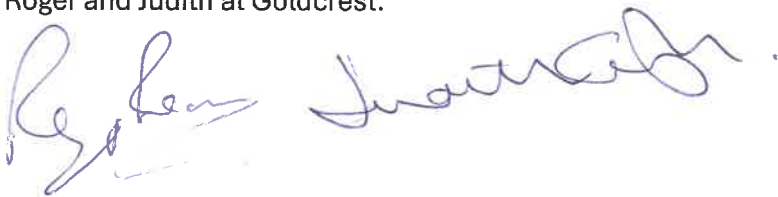

We strongly feel the additional loud noise which we will hear will be unacceptable. We currently hear the music from the Wollaton Park Splendour outdoor event and from events in Hucknall which are considerably further away than Goosedale, **which is under 1 mile radius from our home**. As you hopefully appreciate, we are very concerned at the increased noise levels potentially all day every day!! Fortunately, Splendour finishes at 10.30pm a much more reasonable hour and is only over 1 weekend per year and not potentially every day 52 weeks of the year as the Goosedale application states.

This is a rural area and will prevent all its neighbours from the peaceful enjoyment of the birdsong and wild life during the day and in the early evening and to any peaceful sleep after 23.00 hours.

I would respectfully request that this application be refused.

Regards

Roger and Judith at Goldcrest.

Application for: New premises licence in respect of GOOSEDALE FARM EXTERNAL AREA

Details of your representation (please ensure relevance to the above licensing objectives):

We the residents of SANDY OAKS village object to the granting of a new license because of the reasons mentioned below

- 1) The hours it will be open causing a Nuisance and the noise it ~~will~~ cause to our retired community. This is a retirement village with alot of residents in their 90's. We have to endure the music and fireworks from the existing premises which is loud and to grant a licence for a outdoor venue would make it even louder making our lives a misery. We live within a close distance to the venue and with the prevalent north westerly wind every sound is carried our way
- 2) Pets onsite are affected by the loud bangs and music which causes alot of distress to the animals and owners
- 3) The wildlife in this lovely area which extends to bestwood country park will be affected by the extended hours the premiese would be open.
- 4) The ~~extra~~ extra traffic caused by extended hours to already busy lanes

Application for: New premises license for sale of alcohol. Provision of late-night alcohol, provision of late-night entertainment, extended opening hours.

Details of your representation (please ensure relevance to the above licensing objectives):

We already have regular events at Goosedale that block access to homes and animals at various times of day and night. There have been times when getting from Moor Road to my aging mothers' home at Two Acres has taken over thirty-five minutes due solely due to an event that was taking place at Goosedale. There have been times when drunken individuals, leaving a party in the evenings have been rude, loudish, and very occasionally aggressive. Most partys seem to need fireworks to be let off around the eleven pm marks as it is. This seems to make the end of thing and that it is time to go home. Extending the opening hours and the length of time that alcohol can be purchased and drunk, will I believe be detrimental to the lives of not only the people living on Goosedale lane itself, but also to those living on Moor Road going down to Papplewick. I have drougths that everyone driving home from Goosedale would pass a breathalyser test as thing are, and again the extra alcohol consumed is going to do little to help with this. Be aware that there are a number of homesteads further along Goosedale Lane that have livestock, whether that be horses for pleasure or sheep, cattle for business that may be extremely unsettled be the increase hours of noise, as the noise from Goosedale travels up the valley. Finally, to should be noted that Goosedale lane is a public footpath. The extra motorised use by party goers drinking alcohol to all hours of the morning is going to increase the likelihood of ramblers, young and old getting hurt on this public right of way.

(Please continue on separate sheet if necessary)

(e) Please indicate which of the Licensing Objectives your representation refers to by ticking the relevant box(es) below:

☒ The Prevention of Crime and Disorder

(f) Suggest alternatives

If possible please suggest alterations to the application, or conditions that would resolve the problem mentioned above, again paying attention to the licensing objectives.

The late license should not be allowed butt should be the same as Goosedale Conference Centre so as not to encourage drinking until the early hours of a morning.
