Recognising that 670,000 people in England now live with dementia and this number will double within 30 years, this Council commits to becoming a dementia friendly organisation and to leading Gedling towards becoming a dementia friendly community. In doing so, the Council will take an active and lead role with partners to raise awareness about dementia and encourage a responsive and sensitive response, in order to improve the lives of those

Report to Council

Subject: Council Tax Reduction Scheme
Date: 22nd January 2014
Author: Service Manager – Revenues and Benefits

1. Purpose of the Report

1. This report details the results of the recently completed Council Tax Reduction Scheme (CTRS) consultation and seeks approval to revise the current scheme for the financial year 2014/15.
2. It is proposed that the Council confirms the continuation of the current CTRS that was implemented 1st April 2013 and to now include the proposed amendments for the 2014/15 financial year and beyond as specified in Appendix B.
3. In brief, the amendments are, that for working age claimants, assessments for entitlement will include up-ratings (e.g. of applicable amounts) similar to those prescribed for pensioners by Central Government for 2014/15.
4. This will demonstrate that the Council has continued to consider its obligations to support vulnerable groups by maintaining the income disregards and premiums to protect families with children and customers with disabilities.

2. Background

1. Members will recall that from 1 April 2013 the Council Tax Benefit Scheme was replaced by a localised support scheme for Council Tax known as the Council Tax Reduction Scheme (CTRS). All billing authorities (district and unitary authorities) were required to devise their own scheme and on 19th December 2012 following a full consultation exercise the Council adopted a Council Tax Reduction Scheme very similar to the previous national Council Tax Benefits scheme but with the following main differences for working age customers:-
 - a) No entitlement to CTRS for claimants whose savings are greater than £6,000.
 - b) No entitlement to CTRS where claimants have in excess of £16,000 in capital

- c) Removal of the Second Adult Rebate.
 - d) A flat rate non-dependant deduction of £7.50 for each adult member of the household.
 - e) Automatic backdating of CTRS for a maximum of 3 months.
 - f) Entitlement to the extended payments “back to work” incentive for the long term unemployed, increased from four weeks to twelve weeks.
 - g) An automatic award of a “Transitional Relief payment” to ensure those working age customers affected by the above changes would not be required to pay more than 8.5% of their Council Tax Liability during financial year 2013/14.
2. At November 2013, the number of working age customers eligible for CTRS was 4791 compared to November 2012 which was 4959, a decrease of 168 claims. The number of pensioners eligible for CTRS at November 2013 was 4186 compared to November 2012 which was 4390, a decrease of 204 claims. The overall case load has dropped from 9349 in November 2012 to 8977 in November 2013, a total reduction of 372 claims.
 3. As at the end of November 2013, the total amount of CTRS awarded is £7,676,051 which is in line with the forecast expenditure for 2014/15.
 4. Paragraph 5 of Schedule 1A to the Local Government Finance Act 1992 requires the Council to consider whether its CTRS is to be revised or replaced for each financial year. Where the scheme is to be revised or replaced the Council must make such a decision no later than 31st January in the financial year preceding that for which the revision or replacement scheme is to have effect.
 5. In addition, before revising it's Scheme, there is a statutory duty on the Council to consult with any major precepting authority and such other persons as it considers are likely to have an interest in the operation of the Scheme.
 6. In accordance with this, on 11th November 2013, the Council commenced a formal 4 week consultation process with:-
 - a) Nottinghamshire County Council.
 - b) Nottinghamshire Police Authority
 - c) The Combined Fire Authority
 - d) The Citizens Advice Bureau.
 7. Details of the proposed changes were placed on the Councils' website inviting residents to comment. The Police, Fire Authority and the Citizens Advice Bureau all responded and agreed with the proposed changes. There were no other responses.
 8. The Council must have due regard to the need to eliminate unlawful conduct under the Equality Act 2010, the need to advance equality of opportunity and the need to foster good relations between persons who share a protected characteristic and those who do not. An Equality Impact Assessment (EIA) of the 2013/14 CTRS was reported last year and, due to the minor changes this year, there are no additional equality implications

necessitating a further EIA. A copy of the original EIA is appended to the Cabinet report dated 6 December 2012 and can be accessed by Members on the Council's website.

3. Proposal

1. It is proposed that minor changes are made to the current scheme to include up-ratings for working age customers similar to the up-ratings set by Central Government in its prescribed requirements amendments for pensioners. The wording of the 2013/14 scheme limited up-ratings only to that year.
2. In addition, it should be noted that for the 2014/15 scheme there will be no "Transitional Relief payments" for working age customers as this was an introductory temporary grant-funded initiative by Central Government for the 2013/14 financial year only.

4. Resource Implications

1. The total discounts given under the CTRS are estimated to be £7.6m for the 2014/15 financial year.
2. There are no additional significant financial implications for the 2014/15 year as the proposed changes to the existing scheme are minor.
3. The removal of "Transitional Relief Payments" will result in approximately £116,000 less CTRS payments to claimants.

5. Recommendation

THAT:

The Council agrees to revise the Council Tax Reduction Scheme (CTRS) as set out in Appendix B and adopt it for the financial year 2014/15.

6. Appendices

1. Appendix A - Copy of the consultation letter sent to precepting authorities and responses from the Police and Fire Authorities.
2. Appendix B - Gedling Borough Council's proposed 2014/15 Council Tax Reduction Scheme.

Dear,

**RE: Gedling Borough Council Localised Council Tax Reduction scheme
Consultation 2014/15**

On the 1st April 2013, Gedling Borough Council introduced its own 'Local Council Tax Reduction Scheme' following the Government's decision to abolish the national Council Tax Benefit Scheme and give local authorities the responsibility of replacing it.

The Government had set out three principles to be followed in developing a local scheme of support for Council Tax:-

- Pensioners must continue to receive the same level of support.
- Pensioner entitlements are assessed under a national prescribed scheme decided by the Government.
- The prescribed scheme is subject to annual Government up-ratings which affect the components of the calculation of entitlement – these include applicable amounts and non dependant deductions.

In September 2012 we consulted with you, recipients of Council Tax Benefit, Council Tax payers and other stakeholders on our scheme options. In December 2012 following the consultation the Council adopted the proposed scheme, the main points of which, for Working Age people, were:-

- No entitlement to Reduction if an applicant's savings are more than £6,000.
- Removal of the Second Adult Rebate Scheme
- A flat-rate of £7.50 for each adult member of the household (non-dependants) to be deducted from an entitlement.
- Automatic backdating of Reduction for a maximum of 3 months only
- To increase the 4 week "back to work" incentive payment for long term unemployed people who find work to 12 weeks.
- To automatically award a "Transitional Relief payment" to ensure no working age customer would be required to pay more than 8.5% of their Council Tax Liability during financial year 2013/14.

By law, we must consider whether to revise or replace our scheme each financial year. Any revision must be made by the 31st January in the preceding financial year to that which it is to take effect. This means the Council must consider any revision to its current scheme by the 31st January 2014.

We are looking to retain the current arrangements and Gedling Borough Council's proposed Council Tax Reduction Scheme for 2014/15 will be in the same form as the existing scheme for 2013/14, subject to the following amendments:

1. The new scheme to be applicable from the 1st April 2014.
2. To include any amendments made by Government to the national prescribed scheme for pensioners
3. To include revised up-ratings made by Government for financial years from April 2014 onwards for working age customers such as applicable amounts, similar to those arrangements for pensioners within the national prescribed scheme.
4. The removal of "Transitional Relief payments" for working age customers as these transitional arrangements only applied for a period of 1 year from the 1st April 2013-31st March 2014.

This letter is part of our formal consultation process which we hope to conclude by 6th December 2013. Further consultation is being taken on the Gedling website.

I would be grateful if any comments you have regarding this consultation on the changes to our scheme are notified to me by no later than 6th December 2013.

Yours Sincerely,

Mark Kimberley

Dear Mr Whitworth

**Gedling Borough Council – Localised Council Tax Support Scheme
Consultation**

Thank you for your email of consultation dated 21st November 2013.

I have reviewed your proposals and I am in broad agreement. The impact of the tax base is our main interest, but you do not seem to be drastically amending the current scheme.

Yours sincerely

Paul

Thank you for the opportunity to comment on the proposed Council Tax Reduction scheme.

Having read through your proposals the Fire Authority would be content that these do not significantly vary the existing scheme and as far as possible continue to support vulnerable people.

I am writing with regard to the proposed changes to Gedling Borough Council's Council Tax Reduction Scheme for 2014/15.

By law, we must consider whether to revise or replace our scheme each financial year. Any revision must be made by the 31st January in the preceding financial year to that which it is to take effect. This means the Council must consider any revision to its current scheme by the 31st January 2014.

Enclosed is a letter from the Councils Corporate Director and Chief Financial Officer outlining our proposals. This letter forms part of our formal consultation process and we would be grateful if you have any comments relating to the matter.

CHAPTER 2

Income and capital: pensioners in receipt of guarantee credit or savings credit

35. In the case of an applicant who is a pensioner and who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of his capital and income must be disregarded.

36.—(1) In determining the income and capital of an applicant who is a pensioner and who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, the authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes the amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

(3) Paragraphs 39 to 46 (calculation of income: pensioners) and 57 to 61 (calculation of income: pensioners and persons who are not pensioners) do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority must calculate the applicant's capital in accordance with paragraphs 63, 65 to 68 and 70 (calculation of capital: pensioners).

(2) The authority must adjust the amount of the income referred to in sub-paragraph (1) by multiplying the amount by 12 and dividing the product by 52.

(3) The authority may only adjust the amount of the income as adjusted in accordance with subparagraph (2) so far as necessary to take into account—

- (a) the amount of the award of universal credit, determined in accordance with sub-paragraph (3);

(4) The amount for the award of universal credit to be taken into account for the purposes of sub-paragraph (3)(a) is to be determined by multiplying the amount of the award of universal credit by 12 and dividing the product by 52.

(5) Paragraph 34 (income and capital of non-dependant to be treated as applicant's) applies for the purpose of determining any adjustments which fall to be made to the figure for income under sub-paragraph (3).

(6) In determining the capital of an applicant—

CHAPTER 5

Income: persons who are not pensioners

Average weekly earnings of employed earners: persons who are not pensioners

47.—(1) Where the income of an applicant who is not a pensioner consists of earnings from employment as an employed earner his average weekly earnings must be estimated by reference to his earnings from that employment—

- (a) over a period immediately preceding the reduction week in which the application is made or treated as made and being a period of—
 - (i) 5 weeks, if he is paid weekly; or
 - (ii) 2 months, if he is paid monthly; or
- (b) whether or not paragraph (a)(i) or (ii) applies, where an applicant's earnings fluctuate, over such other period preceding the reduction week in which the application is made or treated as made as may, in any particular case, enable his average weekly earnings to be estimated more accurately.

(2) Where the applicant has been in his employment for less than the period specified in subparagraph (1)(a)(i) or (ii)—

- (a) if he has received any earnings for the period that he has been in that employment and those earnings are likely to represent his average weekly earnings from that employment his average weekly earnings must be estimated by reference to those earnings;
- (b) in any other case, the authority must estimate the applicant's average weekly earnings^(b).

(3) Where the amount of an applicant's earnings changes the authority must estimate his average weekly earnings by reference to his likely earnings from the employment over such period as is appropriate in order that his average weekly earnings may be estimated accurately but the length of the period must not in any case exceed 52 weeks.

(4) For the purposes of this paragraph the applicant's earnings are to be calculated in accordance with paragraphs 51 and 52 (earnings of employed earners: persons who are not pensioners).

Average weekly earnings of self-employed earners: persons who are not pensioners

48.—(1) Where the income of an applicant who is not a pensioner consists of earnings from employment as a self-employed earner his average weekly earnings must be estimated by reference to his earnings from that employment over such period as is appropriate in order that his average weekly earnings may be estimated accurately but the length of the period must not in any case exceed a year.

(2) For the purposes of this paragraph the applicant's earnings must be calculated in accordance with paragraphs 53, 61 and 62 (earnings, and net profit, of self-employed earners).

(a) 1980 c.46.

(b) Powers in section 14A of the LGFA 1992 may be used to confer power to require employers to provide information for these purposes.

Average weekly income other than earnings: persons who are not pensioners

49.—(1) The income of an applicant who is not a pensioner which does not consist of earnings must, except where sub-paragraph (2) applies, be estimated over such period as is appropriate in order that his average weekly income may be estimated accurately but the length of the period must not in any case exceed 52 weeks; and nothing in this paragraph authorises an authority to disregard any such income other than that specified in Schedule 8 (sums disregarded in the calculation of income other than earnings: persons who are not pensioners).

(2) The period over which any benefit under the benefit Acts is to be taken into account is to be the period in respect of which that benefit is payable.

(3) For the purposes of this paragraph income other than earnings is to be calculated in accordance with paragraph 54 (calculation of income other than earnings: persons who are not pensioners).

Calculation of weekly income of employed earners: persons who are not pensioners

50.—(1) For the purposes of paragraphs 47 (average weekly earnings of employed earners), 49 (average weekly income other than earnings) and 59 (calculation of average weekly income from tax credits), where the period in respect of which a payment is made—

- (a) does not exceed a week, the weekly amount is to be the amount of that payment;
- (b) exceeds a week, the weekly amount is to be determined—
 - (i) in a case where that period is a month, by multiplying the amount of the payment by 12 and dividing the product by 52;
 - (ii) in any other case, by dividing the amount of the payment by the number equal to the number of days in the period to which it relates and multiplying the product by 7.

(2) For the purposes of paragraph 48 (average weekly earnings of self-employed earners) the weekly amount of earnings of an applicant is to be determined by dividing his earnings over the assessment period by the number equal to the number of days in that period and multiplying the product by 7.

(4) In this paragraph “qualifying contribution” means any sum which is payable periodically as a contribution towards a personal pension scheme.

(5) The amount in respect of any qualifying contribution is to be calculated by multiplying the daily amount of the qualifying contribution by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying contribution is to be determined—

- (a) where the qualifying contribution is payable monthly, by multiplying the amount of the qualifying contribution by 12 and dividing the product by 365;
- (b) in any other case, by dividing the amount of the qualifying contribution by the number equal to the number of days in the period to which the qualifying contribution relates.

(6) Where the earnings of an applicant are estimated under paragraph 47(2)(b) (average weekly earnings of employed earners: classes D to E), his net earnings is to be calculated by taking into account those earnings over the assessment period, less—

- (b) an amount equivalent to the amount of the primary Class 1 contributions that would be payable by him under the SSCBA in respect of those earnings if such contributions were payable; and
- (c) one-half of any sum which would be payable by the applicant by way of a contribution towards an occupational or personal pension scheme, if the earnings so estimated were actual earnings.

- (a) on the basis of the amount of chargeable income, and
- (b) as if that income were assessable to income tax at the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under sections 35 to 37 of the Income Tax Act 2007(a) (personal allowances) as is appropriate to his circumstances.

(2) But, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of social security contributions under paragraph 60(1)(b)(i), (3)(b)(ii) or (9)(a)(ii) is the total of—

- (a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the SSCBA at the rate applicable to the assessment period except where the applicant’s chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and
- (b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph “chargeable income” means—

- (a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under sub-paragraph (3)(a) or, as the case may be, (5) of paragraph 61;
- (b) in the case of employment as a child minder, one-third of the earnings of that employment.

CHAPTER 7

Calculation of capital

63.—(1) The capital of an applicant^(a) to be taken into account must be, subject to subparagraph (2), the whole of his capital calculated in accordance with this Part and (in the case of persons who are not pensioners) any income treated as capital under paragraph 64 (income treated as capital: persons who are not pensioners).

(2) There must be disregarded from the calculation of an applicant's capital under sub-paragraph (1), any capital, where applicable, specified in—

- (a) Schedule 9, in relation to pensioners;
- (b) Schedule 10, in relation to persons who are not pensioners.

(3) In the case of an applicant who is a pensioner, his capital is to be treated as including any payment made to him by way of arrears of—

- (a) child tax credit;
- (b) working tax credit;
- (c) state pension credit,

if the payment was made in respect of a period for the whole or part of which a reduction under this scheme was allowed before those arrears were paid.

(4) The capital of a child or young person who is a member of the family of an applicant who is not a pensioner must not be treated as capital of the applicant.

Income treated as capital: persons who are not pensioners

64.—(1) This paragraph applies in relation to persons who are not pensioners.

(2) Any bounty derived from employment to which paragraph 9 of Schedule 7 (sums disregarded in the calculation of earnings: persons who are not pensioners) applies and paid at intervals of at least one year is to be treated as capital.

(3) Any amount by way of a refund of income tax deducted from profits or emoluments chargeable to income tax under Schedule D or E is to be treated as capital.

(4) Any holiday pay which is not earnings under paragraph 41(1)(d) or 51(1)(d) (earnings of employed earners) is to be treated as capital.

(5) Except any income derived from capital disregarded under paragraphs 4, 5, 7, 9, 15, 28 to 31, 47 or 48 of Schedule 10 (capital disregards: persons who are not pensioners), any income derived from capital is to be treated as capital but only from the date it is normally due to be credited to the applicant's account.

(6) In the case of employment as an employed earner, any advance of earnings or any loan made by the applicant's employer is to be treated as capital.

(7) Any charitable or voluntary payment which is not made or due to be made at regular intervals, other than a payment which is made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation, the Independent Living Fund (2006) or the London Bombings Charitable Relief Fund, is to be treated as capital.

(8) There is to be treated as capital the gross receipts of any commercial activity carried on by a person in respect of which assistance is received under the self-employment route, but only in so far as those receipts were payable into a special account during the period in which that person was receiving such assistance.

(9) Any arrears of subsistence allowance which are paid to an applicant as a lump sum must be treated as capital.

(10) Any arrears of working tax credit or child tax credit must be treated as capital.

Calculation of capital in the United Kingdom

65. Capital which an applicant possesses in the United Kingdom is to be calculated at its current market or surrender value less—

- (a) where there would be expenses attributable to the sale, 10 per cent; and
- (b) the amount of any encumbrance secured on it.

Calculation of capital outside the United Kingdom

66. Capital which an applicant possesses in a country outside the United Kingdom must be calculated—

- (a) in a case where there is no prohibition in that country against the transfer to the United Kingdom of an amount equal to its current market or surrender value in that country, at that value;
- (b) in a case where there is such a prohibition, at the price which it would realise if sold in the United Kingdom to a willing buyer,

less, where there would be expenses attributable to sale, 10 per cent and the amount of any encumbrances secured on it.

Notional capital

67.—(1) An applicant is to be treated as possessing capital of which he has deprived himself for the purpose of securing entitlement to a reduction or increasing the amount of that reduction except to the extent that that capital is reduced in accordance with paragraph 68 (diminishing notional capital rule).

(2) A person who is a pensioner who disposes of capital for the purpose of—

- (a) reducing or paying a debt owed by the applicant; or
- (b) purchasing goods or services if the expenditure was reasonable in the circumstances of the applicant's case,

is to be regarded as not depriving himself of it.

(3) Sub-paragraphs (4) to (6) apply in relation to applicants who are not pensioners.

(4) Except in the case of—

- (a) a discretionary trust; or
- (b) a trust derived from a payment made in consequence of a personal injury; or

- (f) any sum to which paragraph 48(a) of Schedule 10 refers; or
- (g) child tax credit; or
- (h) working tax credit,

any capital which would become available to the applicant upon application being made, but which has not been acquired by him, is to be treated as possessed by him but only from the date on which it could be expected to be acquired were an application made.

(5) Any payment of capital, other than a payment of capital specified in sub-paragraph (6), made—

- (a) to a third party in respect of a single applicant or a member of the family (but not a member of the third party's family) must, where that payment is a payment of an occupational pension, a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund, be treated as possessed by that single applicant or, as the case may be, by that member;
- (b) to a third party in respect of a single applicant or in respect of a member of the family (but not a member of the third party's family) must, where it is not a payment referred to in paragraph (a), be treated as possessed by that single applicant or by that member to the extent that it is used for the food, ordinary clothing or footwear, household fuel or rent of that single applicant or, as the case may be, of any member of that family or is used for any council tax or water charges for which that applicant or member is liable;
- (c) to a single applicant or a member of the family in respect of a third party (but not in respect of another member of the family) must be treated as possessed by that single applicant or, as the case may be, that member of the family to the extent that it is kept or used by him or used by or on behalf of any member of the family.

(6) Sub-paragraph (5) does not apply in respect of a payment of capital made—

- (a) under or by any of the Trusts, the Fund, the Eileen Trust, MFET Limited, the Independent Living Fund (2006), the Skipton Fund, the Caxton Foundation, or the London Bombings Relief Charitable Fund;
- (b) pursuant to section 2 of the Employment and Training Act 1973 in respect of a person's participation—
 - (i) in an employment programme specified in regulation 75(1)(a)(ii) of the Jobseeker's Allowance Regulations 1996;
 - (ii) in a training scheme specified in regulation 75(1)(b)(ii) of those Regulations;
 - (iii) in the Intense Activity Period specified in regulation 75(1)(a)(iv) of those Regulations;
 - (iv) in a qualifying course within the meaning specified in regulation 17A(7) of those Regulations; or
 - (v) in the Flexible New Deal specified in regulation 75(1)(a)(v) of those Regulations;
- (c) in respect of a person's participation in the Work for Your Benefit Pilot Scheme;
- (d) in respect of a person's participation in the Mandatory Work Activity Scheme;
- (e) in respect of an applicant's participation in the Employment, Skills and Enterprise Scheme;
- (f) under an occupational pension scheme, in respect of a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund where—
 - (i) a bankruptcy order has been made in respect of the person in respect of whom the payment has been made or, in Scotland, the estate of that person is subject to sequestration or a judicial factor has been appointed on that person's estate under section 41 of the Solicitors (Scotland) Act 1980;
 - (ii) the payment is made to the trustee in bankruptcy or any other person acting on behalf of the creditors; and
 - (iii) the person referred to in sub-paragraph (i) and any member of his family does not possess, or is not treated as possessing, any other income apart from that payment.

(7) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, he may be treated as if he were such sole owner or partner and in such a case—

- (a) the value of his holding in that company must, notwithstanding paragraph 63 (calculation of capital) be disregarded; and
- (b) he must, subject to sub-paragraph (8), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which he does possess.

(8) For so long as the applicant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under sub-paragraph (7) is to be disregarded.

(9) Where an applicant is treated as possessing capital under any of sub-paragraphs (1), (4) or (5) the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which he does possess.

Diminishing notional capital rule: pensioners

68.—(1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 67(1) (notional capital), the amount which he is treated as possessing—

- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);
- (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

- (a) he is in receipt of a reduction under this scheme; and
- (b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—

- (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
- (b) where the applicant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002 (notional capital);
- (c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006 (notional capital);
- (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the

reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and

- (e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under this scheme in the relevant week but for paragraph 67(1).

(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

- (a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 67(1);
- (b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;
- (c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
 - (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;
- (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and
- (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
- (b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under that subparagraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—

- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and
- (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

- (a) a further application is made 26 or more weeks after—

- (i) the date on which the applicant made an application in respect of which he was first treated as possessing the capital in question under paragraph 67(1);
 - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (11), the date on which he last made an application which resulted in the weekly amount being re-determined, or
 - (iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and
- (b) the applicant would have been entitled to a reduction under this scheme but for paragraph 67(1).

(9) The amount as re-determined pursuant to sub-paragraph (7) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—
“part-week”—

- (a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under this scheme is allowed;
- (b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;
- (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—
 - (i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker’s allowance is payable; and
 - (ii) any other period of less than a week for which it is payable;

“relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 67(1)—

- (a) was first taken into account for the purpose of determining his entitlement to a reduction; or
- (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction;

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Diminishing notional capital rule: persons who are not pensioners

69.—(1) Where an applicant who is not a pensioner is treated as possessing capital under paragraph 67(1) (notional capital), the amount which he is treated as possessing—

- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);
- (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and

- (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).
- (2) This sub-paragraph applies to a reduction week (or, in the case of persons who are not pensioners, part-week) where the applicant satisfies the conditions that—
- (a) he is in receipt of a reduction in council tax under this scheme; and
 - (b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.
- (3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—
- (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
 - (b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations 2006 (notional capital);
 - (c) where the applicant has also claimed income support, the amount of income support to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);
 - (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and
 - (e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).
- (4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 67(1).
- (5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—
- (a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 67(1);
 - (b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
 - (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;
 - (c) if the applicant would, but for regulation 51(1) of the Income Support (General) Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

- (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.
- (6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.
- (7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—
- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and
 - (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.
- (8) The conditions are that—
- (a) a further application is made 26 or more weeks after—
 - (i) the date on which the applicant made an application for a reduction under this scheme in respect of which he was first treated as possessing the capital in question under paragraph 67(1);
 - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (7), the date on which he last made an application under this scheme which resulted in the weekly amount being re-determined, or
 - (iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and
 - (b) the applicant would have been entitled to a reduction under this scheme but for paragraph 67(1).
- (9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.
- (10) For the purposes of this paragraph—
- "part-week"—
- (a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction under this scheme is allowed;
 - (b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;
 - (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—
 - (i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker's allowance is payable; and
 - (ii) any other period of less than a week for which it is payable;

“relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 67(1)—

- (a) was first taken into account for the purpose of determining his entitlement to a reduction; or
- (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction,

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Capital jointly held

70. Except where an applicant possesses capital which is disregarded under paragraph 67(7) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

Calculation of tariff income from capital: pensioners

71. The capital of an applicant who is a pensioner - Classes A – C, is calculated in accordance with this Part(a), is to be treated as if it were a weekly income(b) of—

- (a) £1 for each £500 in excess of £10,000 but not exceeding £16,000; and
- (b) £1 for any excess which is not a complete £500.

Calculation of tariff income from capital: persons who are not pensioners

72.-(1) The capital of an applicant who is not a pensioner – Classes D - E, will not be subjected to any tariff income calculation.

(a) See Chapters 1 and 7 of Part 10 in particular, and the capital to be disregarded in accordance with Schedule 9.
(b) Income from capital is taken into account in calculating the income of an applicant who is a pensioner; see paragraph 39(1)(i).

(5) Subject to sub-paragraphs (6) and (7), a student's grant income must be apportioned—

(a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;

(b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.

(6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part-weeks) in the year, 53.

(7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph 80(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.

(8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

Calculation of covenant income where a contribution is assessed

77.—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.

(2) The weekly amount of the student's covenant must be determined—

(a) by dividing the amount of income which falls to be taken into account under sub-paragraph (1) by 52 or 53, whichever is reasonable in the circumstances; and

(b) by disregarding £5 from the resulting amount.

(3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph 76(2)(g) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

- (c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 76(2)(f) and (3) had the student been in receipt of the standard maintenance grant; and
- (d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.

(2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income must be calculated in accordance with paragraphs (a) to (d) of sub-paragraph (1), except that—

- (a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 76(2)(a) to (e); and

(2) In calculating the weekly amount of the loan to be taken into account as income—

- (a) in respect of a course that is of a single academic year's duration or less, a loan which is payable in respect of that period is to be apportioned equally between the weeks in the period beginning with—
 - (i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of the single academic year;
 - (ii) where the student is required to start attending the course in August or where the course is less than an academic year's duration, the reduction week, the first day of which coincides with, or immediately follows, the first day of the course, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

- (b) in respect of an academic year of a course which starts other than on 1st September, a loan which is payable in respect of that academic year is to be apportioned equally between the weeks in the period—

 - (ii) ending with the reduction week, the last day of which coincides with or immediately precedes, the last day of that academic year,
 but excluding any reduction weeks falling entirely within the quarter during which, in the opinion of the authority, the longest of any vacation is taken and for the purposes of this paragraph, “quarter” has the same meaning as for the purposes of the Education (Student Support) Regulations 2005;
- (c) in respect of the final academic year of a course (not being a course of a single year’s duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—

 and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;
- (d) in any other case, the loan is to be apportioned equally between the weeks in the period beginning with the earlier of—
 - (i) the first day of the first reduction week in September; or
 - (ii) the reduction week, the first day of which coincides with, or immediately follows the first day of the autumn term,
 and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of June,

and, in all cases, from the weekly amount so apportioned £10 is to be disregarded.

- (a) a student loan has been made to him in respect of that year; or
- (b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.

 - (i) the maximum student loan he is able to acquire in respect of that year by taking reasonable steps to do so; and
 - (ii) any contribution whether or not it has been paid to him;
- (b) in the case of a student to whom a student loan is not made in respect of an academic year, the maximum student loan that would be made to the student if—
 - (i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and
 - (ii) no deduction in that loan was made by virtue of the application of a means test.

(5) These must be deducted from the amount of income taken into account under sub-paragraph (4)—

- (a) the sum of £303 per academic year in respect of travel costs; and
- (b) the sum of £390 per academic year towards the cost of books and equipment,

(c) These deductions may be subject to the student support rates up-rating for September of each financial year . This Scheme will be amended accordingly once the figures are published.

whether or not any such costs are incurred.

(2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.

(3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule 8 (disregards in the calculation of income other than earnings: persons who are not pensioners)—

- (a) any payments from access funds which are intended and used for an item of food, ordinary clothing or footwear, household fuel, or rent of a single applicant or, as the case may be, of the applicant or any other member of his family, and
- (b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable,

must be disregarded as income to the extent of £20 per week.

(4) Where a payment from access funds is made—

- (a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that payment is intended for the purpose of bridging the period until receipt of the student loan; or
- (b) before the first day of the course to a person in anticipation of that person becoming a student,

that payment must be disregarded as income.

Disregard of contribution

83. Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student's grant or student loan, the other partner's income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner's income.

Further disregard of student's income

84. Where any part of a student's income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student's income.

Income treated as capital

85.—(1) Any amount by way of a refund of tax deducted from a student's covenant income must be treated as capital.

(2) An amount paid from access funds as a single lump sum must be treated as capital.

Disregard of changes occurring during summer vacation

86. In calculating a student's income the authority must disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

- (b) the applicant, or the partner of the applicant, is in receipt of an extended reduction from—
 - (i) another billing authority in England; or
 - (ii) a billing authority in Wales,

the current authority must reduce any reduction to which the applicant is entitled under this scheme by the amount of that extended reduction.

PART 13

When entitlement begins and change of circumstances

Date on which entitlement begins

106.—(1) Subject to sub-paragraph (2), any person by whom or in respect of whom an application for a reduction under this scheme is made and who is otherwise entitled to that reduction is so entitled from the reduction week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to a reduction under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he is so entitled from that reduction week.

Date on which change of circumstances is to take effect

107.—(1) Except in cases where paragraph 60 (disregard of changes in tax, contributions, etc.) applies and subject to the following provisions of this paragraph and (in the case of applicants who are pensioners) paragraph 108 (change of circumstance where state pension credit in payment), a change of circumstances which affects entitlement to, or the amount of, a reduction under this scheme (“change of circumstances”), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act^(a) (discounts), it takes effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(a) Section 11A was inserted by section 75(1) of the Local Government Act 2003 (c.26).

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(10) Sub-paragraph (11) applies if—

(a) the applicant or his partner has attained the age of 65; and

(b) either—

(i) a non-dependant took up residence in the applicant's dwelling; or

(ii) there has been a change of circumstances in respect of a non-dependant so that the amount of the deduction which falls to be made under paragraph 30 increased.

(11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (10)(b) takes effect from the effective date.

(12) In sub-paragraph (11), but subject to sub-paragraph (13), "the effective date" means—

(a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependant has occurred since—

(i) the date on which the applicant's entitlement to a reduction under this scheme first began; or

(ii) the date which was the last effective date in respect of such a change,

whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;

(b) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.

(13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is to be the first day of the next reduction week to commence after the date determined under that sub-paragraph.

Change of circumstances where state pension credit in payment

108.—(1) Sub-paragraphs (2) and (3) apply where—

(a) the applicant is in receipt of state pension credit;

(b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and

(c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under this scheme.

(2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—

- (a) an increase in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or
- (b) a decrease in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—
 - (i) the local authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or
 - (ii) state pension credit is increased,
 whichever is the later.

(3) Where the change of circumstance (“the relevant change”) is that the applicant’s state pension credit has been reduced and in consequence the reduction the applicant receives under this scheme reduces—

- (a) in a case where the applicant’s state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect from the first day of the reduction week from which state pension credit was reduced; or
- (b) in any other case the relevant change takes effect from the first day of the reduction week next following the date on which—
 - (i) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit; or
 - (ii) state pension credit is reduced,
 whichever is the later.

(4) Where the change of circumstance is that state pension credit is reduced and in consequence of the change, the amount of a reduction he receives under this scheme is increased, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the reduced rate.

(5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or his partner and this would result in a decrease in the amount of reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—

- (a) the authority receives notification from the Secretary of State of the award of state pension credit; or
- (b) entitlement to state pension credit begins,

whichever is the later.

(6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—

- (a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and
- (b) a change of circumstances which is a relevant determination,

each of which results in a change in the amount of reduction the applicant receives under this scheme, the change of circumstances referred to in sub-paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).

(7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under this scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 93

(continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.

(9) In this paragraph—

“official error” means an error made by—

(a) the authority or a person—

(i) authorised to carry out any function of the authority relating to this scheme; or

(ii) providing services relating to this scheme directly or indirectly to the authority; or

(b) an officer of—

(i) the Department for Work and Pensions; or

(ii) the Commissioners of Inland Revenue, acting

as such,

but excludes any error caused wholly or partly by any person or body not specified in paragraph (a) or (b) of this definition and any error of law which is shown to have been an error only by virtue of a subsequent decision of the court;

“relevant calculation or estimate” means the calculation or estimate made by the Secretary of State of the applicant’s or, as the case may be, the applicant’s partner’s income and capital for the purposes of the award of state pension credit;

“relevant determination” means a change in the determination by the authority of the applicant’s income and capital using the relevant calculation or estimate, in accordance with paragraph 36(1).

(4) Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).

- (iii) the application to the authority is received at the designated office within one month of the date of the change,

(g) in any other case, the date on which the application is received at the designated office.

(2) For the purposes only of sub-paragraph (1)(c) a person who has been awarded an income based jobseeker's allowance or an income-related employment and support allowance is to be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under—

- (b) is not corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide on the application.

(4) The authority is to treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

(5) The conditions are that—

- (a) where paragraph 4(a) of Schedule 1 (incomplete form) applies, the authority receives at its designated office the properly completed application or the information requested to complete it or the evidence within one month of the request, or such longer period as the authority may consider reasonable; or

(6) Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under this scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority is to treat the application as having been made on the day on which the liability for the tax arises.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under this scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under this scheme for a period beginning not later than—

- (a) in the case of an application made by—
 - (i) a pensioner, or
 - (ii) a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit,the seventeenth reduction week following the date on which the application is made, or
- (b) in the case of an application made by a person who is not a pensioner, the thirteenth reduction week following the date on which the application is made,

the authority may treat the application as made on a date in the reduction week immediately preceding the first reduction week of that period of entitlement and award a reduction accordingly.

(8) In this paragraph “appropriate DWP office” means an office of the Department for Work and Pensions dealing with state pension credit or an office which is normally open to the public for the receipt of claims for income support, a jobseeker’s allowance or an employment and support allowance.

Back-dating of applications: pensioners

111.—(1) Subject to sub-paragraph (2), the time for the making of an application under this scheme by a pensioner is as regards any day on which, apart from satisfying the condition of making an application, the applicant is entitled to such a reduction, that day and the period of three months immediately following it.

(2) In any case where paragraph 110(1)(a) applies, sub-paragraph (1) does not entitle a person to apply for a reduction under this scheme in respect of any day earlier than three months before the

date on which the claim for state pension credit is made (or treated as made by virtue of any provision of the Social Security (Claims and Payments) Regulations 1987).

Back-dating of applications: persons who are not pensioners

112.—(1) subject to sub-paragraph (2), the time for the making of an application under this scheme by a person who is not a pensioner is as regards any day on which, apart from satisfying the condition of making an application, the applicant is entitled to such a reduction, that day and the period of three months immediately following it. An applicant who is a person who is not a pensioner, will no longer need to demonstrate that they had continuous good cause for the failure to make a claim during the period of backdating.

(2). In any case where paragraph 110 (1)(c) applies, sub-paragraph (1) does not entitle a person to apply for a reduction under this scheme in respect of any day earlier than three months before the date on which the claim for income support, an income based jobseekers allowance or universal credit is made (or treated as made by virtue of any provision of the Social Security (Claims and Payments) Regulations 1987).

Information and evidence

113.—(1) Subject to sub-paragraph (3), a person who makes an application for a reduction under this scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

(a) the application is accompanied by—

(3) Sub-paragraph (2) does not apply—

determine that person's entitlement to, or continuing entitlement to a reduction under this scheme and must do so within one month of the authority requiring him to do so or such longer period as the authority may consider reasonable.

(5) Nothing in this paragraph requires a person to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

(6) Where a request is made under sub-paragraph (4), the authority must—

- (a) inform the applicant or the person to whom a reduction under this scheme has been awarded of his duty under paragraph 115 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and
- (b) without prejudice to the extent of the duty owed under paragraph 115, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which is to be notified.

(8) Where an applicant or a person to whom a reduction under this scheme has been awarded or any partner has attained the qualifying age for state pension credit and is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, he must where the authority so requires furnish the following information—

114.—(1) A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the designated office.

(2) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the amendment may also be made by telephone.

(3) Any application amended in accordance with sub-paragraph (1) or (2) is to be treated as if it had been amended in the first instance.

(4) A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.

(5) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the withdrawal may also be made by telephone.

(6) Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) has effect when it is received.

(a) For provisions requiring a pension fund holder to provide information to the billing authority see regulations under section 14A of the Local Government Finance Act 1992.

(7) Where a person, by telephone, amends or withdraws an application the person must (if required to do so by the authority) confirm the amendment or withdrawal by a notice in writing delivered or sent to the designated office.

Duty to notify changes of circumstances

115.—(1) Subject to sub-paragraphs (3) and (9), the applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time—

- (a) between the making of an application and a decision being made on it, or
- (b) after the decision is made (where the decision is that the applicant is entitled to a reduction under this scheme) including at any time while the applicant is in receipt of such a reduction.

(2) The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under this scheme (a “relevant change of circumstances”) by giving notice to the authority—

- (a) in writing; or
- (b) by telephone—
 - (i) where the authority has published a telephone number for that purpose or for the purposes of Part 1 of Schedule 1 unless the authority determines that in any particular case or class of case notification may not be given by telephone; or
 - (ii) in any case or class of case where the authority determines that notice may be given by telephone; or

(c) by any other means which the authority agrees to accept in any particular case, within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.

(3) The duty imposed on a person by sub-paragraph (1) does not extend to notifying—

- (a) changes in the amount of council tax payable to the authority;
- (b) changes in the age of the applicant or that of any member of his family;
- (c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under this scheme to which he is entitled, other than the cessation of that entitlement to the benefit.

(4) For the purposes of sub-paragraph (3)(c) “relevant benefit” means income support, an income-based jobseeker’s allowance or an income-related employment and support allowance or universal credit.

(5) Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.

(6) The duty imposed on a person by sub-paragraph (1) includes in the case of a person falling within class C (pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of state pension credit, the date when this occurs.

(7) A person who has been awarded a reduction under this scheme who is also on state pension credit must report—

- (a) changes affecting the residence or income of any non-dependant normally residing with the applicant or with whom the applicant normally resides;
- (b) any absence from the dwelling which exceeds or is likely to exceed 13 weeks.

(8) In addition to the changes required to be reported under sub-paragraph (7), a person whose state pension credit comprises only the savings credit must also report—

- (a) changes affecting a child living with him which may result in a change in the amount of reduction under this scheme allowed in his case, but not changes in the age of the child;

- (c) any change in the income or capital of—
 - (i) a non-dependant whose income and capital are treated as belonging to the applicant in accordance with paragraph 34 (circumstances in which income of a non-dependant is to be treated as applicant's); or
 - (ii) a person to whom paragraph 36(2)(e) (partner treated as member of the household under paragraph 8) refers,

and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

(9) A person who is entitled to a reduction under this scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (7) and (8).

(5) A person affected to whom the authority sends or delivers a notification of decision may, within one month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

(6) The written statement referred to in sub-paragraph (5) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

(7) For the purposes of this paragraph a person is to be treated as a person affected by a decision of the authority under this scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph (8).

Report to Council

Subject: Independent Remuneration Panel
Date: 22 January 2014
Author: Stephen Bray – Corporate Director

1. Purpose of the Report

To inform Council of the latest report from the Council's Independent Remuneration Panel and invite Council to consider the recommendations made by the Panel in that report.

2. Background

The Council's Independent Remuneration Panel met in December 2013 to carry out its annual review of members' allowances.

Following that meeting, the Panel prepared a report to members with regard to the level of members' allowances to be payable for 2014/15.

3. Proposal

The Panel's report, including associated recommendations, is attached at **Appendix 1**.

Should Council be minded to accept the Panel's recommendations, then the level of allowances to be paid to members for 2014/15 will be as set out at **Appendix 2**.

4. Resource Implications

Should Council accept the Panel's recommendations, then costs can be accommodated from within existing agreed resources.

5. Recommendation

Council is **recommended**: -

- To consider the report of the Independent Remuneration Panel and whether to accept the recommendations contained in the report
- Consequent on those recommendations, to agree the schedule of members' allowances for 2014/15 as attached at **Appendix 2**.
- To agree that the Council Solicitor and Monitoring Officer be authorised to make appropriate amendments to Part 6 of the Constitution to reflect any changes to members' allowances agreed.

6. Appendices

Appendix 1

REPORT OF THE GEDLING INDEPENDENT REMUNERATION PANEL

2 DECEMBER 2013

1. Introduction

- 1.1 The Remuneration Panel is comprised of four Independent Members appointed from residents and/or stakeholders of the Borough.
- 1.2 The Panel normally meets annually during the budget setting process to consider members' remuneration for the year ahead (although it can meet more frequently as required). This meeting was its regular annual meeting.
- 1.3 All four members of the Panel were present at the meeting.
- 1.4 The Panel was made aware of the Council's response to its recommendations made in December 2012, and was reminded of the Council's 2012 resolution that "a strategic review of the Member Allowances Scheme should take place after the Local Government Boundary Review was completed, which should consider the change in total number of members and the change in roles and functions of members, as well as other factors considered by the Independent Remuneration Panel."
- 1.5 The Panel was updated on progress with the Local Government Boundary Commission for England's independent review of warding arrangements for the Borough, noting that the Commission had proposed a 41 member council to take effect from elections in May 2015, and that this proposal was expected to be confirmed in the New Year.

2. The Process

- 2.1 All members of the Council were contacted for their views and comments on the allowances paid.
- 2.2 Three submissions were received from members all of which were considered by the Panel.
- 2.3 Officers also drew Panel members' attention to a potential issue with regard to Special Responsibility Allowances (SRAs), specifically that committee arrangements introduced incrementally over the past two years had led to arguable inconsistencies between SRAs paid to committee chairs.
- 2.4 On this matter, the Panel was informed that chairs of Planning Committee, Environment and Licensing Committee, Overview and Scrutiny Committee and Audit Committee are each paid an SRA of £3,322.92 pa. While all of these committees are calendared in the Council diary, the frequency of

meeting and associated workload varies considerably. The Joint Consultative and Safety Committee is now diarised to meet quarterly but at present chairmanship of the committee does not attract payment of an SRA.

- 2.5 The Panel was also informed of changes to arrangements for the Standards Committee. Chairmanship of that committee had previously been fulfilled by an independent member of the public but changes to the standards regime introduced nationally now mean it is chaired by an elected member. The committee meets quarterly and is diarised, and chairmanship continues to attract an SRA, albeit smaller at £1,233 p.a.
- 2.6 The Panel was invited to consider whether these arrangements are equitable and whether any changes to SRA payments should be made to reflect changed circumstances and arrangements.

3. Proposals

- 3.1 The Panel noted that the Council continues to operate in an environment of severe financial constraint. It noted that, consistent with its recommendation that any increase in allowances paid to members should be in line with any pay award for senior management, no increase in allowances had been paid to members in the current year.
- 3.2 With regard to the Basic Allowance, while recognising that members allowances had not been increased for a number of years, the Panel reiterated its observations made at its meetings held in February, June and November 2011, and in December 2012, these being that: -
 - 3.2.1 The Panel acknowledged that basic allowances paid to members are at the lower end of the allowances paid to District Council Members within the County.
 - 3.2.2 The Panel did not consider that an adjustment to the Basic Allowance should be made at this time.
 - 3.2.3 The Basic Allowance should, however, keep pace with local government wage inflation and the Panel, therefore, recommended that allowances be increased in line with any staff pay award.
 - 3.2.4 Should a differential pay award be negotiated, the Basic Allowance should be treated in line with Senior Management pay awards, if any, to reflect the role of an elected member
- 3.3 The Panel also expressed the view that the principles set out in 3.2.1 to 3.2.4 above should also apply to all Special Responsibility Allowances.
- 3.4 On the issue of SRAs generally, the Panel reiterated its view that SRAs should continue to be calculated on a proportional basis i.e. that there are clearly identifiable ratios between the payments made to the Leader of the Council; Deputy Leader of the Council; Cabinet members; Committee Chairs etc reflective of the level of responsibility each post attracts. It

urged the Council to retain such principles when carrying out its strategic review of members' allowances.

- 3.5 On the issues raised with regard to current SRAs paid to the chairs of various committee (see 2.3 – 2.6 above), the Panel agreed that there is currently an anomaly. There was however a difference of view between Panel members over whether this should be addressed now or whether the matter should be considered as part of the forthcoming strategic review. As a result, no firm recommendation was made on the matter.
- 3.6 The Panel did however propose that the Council should look into how committee chairmanships are treated in terms of remuneration by other authorities and what is expected of members fulfilling these roles. Such roles might be set out in the form of role description type documents. The Panel felt that this might usefully be considered for other member roles, especially those attracting SRAs.
- 3.7 With regard to specific SRAs the Panel confirmed its previously expressed view that the Leader of the Council's SRA should reflect the responsibilities of the post and that this allowance should not become out of step with comparable authorities. It further noted that the SRA paid to the Leader of Gedling Borough Council remained low compared to other comparable authorities in Nottinghamshire and had fallen behind what it might expect to see in normal circumstances. It also confirmed its previously expressed position with regard to the remuneration for the role of Deputy Leader.
- 3.8 The Panel noted that the Council had agreed that these issues should be factored into the strategic review of allowances by the Council at the conclusion of the Local Government Boundary Commission for England's review.
- 3.9 With regard to the strategic review of allowances, the Panel acknowledged that it would have a role in considering proposals for future remuneration of members put forward. It did feel that, to retain its independent role, it would not be appropriate for the Panel to be involved in the detailed development of such proposals, but urged the Council to bear in mind principles outlined above when carrying out the review.

RECOMMENDATIONS

Recommendation 1

That the Basic Allowance, Special Responsibility Allowances and Co-optees Allowances should remain as agreed in February 2011, but should be increased by any percentage pay award awarded to staff in the current year should such an award be made (in the case of any differential award, allowances should be adjusted in line with any Senior Management award as outlined in 3.2.4 above).

Recommendation 2

That, when carrying out its proposed Strategic Review of Members Allowances, the Council considers setting out role description or similar type documents to set out clearly the roles expected of members in various roles, in turn using these to inform decisions on appropriate levels of remuneration.

Report to Cabinet

Subject: Addition to the Capital Programme for Works to Gedling Country Park

Date: 19 December 2013

Author: Service Manager, Parks and Street Care

Wards Affected

Borough-wide

Purpose

- 1 To endorse and refer onto council for approval, an addition to the capital programme for the Stage 1 works to Gedling Country Park.

Key Decision

- 2 This is a key decision.

Background

- 3 The Creation of a Country Park on the former Gedling Colliery site has long been an ambition of the Council, and on 12 September 2013, following the signing of a lease, its creation, via a program of staged works, was approved by Cabinet.

The 2013/14 Capital Programme for the Country Park currently provides for the initial site acquisition costs and due diligence works estimated at £250,000 of which £216,300 is committed.

The next Stages in the creation of the Country Park are outlined below:

Stage 1 consists of remediation work on the site's drainage system, and works to ensure the site is safe for access by members of the public. It will additionally include path construction and fence erection. These works are expected to be completed by March – June 2014.

Stage 2 will involve the construction of new access road off Spring Lane onto the site and a car parking facility. This work is programmed to be undertaken between April and June 2014.

Stage 3 will involve the provision of a large children's play area next to the Spring Lane Car Park to be installed in autumn/winter 2014.

Addition to the Capital Programme of Works to the Country Park

- 4 Following Portfolio Holder approval tenders were invited from companies on the
-

approved select tender list for the Stage 1 works and the selected bid (which is yet to be approved) is in the amount of £933,799.27. It is intended that Stage 1 works will be completed under a joint contract with Gedling Homes who are making £630,000 of Public Realms monies available for the scheme which they will spend directly.

As the current Gedling Capital Programme does not fully provide for the remainder of Stage 1 works, this report seeks approval for an addition to the Capital Programme..

Alternative Options

- 5 The Council could choose not to progress implementation of the Country Park. However, given that it is a local priority and that the Council has invested a significant amount of time and money in securing the land, that option is not recommended.

Financial Implications

- 6 The financial implications of the proposal are summarised in the tables below:

<u>Current Budget Position</u>	£
Current Approved Capital Programme Gedling Country Park 2013/14 (financed by Growth Point Grant)	250,000
Less Expenditure Committed to Initial Project Phase (Site/Surveys)	(216,300)
Approved Budget Remaining for Phase 1 Works	33,700

<u>Proposed Addition to Gedling Country Park Capital Budget</u>	£
Estimated Phase 1 Works Per Tender	933,800
Less Gedling Homes Public Realms Works	(630,000)
Gedling Borough Council Budget Requirement Phase 1	303,800
Less Current Approved Budget Remaining (see table above)	(33,700)
<u>Additional Capital Budget Approval Required for Phase 1</u>	270,100
<u>To be financed by:</u>	
S106 Contribution Mapperley Plains	39,400
S106 Contribution Spring Lane (note total contribution of £249,700: £230,700 Phase 1 Works; £19,000 available for Phase 2 which will be subject of future report when other funding is secured)	230,700
<u>Total Financing</u>	270,100

Future Funding/Expenditure

The delivery of Stages 2 and 3 will be subject to additional resources being identified and to a future report identifying what is to be developed and requesting approval of budget. It is expected that there will be further Section106 money available from Spring Lane developments over the next few years to fund future maintenance costs on the site.

It is also the intention to establish a new 'Friends of Gedling Country Park' community group' to identify new funding streams such as environmental grants and other sources of funding to help deliver further future developments on the site

Appendices

- 7 Appendix 1 Gedling Country Park site master plan.

Recommendation

- 8 **THAT:**

Cabinet endorse and refer onto council for approval an addition to the capital programme for the works to Gedling Country Park as described, for the Stage 1 work, for the amount of £270,100 financed by S106 Contributions.

Reasons for Recommendations

- 9 To bring into public use a large and attractive area of open space for residents of the Borough to enjoy. One that provides excellent environmental and renewable energy Key Stage educational activities accessible to all local schools, and green space recreational facilities that afford the opportunity for physical activity to improve health and wellbeing in a Country Park setting that will become a popular 'destination green space' for the whole borough.

26 SCRUTINY WORK PROGRAMME REPORT

1. Rolling Programme of holding Portfolio Holder to Account.

The Chair welcomed Councillor Peter Barnes, Portfolio Holder for Environment, who, along with Corporate Directors Dave Wakelin and Stephen Bray, responded to questions on the following areas of his Portfolio:

Waste strategy, energy management and sustainability

Questions from Members and responses received:

a) Please provide a definition and examples of 'Sustainability' in respect of Councillor Barnes' portfolio.

Councillor Barnes circulated the Council's Sustainability Action Plan, which set out the key priorities and actions for which he is responsible, and highlighted the following initiatives and outcomes:

- **Installation of solar panels on the Civic Centre, Jubilee House and the Richard Herrod Leisure Centre:** Installation costs had been significantly lower than had been anticipated in the capital programme. A total of 58, 000 kg of Co2 and cash savings of 27,750 had been achieved so far.

Members requested that the breakdown of achievements be circulated to Scrutiny Members and promoted on the screens at the Civic Centre and Richard Herrod LC.

Members also requested that the Council work with Gedling Homes to install solar panels to rented properties as other Councils had done. Stephen Bray, Corporate Director reported that consideration is being given as to the best approach to this. He confirmed that work has been carried out in Killisick as part of an initiative to tackle fuel poverty, whereby Gedling Homes and Guinness Trust properties in the area had all benefitted from the installation of modern, eco efficient boilers. Additional improvements are planned using the Eco funding strand of the Green Deal to address 'hard to treat' houses with no cavity walls by applying an exterior skin.

The Corporate Director further reported that a similar scheme will be offered to neighbouring owner/occupiers in the area through the Energy Partnership, with residents paying a small proportion of the costs. The process is currently at the tendering stage.

Members requested that the two schemes be carried out simultaneously in order to reduce costs. This was confirmed.

- **Procurement of Electric Car, Eco – Driving training for staff and the purchase of a larger fuel tank at Jubilee House:** This initiative had resulted in savings of around £50, 000 and a marked reduction in ongoing fuel bills had been noted.

Members asked that consideration be given to the installation of a noise generator to the electric vehicle to improve public safety.

- **APSE Awards 2013:** The Council's Street Cleansing Team had come first in their category and 2nd in two other categories.

The Portfolio Holder and Scrutiny Members congratulated and thanked the team for their achievements.

- **Travel planning:** A partnership officer based at the Civic Centre will deploy funding to improve sustainable travel.
- **Boiler Scheme:** Individual households in the Borough that had met a need - based set of criteria had benefitted from new eco efficient heating systems.

b) Given the recent news that 'millions of tons' of food items are being dumped, both by the retail trade and the public in general, what plans have GBC made to educate, facilitate, and hopefully help eliminate this wasteful attitude?

The Portfolio Holder and Service Manager for Waste informed Members of the 'Love Food, Hate Waste Campaign' and shared a range of promotional items aimed at raising awareness of recycling methods and educating the public on eco -friendly shopping and cooking. These had been made possible due to a successful 20k funding bid to Veola, and were being used widely at Community events and festivals and in the Council's media.

The Council is working with local supermarket chains to address industrial food waste and to maximise influence with the retail trade and the public. Issues to address included 'buy one get one free' offers, promoting contributions to the Food Bank and the general distribution of food waste.

Members requested that the potential of anaerobic digestion and other methods of organic food recycling, including Social Enterprise involvement, remain under consideration.

c) Should our development on future Housing be strongly advocating for example Solar Panels & Rain water/Grey water to be filtered and reused?

The Portfolio Holder informed Members that this question relates to the Leisure and Development Portfolio and proposed that the question be referred to Councillor Pulk for a response.

As an interim response, Peter Baguley, Service Manager, Planning and Environment, confirmed that the Building Control Regulations are still catching up with the Sustainability agenda. He explained that any condition placed upon planning permission would require evidence in order to justify and minimise the cost to the developer.

2. Q2 2013/14 performance.

Stephen Bray, Corporate Director, gave an overview of Q2 performance and responded to questions from Members.

3. 2013/14 Scrutiny work programme.

Members reviewed the draft project scopes of the 'Homelessness and Hardship' and 'Reducing Unemployment in the Borough' in depth Scrutiny reviews.

A number of minor amendments were proposed and noted for inclusion in the final scopes.

RESOLVED:

- i. To thank the Portfolio Holder for Environment, Corporate Directors and Officers for their attendance.
- ii. To note the Q2 performance report
- iii. Subject to the agreed amendments, to approve the 'Homelessness and Hardship' and 'Reducing Unemployment in the Borough' project scopes.

27 LOCAL PLANNING DOCUMENT - ISSUES AND OPTIONS

The Chair invited Members to comment on the Local Planning Document – Issues and Options, which had been referred to Overview and Scrutiny Committee as part of the formal consultation process. Members were advised that the consultation closes on 16th December.

Members made the following points to the Service Manager, Planning and Environment and Planning Policy Manager Alison Gibson:

That the online process for commenting on the document was not user friendly – specifically:

- Maps are in a separate file to the document
- There is a requirement to go through sections sequentially before being able to comment on the section of specific interest to the individual.

The Service Manager, Planning and environment confirmed that similar feedback had been received from other consultees and explained that whilst the Council is restricted to a considerable extent by the statutory regulations for planning consultations, nevertheless the department is in the process of changing its I.T. systems, which will provide the opportunity to improve accessibility.

Members requested clarification on a number of areas in the document and the Service Manager and Planning Policy Officer responded accordingly.

Members expressed the need for greater ongoing Councillor involvement in the development of Planning Policy.

RESOLVED:

To recommend to Cabinet that:

- i. the online process of consultation on key Planning Policy Documents is made more accessible
- ii. a cross - party working group with experience of dealing with planning matters is established to consider ongoing items of planning policy that are likely to be of significant impact in the Borough.

28 REPORT AND RECOMMENDATIONS OF THE LOCALISM, PLANNING AND HOUSING SCRUTINY COMMITTEE

The Chair reminded Members that the final report of the Localism, Planning and Housing Scrutiny Review had been circulated to all Scrutiny Members and members of the working group for comments and the recommendations referred for consideration by Cabinet on 12th September.

A response had been requested from the Portfolio Holder, Leisure and Development, which would be tabled at the next committee in March 2014.

RESOLVED:

To note the final report and recommendations of the Localism, Planning and Housing Scrutiny Review.

75 ANY OTHER ITEMS THE CHAIR CONSIDERS URGENT.

The Leader invited Paula Darlington, Corporate Director, to update Cabinet on the latest position regarding the Planning Inspectorate's examination of the Council's Aligned Core Strategy (ACS) – the Council's response to which was required to be made before the Christmas break.

It was explained that while the overall number of dwellings proposed to be built throughout the Borough was considered to be suitable, the inspector suggested that the distribution of proposed housing between urban and rural areas needed to be considered further in an attempt to ensure that a greater number of homes were built in the urban area in order to mitigate the impact on Hucknall and on certain villages within Gedling.

The Inspector asked the Council to

- a) Consider the balance of houses proposed around the urban area and proposed in the rural area.
- b) Look at impact of proposed houses around Hucknall.
- c) Consider, given that the Colliery/Gedling Access Road and Teal Close proposals have moved on since the submission of the original ACS, whether it is possible to review numbers around Hucknall and at Calverton and Ravenshead.

Cabinet was advised of the proposed response to the Inspector which included the following revised set of figures for the construction of new homes in the Borough.

Officers had undertaken extensive investigation of the potential options available in response to the issues highlighted by the inspector, the following comments would be submitted to the Inspector on Monday in line with the following distribution of housing:

Original Number of new Houses proposed in the ACS	Site	Proposed Number of new houses for consideration.
Up to 1000	Top Wighay	1000
600	N. Papplewick Lane	300
500	Bestwood	200
Up to 1300	Calverton	753
330	Ravenshead	227

This re-distribution has been possible due to a proposed allocation at Teal Close of an additional 430 homes.

In addition, and more importantly, recent significant progress in securing funding for the Gedling Access Road has enabled 600 homes to be provisionally allocated to the former Colliery site.

The additional 1030 new houses proposed at Teal Close and the Colliery have enabled the Council to consider proposing a reduction in the rural areas in effect reducing numbers around Hucknall by 600; Calverton by 547 and Ravenshead by 103.

RESOLVED to:

- 1) Note the verbal update given by the Corporate Director regarding the approach to the re-distribution of housing numbers in the Core Strategy and support the proposals to be put forward for consideration by the Inspector; and
- 2) Request that the Corporate Director informs all Members of the response to the Inspector.
