Education

Source – Nottinghamshire County Council

In 2012 Newstead ward had the lowest percentage of school children achieving 5 or more A star to C graded GCSE's in the borough. The average level for the borough was 60.9%.

Killisick has the highest percentage of residents aged 16 and over with no qualifications, and the lowest percentage of residents with Level 4 qualifications and Apprenticeships within the Borough (the Census was taken prior to the introduction of the Gedling Borough Council's Apprentice scheme initiatives with Central Nottingham College during 2012).

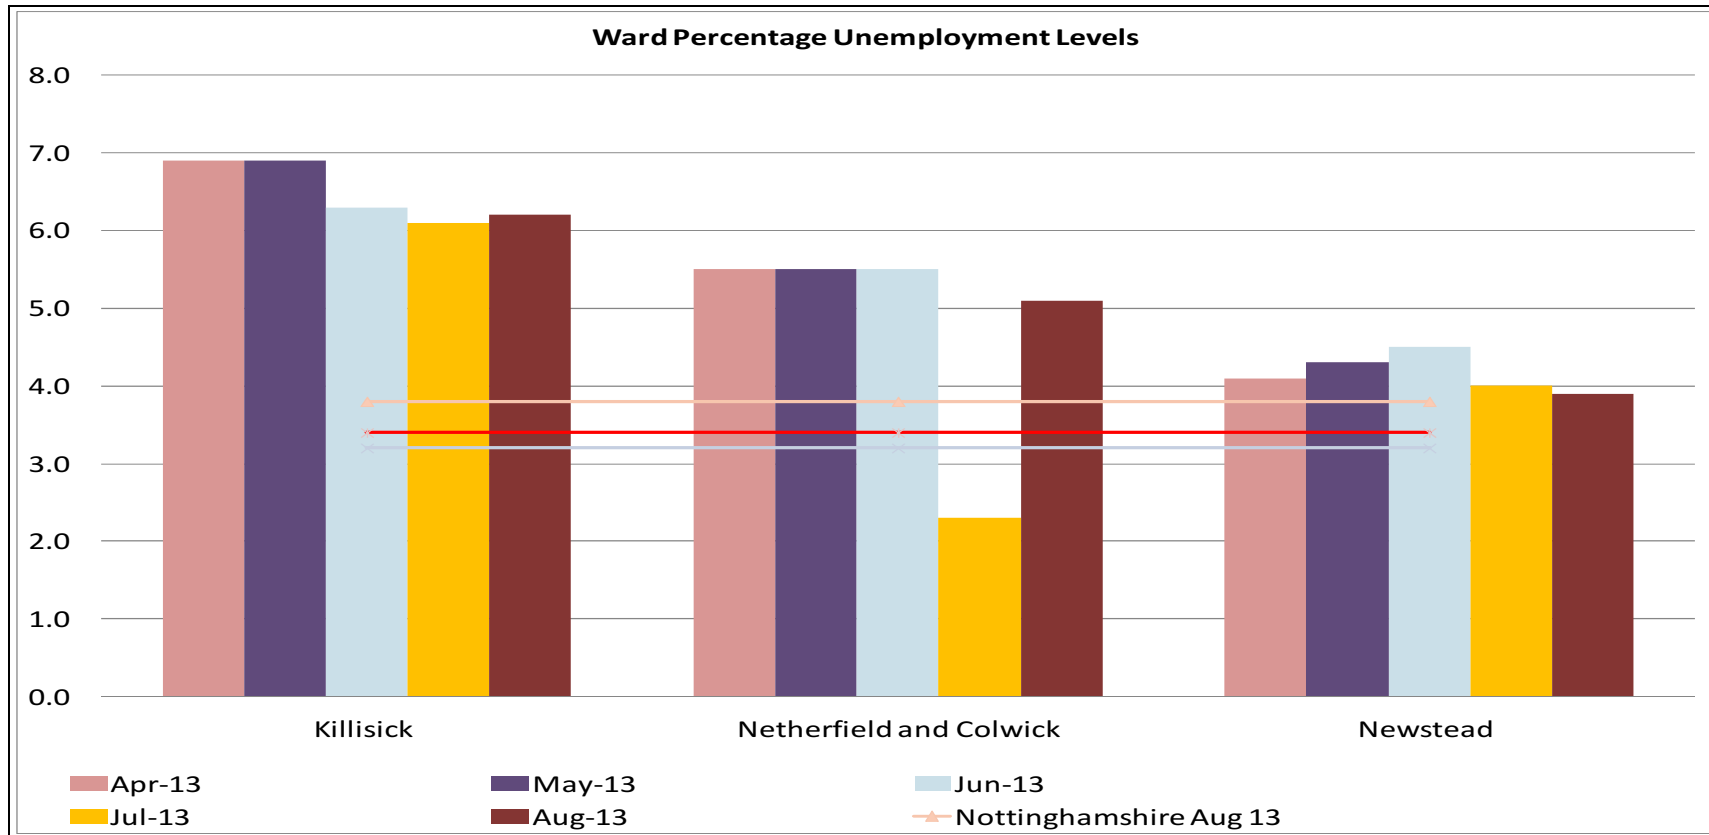

The Borough average of qualifications for residents aged 16 and over are

	None	Level 1	Level 2	Apprenticeship	Level 3	Level 4	Other
2011	19.3%	11.2%	13.0%	3.7%	10.6%	20.8%	3.4%

Unemployment

Overall Unemployment Levels

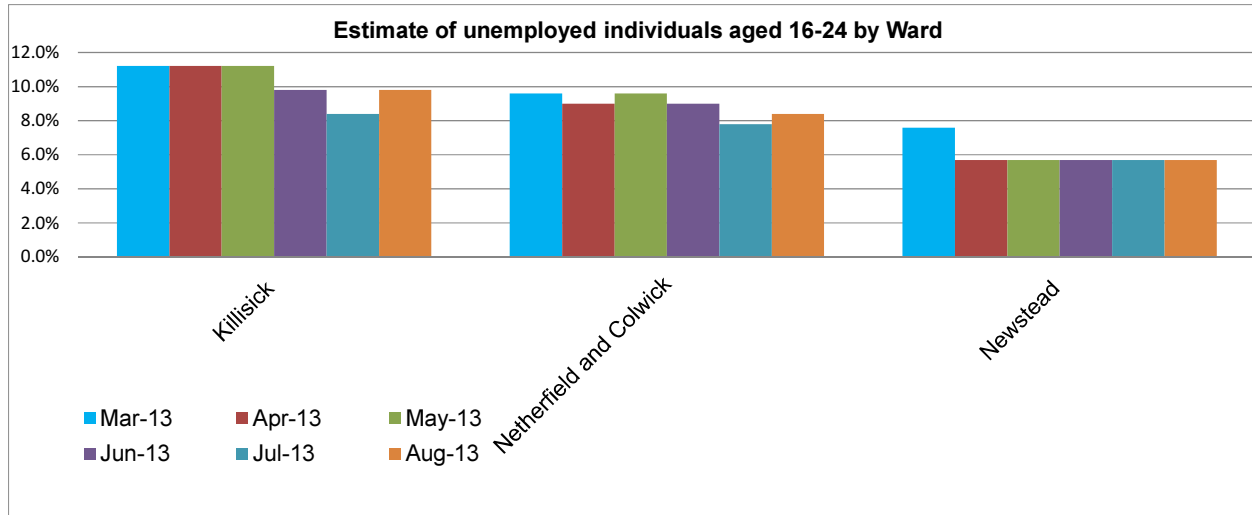

As at August 2013 Killisick has the highest proportion of individuals claiming Job Seekers' Allowance. All three are higher than the Nottinghamshire, East Midlands and UK levels. There was a significant increase in the proportion in Netherfield and Colwick from 2.3% in July to 5.1% in August 2013.

Source Nottinghamshire County Council

Youth Unemployment

Killisick has a significantly higher proportion of unemployed youngsters with 8.4% of its population in this age group claiming Job Seekers' Allowance in August 2013. The national level for this age group is 6.10%, only Newstead has levels lower than this at 5.7%.

Not in Employment, Education or Training (NEET)

In April, May and June 2013 Netherfield and Colwick (5.5% in June) and had one of the highest levels of NEETs in the Borough- significantly higher than the County level of 3.9%.

Killisick also had the highest level within the Borough over this period (standing at 9.1% in June) In July and August Killisick had the highest level of 16-18 year olds in this group. at 10.3% and 8.2% compared to a Nottinghamshire County average of 3.5% and 3.7% over the same period.

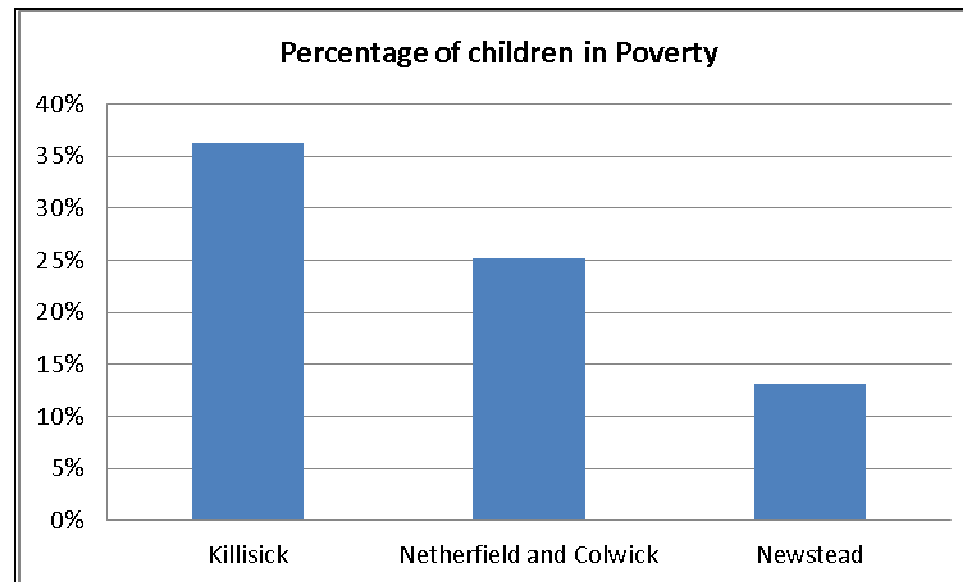

The figures are provided by Nottinghamshire County Council and they have flagged up a warning against the figure, there is a concern that within the Not Known category there will be a proportion of NEET young people. County are trying to address this within the resources at their disposal.

Deprivation and Poverty

Child Poverty

The Campaign to End Child Poverty published figures during early 2013 that provide a child poverty map¹ of the whole of the UK. Nottingham North is ranked 18th place in the parliamentary constituencies for high child poverty rates in the UK where 37% of children were classed in poverty in 2012.

Within Gedling Borough, Killisick has the second highest level of child poverty at 36% within Nottinghamshire, only Ravensdale ward in Mansfield has a higher level of poverty.

Fuel poverty

Under the new definition, a household is said to be in fuel poverty if:

- they have required fuel costs that are above average (the national median level)
- were they to spend that amount they would be left with a residual income below the official poverty line

Newstead with 16.6% has the seventh highest level of fuel poverty within the borough
