Hi Gary,

I have had confirmation from my client that due to various issues, production is now due to start tomorrow and did not recommence on the 11th January as expected.

Therefore, could I ask that our application is amended to reflect a further 4 days shutdown. Do I need to resubmit, or will this email suffice?

Kind Regards

Reece

Reece,

Thank you for arranging for Nathan to inspect the above yesterday.

He has said that the area ringed yellow is currently occupied with customer orders as shown in the attached image. Can you resubmit the plan to exclude that area in the hashed marking please?

Once received, I will submit my report to the Portfolio Holder for a decision.

Thanks
