Hi Colleen,

I have received an application for relief from business rates from the above.

In order to consider the application, please answer the following questions:

- 1) What are their sources of income? – [Donations and legacies](#)
- 2) What do they spend their money on? For example, staff, rent etc – [67% expenditure of salaries, balance of office rental and general office expenses](#)
- 3) What is the value of their current assets? [£250,119](#)
- 4) What is the value of current debts and liabilities? [£11,841](#)
- 5) How much money do they have? [£248,953 cash in bank](#)
- 6) Please provide a Dunn & Bradstreet report (even if it is blank)

Please provide no opinion on whether or not relief should be granted.

Thanks

Gary
