Notes

- * Due to the uncertainties around COVID-19, the start time for all meetings is not fixed. It is intended that, at least initially, meetings will start earlier in the day so that the technology can be used correctly. The confirmed start time for each meeting will be communicated as soon as it is known.

- # Due to uncertain future requirements of social distancing as a result of COVID-19, at the time of writing it is not known whether each meeting will be taking place in council buildings or virtually. This will be communicated in advance of the meeting when known.

Please note that this schedule is subject to change, in consultation with the relevant Committee Chair.
