

# **Report to Cabinet**

**Subject:** Community Infrastructure Levy (CIL) Non- Parish Funding – Local

Infrastructure Schedule, Project Assessments and Proposed

**Funding Allocations** 

**Date:** 20 May 2021

Author: CIL Officer

### **Wards Affected**

Calverton (part), Carlton, Carlton Hill, Cavendish, Colwick (part), Coppice, Daybrook, Ernehale, Gedling, Netherfield, Phoenix, Plains, Porchester, Redhill, Trent Valley (part) and Woodthorpe

## **Purpose**

To seek approval for the commencement of a four week public consultation on the projects shortlisted to receive CIL Neighbourhood Funding in the 'CIL Non-Parish Funding - Local Infrastructure Schedule, Project Assessments and Proposed Funding Allocations document.

#### **Key Decision**

This is a Key Decision as it is likely to be significant in terms of its effect on the communities living or working in an area comprising of two or more wards in the Borough.

### Recommendation(s

#### THAT:

Cabinet approves the commencement of consultation on Monday 7<sup>th</sup> June 2021 for a period of 4 weeks on the shortlisted projects identified to receive CIL Non-Parish Funding.

#### **Reasons for Recommendations**

a) To ensure that the neighbourhood portion of CIL collected receipts are expended in accordance with the CIL Regulations 2010 (as amended) and statutory guidance.

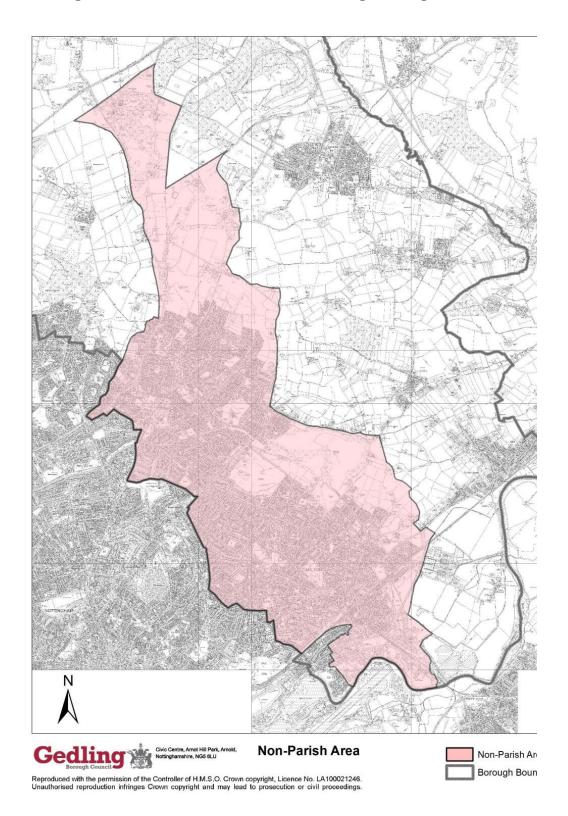

## 1 Background

- 1.1. The Planning Act 2008 introduced the Community Infrastructure Levy ("CIL") as a tool for local authorities in England and Wales to help deliver infrastructure to support the development of their area. CIL came into force on 6<sup>th</sup> April 2010 through the Community Infrastructure Levy Regulations 2010.
- 1.2. Following an independent examination in March 2015 and approval at full Council on 15<sup>th</sup> July that year, the Gedling Borough Council Community Infrastructure Levy Charging Schedule came into effect on 16<sup>th</sup> October 2015. Gedling Borough Council is the charging authority for the borough of Gedling.
- 1.3. Regulation 59A of the Community Infrastructure Levy Regulations 2010 (as amended) ("the 2010 Regulations") places a duty on charging authorities to allocate at least 15% (up to a cap of £100 per existing council tax dwelling) of CIL receipts to spend on priorities that should be agreed with the local community in areas where development is taking place. This is known as the 'neighbourhood portion'.
- 1.4. Where the chargeable development takes place in an area where there is no parish council, the charging authority retains the levy receipts but must spend the neighbourhood portion on, or to support, infrastructure in the area where the chargeable development takes places. This should be done in consultation with the local neighbourhood.
- 1.5. The extent of the parishes however does not cover the majority of the urban area of Gedling Borough (with the exception of Colwick). This creates a gap in the coverage for the neighbourhood portion in the Borough where there are no parishes or town councils to oversee its expenditure.
- 1.6. The non-parish areas of Gedling Borough as shown in Figure 1 cover the following Wards:
  - Calverton (part)
  - Carlton Hill
  - Colwick (part)
  - Daybrook
  - Gedling

- Carlton
- Cavendish
- Coppice
- Ernehale
- Netherfield

- Phoenix
- Porchester
- Trent Valley (part)
- Plains
- Redhill
- Woodthorpe

- 1.7. Regulation 59F of the 2010 Regulations states that where no parish or town council exists the charging authority may use the neighbourhood portion of CIL, or cause it to be used, to support the development of the relevant area by funding:
  - a) The provision, improvement, replacement, operation or maintenance of infrastructure; or
  - b) Anything else that is concerned with addressing the demands that development places on an area.
- 1.8. The 'relevant area' is defined by Regulation 59F (1)(4) as that part of the charging authorities area that is not within the area of a parish or town council.
- 1.9. The Community Infrastructure Levy Guidance ("the Guidance") published on 12<sup>th</sup> June 2014 makes it clear that the charging authority should engage with the local communities where the development has taken place and agree with them how best to spend the neighbourhood funding. The Guidance also emphasises the importance of the neighbourhood portion being used to deliver the infrastructure needs of the area in which the chargeable development has taken place.
- 1.10. The Guidance states that "charging authorities should set out clearly and transparently their approach to engaging with neighbourhoods".
- 1.11. The Council's 'CIL and Neighbourhood Portion in Non-Parish Areas:
  Guidance Note' dated March 2017 details how the Council will:-
  - 1. Identify and assess suitable local infrastructure projects.
  - 2. Consult with the local community over how the neighbourhood portion of CIL receipts will be spent in non-parish areas.
  - 3. Decide which infrastructure projects will benefit from funding from the neighbourhood portion of CIL receipts in non-parish areas.
- 1.12. The Guidance Note creates a process that invites the local community, groups and organisations to identify and have their say on appropriate projects for expenditure of the neighbourhood portion of CIL receipts. Groups, organisations and individuals can nominate

- potential infrastructure projects throughout the year using our online form; the nomination process is now open.
- 1.13. The guidance note also outlines the approach to be taken during the allocations process. It confirms that officers will prepare a Project Assessment and Funding report that recommends a shortlist of projects which either be considered by Portfolio Holder or Cabinet for approval.
- 1.14. In accordance with the guidance note, the assessment document prepared, the CIL Non- Parish Funding Local Infrastructure Schedule, Project Assessments and Proposed Funding Allocations (Appendix 1), has been prepared by the Council's CIL Officer and includes the following information:
  - CIL Projections (Total Neighbourhood Non-Parish CIL Receipts collected)
  - Local Infrastructure Schedule (A list of potential infrastructure projects that have been submitted for consideration)
  - Project Assessment (An assessment of all projects submitted detailing it's suitability for funding)
  - Project Recommendations (Recommendation of which infrastructure projects (if any) should be funded via the CIL Neighbourhood Funding)
  - Further Projects (Opportunity for projects to submitted for next year)
  - Consultation (Details of the consultation process)
- 1.15. The purpose of the CIL Non-Parish Funding Local Infrastructure Schedule, Project Assessments and Proposed Funding Allocations report is to identify and shortlist appropriate infrastructure projects for CIL Neighbourhood Funding. In order to make appropriate awards of CIL Neighbourhood Funding in non-parish areas of the Borough there is a need to project potential payments until the end of the financial year.
- 1.16. 2017/2018 was the first financial year in that CIL Neighbourhood Funding in the non-parish area of Gedling was awarded. Following public consultation an award of £3,500 has been awarded to the deliver new lighting as part of the Cinderpath scheme in Netherfield, led by Council's Netherfield Locality Officer. £50k was also carried over to be pooled for use on further projects in the future.

- 1.17. In 2018/2019 awards of £100,000 and £40,000 were awarded to a Car Park Extension at Gedling Country Park and Changing Facilities at Lambley Lane Recreation Ground respectively.
- 1.18. In 2019/2020 no projects were nominated for consideration of the CIL Non-Parish Neighbourhood Awards.
- 1.19. As of 24<sup>th</sup> February 2021, the non-parish neighbourhood proportion of CIL held by the Council minus allocated monies for previous project from chargeable developments is £92,720.67. Further CIL receipts will continue to be collected as further stages of payment plans become applicable and additional CIL liable planning permissions are granted and commenced.
- 1.20. The table below sets out the amounts collected across the Non-Parish area as of the 24<sup>th</sup> February 2021.

Table 1: CIL Non-Parish Portion Receipts by Ward as of 24<sup>th</sup> February 2021.

1.21. In accordance with the previously produced guidance note, the Council will prioritise expenditure of the neighbourhood portion of CIL receipts in non-parish areas as set out in the following table:

Table 2: Approach to Expenditure of CIL Neighbourhood Portion in Non-Parish Areas

Priority	Type of Infrastructure Project and Location
1	Infrastructure projects in the ward where the chargeable
	development has occurred.
2	Infrastructure projects in the non-parish area of Gedling which
	meet or support the development needs of the area where the
	chargeable development has occurred.
3	Pool the neighbourhood portion of the CIL receipt for the following
	year where no suitable infrastructure projects 1 and 2 above have
	been identified.

1.22. In order to identify appropriate infrastructure projects for part funding/funding via CIL Neighbourhood Funding a nomination process was opened and continues to be open. A list of nominated projects has been created that forms a Local Infrastructure Schedule for the nonparish area of Gedling. A summarised list of potential projects is highlighted below in Table 3.

**Table 3: Local Infrastructure Schedule (Summary Table)** 

Project	Nominator/Proposer	CIL Monies Required
Netherfield Forum Children, Young People and Families Hub	Netherfield Forum	Up to £60,000 (Match funding available £170,000 mortgage offered by Charity Bank Finance)
Footpath / Drainage Improvements at Kneeton Close / Linsdale Gardens	Parks and Street Care Services, Gedling Borough Council	Up to £25,000 (Potential for match funding through Council Asset Management fund)
Green Lung Corridor	Parks and Street Care Services, Gedling Borough Council	Up to £50,000 (Match funding is currently being investigated)

Arnold	Economic	Up to £43,000 (Funding for
Marketplace	Development Services,	remaining works approved in the
	Gedling Borough	Council's capital programme)
	Council	

- 1.23. All projects submitted have been formally assessed and a recommendation has been made as to each project's current suitability for funding. The assessment is based upon information submitted as part of the nomination process. The focus of projects should be that they accord with Regulation 59F of the 2010 Regulations. Other factors considered included:-
  - How does the project meet a need created by new development?
  - Timeframe for delivery?
  - Is match funding available?
  - How infrastructure project will be maintained once completed?
- 1.24. All of the projects submitted for consideration have all been assessed; the full assessments and recommendations can be found in **Sections 4** and 5 of Appendix 1.
- 1.25. The projects submitted as part of the nomination process this financial year which are considered to be potentially appropriate recipients of CIL Non Parish Neighbourhood Funding, are LIS0003 Green Lung Corridor and LIS0004 Arnold Marketplace.

### 2 Proposals

2.1. The assessments undertaken on the submitted infrastructure projects propose that the CIL Non-Parish Neighbourhood Funding is allocated to the following accordingly:-

### **Green Lung Corridor**

Shortlist for Non-Parish Neighbourhood Funding of up to £50,000 award.

#### **Arnold Marketplace**

Shortlist for Non-Parish Neighbourhood Funding of up to £43,000 award.

- 2.2. It is proposed that approval is given for the recommendations above to be subject to a four week consultation that will be held with the public, stakeholders and Ward Councillors in areas where CIL receipts are expected from chargeable developments in non-parish areas in the following year. Views will be sought on the shortlist of projects eligible for the funding from the neighbourhood portion of CIL receipts, as well as continuing to allow opportunity for further potential local infrastructure projects to be identified.
- 2.3. The consultation will include a posting on the Keep Me Posted newsletter, the Community Initiatives page on Gedling's Community and Voluntary E-Newsletter, as well as direct consultation with Residential Organisation Groups throughout the borough. A link to the consultation will also be publicised on the Council's dedicated CIL Neighbourhood Funding webpage <a href="http://www.gedling.gov.uk/noparishcilneighbourhoodfunding/">http://www.gedling.gov.uk/noparishcilneighbourhoodfunding/</a> where interested parties can submit comments or representations.
- 2.4. Following the consultation period, all comments and representations received will be considered by Council's officers who will prepare a final report identifying the schemes selected for funding. The final report will seek approval from Cabinet for the selected projects to benefit from funding through the CIL Non-Parish Neighbourhood Funding.
- 2.5. It is proposed that the four week consultation will commence on Monday 7<sup>th</sup> June 2021 to Monday 5<sup>th</sup> July 2021.

## 3 Alternative Options

3.1 The Council is required to formally consult with relevant stakeholders and its residents in relation to the expenditure of the Neighbourhood Non-Parish portion of its CIL Receipts. Failure to undertake the necessary consultation as set out in The Community Infrastructure Levy Guidance ("the Guidance") published on 12th June 2014 would be contrary to the Community Infrastructure Levy Regulations 2010 (As Amended).

### 4 Financial Implications

4.1. The CIL monies that form part of the Non-Parish Neighbourhood Funding element are monies that have to be used in accordance with

- the CIL Regulations. The Neighbourhood Funding element of CIL is only used once funds have been collected, forward funding is not permitted at this time.
- 4.2. There is no financial impact as the administration of this process can be met within existing resources and no additional budgets are required at this time.

## 5 Legal Implications

5.1 To comply with the requirements of The Community Infrastructure Levy Regulations 2010 a Charging Authority should engage appropriately with Local Communities regarding expenditure of the Neighbourhood Non-Parish portion where CIL liable development has taken place.

## 6 Equalities Implications

6.1 A proportionate level of publicity will be undertaken to publicise the consultation and the Local Infrastructure Schedule to ensure that the process remains accessible.

## 7 Carbon Reduction/Environmental Sustainability Implications

7.1 There are no carbon reduction/sustainability implications arising from this report.

### 10 Reasons for Recommendations

- 10.1 To provide information and make Cabinet aware of projects nominated for the CIL Neighbourhood Non-Parish portion.
- 10.2 To seek authorisation to undertake a 4 week public consultation to seek the views and opinions of local stakeholders and residents regarding the nominated projects prior to the granting of awards.
