## **1 Background**

At the 25 April 2022 Overview and Scrutiny Committee, members agreed to roll out a programme of attendance by external partners at committee. A few partners were identified that would be invited to future meetings, including health and housing providers across the borough.

Invited questions from members will be put to the partner at each meeting, along with 'Ad hoc' questions at the meeting itself.

## **2. 2022/2023 programme of partnership attendance**

The first partner to be invited to the committee is a division of the Nottinghamshire Integrated Care Board (ICB), previously known as the Clinical Commissioning Group (CCG).

Initial discussions were had between officers at the ICB and the council and it was agreed that members of the South Nottinghamshire Place Based Partnership would attend the committee to provide members with an overview of the changes to the health structure in Nottinghamshire and how Gedling Borough Council are involved in this.
