Signed	Christine Pitcher
Dated	02.09.22

Supporting Statement

This supporting statement has been prepared on behalf of Gedling Borough Council to support the extension of the change of use of Eagle Square for a temporary market for an additional 6 months. This is to allow the completion of The AMP building and to allow time for a markets consultation to be undertaken. This proposal will provide continuity to the traders and allow for the continued positive impact of the market economically and socially on the Primary Shopping Area and on the town itself.
