| LI075 Average time to process Housing Benefit change in circumstances (in calendar days) | | Health and Wellbeing Housing | 10.7 days | 5 days | 10.7 days | 5 days | | | Workloads for the team have increased significantly. In the months of March, April and May the team saw vast amounts of Universal Credit "change in circumstances" being received from the DWP. Officers have tried to keep on top of all these changes and process them in the usual manner, but given the quantities involved, a "batch process" was applied to certain document types to reduce backlogs. This approach is relatively new to the department but worked well and it is proposed to continue to utilise this option as and when workloads become unmanageable. However, |

There are numerous building sites in development and it is hoped various property types will soon become available to the team, providing much needed affordable housing to accommodate all household composition |

Data and analysis has been provided to the Senior Leadership Team for Waste and PASC where absence levels continue to be high. Over the last six months there has been substantial amounts of short term absence attributed to Covid within these teams. There doesn't appear to be any other noticeable pattern of reason for absence. Long |
