Annendix 1 - Monitoring Indicators	68

# 1. Introduction

- 1.1. The Authority Monitoring Report is based upon the monitoring period **1 April 2021 to 31 March 2022**.
- 1.2. The Authority Monitoring Report is required under Regulation 34 of The Town and Country Planning (Local Planning) (England) Regulations 2012. Regulation 34 can be viewed on the following website <a href="https://www.legislation.gov.uk/uksi/2012/767/regulation/34/made">https://www.legislation.gov.uk/uksi/2012/767/regulation/34/made</a>.
- 1.3. The National Planning Practice Guidance states that local planning authorities must publish information at least annually that shows progress with Local Plan preparation, reports any activity relating to the duty to cooperate and shows how the implementation of policies in the Local Plan is progressing.
- 1.4. All of the monitoring indicators included in this report and their origins are set out in **Appendix 1**.

# 2. Development Plan Documents

2.1. Development Plan Documents set out the local planning policies for development in the area and comprise the Local Plan, Supplementary Planning Documents and Guidance and Neighbourhood Plans. The Development Plan for Gedling Borough is summarised below.

#### **Local Plan**

#### Greater Nottingham Aligned Core Strategy (Part 1 Local Plan)

- 2.2. The Aligned Core Strategy was adopted in September 2014 and was prepared in conjunction with Nottingham City Council and Broxtowe Borough Council and in close co-operation with Erewash Borough Council and Rushcliffe Borough Council. In 2015, the Councils won the 'Plan of the Year' award by the Royal Town Planning Institute in recognition of their joint working. The document sets out the strategic policy direction for future development in Gedling Borough. The Aligned Core Strategy is available on the Council's web page <a href="www.gedling.gov.uk/acs.">www.gedling.gov.uk/acs.</a>
- 2.3. See 'Local Development Scheme' below for further information regarding progress on the Greater Nottingham Strategic Plan which, when adopted, will replace the Aligned Core Strategy.

# Gedling Borough Local Planning Document (Part 2 Local Plan)

2.4. The Local Planning Document was adopted in July 2018 and superseded the Gedling Borough Replacement Local Plan (2005). The document sets out policies for the assessment of planning applications and site specific policies and allocations for new housing, employment, retail, community facilities, recreation and open space, nature conservation and other land uses. The Local Planning Document is available on the Council's web page <a href="https://www.gedling.gov.uk/lpd">www.gedling.gov.uk/lpd</a>.

#### **Supplementary Planning Documents and Guidance**

2.5. Councils may produce Supplementary Planning Documents (SPDs) or guidance to support Local Plan policies. SPDs and guidance can be thematic or site specific and are a material consideration for determining planning applications. The following documents have been adopted in Gedling Borough and are available on the Council's web page <a href="https://www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/adoptedlocalplanandpolicydocuments/supplementaryplanningdocumentsandguidance:-">www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/adoptedlocalplanandpolicydocuments/supplementaryplanningdocumentsandguidance:-</a>

#### Development brief SPDs/informal guidance

• Willow Farm Development Brief informal guidance (December 2019)

- Development Brief for three sites to the north east of Arnold (January 2019)
- Top Wighay Farm Development Brief SPD (February 2017)
- Dark Lane, Calverton Development Brief SPD (July 2008)
- Gedling Colliery and Chase Farm Development Brief SPD (June 2008)

#### Topic based SPDs/guidance

- Parking Provision for Residential and Non-Residential Developments SPD (February 2022)
- Low Carbon Planning Guidance for Gedling Borough (May 2021)
- Air Quality and Emissions Mitigation Guidance (2019)
- Planning Obligations Protocol (guidance) (June 2014)
- Affordable Housing SPD (December 2009)
- Open Space Provision for New Housing Development SPG (guidance) (November 2001)

# **Statements**

- Interim Planning Policy Statement: First Homes (October 2022)
- Position Statement on Green Belt Policies LPD 13 and LPD 14 of the Local Planning Document (February 2022)
- 2.6. During the monitoring period the Council adopted the Parking Provision for Residential and Non-Residential Developments SPD which replaced the previous Parking Provision for Residential Developments SPD (May 2012) and published the Position Statement on Green Belt Policies LPD 13 and LPD 14 of the Local Planning Document. Outside the monitoring period, the Council has published the Interim Planning Policy Statement: First Homes in October 2022.

#### **Neighbourhood Planning**

- 2.7. Neighbourhood Plans are prepared and approved by the local community and set out planning policies for the specified neighbourhood area. There are currently four neighbourhood areas in Gedling Borough and more information is available on the Council's web page <a href="https://www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/neighbourhoodplans">www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/neighbourhoodplans</a>. The following progress has been made on neighbourhood plans:-
  - Burton Joyce Neighbourhood Plan. Approved by referendum on 29 November 2018 (94% 'YES' vote) and 'made' on 10 January 2019.
  - Calverton Neighbourhood Plan. Approved by referendum on 30 November 2017 (94.63% 'YES' vote) and 'made' on 31st January 2018.
  - Linby Neighbourhood Plan. Approved by referendum on 2 May 2019 (92% 'YES' vote) and 'made' on 27 July 2019.

- Papplewick Neighbourhood Plan. Approved by referendum on 5 July 2018 (91.34% 'YES' vote) and 'made' on 6 September 2018.
- 2.8. Neighbourhood Development Orders are prepared and approved by the local community and grant planning permission for specific types of development in specific neighbourhood area. No such orders have been adopted or are being prepared in Gedling Borough.

# **Statement of Community Involvement**

2.9. The Statement of Community Involvement sets out the Council's approach towards community consultation on planning applications and emerging planning policy documents. The document was last updated in September 2019 and is available on the Council's web page <a href="https://www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/consultations">www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/consultations</a>.

# **Local Development Scheme**

2.10. The Local Development Scheme sets out the Council's programme for preparing documents that will form part of the Local Plan. The Local Development Scheme was last updated in January 2019 and is available on the Council's web page <a href="https://www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/consultations">www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/consultations</a>. The Local Development Scheme sets out the below timetable for the preparation of the Greater Nottingham Strategic Plan.

**Table 1: Local Development Scheme timetable** 

Stage	Dates
Starting Evidence Base	September 2018
Consultation on SA scoping report	June 2019
Consultation on Growth Options	September 2019
Draft Publication Consultation	March 2020
Publication of Submission Document	September 2020
Submission of document and sustainability appraisal to	January 2021
Secretary of State	
Independent Examination Hearings (if required)	June 2021
Adoption	December 2021
Post production (monitoring and review mechanisms)	Ongoing

2.11. It was not possible to meet the timetable for the 'Consultation on Growth Options' in September 2019 due to unanticipated delays in the Part 2 Local Plan examinations for Broxtowe Borough, Nottingham City and Rushcliffe Borough Councils. Events elsewhere in the country (the Inspectors for the West of England Plan recommended it be withdrawn from examination) highlighted the importance of ensuring the early part of plan making is thoroughly evidence based, and that the Regulation 18 consultation (options) is open and transparent, with a clear audit trail of how the preferred growth strategy has been arrived at. Restrictions on working practices affecting both

- the participating councils and consultants undertaking evidence work as a result of the covid-19 pandemic also contributed to delays.
- 2.12. Consultation on the Greater Nottingham Strategic Plan Growth Options document took place between 6 July and 14 September 2020 and the consultation was subsequently reopened between 10 February 2021 and 24 March 2021 to reflect that some comments made during the initial consultation period had been blocked by security software and not received.
- 2.13. The uncertainties around the Government's planning reforms and need to take on board the recently published Integrated Rail Strategy in November 2021 led to some delay to the preparation of the Greater Nottingham Strategic Plan.
- 2.14. Subject to the approval of Broxtowe Borough, Gedling Borough, Nottingham City and Rushcliffe Borough Councils, consultation on the Greater Nottingham Strategic Plan Preferred Approach document is expected to take place in December 2022. The Preferred Approach consultation seeks views on the proposed strategy and vision, the approach to housing and employment provision and the proposed strategic sites.
- 2.15. It is anticipated that a draft Greater Nottingham Strategic Plan will be published for public consultation in 2023.

# 3. Duty to Co-operate

3.1 The Duty to Co-operate was introduced in the Localism Act 2011 and progress is annually reported through the Authority Monitoring Report.

# **Local Planning Authorities**

- 3.2 The Council has undertaken the following Duty to Co-operate actions:-
  - The Council is preparing the joint Greater Nottingham Strategic Plan with Broxtowe Borough, Nottingham City and Rushcliffe Borough Councils. Consultation was undertaken on the Greater Nottingham Strategic Plan Growth Options document between July and September 2020 and between February and March 2021, which comprises the first formal stage of plan preparation. Consultation on the Greater Nottingham Strategic Plan Preferred Approach document is expected to take place in December 2022 and it is anticipated that a draft Greater Nottingham Strategic Plan will be published for public consultation in 2023. The Strategic Plan, when adopted, will replace the Councils' Part 1 Local Plans. A joint evidence base is being prepared, some elements in conjunction with other Nottinghamshire authorities including Ashfield District and Erewash Borough Councils.
  - The Part 1 Local Plan Aligned Core Strategies (2014) were adopted in partnership with Broxtowe Borough and Nottingham City Councils, with Erewash and Rushcliffe Borough Councils adopting their own Core Strategies but ensuring a high degree of alignment between the Part 1 Local Plans.
  - The Planning Obligations Protocol (2014) sets out how cross boundary impacts will be addressed through Section 106 contributions and/or Community Infrastructure Levy.
  - The Inspector's Report on the Gedling Borough Council Local Planning Document (Part 2 Local Plan) (2018) confirmed that the legal requirements of the Duty to Co-operate had been met.
  - The Council has worked with the Greater Nottingham authorities to prepare a joint statement of common ground, in accordance with paragraph 27 of the National Planning Policy Framework 2021. This was submitted to the Ministry of Housing, Communities and Local Government in late 2018 and a response is still awaited.
  - The Greater Nottingham authorities facilitated a housing delivery workshop to consider barriers to the delivery of housing in the light of a significant stock of planning permissions for housing led development. Following this workshop, a development protocol, building on good practice already taking place across Greater Nottingham providers to deliver high quality, sustainable development was endorsed by Joint Planning Advisory Board and will be adopted and implemented by the partner Councils. Subsequent housing delivery workshops have been facilitated to consider barriers to housing delivery and to explore how to raise the environmental sustainability standard of housing developments.

 The Greater Nottingham Authorities have prepared the joint Strategic Housing Land Availability Assessment (SHLAA) methodology report to facilitate consistency across this area of work.

#### **Statutory Consultees**

3.3 The Council has an ongoing collaborative relationship with statutory consultees including the Environment Agency, Natural England, Historic England, the Highways Authority, Highways England, Homes England and other key partners. Discussions with these organisations informed the evidence base supporting the Aligned Core Strategy (Part 1 Local Plan), the Local Planning Document (Part 2 Local Plan) and neighbourhood plans. This includes taking a collaborative approach towards Sustainability Appraisal, Habitats Regulations Assessment, justification of site allocations and evidence base document where relevant. The Council continues to consult statutory consultees on plan-making matters and relevant planning applications.

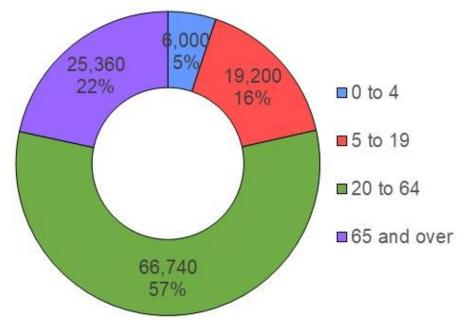

# 4. Demographics of Gedling Borough

- 4.1. This section is informed by the 2011 Census and the 2021 Census which provides demographic information about Gedling's population. The census is updated every 10 years. The first results from the 2021 Census were released in June 2022 and other datasets are due to be released in late 2022 and from early 2023. Information on the 2011 Census is available on the following website <a href="https://www.ons.gov.uk/census/2011census">www.ons.gov.uk/census/2011census</a> and further information on the 2021 Census, including the timeline for future census releases, is available at the following website pages <a href="https://www.ons.gov.uk/census/aboutcensus/releaseplans">www.ons.gov.uk/census/aboutcensus/releaseplans</a>.
- 4.2. The government also publishes population mid-estimates annually.

#### Population

- 4.3. Key statistics about Gedling Borough's population are:-
  - The population from the 2021 Census was 117,300 which is an increase of 3.3% (3,757) since 2011 when it was 113,543.
  - According to latest 2018 based projections, the population of Gedling Borough is predicted to increase to 125,200 by 2030 and 130,100 by 2040.
  - The gender split is 48.5% male (56,900) and 51.5% female (60,400).
  - Since 2011, Gedling has seen a 3% increase in children aged under 15, a
     -1% decrease in adults aged 15 to 64 and a 20 % increase in those aged 65 and over.

# **Deprivation**

4.4. Gedling Borough has seen a gradual improvement in overall Index of Multiple Deprivation score from 15.29 in 2010 to 14.89 in 2019. In 2015, Gedling Borough Council had a national deprivation ranking of 207 out of the 317 Districts in England. The three most deprived wards are Netherfield, Daybrook and Cavendish.

# **Ethnicity**

4.5. Table 2 below shows the mix of ethnicities in Gedling Borough, according to the 2011 Census:-

# 5. Monitoring Local Plan Policies

# **Overview and Interpretation**

- 5.1. This section monitors the implementation of the Local Plan against the monitoring indicators set out in the policies of the Aligned Core Strategy (Part 1 Local Plan) ("ACS") and the Local Planning Document (Part 2 Local Plan) ("LPD"). The Part 1 and Part 2 Local Plans were underpinned by a Sustainability Appraisal Monitoring Framework ("SA") which included further monitoring indicators.
- 5.2. All of the monitoring indicators and targets for each planning topics as well as their origins are set out in **Appendix 1**. The relevant monitoring indicators are referenced and highlighted yellow throughout this section and can be cross-referenced with Appendix 1.

# Monitoring Indicators: ACS Policy & SA / LPD Policy & SA

- 5.3. The monitoring indicators are split into the following planning topics:-
  - Climate change, flood risk and water management
  - Environmental protection
  - Green Belt
  - Natural environment
  - Open space and recreational facilities
  - Historic environment
  - Design
  - Homes
  - Retail and community facilities
  - Transport
  - Infrastructure and developer contributions
- 5.4. Reporting for each monitoring indicator will depend on the type of information available. Generally, information is recorded with reference to the **monitoring period** (1 April 2021 to 31 March 2022) and the **base period** (since 1 April 2011 which is the start of the plan period for the Local Plan). Where information for the indicators have not been reported the reasons for this are explained.

# Climate Change, Flood Risk and Water Management

# Energy and climate change

5.5. Appendix 1 sets out that the Council will monitor renewable energy schemes; energy use by type and carbon dioxide emissions.

# Monitoring Indicators: ACS Policy 1 & SA 9, 10 / LPD Policy 1, 2 & SA 10, 11

- Tables 3, 4, 5, 6 and 7 provide a list of planning permission granted for types of renewable energy schemes since 2011.
- Table 8 shows that between 2011 and 2020, there was a decrease in average domestic electricity and gas use, a decrease in average industrial/commercial electric use and an increase in average industrial/commercial gas use.
- Table 9 shows that between 2011 and 2020, there was a decrease in energy consumption deriving from coal, manufactured fuels, petroleum and electricity and an increase in energy consumption deriving from gas and biofuels.
- Table 10 shows that between 2011 and 2020, the total carbon dioxide emissions per capita has reduced from 4.6 to 3.3 tonnes of carbon dioxide.

#### Flooding and water quality

5.6. Appendix 1 sets out that the Council will monitor the number of planning permissions implemented against Environment Agency and Local Lead Flood Authority advice, the number of developments incorporating Sustainable Urban Drainage Systems and the area of and number of households within Flood Zones 2 and 3.

#### Monitoring Indicators: ACS Policy 1 & SA 8 / LPD Policy 3, 4, 5, 6 & SA 8, 9

- Zero planning permissions have been granted contrary to Environment Agency or Local Lead Flood Authority advice (including advice on flood risk, water quality and aquifers) since 2011. The information is available on the following website <a href="www.gov.uk/government/publications/environment-agency-objections-to-planning-on-the-basis-of-flood-risk">www.gov.uk/government/publications/environment-agency-objections-to-planning-on-the-basis-of-flood-risk</a>. Where objections from statutory bodies are received the Council takes due regard and technical matters would be satisfied by a planning condition upon granting permission.
- Table 11 shows that there has been an increase of 32.36 hectares of land and 589 houses within Flood Zones 2 or 3 between 2011 and 2022.
- All new buildings granted planning permission since 2011 have either incorporated Sustainable Drainage Systems or a condition was attached to the decision requiring details for the disposal of surface water to be approved before commencement of the development in accordance with the Council's standard approach, to ensure that any flooding risks are fully mitigated.

# Waste management facilities

5.7. Appendix 1 sets out that the Council will monitor the number of new waste management facilities by type.

# Monitoring Indicators: ACS SA 9, 10 / LPD SA 10, 11

 Table 12 shows that eight new waste management facilities have been granted planning permission by Nottinghamshire County Council as waste authority since 2011. There are two new waste facilities granted planning permission in the Borough during the monitoring period.

#### **Environmental Protection**

#### Environmental consultees

5.8. Appendix 1 sets out that the Council will monitor the number of planning applications approved against the advice of the Council's Public Protection (Scientific) Officer, the Coal Authority and the Health and Safety Executive.

# Monitoring Indicators: LPD Policy 7, 8, 9, 10

- Zero planning applications during the monitoring period were approved against the advice of Gedling Borough Council's Scientific Officer who provides technical advice on land contamination and air quality.
- Zero planning permissions for development have been granted contrary to advice from the Coal Authority since 2011. Where objections from statutory bodies are received the Council takes due regard and technical matters would be satisfied by a planning condition upon granting permission.
- Zero planning permissions for development have been granted contrary to advice from the Health and Safety Executive since 2011. Where objections from statutory bodies are received the Council takes due regard and technical matters would be satisfied by a planning condition upon granting permission.

# Air quality management

5.9. Appendix 1 sets out that the Council will monitor air quality management and whether development accords with the requirements of the Air Quality and Emissions Mitigation guidance.

#### **Monitoring Indicators: LPD Policy 11 & SA 8, 9**

- There is one Air Quality Management Area in Gedling Borough. The A60
  Mansfield Road from its junction with Oxclose Lane and Cross Street
  south to its junction with Egerton Road in Woodthorpe was designated in
  April 2011 and an Air Quality Action Plan adopted in 2012 and
  revised/updated in 2019.
- The Department for Environment, Food & Rural Affairs expects local planning authorities to work towards reducing emissions and/or concentrations of PM2.5 (fine particulate matter) regardless of levels. There is clear evidence that PM2.5 has a significant impact on human health, including premature mortality, allergic reactions, and cardiovascular diseases even at very low levels.
- In 2019 the Council updated the 'Air Quality and Emissions Mitigation: Guidance for Developers', which sets out borough-wide measures to help reduce vehicle emissions occurring as a result of development and construction emissions during development. The document is incorporated into Policy LPD 11 of the Part 2 Local Plan.
- The Council's Scientific Officer is consulted on planning applications where issues of air quality and emissions mitigation arise, and provides

technical comments in relation to interpreting the Air Quality and Emissions Mitigation guidance. It is generally the approach that conditions where appropriate, or otherwise advisory notes, are attached to planning decisions where these are requested. The guidance is given weight under Policy LPD 11. Zero planning permissions have been granted where an objection has been raised by the Council's Scientific Officer.

#### **Green Belt**

#### Green Belt land

5.10. Appendix 1 sets out that the Council will monitor the percentage of planning permissions granted contrary to Policy LPD 13 and Policy LPD 14 of the Part 2 Local Plan (proposals that increase the floor space of an existing building or replacement building by more than 50%), the number of homes for rural workers granted planning permission, the location/area of land removed from the Green Belt and progress in producing a Part 2 Local Plan.

# Monitoring Indicators: ACS Policy 3 & LPD Policy 13, 14, 16, 17

- The Council adopted the Local Planning Document (Part 2 Local Plan) in July 2018. The Part 2 Local Plan released 215 hectares of Green Belt land across the Borough in accordance with Policy 3 of the Aligned Core Strategy. This represents a 2% reduction. 73% of Gedling Borough is now Green Belt (8,794 hectares).
- Since the Part 2 Local Plan was adopted, five planning permissions have been granted for disproportionate additions (above 50% of the original floor space), as set out in Policy LPD 13 and Policy LPD 14 of the Part 2 Local Plan. Table 13 sets out the reasons for these.
- Zero homes were granted planning permission for rural workers in the Green Belt (in accordance with Policy LPD 17 of the Part 2 Local Plan) in 2020/21.

#### Safeguarded land

5.11. Appendix 1 sets out that the Council will monitor the status of safeguarded land and why any planning permissions have been granted.

**Monitoring Indicators: ACS Policy 3** 

• The planning status of each safeguarded land site is set out in Table 14.

# **Natural Environment**

## Nationally and internationally designated site and species

5.12. Appendix 1 sets out that the Council will monitor Sites of Special Scientific Interest, progress on the designation of Special Protection Areas and losses/gains to priority habitats.

#### Monitoring Indicators: ACS Policy 17 / LPD Policy 18 & SA 6, 7

- There is one Site of Special Scientific Interest in Gedling Borough which is Linby Quarries, the condition of which is 81.24 % 'favourable' and 18.76 % 'unfavourable – no change'. The information is provided by Natural England (<a href="https://designatedsites.naturalengland.org.uk">https://designatedsites.naturalengland.org.uk</a>). There has been no net change in the monitoring period.
- The potential possible Sherwood Forest Special Protection Area has been considered for being formally proposed for designation since prior to the preparation of the Aligned Core Strategy (Part 1 Local Plan). No progress has been made towards formal designation of the Sherwood Forest Special Protection Area.
- The baseline information on losses and gains in priority habitat is not currently available for Gedling Borough.

#### Locally Designated Sites

5.13. Appendix 1 sets out that the Council will monitor the number, area and net change of Local Nature Reserves, Local Wildlife Sites, Local Geological Sites and the number of Local Wildlife Sites under positive conservation management.

#### Monitoring Indicators: ACS Policy 16, 17 & SA 6, 7 / LPD Policy 18 & SA 6, 7

- Table 15 shows there are five Local Nature Reserves in Gedling Borough all of which have a management plan in place. The Hobbucks Management plan recently expired and is being updated.
- Tables 16 and 17 set out the number and area of Local Wildlife Sites in Gedling Borough and the number of those under positive management using Single Data List Indicator 160. Information on Local Wildlife Sites and Local Geological Sites is provided by the Nottinghamshire Biological and Geological Records Centre. Although Table 16 indicates that there has been a slight reduction in the number of Local Wildlife Sites, the total area remains mostly unchanged. In 2022, four sites were removed. These are; Thieves Wood, Harlow Wood, Newstead Robin Hood Line, and Annesley Forest. These changes and some mapping revisions have resulted in a very small reduction in site area.
- Table 18 sets out the number and area of Local Geological Sites, which were first identified in 2018.

# Woodland and Ancient Woodland

5.14. Appendix 1 sets out that the Council will monitor net changes in woodland area and ancient woodland and the number of planning permissions resulting in the loss of ancient woodland.

Monitoring Indicators: ACS SA 6, 7 / LPD Policy 18 & SA 6, 7

- Forestry Commission statistics on woodland show as at March 2018 there was 1,763.5 hectares of woodland in Gedling Borough. This figure was 1,764.7 hectares in 2014. Forestry Commission reports are available on the following website <a href="https://www.forestresearch.gov.uk/tools-and-resources/national-forest-inventory">https://www.forestresearch.gov.uk/tools-and-resources/national-forest-inventory</a>.
- The Forestry Commission recorded approximately 55.1 hectares of ancient woodland in Gedling Borough in 2020. This has decreased from 56.8 hectares in 2019.
- During the monitoring period no planning permissions have been granted that resulted in the loss of trees within designated ancient woodland.

#### **Open Space and Recreational Facilities**

#### Open space

5.15. Appendix 1 sets out that the Council will monitor the setting of green infrastructure policies in the Part 2 Local Plan; the area of new open spaces by type and net change; the number of open spaces and financial contributions towards open spaces secured via Section 106 agreements; the amount of greenfield land lost to new development, and the net change in Local Green Spaces.

Monitoring Indicators: ACS Policy 16 & SA 6, 7/ LPD Policy 20, 21, 22 & SA 2, 6, 7

- The Part 2 Local Plan includes Policy LPD 20 and Policy LPD 21 which seek to protect existing green infrastructure and provide new green infrastructure (10% on sites 0.4 hectares and above).
- Table 19 shows the area of open space in the Borough by type, as recorded by the Council's Parks and Street Care team. It is noted that there may be some overlap between the categories. The 2018 figure equates to the area of open spaces shown on the Local Planning Document Policies Map.
- Table 20 shows the amount of greenfield land lost to new large development for housing (10 dwellings or more) and other uses. For information, land is considered 'lost' upon commencement of development.
- New open spaces committed from s106 agreements during 2021/22 are set out in Table 21. The total figure for s106 contributions was £576,649.18 with further contributions potentially due subject to the approval of open spaces schemes.
- Table 22 shows that there are 29 Local Green Spaces in Gedling Borough, which are designated through the adoption of a Development Plan including the Part 2 Local Plan and Neighbourhood Plans. There has been no net loss of designated Local Green Spaces since they were designated. It should be noted that Local Green Spaces in Burton Joyce were designated in the Part 2 Local Plan and not in the Neighbourhood Plan.

#### Recreational open space and facilities

5.16. Appendix 1 sets out that the Council will monitor Green Flag awarded open spaces; net changes to Country Parks, and the number of planning permissions for new tourism related accommodation.

# Monitoring Indicators: ACS Policy 16 & SA 3 / LPD Policy 24 & SA 2, 6, 7

- Table 23 shows there are five Green Flag awarded parks in Gedling Borough – Arnot Hill Park, Gedling Country Park, Burton Road Jubilee Park, Bestwood Country Park and for the first time Breck Hill Park in 2022.
- There are five Country Parks in Gedling Borough Bestwood Country Park; Burntstump Country Park; Gedling Country Park; Newstead and Annesley Country Park and Newstead Abbey. No changes in designation have taken place during the monitoring period.
- No planning permissions for new tourist accommodation were granted during the monitoring period as shown in Table 20.

#### **Historic Environment**

#### Heritage assets

5.17. Appendix 1 sets out that the Council will monitor the number of heritage assets by type and area and the number and percentage of heritage assets at risk.

Monitoring Indicators: ACS Policy 11 & SA 6, 7 / LPD Policy 26, 27, 28, 29, 30, 31 & SA 3

- The number of designated and non-designated heritage assets by type in Gedling Borough are:-
  - 195 Listed Buildings (6 Grade I, 15 Grade II\* and 174 Grade II).
  - Nine Scheduled Monuments.
  - o Four Registered Parks and Gardens.
  - Six Conservation Areas.
  - 144 non-designated heritage assets.
- Further information on Listed Buildings, Scheduled Monuments and Registered Parks and Gardens are available on Historic England's national heritage list website <a href="https://historicengland.org.uk/listing/the-list">https://historicengland.org.uk/listing/the-list</a>.
   Recent Listed Building entries are reported on the Council's web page www.gedling.gov.uk/heritage-assets.
- The area of each Registered Park and Garden in Gedling Borough is:-
  - Bestwood Pumping Station 2.35 hectares
  - Newstead Abbey 287.33 hectares
  - o Papplewick Hall 46.33 hectares
  - Papplewick Pumping Station 2.75 hectares
- Appraisals have been adopted for each of the six Conservation Areas
  which are available on the Council's website
  www.gedling.gov.uk/conservation-areas. An appraisal for Linby
  Conservation Area has been reviewed and adopted in November 2021.
  Work to consider the designation of a new Conservation Area in Gedling is
  underway. The area currently covered by each Conservation Area is:-
  - Bestwood Village 15.71 hectares
  - Calverton 14.25 hectares
  - Lambley 24.62 hectares
  - o Linby 25.54 hectares
  - o Papplewick 55.70 hectares
  - Woodborough 45.43 hectares
- Table 25 shows that there are three out of 214 (1.4%) designated heritage assets at risk in Gedling Borough and the information is provided in the Heritage at Risk Midlands Register 2021 by Historic England

(<u>https://historicengland.org.uk/advice/heritage-at-risk</u>). The Council has not identified non-designated heritage assets at risk.

The Council adopted 'Non Designated Heritage Assets: Selection Criteria' in January 2019 in order to progress the implementation of Policy LPD 31 of the Part 2 Local Plan. The Council has reviewed non-designated heritage assets using the selection criteria document since 2020 and the latest local heritage list was published in March 2022. Further information is available on the Council's web page <a href="www.gedling.gov.uk/heritage-assets">www.gedling.gov.uk/heritage-assets</a>.

#### Planning applications in historic environment

5.18. Appendix 1 sets out that the Council will monitor the number of planning applications approved against Historic England advice and the number of Section 106 contributions to manage or conserve heritage assets.

# **Monitoring Indicators: LPD Policy 26, 29, 30 & SA 3**

- Zero planning applications were approved against Historic England advice in the monitoring period.
- Zero section 106 obligations entered into related to the management and conservation of heritage assets in the monitoring period.

#### **Design**

#### New development

5.19. Appendix 1 sets out that the Council will monitor the density of new development, the number of homes built on residential garden land and progress on setting indicators to improve the standard of design in the Part 2 Local Plan.

# Monitoring Indicators: ACS Policy 10 / LPD Policy 33, 34

- The density of new homes delivered on large sites (50 or more dwellings in the urban area and 10 or more dwelling in the rural area) is shown in Tables 26, 27 and 28. The density policy in the Part 2 Local Plan provides the target of no new development of less than 30 dwellings per hectare with the exception of no new development of less than 20 dwellings per hectare in Burton Joyce, Lambley, Ravenshead and Woodborough, no new development of less than 25 dwellings per hectare in Bestwood Village, Calverton and Newstead and locations where there is convincing evidence of a need for a different figure.
- Table 29 shows that since 1 April 2011, 12% of new homes were constructed on residential garden land.
- The Part 2 Local Plan does not include indicators that monitor the improvement of the standard of design given that there is no framework in place to assess standard of design. The Part 1 Local Plan includes Policy 10 (Design and Enhancing Local Identity) and the Part 2 Local Plan includes Policy LPD 32 (Amenity) and Policy LPD 35 (Safe, Accessible and Inclusive Development), all of which are taken into consideration when determining planning applications.
- Following the submission of an expression of interest for the National Model Design Code: Phase 2 pilots the Council were in receipt of a grant award from the Department for Levelling Up, Housing and Communities in March 2022 to produce a design guide to steer new development in the Borough. The information is available on the following website <a href="https://www.gov.uk/government/news/communities-empowered-to-shape-design-of-neighbourhoods">https://www.gov.uk/government/news/communities-empowered-to-shape-design-of-neighbourhoods</a>.

#### **Homes**

#### **Housing delivery**

5.20. Appendix 1 sets out that the Council will monitor the housing completions (net additional homes); planning progress made on strategic sites and allocated housing sites; the five year land supply of deliverable housing sites; housing completions on previously developed land and windfall sites; and progress made on the Gedling Colliery/Chase Farm as a regeneration site.

Monitoring Indicators: ACS Policy 2, 7 & SA / LPD Policy 40, 64, 65, 66, 67, 68, 69, 70 & SA 1

- The Part 1 Local Plan was adopted in September 2014 and sets the housing requirement. The Part 2 Local Plan was adopted in July 2018 and includes housing allocations in line with the objectives of the Part 1 Local Plan.
- The Department for Levelling Up, Housing and Communities published the results of the Housing Delivery Test for 2021 on 14 January2022. The 2021 result for Gedling Borough Council is 85% and is based on the three year period 1 April 2018 to 31 March 2021. This is an improved performance in comparison with 68% with the previous Housing Delivery Test result for 2020. Following the Housing Delivery Test results for 2018, 2019 and 2020, the Council was required to publish an Action Plan and a buffer of 20% was added to the supply of deliverable sites for the purposes of housing delivery assessment. The Housing Delivery Test result for 2021 means that the Council must continue to prepare an action plan and a buffer of 20% to its five year housing land supply is now no longer required.
- The Council's Housing Delivery Action Plan has been updated and published in July 2022. The Action Plan is available on the following Council's web page www.gedling.gov.uk/resident/planningandbuildingcontrol/planningpolicy/monitoringreports. As well as including a detailed analysis of the key reasons for the under delivery of the Council's housing requirement the Action Plan identifies the measures the Council intends to undertake to increase/maintain delivery of new housing in Gedling Borough. Many of the actions identified in the previous Housing Delivery Action Plan have already been implemented and a number of actions are ongoing.
- The Council's Five Year Housing Land Supply Assessment 2022
   published in October 2022 considers the Borough's supply of housing
   against the housing target (based on the annual local housing need
   calculated using the standard method because the housing requirement
   set out in the Part 1 Local Plan is now out of date). Gedling Borough
   Council has a 7.25 year supply. The direct web link to the latest five year
   housing land supply assessment is <a href="https://www.gedling.gov.uk/5yls">www.gedling.gov.uk/5yls</a>.
- The Council updates its Brownfield Land Register annually in accordance with the Housing and Planning Act 2015. The latest Brownfield Land Register is available on the Council's web page <a href="www.gedling.gov.uk/shlaa">www.gedling.gov.uk/shlaa</a>.

- Table 30 sets out the housing requirement for the plan period and the number of new homes built since 2011.
- Table 31 sets out progress made with the strategic sites in the Aligned Core Strategy and the housing sites allocated in the Local Planning Document.
- Table 32 sets out the number of housing completions since 2011 on allocated, unallocated and safeguarded land sites. Allocated sites are those that are allocated for residential development in the Local Plan. Unallocated sites are those that are not allocated in the Local Plan, otherwise known as "windfall sites". Safeguarded land is protected from development during the plan period in order to meet longer term development needs.
- Table 33 sets out the number of new home completions on previously developed land or 'brownfield' land since 2011.
- The Chase Farm/Gedling Colliery site is a strategic allocation in the Part 1 Local Plan and was subsequently allocated for housing and employment in the Part 2 Local Plan. A Supplementary Planning Document for the site was approved in 2008. Tables 31 and 40 set out progress made on the residential and employment allocations of this site.

Table 31: Progress made on strategic sites and allocated housing sites

Site	Progress and planning status
Teal Close	Allocated for 830 homes. Site has outline planning permission for residential development, employment uses and other uses (2013/0546). First housing phase of 199 homes is currently under construction (2017/0800). Second housing phase of 353 homes is also currently under construction (2019/0152). Reserved matters for the third and final housing phase of 255 homes (2019/0560) granted in July 2022. Total figure granted to date is 807 homes. As at 31 March 2022, 228 dwellings have been built. 184 homes on phase 1 (15 plots remaining) and 44 homes on phase 2 (309 plots remaining) have been built.
North of Papplewick Lane	Allocated for up to 300 homes. The site is currently under construction for 255 homes including an additional 18 homes (2017/0201 and 2020/0258). As at 31 March 2022, 172 homes have been built.
Top Wighay Farm	Allocated for 845 homes. Part of site for 38 homes (2014/0950) is built. Outline planning permission for mixed-use development comprising 805 homes (2020/0050) granted in March 2022.
(H1) Rolleston Drive	Allocated for 140 homes. The site is currently under construction for 131 factory-built affordable homes (2020/1054).
(H2) Brookfields Garden Centre	Allocated for 90 homes. A combined development brief for three sites (H2, H7 and H8) to the north east of Arnold adopted in January 2019. Outline planning permission for up to 32 homes on part of the site (to the rear of Brookfields Garden Centre) (2017/0155) granted in March 2020.
(H3) Willow Farm	Allocated for 110 homes. Development brief (informal guidance) adopted in February 2020. Full planning application for 24 houses on part of the site (2021/1398)

was submitted in December 2021 and is to be referred to Planning Committee in November 2022.  (H4) Linden Grove Allocated for 115 homes. Site is currently under construction for 120 homes (2021/0694).  (H5) Lodge Farm Lane Allocated for 150 homes. Resolution to grant outline planning application for up to 148 homes (2018/0347) in August 2019 subject to the signing of the s106.  (H6) Spring Lane Allocated for 150 homes. Site completed in April 2019.  Allocated for 205 homes. A combined development brief for three sites (H2, H7 and H8) to the north east of Arnold adopted in January 2019. The majority of the site is currently under construction for 164 homes (2019/0213). As at 31 March 2022, 24 homes have been built.  (H8) Killisick Lane Allocated for 230 homes. A combined development brief for three sites (H2, H7 and H8) to the north east of Arnold adopted in January 2019. The Local Planning Document includes a phasing policy to ensure that development of the site follows the extraction and progressive restoration of the adjoining quarry. Quarry extraction was scheduled to be complete by 2021, however due to COVID-19 the extraction of clay has been slower than expected and it is anticipated that extraction would now be completed by the end of 2022 with progressive restoration taking place following this.  (H9) Gedling Colliery/Chase Farm Allocated for 1,050 homes (updating the strategic location made in the Aligned Core Strategy). Development brief adopted in June 2008. The site currently under construction for 508 homes on phase 1 (2015/1376, 2017/1018, 2017/1076, 2017/1077, 2017/1075, 2018/0249, 2018/0392, 2019/0304, 2019/0586, 2019/0759 and 2020/0667). Reserved matters for the second housing phase of 433 homes (2021/1294) granted in March 2022. Total figure granted to date is 941 homes. Resolution to grant full planning application for 24 homes on the remainder part of the site (2022/0200) in June 2022 subject to the signing of the s106. ### Housing delivery by type

5.21. Appendix 1 sets out that the Council will monitor the number of affordable housing completions (by social, intermediate and affordable rent); the number of housing completions by dwelling type, size, tenure, density and location; the number of planning permissions for specialist accommodation; the number of planning permissions for live work units; and the delivery of self-build and custom homes.

### Monitoring Indicators: ACS Policy 8 / LPD Policy 36, 37, 39, 41, 42 & SA 1

- Policy LPD 36 of the Part 2 Local Plan sets out affordable housing requirements of 10%, 20% or 30% dependent on sub-market location.
   Table 34 shows the overall percentage of housing completions that are affordable, the number of which are social, intermediate and affordable
- Chart 2 shows the types of homes (flat/house) and bedroom size of homes completed since 2011.
- The density of housing completions is set out in Table 26, 27 and 28 above.
- Table 35 shows the specialist accommodation granted permission or built since 2011.
- The Council applies Policy LPD 41 of the Part 2 Local Plan where it is relevant to do so in determining planning applications on live work units.
- The Council maintains a joint self-build and custom housebuilding register with Broxtowe Borough, Erewash Borough, Nottingham City and Rushcliffe Borough Councils. Information on the register is available on the following Council's web page <a href="www.gedling.gov.uk/selfbuild">www.gedling.gov.uk/selfbuild</a>. Information from the register has been used to support the determination of planning applications and will inform the implementation of Policy LPD 42 of the Part 2 Local Plan. Table 36 provides the number of entries added to Gedling's register for each base period. The register did not have a local connection test when it was set up in 2016. The register was revisited in 2018 and the revised registration form which now includes local connection criteria was launched on 31 October 2018. As a result of this review the number of entries on the register is split between part 1 and part 2 of the register.
- Table 37 provides the number of suitable self-build and custom build plots for each base period.
- The Council introduced a self-build matchmaker service in June 2021
  which aims to match landowners who are considering selling their land
  with people who want to build their own home within Gedling Borough.
  Information on the matchmaker service is available on the Council's web
  page <a href="https://www.gedling.gov.uk/selfbuild">www.gedling.gov.uk/selfbuild</a>.

#### Accessibility of homes

5.22. Appendix 1 sets out that the Council will monitor the percentage of households with sustainable access to community facilities.

### Monitoring Indicators: ACS Policy 12 & SA 9 / LPD SA 12

• The percentage of households within 800 metres/10 minutes' walk of a bus stop with an hourly or better daytime bus service (weekdays 0600-1800) in Gedling Borough is 94%. By comparison the percentage of such households within 400 metres/ 5 minutes' walk is 74%. The number of total households with access to public transport is not available. The information is based on data collated in February 2022 by Nottinghamshire County Council Performance, Intelligence and Policy.

## Empty homes, homelessness and house prices

5.23. Appendix 1 sets out that the Council will monitor the number of vacant homes; the number of homelessness acceptances; average house prices; and population by group.

### **Monitoring Indicators: ACS SA 1 / LPD SA 1**

- The number of empty homes (those that are unoccupied for council tax purposes) by ownership type is set out in Table 38. The Council has taken measures to reduce empty homes including reducing the council tax discount that empty homes can benefit from, charging a council tax 100% premium on properties that have been empty for two to five years and a 200% premium on properties empty for over five years, operating a service to help owners of empty properties to find investors and employing an Empty Homes Officer.
- The Council takes a proactive approach to bringing empty homes in the Borough back into use. An Empty Homes officer has been in post since June 2017. Chart 3 shows the number of homes brought back into use each year since March 2011.
- The number of homelessness acceptances is set out in Table 39. The
  Council prevents homelessness in the majority of cases by advocating on
  behalf of tenants; mediating between young people and their parents; and
  assisting people to find private or social rented housing. The significant
  rise in acceptances from 2018/19 reflects changes brought about by the
  Homelessness Reduction Act 2017.
- Population by group is set out in the demographics section in this report.
- Chart 4 shows the average house prices for all property types (detached, semi-detached, terraced and flats) from March 2011 to March 2022.

Information on average house prices are available on the following website <a href="https://landregistry.data.gov.uk/app/ukhpi">https://landregistry.data.gov.uk/app/ukhpi</a>.

## Gypsy and travellers pitches

5.24. Appendix 1 sets out that the Council will monitor the number of pitches granted planning permission and delivered for gypsy and traveller communities.

### Monitoring Indicators: ACS Policy 9 & SA 1 / LPD Policy 38 & SA 1

- The 2016 Gypsy and Traveller Accommodation Assessment indicated that there was a requirement for three additional pitches in Gedling Borough between 2014 and 2029 and the Part 2 Local Plan therefore sets out that a site for three pitches would be identified in the built up area of Gedling Borough.
- No pitches have been granted planning permission or delivered in Gedling Borough since April 2011. The Greater Nottingham and Ashfield Council Gypsy and Traveller Accommodation Assessment (March 2021) confirmed the need for one additional pitch for gypsy and traveller accommodation and eight plots for travelling showpeople up to 2038. The Greater Nottingham authorities will continue to work together on this strategic issue, including through the preparation of the Greater Nottingham Strategic Plan, and the extent of existing and new provision of pitches and plots will be kept under review as will the potential need for stopping places.

#### **Employment**

#### **Employment delivery**

5.25. Appendix 1 sets out that the Council will monitor planning progress made on strategic and allocated employment sites and the supply/availability of employment land by type and area.

Monitoring Indicators: ACS Policy 4 & SA 12, 13, 14 / LPD Policy 71 & SA 13, 14, 15

- The Town and Country Planning (Use Classes) Order 1987 (as amended) puts uses of land and buildings into various categories known as Use Classes. For any planning applications submitted the Use Classes will be used to determine it. The Use Classes were last updated on 1 September 2020 and the new Class E introduced uses previously defined in the revoked Classes covering employment uses B1. The existing uses B2 and B8 remain unchanged.
- Table 40 shows the progress made on employment allocations in the Part 2 Local Plan.
- Table 41 sets out the available supply of employment land on nonallocated sites with planning permission.

Table 40: Progress made on allocated employment sites

Allocated Site	Progress and planning status
Teal Close	Allocated site for 7 hectares. The Employment Land Needs Study (2021) recalculates the site area as 8.6 hectares gross and 6.45 hectares net. Outline planning permission (2013/0546) granted in June 2014. Reserved matters (2019/0614) in relation to part of the employment area – unit 1 and trade park – was granted in November 2019. The trade park element is 4,905 sq. m of B8 and unit 1 is 2782.4 sq. m for B1, B2 and B8 uses. Permission built in September 2021. Reserved matters (2019/0615) for six employment units within the remainder of the employment area for B1, B2 and B8 uses comprising 10,312 sq. m granted in June 2021. Permission built in September 2022 (outside the monitoring period).
Top Wighay Farm	Allocated site for 8.5 hectares. The Employment Land Needs Study (2021) recalculates the site area as 8.55 hectares gross and 6.5 hectares net based on outline planning permission 2020/0050 for mixed-use development including land for employment purposes (up to 49,500 m2 of B1 and B8 uses) granted in March 2022. The office B1a element is 8,000 sq. m. Planning application for office building use for 3,412 sq. m (on a site area of 5.7 ha) class E (g)(i) within part of the employment allocation (7/2022/0050NCC) granted by Nottinghamshire County Council in July 2022 (outside the monitoring period). The site area includes access roads, landscaping and surface water drainage. The site for the office building is estimated to be 1.3 ha and therefore if implemented the residual employment land allocation is around 5.2 ha.

Allocated Site	Progress and planning status
Gedling	Allocated site for 5 hectares. The Employment Land Needs Study
Colliery/Chase	(2021) recalculates the site area as 4.12 hectares gross and 2.45

### Employment development

5.26. Appendix 1 sets out that the Council will monitor the net addition of new office floor space and industrial and warehouse development (i.e. by type and location); the area of employment land lost to residential and other uses; new industrial and warehouse floor space taken up on non-allocated sites; the number of planning permissions granted for rural/employment business development; the percentage of large developments including Local Labour Agreements.

Monitoring Indicators: ACS Policy 4 & SA 12, 13, 14 / LPD Policy 44, 45, 47, 48 & SA 13, 14, 15

- There has been no net new office development during the monitoring period (over 1,000 square metres floor space or 1 hectare site size) as shown in Table 42.
- There has been a net gain of 160 sq. m new industrial and warehouse units (over 1,000 square metres floor space or 1 hectare site size) during the monitoring period as shown in Table 42. This relates to a loss of 6,717 sq. m industrial and warehouse units due to work starting on the housing allocation site H1 Rolleston Drive (2020/1054) and a new development of 6,877 sq. m industrial and warehouse units for phase 2 at the strategic site Teal Close which includes unit 1 comprising 2,782 sq. m of industrial and warehousing uses B2 and B8 and 14 trade counter units comprising 4,095 sq. m of B8 built in September 2021 (2019/0614).
- Table 43 sets out the area of employment land (above 0.1 hectares) lost to residential or other uses. During the monitoring period, a total of 5.32 ha was lost to due to work starting on four sites including two housing allocations in the Part 2 Local Plan (Old Manor Farm, Lowdham Lane, Woodborough (2020/0528), Cornhill Road (50), Carlton (2021/1432), site H1 Rolleston Drive (2020/1054) and site X2 Land West of A60 A (2016/0854).
- One planning permission for the erection of a replacement stable and machinery building at Cottage Farm, Catfoot Lane, Lambley (2021/0906) was granted in accordance with Policy LPD 47 of the Part 2 Local Plan during the monitoring period.
- Table 44 provides a list of developments in Gedling Borough which included local labour agreement. The impact of the covid-19 pandemic and the need for greater efficiency has led the Council to review its approach to the future delivery of local labour agreements and the monitoring of existing ones in place. The outcome of this review will be reported in the next authority monitoring report 2022/23. The covid-19 pandemic and public health restrictions have curtailed the monitoring of the local labour agreements in place due to temporary site closures and lockdown restrictions. Consequently, detailed monitoring of local labour agreements has not taken place during 2020/21 and Table 38 reports on the number of local labour agreements in place. It is intended that more detail will be provided in future authority monitoring reports.

#### Employment profile

5.27. Appendix 1 sets out that the Council will monitor the overall number of jobs, Borough's employment supply, employment and unemployment rate, earnings by type, employment profile by type and the qualifications by type of the working age population.

## Monitoring Indicators: ACS Policy 4 & SA 12, 13, 14 / LPD SA 13, 14, 15

- Employment profile information is from the Office for National Statistics. A
  profile report for Gedling Borough is available on the following website
  <a href="https://www.nomisweb.co.uk/reports/lmp/la/1946157165/report.aspx">https://www.nomisweb.co.uk/reports/lmp/la/1946157165/report.aspx</a>.
- 82.7% of the working age population of Gedling Borough are qualified to NVQ2 or above. Table 45 shows a breakdown of qualifications by type.
- Table 46 shows the overall number of employee jobs in Gedling Borough.
- The employment and unemployment rate in Gedling Borough is set out in Table 47.
- The employment profile of Gedling Borough residents is shown in Table 48.
- The weekly earnings for full-time workers is shown in Table 40. Whilst wages have risen since 2011 the gap in pay between male and female full time employees has widened.

## **Retail and Community Facilities**

#### Retail monitoring

5.28. Appendix 1 sets out that the Council will monitor retail need, the health and diversity of uses of local centres, the proportion of vacant units, the amount of office floor space created in local centres; the number of planning permissions granted for upper floor uses; the amount of retail floor space approved outside of local centres; and the number of planning applications for A1 uses above 500 square metres with an Impact Assessment.

## Monitoring Indicators: ACS Policy 6 / LPD Policy 50, 51, 52 & SA 13, 14, 15

- The Town and Country Planning (Use Classes) Order 1987 (as amended) puts uses of land and buildings into various categories known as Use Classes. For any planning applications submitted the Use Classes will be used to determine it. The Use Classes were last updated on 1 September 2020 and the new Class E introduced uses previously defined in the revoked Classes covering retails uses A1, A2, A3 with other retail uses A4 and A5 being under sui generis.
- Retail need has been established in the 'Broxtowe, Gedling, Nottingham City and Rushcliffe Retail Study (2015)' and the findings of which for Gedling Borough are summarised in Table 50.
- Table 51 shows that the health and diversity of Arnold town centre and local centres is monitored by measuring the percentages of uses of ground floor frontages. The target percentages are set out in Policy LPD 50 of the Part 2 Local Plan.
- Vacancies within Arnold town centre and local centres between 2011 and 2020 are also shown in Table 52.
- No new office floor space (over 1,000 sq. m floor space or 1 hectare site size) has been completed in Arnold town centre during the monitoring period.
- No planning permissions were granted for new retail development (over 1,000 sq. m floor space or 1 hectare site size) within town and local centres during the monitoring period.
- During the monitoring period, two new local centres on the strategic sites
  Teal Close and Gedling Colliery/Chase Farm were approved. Reserved
  matters for a local centre comprising a public house, commercial/retail
  terrace and children's day nursery (2019/0613) granted in May 2021.
  Hybrid application for a balancing lagoon (full application) and outline
  permission for local shops at the Gedling Colliery/Chase Farm site
  (2020/1255) was granted in December 2021. When implemented, the two
  centres will be added to Tables 51 and 52 in future authority monitoring
  reports.
- The amount of retail floor space approved and built outside of defined centres is set out in Table 53. During the monitoring period, two permissions were granted for a new supermarket at Teal Close strategic site and demolition of commercial buildings and the erection of 15 artisan outlets and play barn at Timmermans Garden Centre in Woodborough. A

- new Sainsbury's supermarket was built on the land south of Colwick Loop Road.
- Policy LPD 51 of the Part 2 Local Plan has been used to justify planning permissions for change of use of upper floors to retail uses and other uses. During the monitoring period no permissions were granted for the use of a first floor roof area for retail uses and other uses as shown in Table 54.
- Zero applications for A1 uses above 500 sq. m, and therefore requiring a Retail Impact Assessment under Policy LPD 52 of the Part 2 Local Plan, were determined by the Council during the monitoring period.

#### Community information

5.30. Appendix 1 sets out that the Council will monitor life expectancy at birth, residents' participation in sport and crime by type.

### Monitoring Indicators: ACS Policy 12 & SA 2, 4 / LPD Policy & SA 4

- Life expectancy within the Borough is set out in Table 56. The information is available at the following website <a href="https://www.ons.gov.uk/peoplepopulationandcommunity/healthandsocialcare/healthandlifeexpectancies/datasets/lifeexpectancyestimatesallagesuk">https://www.ons.gov.uk/peoplepopulationandcommunity/healthandsocialcare/healthandlifeexpectancies/datasets/lifeexpectancyestimatesallagesuk</a>.
- Residents' participation in sport in Gedling Borough is set out in Table 57 and Table 58. The data in Table 57 comes from the Active People Survey which ran from 2005 to 2016 and has now been superseded by the Active Lives Survey. The data in Table 58 comes from the Active Lives Survey and available at the following website <a href="https://activelives.sportengland.org">https://activelives.sportengland.org</a>.
- Table 59 shows the number of crimes in Gedling Borough has risen since 2015 and provided by Nottinghamshire Police.

#### **Transport**

#### Parking and transport schemes

5.31. Appendix 1 sets out that the Council will monitor the percentage of planning permissions in accordance with LPD 57; the number of park and ride facilities granted; progress on the delivery of the Gedling Access Road and other schemes promoted in Infrastructure Delivery Plans; the number of major applications approved against County Highways advice; and the number of travel plans agreed.

## Monitoring Indicators: ACS Policy 14, 15 / LPD Policy 57, 59, 60, 61

- Policy LPD 57 of the Part 2 Local Plan and the Parking Provision for Residential and Non-Residential Developments SPD (2022) set out parking standards for developments in Gedling Borough. Conformity with Policy LPD 57 is a planning consideration for all proposals in Gedling Borough.
- Zero planning permissions for major development have been granted contrary to advice from the Highways Authority since 2011. Where objections from statutory bodies are received the Council takes due regard and technical matters would be satisfied by a planning condition upon granting permission.
- Zero park and ride facilities have been granted during the monitoring period.
- Progress made on the delivery of transport schemes promoted in Policy 15 of the Part 1 Local Plan and Policy LPD 60 of the Part 2 Local Plan is set out in Table 60.
- One travel plan in the Borough was approved by Nottinghamshire County Council Highways during the monitoring period. This relates to the planning permission for residential development on the housing allocation site H1 Rolleston Drive (2020/1054).

A612 Colwick Loop Road (bus priority linked to City Southern Growth Corridor)	Road	The scheme was awarded funding from the Transforming Cities Fund which was granted funding approval in March 2020. The County Council have advised that the scheme is currently under investigation.
South Notts Rail Network (Netherfield to Gedling route)	Rail	The County Council is currently safeguarding a scheme for possible construction during the third Local Transport Plan for Nottinghamshire 2011-2026 (LTP3). This scheme does not however feature in the current LTP3 implementation programme.
Minerals Railway "Robin Hood Line" (near Bestwood Village) to Calverton	Rail	The County Council has acquired the former railway line for a possible multi user trail i.e. cycling and walking. The scheme is not however included in a construction programme and is being considered for future implementation within the Local Transport Plan period up to 2026.
Fourth Trent Crossing	Road	No safeguarded scheme at this location.

### Transport usage

5.32. Appendix 1 sets out that the Council will monitor the proportion of households with hourly or better daytime bus services to local centres; the number of cycling trips, the number of public transport trips, traffic growth, travel to work and railway station usage.

### Monitoring Indicators: ACS Policy 14 & SA 11 / LPD Policy & SA 12

- The latest traffic growth in Gedling Borough by cars and cycling is shown in Table 61 and provided by Nottinghamshire County Council Highways. Data for the number of individual journeys is not available. The year 2020 saw a decrease in car traffic and a huge increase of 'leisure counters' during the first lockdown during the covid-19 pandemic, i.e. sites with higher number of cyclists at the weekend than on a weekday, which has influenced the data for 2020.
- Table 62 provides estimated railway station usage in Gedling Borough which shows reduced station usage due to the covid-19 pandemic during 2020/21. The information is available at the following website https://dataportal.orr.gov.uk/statistics/usage/estimates-of-station-usage.
- The main mode of public transport in Gedling Borough is buses. Table 63 sets out the number of bus boardings registered for each service operator. (Data should be treated as indicative as recording depends on the operator).

- In 2011, the proportion of residents who travel to work by bus (9.2%), was lower than 2001 (15%). However, the 2011 level remains approximately twice the county and national average according to the 2011 Census.
- The percentage of households within 800 metres/10 minutes' walk of a bus stop with an hourly or better daytime bus service (weekdays 0600-1800) in Gedling Borough is 94%. The information is based on February 2022 provided from Nottinghamshire County Council Performance, Intelligence and Policy.

## <u>Infrastructure and Developer Contributions</u>

#### <u>Infrastructure delivery</u>

5.33. Appendix 1 sets out that the Council will monitor the implementation of individual schemes in the Infrastructure Delivery Plan and Part 2 Local Plans; that Authority Monitoring reports will be produces and the Infrastructure Delivery Plan periodically updated.

## **Monitoring Indicators: ACS Policy 18**

- The Council updates the Authority Monitoring Report annually reporting on the monitoring indicators of the Part 1 and Part 2 Local Plans policies and the Sustainability Appraisal Monitoring Framework. The Infrastructure Delivery Plan is updated at each stage of local plan preparation and was last comprehensively updated to support the Part 2 Local Plan.
- Given the range and number of projects referred to in the Infrastructure
  Delivery Plans it would be impractical to report on them in detail as part of
  the Authority Monitoring Report. However the Council does periodically
  review the status of individual schemes and information held on individual
  schemes can be provided on request.

### Community Infrastructure Levy (CIL) and Section 106 contributions

5.34. Appendix 1 sets out that the Council will monitor the adoption of a CIL charging schedule and Section 106/ CIL funding.

### **Monitoring Indicators: ACS Policy 19**

- The Council adopted the CIL charging schedule on 16 October 2015. The CIL charging schedule is based on a £/sq. m calculation based on the use and location of proposed development.
- The Infrastructure Funding Statement published December 2022 identifies the Councils priorities for future CIL funding. These include the Gedling Access Road, Gedling Country Park Visitor Centre, secondary school contributions related to the Gedling Colliery/Chase Farm and the Top Wighay Farm strategic sites and Gedling Colliery Country Park Visitor Centre. The Infrastructure Funding Statement is available on the Council's website <a href="www.gedling.gov.uk/cil">www.gedling.gov.uk/cil</a>. Table 64 sets out the key figures relating to CIL receipts.
- The Council annually reports its Section 106 contributions via the Infrastructure Funding Statement and full details are available on the Council's website <a href="www.gedling.gov.uk/cil">www.gedling.gov.uk/cil</a>. Table 65 sets out the key figures relating to Section 106 contributions.
