

## **Report to Cabinet**

**Subject:** Gedling Plan Quarter 1 2023/24 Report

Date: 7 September 2023

**Author:** Senior Leadership Team

**Wards Affected** 

Borough-wide

#### **Purpose**

To inform Cabinet in summary of the position against Improvement Actions and Performance Indicators in the 2023-27 Gedling Plan at the end of Quarter 1 of 2023/24.

### **Key Decision**

This is not a key decision.

#### Recommendation

#### THAT:

The progress against the Improvement Actions and Performance Indicators in the 2023-27 Gedling Plan for the end of Quarter 1 of 2023/24 be noted.

#### 1 Background

- 1.1 The Council has made a commitment to closely align budget and performance management. This is in line with accepted good practice.
- 1.2 To deliver this commitment, systems to monitor performance against revenue and capital budgets, improvement activity and performance indicators have all been brought together and are now embedded in the way the Council works. Whilst the budget and performance information are presented in two separate reports, they are still being reported to Cabinet together and appear on the same agenda.
- 1.3 In addition, performance reports now focus more directly on the Council's priorities and offer an "early warning" system of instances where targets may not be secured.
- 1.4 The assessment criteria used for actions and indicators is based on red, amber and green traffic light symbols. To be assessed as green, performance indicators must be in line with their expected performance at this stage of the year, whilst actions must

be on target against the "completed" or "in progress" milestones determined within the performance management system, Ideagen Risk (formally known as Pentana).

### 2 Proposal

2.1 It is proposed that Cabinet note the performance information for the Gedling Plan 2023-27 at the end of Quarter 1 of 2023/24 as set out below.

#### 2.2 Actions

At this stage, of the 69 actions currently active in the Gedling Plan 2023-27, 1 is complete and the remaining are either in progress or assigned to an Officer. See Appendix 1 for Quarter 1 Actions Report.

There is one completed action as follows:

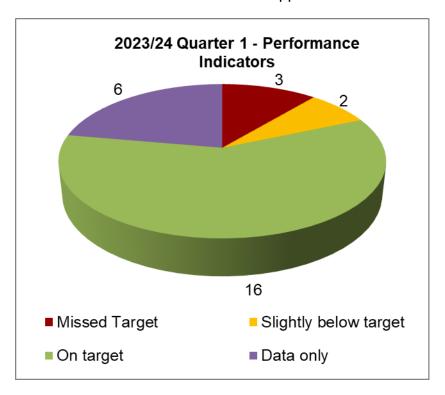

Produce annual report – this was reported to Cabinet on 6 July 2023.

There are two actions where the target date has been missed as follows:

- Provide member induction and training programme all training has been delivered, however the next steps are to look to set up a 'Member Development Working Group'.
- Review current agile working arrangements work to map out the occupancy and usage of desks and offices is ongoing.

#### 2.3 Indicators

Overall indicator performance at the end of Quarter 1 shows that out of a total of 27 indicators: 16 were on or above target, 2 were slightly below target and 3 indicators missed their target. The other 6 are for data tracking purposes only. A report of all Performance Indicators is shown in Appendix 2.

## 2.4 Examples of particularly positive performance for Quarter 1 include:

| Performance Indicator   | Figure reported | Target | Period<br>covered       |
|---|-----------------|--------|-------------------------|
| Number of attendances - Bonington Theatre                               | 10,830          | 10,150 | April to June           |
| Average number of Swim School Members                                   | 3,925           | 3,800  | 12 month rolling period |
| Percentage of Business Rates<br>Collected                               | 30.52%          | 27.37% | April to June           |
| Number of affordable homes delivered (gross)                            | 48              | 15     | April to June           |
| Net additional homes provided   | 161             | 124    | April to June           |
| Percentage of Major planning applications processed within 13 weeks.    | 100%            | 92%    | April to June           |
| Number of long term (over 6 months) empty homes in the Borough returned | 27              | 10     | April to June           |

| to use as a result of Gedling Borough Council intervention |  |  |
|--|--|--|
| Council intervention                                       |  |  |

2.5 The following three performance indicators missed their target at the end of Quarter 1:

Ll075 Average time to process Housing Benefit change in circumstances (in calendar days) – Performance: 7.7 days against a target of 5 days for the period April to June.

The department continues to receive a high percentage of changes in circumstances. This is down to the changes that occur over year-end and into a new financial year. It is projected that the PI will be on target by the end of Q4, however it has been recorded at above 5 days for the last six quarters. In this regard a further review has been requested to test if the 5 day target is now unachievable with current staffing levels.

NI157b Percentage of Minor planning applications processed within 8 weeks - Performance: 73.3% against a target of 86.0% for the period April to June.

The number of applications determined in this category during the quarter was low (15) and the target was missed due to the complexity of some of the proposals and current vacancies within the team.

**NI191 Residual household waste per household in Kg** – Performance: 158.1Kg against target of 150kg.

The aim of lowering the amount of residual waste going to the tip by encouraging residents to put all of their dry recyclables in the recycling bin (as opposed to the residual waste bin) remains problematic.

The current PFI contract between Veolia and the County Council as lead waste authority does not include certain plastic films, fruit cartons, and foils, and this leads to these waste streams going into the residual bin. Equally the current increased figure this quarter is due to greater numbers of loads rejected due to contamination of recycling bins by nappies, food, textiles and glass.

We continue to discuss with the County Council and Veolia measures on how to improve the communication in terms of what can and cannot be recycled. GBC are running a 'Please do not Contaminate your bin' campaign in September 2023 using smart phone QR code technology to educate and change behaviours around this performance indicator. The performance with this indicator has been recorded at above 150 kg for three out of the last four quarters. Whilst this is disappointing, the reality is that without a change to the terms of the current PFI contract, this PI will see little change. In this regard a further review has been requested to establish if this target is unachievable and requires increasing.

### 2.6 Compliments and Complaints

In Quarter 1, the Council received 10% fewer compliments and 25% more complaints than in quarter 4 2022/23. 43% of all complaints that the Council received in Quarter 1 were upheld. Of the complaints that the Council received in Quarter 1, one complaint was escalated to stage 2 and it was classed as unjustified.

The complaints continue to be reviewed by the Senior Leadership Team and any lessons learnt are shared across the relevant team(s).

#### 2.7 Achievements

A separate report has been produced highlighting additional key achievements delivered during quarter 1, focusing on areas where the Council has made a real difference to people's lives. This is shown in Appendix 3 and is available on the Council's website. The following achievements are identified for particular attention:

Arnold Summer Fair – Organised by our Community Relations team, a celebration of community and diversity took place at Arnot Hill Park in June with the Arnold Summer Fair, an inclusive and multicultural event featuring live music, creative workshops, performances, stalls and more. Our Communications team produced an online campaign to invite residents to the event including a Facebook event, which received over 60,000 engagements and 1,000 participants stating they would be interested in attending. Posters, social media posts and press releases were also issued as part of the campaign and reports indicate the event was well attended. The multicultural themed celebration held a particularly special significance this year as it coincided with the 75th Anniversary of the Windrush arrivals and was an opportunity for residents to embrace diversity and celebrate the vibrant multicultural heritage of the area.

Films for a Fiver - A new money saving offer was launched at The Bonington Theatre, Arnold, to help make cinema more accessible and affordable for people on a low income. The 'Films for a Fiver' promotion means visitors can buy tickets for film screenings on Tuesdays for £5, allowing them to watch the latest Hollywood blockbusters and independent films at a reduced cost. Our Communications Team helped to promote the scheme via a press release and photo opportunity with the Leader of the Council and also promotion on social media, which generated a high amount of positive engagement with residents.

**Cost of living event** – this was organised in partnership between GBC, NCC and South Notts PBP and took place at Arnold Methodist Church. The event was supported by a range of stall holders including Inspire, Arnold Foodbank, Health and Wellbeing Hub, Citizens Advice, Nottingham Energy Partnership and Nottinghamshire mental health support services.

**Measures to address car cruising** – we announced further proactive measures to address the ongoing car cruising nuisance that has been affecting several wards in the area. Recent incidents of car cruising, predominantly at the Victoria Retail Park in Netherfield, Mile End Road, Loop Road, and surrounding areas in Netherfield, Colwick and Trent Valley wards, have led to significant disturbances for residents. At a Cabinet meeting held in June, Gedling Borough Councillors approved a Public

Space Protection Order (PSPO) to come into force. A PSPO imposes restrictions on the use of an area to ensure that the majority of law-abiding citizens can enjoy public spaces free from anti-social behaviour. The proposed PSPO includes conditions to address the anti-social behaviour associated with car cruising activities. It means that anyone in the area, including bystanders who are attending car cruising events, will be issued with a fine.

In addition to the PSPO, GBC has taken steps to enhance surveillance and monitoring in the affected areas. Recently, CCTV cameras have been installed on the Colwick Loop Road near Sainsbury's, while four Automatic Number Plate Recognition (ANPR) cameras have been placed along the Loop Road. These security measures are being funded by the Nottinghamshire Police and Crime Commissioner's Safer Streets fund, as part of the joint work with GBC and the Police ensuring the safety and well-being of the community.

**Local Elections -** The Democratic Services Team administered the local elections with all 19 wards of the Council being contested – there were also contests in all 3 parish wards in Calverton. The team received and processed 219 nomination forms from candidates in the borough across an intense 7-day period. This year was the first elections that were ran under the new voter ID requirements, so several changes were made to the process which placed a large additional workload on the team. The elections ran smoothly and the process of the verification and count went very well with positive feedback being received from election staff, internal officers, candidates, agents and councillors.

**Members Induction Programme** - The Democratic Services team planned and executed a full and detailed Members' induction programme to ensure that new councillors had all of the tools they needed to start their new term at the Council. 13 training sessions were held which were delivered by Democratic Services, planning, finance and legal. The training topics included things such as health and safety, data protection, council finances and specific committee training. A Members Development Working Group will soon be formed to ensure members training remains a priority for the team.

### 3 Alternative Options

3.1 Not to present an update on quarterly performance, in which case Cabinet members will not be aware of performance against the Gedling Plan 2023-27.

#### 4 Financial Implications

**4.1** There are no financial implications arising out of this report.

#### 5 Legal Implications

**5.1** There are no legal implications arising out of this report.

#### 6 Equalities Implications

**6.1** There are no equalities implications arising out of this report.

## 7 Carbon Reduction/Sustainability Implications

7.1 There are no carbon reduction/sustainability implications arising out of this report.

## 8 Appendices

8.1 Appendix 1 – Quarter 1 Actions Report

Appendix 2 – Quarter 1 Performance Indicator Report

Appendix 3 – Examples of Outcomes/Achievements during Quarter 1 of 2023/24.

## 9 Background Papers

9.1 None identified.

## 10 Reasons for Recommendations

10.1 To ensure Members are informed of the performance against the Gedling Plan 2023-27.

## **APPENDIX 1**

## **Quarter 1 Action Report**

|   | Action Status                      |  |  |  |  |  |  |  |
|---|------------------------------------|--|--|--|--|--|--|--|
| × | Cancelled                          |  |  |  |  |  |  |  |
|   | Overdue; Neglected                 |  |  |  |  |  |  |  |
|   | Unassigned; Check Progress         |  |  |  |  |  |  |  |
|   | Not Started; In Progress; Assigned |  |  |  |  |  |  |  |
| 0 | Completed                          |  |  |  |  |  |  |  |

This is down to the changes that occur over yearend and into a new financial year. It is projected that the PI will be on target by the end of Q4, however it has been recorded at above 5 days for the last six quarters. In this regard a further review has been requested to test if the 5 day target is now unachievable with current staffing levels. |

## **GEDLING**

**PLAN** 

2023-2027

# **Examples of Achievements and Activities**

**During** 

Quarter 1 - 2023/24

## **ECONOMY**

To encourage and support healthy businesses in our town and local centres, improving local skills and employment opportunities, and promoting an economy that attracts visitors throughout the day and supports leisure activity.

Skills and Employment - the council will support local people into employment using its influence and connectivity with partners to create jobs, and provide support and training.

<u>Jobs Fair</u> - in partnership with the DWP, our Economic Growth and Regeneration service held a jobs fair at the Civic Centre in May 2023. There were 136 attendees, a 22% increase on the February event. A total of 24 exhibitors attended (13 employers, 11 training providers), as well as the Careers Hub. Analysis shows that the majority of people attended came from Arnold (93), with 5 from Calverton, 1 from Woodthorpe, 2 from Netherfield, 2 each from Carlton and Gedling.

<u>Supported Intern Scheme</u> - Since March 2022 Revenues Services have been able to support this scheme giving the opportunity to a local, young individual to learn about what our service as well as the wider Council provides to the borough. The scheme for this particular individual has now come to an end and June saw lots of celebrations/presentations to praise our intern and us as a host, for how well this scheme went and the benefits it brought to us both.

# Business - a local economy that attracts new business investment enabling growth and the creation of jobs.

<u>Business Support Surgery</u> – our Economic Growth and Regeneration (EGR) team held a Business Support Surgery during quarter 1 in conjunction with the Nottinghamshire County Council/Growth Hub Adviser. A variety of topics were discussed and all businesses were at a different point in their development.

<u>D2N2 Funding Bid</u> - our EGR team submitted a funding bid to D2N2 for £694k in June to further develop Hillcrest Park at Calverton, with an additional 4 small business units, including PV panels and EV charging points, as well as PV panels for the existing units. A decision is expected towards the end of July 2023. Based on the tenants of the existing units, it is anticipated that the development would create an additional 18 jobs.

<u>Decarbonisation Support</u> - in conjunction with other District and County Councils our EGR team completed the UKSPF Joint Commissioning project with East Midlands Chambers awarded the

delivery contract. The contract will provide decarbonisation support to small businesses across the Borough (SPF E29 Intervention (decarbonisation)).

<u>Tender</u> - The EGR Service has completed the preparation of tender documentation for release in Q2 to secure a Small Business Adviser and Retail (High Streets) Adviser.

Our <u>Town Centre Manager</u> has continued to develop relationships and visibility with local businesses not only in Arnold, but across all our local centres that will provide a network for local initiatives and business support.

# Town and Local Centres - to provide vibrant town and local centres that attract shoppers and leisure users.

<u>Arnold Town Centre</u> - our Economic Growth and Regeneration Team through the UKSPF fund coordinated the installation of 12 hanging baskets and 22 lamppost mounted hanging baskets to enhance the Town Centre for shoppers and visitors. The team have also drafted a market organiser (AMP) tender to be released in Q2 and an events plan for Q2 (summer period) to increase footfall into the Town Centre.

<u>Town Centre Manager</u> - During the course of the last quarter, our Town Centre Manager has developed strong working relationships with the Police to address a range of Town Centre issues and is now an established a member of the Police Partnership Group.

## **COMMUNITY**

To enable a resilient, empowered, connected, inclusive and healthy community.

# Poverty and the Vulnerable - financially vulnerable residents are supported through our welfare services and community partnerships.

<u>Films for a Fiver</u> - A new money saving offer was launched at The Bonington Theatre, Arnold, to help make cinema more accessible and affordable for people on a low income. The 'Films for a Fiver' promotion means visitors can buy tickets for film screenings on Tuesdays for £5, allowing them to watch the latest Hollywood blockbusters and independent films at a reduced cost. Our Communications Team helped to promote the scheme via a press release and photo opportunity with the Leader of the Council and also promotion on social media, which generated a high amount of positive engagement with residents.

<u>Energy Bill Schemes</u> - A further two Energy Bill schemes, EBSS-AF and AFP-AF, successfully administered by Revenues Services to support our harder to reach customers such as those in care homes.

Household Support Fund - Customer Services have made 506 referrals this quarter for the Household Support Fund. Payments will made automatically to the same households in the winter. Households receive £60 towards help with utility bills and £30 per member of the household for food. We have also made 25 referrals for white goods to households struggling to replace fridges/cookers/washing machines. We have been able to identify struggling households by working from foodbanks, giving benefit advice and dealing with council tax debt. Our partners, Citizens Advice Bureau, Department for Work and Pensions, and foodbanks and community hubs have also identified households and worked with us for the referral.

<u>Cost of living event</u> – this was organised in partnership between GBC, NCC and South Notts PBP and took place at Arnold Methodist Church. The event was supported by a range of stall holders including, Inspire, Arnold Foodbank, Health and Wellbeing Hub, Citizens Advice, Nottingham Energy Partnership and Nottinghamshire mental health support services.

<u>Carlton Community Hub's Food Club</u> – Support was provided to Hope Nottingham to enable the setup of Carlton Community Hub's Food Club. The Food Club provides families and individuals with a box of good quality food for £3.50 a week. The Food Club runs every Thursday 12:30pm-2pm.

# Children and Young People - in partnership, improving the life chances and opportunities for our children and young people.

Gedling Youth Council meeting held Mon 17th April:

- Held YP Mental Health Commissioner to account
- Identified opportunities to support Awareness Days/weeks/months, including World Environment Day
- Nominated YC representative onto Gedling Social Mobility Commission
- Incoming Youth Mayor, YC Chair and committee members elected.

Youth Mayor - Incoming Youth Mayor formally appointed at Council AGM 24th May.

# Equality, Diversity and Social Inclusion - providing opportunities for all people to connect and live, work and socialise together, and have equal access to services.

Refugee Week – as part of Refugee Week, Gedling celebrated the way our community has opened its arms to help people who have fled conflicts in places like Ukraine and Syria. It was also a chance to celebrate our diverse culture and highlight those who have come to this country from across the globe and now call Gedling home. As part of the Arnold Summer Fair, we had performances from the Ukraine Male and Female choirs, alongside the Brazilian and African music performances, Windrush generation poetry readings and engagement work throughout the day with the Windrush generation on the Standing In this Place immersive arts and sculpture project.

Arnold Summer Fair – Organised by our Community Relations team, a celebration of community and diversity took place at Arnot Hill Park in June with the Arnold Summer Fair, an inclusive and multicultural event featuring live music, creative workshops, performances, stalls and more. Our Communications team produced an online campaign to invite residents to the event including a Facebook event, which received over 60,000 engagements and 1,000 participants stating they would be interested in attending. Posters, social media posts and press releases were also issued as part of the campaign and early reports indicate the event was well attended. The multicultural themed celebration held a particularly special significance this year as it coincided with the 75th Anniversary of the Windrush arrivals and was an opportunity for residents to embrace diversity and celebrate the vibrant multicultural heritage of the area.

<u>Successful grant applications</u> – we provided support to Handmade Theatre Company to enable successful grant applications to Arts Council England and the National Lottery. This funding will allow Handmade to work with community hubs and care settings around the borough to develop and perform a show 'Tell Me a Story' focusing on reminiscence, story sharing and recording childhood memories.

#### Climate Change community engagement activities:

- First 'climate change school assembly' to 315 children and all staff to celebrate Earth Day in the Borough.
- Delivered 'climate change lessons' to 61 children in years 5 and 6.
- Undertook a bin lorry visit to a local school and engaged with 60 children.

Excellent feedback was received for all of these engagement events.

# Health and Wellbeing - work with Health Service partners to enable residents to lead healthy lives through positive social and physical activity.

<u>Funding secured for DNA Health and fitness scheme access</u> - The leisure department have been successful in securing £3,000 worth of funding through the Active Partner Trust which will fund thirty 3-month memberships of Gedling's DNA Health and fitness scheme. These memberships are being handed out to residents via partner organisations with the aim of providing a longer-term pathway of physical activity opportunities for people living with a health condition who are already accessing the leisure centres for short-term courses. The funding will enable people to access and try out the wider leisure offer to support them to bring in more physical activity to their daily life.

<u>Funding secured for residents living with Parkinson's</u> - The leisure department has secured £1,730 of funding from the Parkinson's UK Physical Activity Grant for 2023 to help support the start-up of an activity session specifically for people living with Parkinson's in the borough. Research has shown that taking part in regular physical activity can positively impact patients' symptoms, both physically and mentally. Gedling's Health Activity Officer Sue Prochnicki will run the session at Redhill Leisure Centre combining aerobic fitness, strength training, balance and core control, and stretching to support the attendees in order to have a better quality of life and make everyday tasks easier.

<u>Drowning Prevention Week event</u> - The leisure centres carried out their annual Drowning Prevention Week event which saw over 2,500 learners take part in activities to raise awareness and learn lifesaving skills in and around water. Feedback from participants was very good and everyone came away with a free Drowning Prevention Week 2023 certificate.

<u>Covid Vaccination clinic</u> - we provided support to enable a pop up Covid Vaccination clinic in Calverton and the surrounding rural areas. Over 100 vaccinations were given during the clinic that took place at the Core Centre in Calverton.

<u>Health and Wellbeing e-newsletter</u> – our monthly Health and Wellbeing e-newsletter has covered the following topics over the last quarter: Dementia support information, weight management support, suicide prevention, Daybook Community Café, Age UK – Gentle Walk and Talk, Mental Health Awareness week and local mental health services, Loneliness awareness week, Diabetes week.

<u>Breast Feeding Friendly scheme</u> - The following venues have signed up to the Breast-Feeding Friendly scheme between April and June: Tree Tops, Friar Tuck, Daybrook Medical Practice and

Health Centre, Stenhouse Medical Practice and Razzle Dazzle Pots. Over 30 venues are currently signed up to the scheme in Gedling.

<u>Fitter Tomorrow programme</u> – we provided support to Synergy Primary Care Network to enable their Fitter Tomorrow programme, a programme designed for adults aged 55+ that have been identified by their GP. The programme is a 6-week programme delivered by ABL at Carlton Forum Leisure Centre. The first cohort have completed the programme and the programme is now full until December.

## **PLACE**

To enable a safe, attractive, clean and culturally vibrant borough that plays its part to tackle the climate emergency.

Cleanliness, Environment and Climate Change - cleanliness of our built environment and the protection and enhancement of our natural environment, including our waterways, parks and open spaces, habitats and wildlife; minimising pollution and waste by influencing the council's and borough's carbon emissions.

Funding secured for Lambley Lane play area – working in partnership with the local community, we secured funding of £100k from FCC Communities Foundation to improve Lambley Lane Recreation Ground play area. The works are due to start in November and will see the old equipment and flooring removed and replaced with a brand-new play area, complete with a 30-metre zip line, swings, slides and climbing frame, as well as a number of accessible and inclusive facilities including a DDA compliant roundabout, trampoline, basket swing and play panels. The new equipment will be suitable for children up to the age of 12. The bid for funding was made in partnership with Gedling Park's Community Group and included a consultation with three local primary schools, All Hallows Primary School, Priory Junior School and Willow Farm. Children from each school had their say and gave suggestions for what they wanted to see at the site.

<u>Green Lung Project update</u> - we have been successful in obtaining a grant to plant 2,500 trees on Digby Park as part of the Green Lung Project. This funding was received from Trees for Climate via Nottinghamshire County Council's Green wood team.

<u>Green Rewards Scheme</u> - Nottinghamshire Climate Change Partnership has been highly commended in the Municipal Journal (MJ) Achievement Awards for 'Innovation in Partnership' for the Notts Green Rewards online platform. The project was shortlisted from 63 entries and made it to the finals, alongside eight other shortlisted entries. The same Green Rewards Scheme is also shortlisted as a finalist for the APSE awards for 'Best Collaborative Working Initiative'.

<u>Climate change grant funding</u> - Net Zero Living Fast Followers competition, Gedling submitted a competitive funding application to Government in partnership with other LA's within D2N2 (Derby City, Derbyshire, Nottingham City, Nottinghamshire). The funding application has been successful. This will result in a project to deliver a co-ordinated approach in to work toward Net Zero carbon emissions across D2N2. It will fund a 'Net Zero Delivery and Innovation Manager' for two years, and this post will work with Gedling Borough Council and its partners for up to 2 days a month to strengthen the delivery on the carbon management strategy and actions to reduce carbon emissions in the community.

Pride of Place - developing sustainable community hubs and infrastructure, and encouraging volunteering and participation in cultural activity and preserving our heritage.

<u>Armed Forces Flag Raising</u> - the Mayor of Gedling along with representatives of the Armed Forces rose the Armed Forces Flag at the council offices at Arnot Hill Park in June. Armed Forces Day is a chance to show support for the men and women who make up the Armed Forces community, from currently serving troops to Service families, veterans and cadets.

<u>King's Coronation</u> – Our residents were able to watch the event live and for free on two big screens in the Borough. The Coronation was shown live on the cinema screen at the Bonington Theatre in Arnold and also at the Richard Herrod Centre in Carlton.

<u>Funding Fair</u> – we provided support to N&SCVS with the delivery of a Funding Fair for community groups and organisations. Over 60 organisations attended the event and were able to get advice on funding from the following funders: Severn Trent, Coalfields Regeneration Trust, National Lottery, Gedling Borough Council and Nottinghamshire County Council.

#### Grants provided:

- Gedling Artists network to enable them to deliver an open studios event at Westdale Lane Community Centre. The event was part of Nottinghamshire Open Studios, a network of events for artists and makers across the County taking place in May each year. Gedling Artists are a collective of six local artists and makers who run their own independent businesses in the borough.
- The Newstead Centre to provide a community celebration for the Coronation of King Charles III. The event was the focus of community activity in Newstead around the Coronation and was also supported by local businesses. Feedback from organisers confirmed that this event helped to reduce social isolation in the village by allowing people to come together in their community, some of whom did this for the first time since the Covid-19 pandemic.

<u>Members' grants awards</u> – So far this year, 13 grants were awarded in the region of £3k to various community groups, for example Bags of Blessings, Burton Joyce Football Club, Calverton & Gedling Art Society, Eagles Nest Church, The Wolfpack Project, Gedling Family Village Gala, and Friends of Valley Road Playing Fields.

<u>Community E Newsletters</u> - Three Community E-Newsletters were circulated to 7,000 community contacts between April and June. Information Shared included the Armed Forces Breakfast Club, Daybrook Community Café, Fare Share Midlands Community Meals Service, Arnold Summer Fair, The Core Centre, St. Tim's School Essential Scheme, Memory Café at Netherfield.

<u>Gedling Country Park update</u> - The Friends of Gedling Country Park working alongside the park rangers have successfully raised £13k for tree planting in the existing woodlands at Gedling Country Park.

# Community Protection - reducing crime and the fear of crime so that residents feel safe and protected in their neighbourhoods, and the licensing and regulation of businesses for health and hygiene safety.

<u>Community Protection promotion campaigns</u> – The Communications team worked on two campaigns to promote Community Protection. The first was following a court hearing that found a local couple guilty of illegal dog breeding. The Communications Team, working alongside the Legal Team and Licencing Team, issued a press release to promote the result and highlight the importance of having a licence to breed dogs. The release was picked up the local press and was well received by residents.

The second campaign was to promote the Public Space Protection Order in Colwick. Several press releases were issued, some jointly with Nottinghamshire Police. The Leader and Portfolio Holder for Public Protection also appeared on local media including an interview with Notts TV and a radio interview with BBC Radio Nottingham. Initial findings have shown a reduction in antisocial behaviour in the area and a positive response from local residents to the Council's activities.

<u>Illegal dog breeding</u> – Following the hard work of our licensing and legal officers, we successfully prosecuted a couple from Arnold at Nottingham Magistrates Court for breeding and selling dogs without a licence. By law, individuals who breed three or more litters within a 12-month period or engage in dog breeding for business purposes must obtain the necessary licence. Licences are issued by the Council and ensure that the breeders act responsibly and within the law, as well as protecting customer's rights and the safety of the animals.

Measures to address car cruising – we announced further proactive measures to address the ongoing car cruising nuisance that has been affecting several wards in the area. Recent incidents of car cruising, predominantly at the Victoria Retail Park in Netherfield, Mile End Road, Loop Road, and surrounding areas in Netherfield, Colwick and Trent Valley wards, have led to significant disturbances for residents. At a Cabinet meeting held in June, Gedling Borough Councillors approved for a Public Space Protection Order (PSPO) that has come into force. A PSPO imposes restrictions on the use of an area to ensure that the majority of law-abiding citizens can enjoy public spaces free from antisocial behaviour. The proposed PSPO includes conditions to address the antisocial behaviour associated with car cruising activities. It means that anyone in the area, including bystanders who are attending car cruising events, will be issued with a fine.

In addition to the PSPO, Gedling Borough Council has taken steps to enhance surveillance and monitoring in the affected areas. Recently, CCTV cameras have been installed on the Colwick Loop Road near Sainsbury's, while four Automatic Number Plate Recognition (ANPR) cameras have been placed along the Loop Road. These security measures are being funded by the Nottinghamshire Police and Crime Commissioner's Safer Streets bid, as

part of the joint work with Gedling Borough Council and the Police ensuring the safety and well-being of the community.

Gedling Seniors Council safety meeting – meeting held in May with the theme "Safety when out and about". Guest speakers from Gedling Policing Team and VIA East Midlands heard and responded to concerns around dangerous use of electric scooters, pavement parking and other highways vulnerabilities experienced by older people when out in the community. Cyber safety and scamming also covered, to be picked up further at a future meeting. Members also considered a refreshed Terms of Reference for the Seniors Council, to be formally adopted at the next meeting on 14th July and provided details of achievements to be included in a Council Website page promoting awareness of, and signup to the Gedling Seniors Council.

# Housing - individuals and families can access high quality, affordable and energy efficient housing to bring life to neighbourhoods.

<u>Temporary Accommodation</u> - Following a review of the current demand for temporary accommodation within the Borough, a decision was agreed at Cabinet in March 2023 permitting the Housing and Welfare Service Department to secure a further 7 properties on the open market during 2023/24. These properties will help improve the quality of the temporary accommodation provided by the Council whilst reducing the reliance on bed and breakfast suppliers.

The Council's Housing and Welfare Service working with Property Services has been viewing potential properties within the Borough and to date have had 3 offers accepted. Completion is anticipated in Q2 subject to satisfactory surveys and searches.

Affordable Housing - A decision was agreed at Cabinet in March 2023 to develop Burton and Station Road for affordable housing in partnership with a Registered Social Provider. A soft market exercise has been completed and a recommendation is to be prepared for Cabinet in September 2023.

<u>Household Energy Efficiency Retrofit</u> - The delivery of the Sustainable Warmth Competition Government funding is ongoing. The Home Upgrade Grant element concluded at the end of May for properties not connected to the gas network. Five homes were upgraded and any unused funding has been transferred to the Local Authority Delivery Phase 3 scheme (LAD3). LAD3 is due to conclude at the end of September and so far 28 homes have received energy efficiency measures.

## THE COUNCIL

To ensure the council is a healthy place to work, it engages with its customers, has a focus on improvement, is financially sound, and ensures compliance with all relevant legislation.

## Customer Engagement - our customer experience is the best possible and our facilities and services are accessible to all.

Revenues E-Billing sign-up and competition - Since go live early March 2023, roughly 6,600 customers have now signed up to access their bills/invoices online. To incentivise take up, Revenues Services also ran a competition which entered all those who signed up into a prize draw. This competition has now closed, and the prize winners drawn. Our first winner collected their prize this week with the other two winners to collect soon.

<u>Outreach Sessions</u> – our Customer Services team has seen over 200 residents at the outreach sessions in Carlton and Calverton this quarter, mainly providing help with accessing benefits and housing advice.

## Innovation and Improvement - we strive to make improvements by doing things differently and collaboratively, using digital transformation of our services.

<u>Communications Masterclass Event</u> - The Communications Manager was invited to attend a masterclass held in Birmingham in April by Comms2Point0 to speak to other councils and communications about the team's success winning the Small Team of the Year award. He presented the Communications Strategy and talked about the way the team incorporates the Council's Gedling Plan in its work. The event was attended by over 100 local authorities and private sector communication providers.

<u>Local Elections</u> - The Democratic Services team administered the local elections with all 19 wards of the council being contested – there were also contests in all 3 parish wards in Calverton. The team received and processed 219 nomination forms from candidates in the borough across an intense 7-day period. This year was the first elections that were ran under the new voter ID requirements, so several changes were made to the process which placed a large additional workload on the team. The elections ran smoothly and the process of the verification and count went very well with positive feedback being received from election staff, internal officers, candidates, agents and councillors.

<u>IT Projects</u> completed during this quarter included provision of support for the smooth-running of the local elections and the re-deployment of iPads to new members.

<u>Members Induction Programme</u> - The Democratic Services team planned and executed a full and detailed members induction programme to ensure that new councillors had all of the tools they needed to start their new term at the council. 13 training sessions were held which were delivered by Democratic Services, planning, finance and legal. The training topics included things such as health and safety, data protection, council finances and specific committee training. A Members Development Working Group will soon be formed to ensure members training remains a priority for the team.

# Governance and Compliance - governance and decision-making is transparent and evidence-led, and services continue to be delivered in accordance with legislation and professional guidance.

Recruitment and Selection Training - As required by the Action Plan arising from the Council's Equality Framework, training in recruitment and selection has now been delivered to the Appointments and Conditions of Service Committee. This is the committee that is responsible for appointment of Chief Officers and the Chief Executive.

Reports were made to Government Websites to notify of Gender Pay Gap and Trade Union Facilities Data.

<u>Civic Centre Lift Replacement</u> - our Property Team completed the lift replacement project at the Civic Centre. Fire Alarm Works are on schedule for next quarter.

<u>UK Share Prosperity Fund (UKSPF)</u> – our Economic Growth and Regeneration team's UKSPF year 1 submission was approved.

<u>Gedling Legal</u> – our Legal Services team received over 100 instructions in quarter 1 which is an increase on last year. This increase both internally and externally demonstrates the success of the team's reputation.

# Financial Management - we continue to deliver a balanced budget and receive unqualified opinions from our external auditors.

<u>Revenue Accounts</u> - our Revenue Accounts were closed down for 2022/23 this quarter. The Revenue Outturn net position on services was an underspend, however some late adjustments for business rates meant that a final net overspend position for the Council was recorded.
