

Name of project, policy, function, service or proposal being assessed:	Gedling Borough Local Development Scheme 2024-2027			
The main objective of (Gedling Borough Local Development Scheme):	The Planning and Compulsory Purchase Act 2004 requires the Council to prepare and maintain a Local Development Scheme which is a project plan setting out the timescales for the preparation of planning documents to be prepared.			
What impact will this (Gedling Borough Local Development Scheme 2024 - 2027) have on the following:				
Category	Negative	Positive	No impact/ Negligible change	Mitigation/ Comments
Behaviour & Culture Change		Positive impact		LDS will confirm the timing of the publication of the development plan which will allow for the increase in awareness of climate change through communication and engagement through working with the Greater Nottingham Partnership and publication of GNSP.

				<p>The strategy and individual policies in the GNSP (specifically Policy 1 Climate Change) present a cross cutting approach across a range of policy topics.</p>
Built Environment		Positive impact		<p>LDS will confirm the timing of the publication of policy support for sustainable construction and design and make allowances for adaptation to future changes in climate.</p>
Transport		Positive impact		<p>LDS will confirm the timing of the publication of policies encouraging active travel through the integration of land use and travel and reduce reliance on the car. The Infrastructure Delivery Plan confirms infrastructure requirements.</p>

Climate Impact Assessment

Energy, Natural Resources & Climate Change		Positive impact.		<p>LDS will confirm the timing of the publication of policies encouraging renewable and low carbon energy schemes appropriate for the plan area. Development should not increase the risk of flooding and Sustainable Drainage Systems will be incorporated into all new development.</p> <p>Policy support is provided to working towards Future Home Standards by 2025 and facilitated the delivery of zero carbon homes.</p>
Waste Reduction & Recycling				<p>LDS will confirm the timing of the publication of policies encouraging the reduction in energy demand through waste minimisation and use of recycled materials.</p>

Blue-Green Infrastructure/Biodiversity		Positive impact		LDS will confirm the timing of the publication of policies encouraging developments to integrate with existing blue and green infrastructure networks on sites.
Procurement & Purchasing			No impact
