

Appendix 2 Ambition Arnold One Public Estate Programme 10 Grant Award

The main objective of					The Ambition Arnold project main objective is to develop a town centre masterplan and a viable business case for redevelopment to the north of the town. The business case will provide the basis for future funding applications and the overall project is intended to address the current decline of the town particularly in the north, poor connectivity and public realm, anti-social behaviour and assets that are at end of life (carbon inefficient) and in a poor condition. The project is intended to develop a framework for interventions that will enhance the town and ensure its long-term sustainability thereby supporting business, jobs, and access to services for the Arnold and wider Gedling communities.
What impact will this have on the following groups? Please note that you should consider both external and internal impact: <ul style="list-style-type: none"> • External (e.g. stakeholders, residents, local businesses etc.) • Internal (staff) 					
Please use only 'Yes' where applicable		Negative	Positive	Neutral	Comments
Gender	External			Yes	The Ambition Arnold project main objective is to develop a town centre masterplan and a viable business case for redevelopment to the north of the town. The project is intended to address the current decline of the town particularly in the north, poor connectivity and public realm, anti-social behaviour and assets that are at end of life (carbon inefficient) and in a poor condition. The project is intended to develop a framework for interventions that will enhance the town and ensure its long-term sustainability thereby supporting business, jobs, and access to services for the Arnold and wider Gedling communities. The project will not differentiate between persons who share a relevant Protected Characteristic and persons who do

					not share that Protected Characteristic but will ensure views are included in development
	Internal			Yes	
Gender Reassignment	External			Yes	
	Internal			Yes	
Age	External		Yes		The project will aim to provide spaces and facilities that promote inter-generational interactions and provide positive interventions for all age groups where feasible and deliverable
	Internal			Yes	
Marriage and civil partnership	External			Yes	
	Internal			Yes	
Disability					
	External		Yes		The project will consider accessibility and inclusivity within the scope of the masterplan and any design developments
