

### General Policy on Street Trading in Arnold

#### 1.0 Purpose of the Policy Statement

This statement sets out the Council's policy framework for the management of street trading in Arnold Town Centre. The purpose of the Policy is to ensure a high quality street trading provision in the Centres, allowing for markets and fairs to contribute to a thriving shopping environment.

#### 2.0 Background/Definition of Street Trading

The Council adopted Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 on 6<sup>th</sup> June 1983. This entitles the Council to manage street trading in its area by designating streets as 'consent streets', 'license streets' or 'prohibited streets'.

'Street Trading' is defined in the Schedule as 'the selling or exposing or offering for sale any article (including a living thing) in a street'. A 'street' includes any road, footway or other area to which the public have access without payment.

A list of the streets covered by this policy is attached as Appendix A and maps showing the streets is attached as Appendix B.

#### 3.0 Application Procedure

Applications must be received by the Council's Licensing Section no less than fourteen days prior to the proposed date of the consent coming into effect. The application must be accompanied by the appropriate fee and a plan showing the exact location at which the applicant wishes to trade. All plans should be 1:1250 scale and should show all residential and commercial premises within a 100m radius of the proposed site.

Upon receipt of an application, the Council will consider each application on its merits taking account of the General Policy provisions and objectives.

#### 4.0 General Policy on Street Trading

In order to fit within the council's aims around the promotion of vibrant town centres, this policy is defined by a clear set of principles:

1. The Council will not grant consent to trade from a stationary van, cart, barrow or other vehicle.

In addition, consent will not be given to the following trades:

- a) Obscene or undesirable publications or articles
- b) Goods or articles manufactured on the stall (except for small scale arts and crafts)
- c) Any goods with alcoholic content
- d) Goods or articles deemed not to comply with appropriate Environmental Health or Trading Standards legislation
- e) Any live animals
- f) Any trade which is likely to cause a nuisance to residents or to give rise to, or encourage, public disorder

However, this list is not exhaustive

2. The Council will only grant consent for street trading that supports events to boost trade in the town/district centres.
3. The Council does not have any fixed street trading locations or specific number limitations within those areas designated as consent streets. However, applications will only be granted where it is considered that the trader will add to existing amenities and be of benefit to the residents of and visitors to Gedling borough. It is unlikely that applications for locations close to existing street traders or where they could obstruct busy pedestrian routes or access to or from nearby premises will be granted. Also, where there are waiting and loading restrictions in place, appropriate waivers or consents to use that location must be obtained where necessary.
4. All applications must meet all the following objectives:
  - a) To support the local economy, businesses and retailers by increasing footfall within the centres.
  - b) To attract new visitors, residents and shoppers to the centres.
  - c) To create a welcoming atmosphere for visitors, residents and shoppers.
  - d) To provide an opportunity to trade for local businesses.
  - e) To complement existing retailers and businesses within the centres.
  - f) To provide a diverse and alternative offer of products to residents, visitors and shoppers.
  - g) To build a programme of successful town centre events to support local traders.
5. The council will not grant permission for any trader to operate for any more than 16 days within a calendar year.
