

Name of project, policy, function, service or proposal being assessed:	Market Consultation			
The main objective of (please insert the name of accessed document stated above):	Extension of the relocation of Arnold Market Stalls on a temporary basis. To establish the permanent trading site of the weekly market.			
<p>What impact will this (please insert the name of project) have on the following: Please read guidance before completing. For each category, insert a tick/yes against the impact and include mitigation/comments for each category.</p>				
Category	Negative	Positive	No impact/ Negligible change	Mitigation/ Comments
Behaviour & Culture Change			No impact , due to it already in temporary situ.	
Built Environment			No impact due to the adaptation of access to the Eagle Square, in the form of a slope. Alongside many access routes to enter and exit the market place.	

Transport			No Impact as the market is already trading temporarily with planning permission in place.	

Climate Impact Assessment

Energy, Natural Resources & Climate Change			No impact or change to any natural resources surrounding the site.	
Waste Reduction & Recycling			Waste and recycling bin store in place with a collection rota in place.	
Blue-Green Infrastructure/Biodiversity			No impact on urban greenery.	
Procurement & Purchasing			No procurement or purchasing required as the market assets are already erected and in use.	

In response to the information provided above please provide if there is any proposed action including any consultation that is going to be carried out
