LICENSING PANEL & COMMITTEE HEARING PROCEDURE

- 1. Upon notification that a matter is to be put before a Licensing Panel or the Committee, the applicant, interested parties and the responsible authorities shall within the time period provided for in the relevant regulations give notice to the Licensing Office stating
 - i. Whether they intend to be represented at the hearing
 - ii. The names and addresses of any witnesses that they intend to call
 - iii. The time estimate for their presentation/representations to the Committee
 - iv. Whether they consider a hearing to be unnecessary
- 2. Where a large number of interested parties are involved they will be encouraged to appoint a spokesperson or spokespersons so as to avoid duplication of evidence in so far as is possible.
- 3. Anyone invited to attend before a Panel or the Committee may bring legal or other professional representatives with them if they so wish. Advocates are, however, reminded that these are civil proceedings and inquisitorial rather than adversarial in nature. Aggressive advocacy is not encouraged and will not be tolerated.
- 4. Copies of the application and representations made by the parties will have been circulated to members prior to the hearing. However in appropriate cases, where a matter is to proceed to a hearing the applicant will be expected to supply a further 6 copies of the plan accompanying the application for use at the hearing. The hearing will concentrate solely on those areas of the application which are in dispute. The Authority is under an obligation to disregard information which is not relevant to the application, representation, or notice or to the licensing objectives. Advocates are therefore asked to be as succinct as possible and should be aware that the Chair may impose a time limit within which parties are to present their case.
- 5. Whilst additional material in support of the application, representation or notice may be taken into account by the Authority, such material should be provided and circulated by the producer to all parties concerned (including the Authority) as soon as possible before the hearing. Material produced at the hearing can only be admitted with the consent of all the other parties. The late production of material may lead to a hearing having to be adjourned and is discouraged. Additional material which reveals a new ground of representation or which is not relevant to the application, representation or notice lodged will be disregarded
- 6. Any party who intends to put additional written material before the Panel or the

Committee should provide 18 copies of that material to the licensing Office if the application is to go to the full Committee and 6 copies if the matter is to go before the Panel. Applicants should note that changes to application plans during the application process should be notified to the licensing Office as soon as possible and are likely to result in a new application having to be submitted. All relevant documentation received by the Authority will be sent to Members of the Panel/Committee and interested parties before the hearing if at all possible. Any failure to adhere to the requirements listed above may result in a case having to be adjourned and therefore delay the decision.

- 7. Where a party does not attend the hearing and is not represented the Authority may either adjourn the hearing if it is in the public interest to do so, or may continue with the hearing in the party's absence. If the latter option is followed the Committee/Panel will still consider any application, representation, or notice submitted by the absent party in so far as it is relevant.
- 8. The following procedure will ordinarily be followed at the Panel/Committee hearing:
 - i. The Chair will introduce themselves, other members and relevant officers. The Chair will also ask the applicant, interested parties and the responsible authorities to introduce themselves and any witnesses they wish to call. The Chair will then outline the procedure to be followed by the Panel/Committee and any time limits to be imposed on the presentation of cases.
 - ii. The applicant will be asked to present their case. Where a general presentation is made interested parties and the responsible authorities may ask questions at the end of that presentation. However, where witnesses are called, it is expected that each witness will give their evidence and then be open for questioning once their evidence has finished. The next witness will then give evidence. The order for asking questions will be:
 - Responsible Authorities
 - Interested parties
 - Panel/Committee Members
 - Legal advisor to the Panel/Committee (where appropriate)
 - iii. Responsible authorities, and interested parties will then be given an opportunity to present their representations. Once the representation has been presented and any evidence given, there will be an opportunity for questions to be asked firstly, by the applicant and then by other responsible authorities and interested parties, members and the legal advisor to the Panel/Committee. Where there is more than one body making representations to an application the order for the hearing of representations will normally be the responsible authorities followed by interested parties

- iv. Once all the evidence has been given responsible authorities, and interested parties will be given an opportunity to sum up their representations in the same order as they presented their case. The applicant will then be given an opportunity to sum up their case and have the final word.
- v. Whilst Hearings will normally be conducted in Public the Panel/Committee does have powers of exclusion (which cover the public, the press, and even applicants, parties and their representatives) in appropriate circumstances. The Panel/Committee will however always discuss and make its decision on the application in private.
- vi. The decision will normally be announced in public and transmitted in writing in accordance with the relevant rules and guidance. The decision may however be notified where applicable to the parties in writing at a subsequent date following the conclusion of the hearing.
- 9. If all parties agree and the Authority considers is appropriate, a hearing may be dispensed with. In some circumstances (where representations are not withdrawn), the Panel/Committee may still have to determine the application but will do so having considered the papers previously submitted. In such circumstances the Authority would also consider the terms of any "consent order" drawn up by the parties indicating terms upon which all of the relevant parties would be content that the application be granted.

10. Adjournments

- i. Due to the time constraints upon the Panels/Committee, applications for adjournments will only be granted where absolutely necessary
- ii. Once a hearing date has been set it is for the parties to ensure that they attend or are represented. Hearings may proceed in the absence of a party and in such circumstances the party's original representations will be taken into account together with any further material in support of that representation which has been served on all parties before the day of the hearing.
- iii. If it is not possible for a party or their witness to attend a hearing the Authority's preference would be for their representation to proceed by way of written evidence
- iv. If it is necessary to make an application for an adjournment the party seeking the adjournment should seek the consent of all other parties to the application and notify the Licensing Office as soon as possible that an adjournment may be sought. If all parties agree the matter may be adjourned administratively.
- v. If not agreed administratively the matter will remain listed before the Panel/ Committee to hear the application and determine whether to agree the adjournment or proceed.
- vi. The Authority may adjourn proceedings of its own motion where it considers it necessary for it's consideration of any application, representations or notice made or where it considers it to be in the interests of natural justice.
- vii. Where an adjournment is granted all parties will be given notice of the adjournment and the new hearing date.

11. Applications to Extend Time Limits

- i. These may be dealt with administratively but will only be granted where it is necessary in the public interest.
- ii. Applications should be made to the Licensing Officer identifying:
 - i. the licensing application and premises concerned,
 - ii. the person making the application for the time limit to be extended
 - iii. the time limit concerned,
 - iv. the reasons why that time limit cannot be complied with,
 - v. the extension sought,
 - vi. why it is believed that it would be in the interests of justice to grant the application, and
 - vii. whether all other parties have agreed to an extension of time.
- iii. Where an extension is granted all parties will be given notice of the extension.

THE PANEL'S CONSIDERATIONS

The Panel will disregard any information given or evidence produced, which is not relevant to the application or the promotion of the licensing objectives.

The Objectives are: -

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance, and
- The protection of children from harm.

Each objective is of equal importance.

The Panel will have regard to the national Guidance issued under Section 182 of the Licensing Act 2003 and the Borough Council's own Statement of Licensing Policy.

The Panel has a duty to act in a manner which is compatible with the Human Rights Act 1998.

A Licence is regarded as property for the purposes of the Human Rights Act 1998. Article 1 of the First Protocol states that:

"Every natural or legal person is entitled to the peaceful enjoyment of his possessions. No one shall be deprived of his possessions except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

The preceding provisions shall not, however, in any way impair the right of a State to enforce such laws as it deems necessary to control the use of property in accordance with the general interest or to secure the payment of taxes or other contributions or penalties."

The Panel must also take into account the effect on local residents. Article 8 states:

- "1. Everyone has the right to respect for his private and family life, his home and his correspondence.
- 2. There shall be no interference by a public authority with the exercise of this right except such as is in accordance with the law and is necessary in a democratic society in the interests of national security, public safety or the economic well-being of the country, for the prevention of disorder or crime, for the protection of health or morals, or for the protection of the rights and freedoms of others."

Three stage test to be applied: -

- 1. Is the interference in accordance with the law?
- 2. Is the interference necessary in a democratic society in pursuit of one of the legitimate aims set out above?
- 3. Is the decision proportionate i.e. striking a fair balance between the demands of the general interests of the community and the requirement to protect the individual's fundamental rights?

- 2. For the purposes of the condition set out in paragraph 1—
- (a) "duty" is to be construed in accordance with the Alcoholic Liquor Duties Act 1979:
- (b) "permitted price" is the price found by applying the formula—P = D + (DxV)

where-

- (i) P is the permitted price,
- (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
- (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol:
- (c) "relevant person" means, in relation to premises in respect of which there is in force a premises licence—

- 3. Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.
- 4. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day("the second day") as a result of a change to the rate of duty or value added tax.
- (2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day."

Details of your representation (please ensure relevance to the above licensing objectives):

With regard to the issue of public nuisance: It's my particular experience that Steve's Bar since opening has consistently gone outside it's permitted hours with no regard for nearby residents. I live next door but one in a long established residence. It happens any night they are open. With both their music and closing time.

The volume of their music and the behaviour of their customers using the private driveway of this property or hanging around outside the frontage of my home, means that any night they open there is no peace in my home. It's not possible to choose how you live your evenings no matter how hard you try. This increases as the evening goes on with things often getting aggressive and anti social behaviour is prevalent. See my communications with health and safety.

Most important is the right to choose when to go to sleep. Their music is very loud and the door is often left open, or long blasts of it as they go in and out. Hours of their choice night after night. Every week. Having to wait till the early hours to go to bed is not acceptable. The idea of extending this is horrifying.

When they close there is the considerable noise of the customers waiting for their Ubers. Car doors slamming etc. I get that they are exuberant and happy but it is loud. So it extends the impact of the bar by 20-30 minutes post closure.

Hard-earned experience gives no reason to believe that they will adhere to new longer hours when they haven't to existing ones. It would be an odd way to reward such inconsideration. Indeed if allowed it will condemn me to wait longer into the early hours to do what everybody should be able to do- choose to go to bed. They can do good business in their existing hours (adhered to), with much reduced volume, and also not cause such ill -health making disturbance for anyone living here. Waiting hours longer than you want to sleep, with bedlam outside, isn't acceptable for a home. The impact it has on your day, evening, and health is great. Please don't give them a chance to make it worse.

(Please continue on separate sheet if necessary)

(e)	Please indicate which of the Licensing Objectives your representation refers
	to by ticking the relevant box(es) below:
	The Prevention of Crime and Disorder
	Public Safety
/	Prevention of Public Nuisance
	The Protection of Children from Harm
(f)	Suggest alternatives

If possible please suggest alterations to the application, or conditions that would resolve the problem mentioned above, again paying attention to the licensing objectives.

To retain existing hours with much reduced music volume switched off promptly at the end of permitted hours. Efforts made to reduce customers trespassing and congregating outside my home.

To the best of my knowledge, they no longer have a resident to the right (as you look at the bar) opposite side to mine, and it is now offices.

This means that things such as a bucket with sand perhaps (?) for people to put their cigarette ends in as opposed to do so on my driveway (it is not an alley way and when politely asked to leave I get argument, abuse and threats, they return often) etc. would encourage them to congregate that side as opposed to mine. Though volume needs to be considerate as it is still close by.

I would welcome encouragement from the council to consider this residence as it is long established, decades before such businesses came onto the block. I am heartened by the fact that the garden being closed down recognised the impact that this kind of noise has on a home, it is much worse here.

To the best of my knowledge again, I understand that they know they are currently being monitored resulting in a civilised weekend for myself, 5-8th September, the music was very low (barely audible), and outside noise was minimal, thereby proving that it is possible for the business to run and my home and health to be respected. The only other time I had this was during full lock down. That isn't acceptable for peaceful enjoyment. This has been a draining and long issue massively affecting the quality of my home and health.

Once the Licensing Section has received this form you will receive a written acknowledgment and you may be contacted to discuss the issue prior to any referral to a Licensing Panel hearing.

Please tick this box if you do not intend to attend or be represented at any hearing. This means that only your written representation will be able to be considered.

Hello Abbie,

I just needed to get in touch to rectify a predictive text error in my last email regarding the changes to the application.

At the end it says "the residents" it should say "this residence". I haven't got a keyboard at the moment so I dictated it and I didn't pick this up.

It makes a difference as I am only talking for myself not a collective obviously.

Kind regards Sally Bellamy

Subject: Re: Form

Good afternoon,

Thank you for your email.

With regard to the music. I note it doesn't say anything about volume levels being reduced regardless, just door and window closure. It would of course be good that windows are not open.

In terms of the door, what they are suggesting is akin to what happens already in winter when the door is shut but people go in and out. The volume of the music makes this very disruptive. Frequently the door gets left open (sticks?) often for bursts of 15 minutes or more. After years of this you just don't want to hear it at all. You are physically done with it. The volume is too high. Currently during monitoring they are doing it frankly as it should be for nearby residents anyway. People go in and out but the music can hardly be heard.

Regarding signage, experience suggests they are treated as a joke "Karen" sign. I have had acquaintances go in there for afternoon tea and be told of the nearby Karen and her complaints about everything. They know that I don't but most of their customers believe it. What I have to complain about here would not be acceptable to any one of them. The narrative gets me threats and abuse, in addition to letting themselves off the responsibility of having some standards for the good of the community. It lets everyone, but me, off the hook.

Similar signage was used at a nearby business ostensibly to help reduce the impact of suddenly having a business open such hours so close by. I found out how seriously it was taken when it changed ownership I believe and someone from either, I don't know which, trespassed on the property to leave the sign as a passive aggressive dig at the bottom of my staircase. I did laugh but underneath it is not so nice. Of course it can be tried. I hope it works.

I appreciate the reduced application and the offers however I still wish to object as any extra you give them means I likely have to go to bed later. They have shown no adherence to the permitted hours before so I cannot be confident that they will do it long term and sincerely. There is also the fact that the staff of course leave later and that results sometimes in a fair amount of noise and another Uber lineup. I understand that this is the end of the working day for staff and appreciate their hard work. But the fact is it adds to the time I have to wait.

There are occasions where a considerable group of people come out later than the average customer and seem inebriated- are noisy like a second lot of customers?

I have only been able to keep going without worse ill health (it is still bad) because of a worldwide pandemic and a cost of living crisis meaning that they have less custom thereby opening less. Both of those things affected me greatly, like everyone else, so to need them to have a civilized, peaceful home is unacceptable to say the least.

I would expect and ask that the volume reduction plus proper, decent efforts to lessen the nuisance to neighbours be done now not just because they want extra hours. It should be a matter of course in a community like this with mixed residences and late night, alcohol selling businesses. There

has been a considerable increase in these types of businesses and it is overwhelming. I am asking for a rebalancing towards the residents.

Thank you for your consideration.

Kind regards, S. Bellamy

Good Afternoon Andrew, thank you for that.

I've spent some time considering it and would be open for that slight variation to increase alcohol consumption and recorded music on Friday and Saturdays only from 00:00 to 00:30 with the implementation of the following 3 conditions:

- All doors and windows shall remain closed when live and recorded music is taking place, except for when being used for access and egress and in the event of an emergency.
- Signage shall be displayed in the premises, including on the inside of the front door, advising customers to be respectful to residents and to leave the area in a quiet and orderly manner.
- There shall be no new admission of customers to the premises after 00:00 hours

Outside of these variations, as an informal note, I would be grateful if you could do your best to ensure your customers do not enter the driveway to the left side of the premises, and I ask that you walk around the area occasionally to review noise levels and ensure customers are not congregating down the driveway.

Good Afternoon William , and thank you for your time earlier today . As discussed , I am keen to try to resolve the noise issue as soon as possible , in all parties interests and engage with everyone to resolve . Having taken on board your comments , I am proposing the following amendment to my variation application

All current licensing conditions remain the same , apart from permission to sell alcohol until 1230am Friday and Saturday only and recorded music until 1230am Friday and Saturday nights only . In other words , opening hours remain as they are 9am until 12am Sunday until Thursday , 9am until 1am Friday and Saturday , alcohol sold Sunday through until Thursday 9am until 11pm , but allowed for an extra half hour Friday night and Saturday night . Recorded music stays as it is , 9am until 11pm Sunday through until Thursday and 9am until 1230am Friday and Saturday . In addition , I am happy for the following conditions to apply , either by agreement , or as a condition of the licence

- 1. Whenever live music is playing, outdoor door remains closed at all times (air conditioning to be installed in next few weeks)
- 2. There is regular noise monitoring and check sheets retained for 12 months and available for inspection by Environmental Health
- Staff regularly check outside area for noise and ensure patrons leave quietly (pavement licence currently allows only until 12am anyway)

Happy to consider any other conditions you may wish to add

I look forward to hearing from you and happy to speak at anytime if easier Thanks

Subject: Steves Bar License Variation - Environmental Health Concerns

Good Afternoon Andrew, I hope you're well.

I'm in receipt of the license variation for Steves Bar, and I have some concerns.

Due to a complaint recently received about noise, and a complaint that has been ongoing for some time without significant improvement, I plan to object to the variation application on the grounds of preventing a public nuisance.

These concerns were further reinforced faving done an evening of noise

monitoring recently, and noise from the bar could be heard beyond Co-Op which is over 130 metres from your premises. This noise also continued more than 15 minutes beyond the time the current license allows.

As a result I will be notifying the licensing officer of my decision shortly.

Kind regards,
