Purpose

To seek approval for opening hours for the Council's leisure facilities over the Christmas and New Year holiday period 2024/25.

Key Decision

This is not a key decision

Recommendation

THAT:

- 1) Approval is given to the opening hours for the Council's leisure facilities over the Christmas and New Year holiday period 2024/25, as set out in appendix 1 to this report.**

1 Background

- 1.1 Previously, reports have shown relatively poor income and attendances over the Christmas and New Year Period as most regular and block booking customers do not attend. Generally, usage is low which is why leisure centres reduce their normal opening hours around the bank holidays.
- 1.2 By operating a reduced service over this period, it allows staff to take annual leave where required, without providing full replacement cover. It

therefore seems sensible in both operational and business terms to reduce the opening hours.

- 1.3 The opening times at Arnold, Calverton, Carlton Forum and Redhill have been reviewed holistically to offer customers access to the full range of leisure activities on a reduced opening basis. Opening later into the evening from 27th – 30th December has always proved unpopular and therefore a daytime-only operation is proposed.
- 1.4 Over the past five years, opening Carlton Forum until 3pm on Christmas Eve and New Year's Eve has proved successful and it is proposed to continue this in 2024.
- 1.5 In 2022 the Bonington Theatre opened between 11am – 5.30pm on Christmas Eve. However, due to low usage, the theatre was closed on Christmas Eve in 2023. It is proposed to continue this again in 2024.
- 1.6 Due to the nature of the 50-week direct debit calculation for swimming lessons, the last day for these will be Wednesday 18th December, with a recommencement on Thursday 2nd January 2025.
- 1.7 There are no planned maintenance works expected at any of the sites over the Christmas and New year period. However, Carlton Forum will be having maintenance work undertaken on the pools between 16th to 19th December. This will result in the swimming programme ceasing on Sunday 15th December. Swim scheme members will be notified and reimbursed accordingly.

2 Proposal

It is proposed that:-

- 2.1 The Christmas and New Year opening hours of the leisure facilities, as shown in appendix 1, are authorised.

3 Alternative Options

- 3.1 The council could do nothing and continue to open the leisure facilities with the normal operating hours. This option would mean a waste of resource in terms of heating, lighting and staffing of the facilities for extremely low levels of customer use.
- 3.2 Alternative opening hours to those contained in the proposal could be considered. However, the proposal considers usage from previous years

and customer feedback of still wanting to access facilities from 6.30am until the early evening.

- 3.3 The Richard Herrod Centre could be opened on Boxing Day. However, usage has traditionally been very low on this day and the cost of opening on this day is approximately £1,000 more than if the centre was closed, which is down to additional staffing costs.

4 Financial Implications

- 4.1 The proposed closure days are in accordance with a schedule previously agreed with the unions. However, for the reduced hours staff will be expected to take this time as annual leave or lieu time.
- 4.2 Following consultation with employees at the centres, all sites can be adequately staffed on the days and at the times proposed for opening. Where appropriate, employees agreeing to work on agreed closure days will have appropriate rates of pay applied to them.
- 4.3 The proposed opening and closure dates are consistent with the approved base budget.

5 Legal Implications

There are no legal implications associated with the revision to the opening hours.

6 Equalities Implications

There are no equalities implications arising from this report.

7 Carbon Reduction/Sustainability Implications

There are no carbon reduction/sustainability implications arising from this report.

8 Appendices

- 8.1 The Christmas and New Year Opening and Closure Schedule for 2024/25 is attached at Appendix 1.

10 Reasons for Recommendations

- 10.1 To allow for a reduced provision in customer service at the Council's leisure facilities over the Christmas and New Year period, as has happened in previous years. This is based on customer usage and feedback from previous years.
- 10.2 To allow staff to take annual leave without the need to provide cover.
- 10.3 To ensure that the centres are operating within the approved base budget.
