

# Carbon Impact Assessment

Name of project, policy, function, service, or proposal being assessed:	Car Park Charges Consultation and Making of a New Car Park Order			
The main objective of the Making of Car Park Consultation and Making of a New Car Park Order:	To review the consultation feedback and seek approval to commence the procedure to amend the Council's current Civil Enforcement Off Street Parking Places Order 2020.			
What impact will this have on the following:				
Category	Negative	Positive	No impact/ Negligible change	Mitigation/ Comments
Behaviour & Culture Change		Yes		The introduction of a charge at Gedling Country Park should help influence people and encourage the use of public transport or car-sharing. Introduction of cashless options at other GBC car parks should not lead to any significant behavioural changes.
Built Environment			No Impact	None of the proposals will have any significant impact on Council owned buildings or their operation.

<b>Transport</b>		Yes		Introduction of charges at Gedling Country Park may influence some people to use Public Transport or walk or cycle more to access the site.
<b>Energy, Natural Resources &amp; Climate Change</b>		Yes	No impact	The proposals may encourage people to use public transport or walk/cycle which would have a positive impact on carbon emissions.
<b>Waste Reduction &amp; Recycling</b>			No impact	The proposals should not have any significant impact on current waste or recycling practices.
<b>Blue-Green Infrastructure/Biodiversity</b>			No impact	The proposals should not have any significant impact on the current position with regards blue-green infrastructure or Biodiversity.
<b>Procurement &amp; Purchasing</b>			No impact	The proposals will see no change to the current position.
