

Climate Impact Assessment

Name of project, policy, function, service or proposal being assessed:	Proposal to seek Portfolio Holder approval for Shopfront SPD public consultation.			
The main objective of the Consultation Draft Shopfront Supplementary Planning Document (SPD):	This consultation draft provides the shopfront design, advertisement and signage requirements for Gedling.			
What impact will this Consultation Draft Gedling Design Codes: Supplementary Planning Document (SPD): have on the following:				
Category	Negative	Positive	No impact / Negligible change	Mitigation/ Comments
Behaviour & Culture Change		Positive impact		Once adopted, the Shopfront SPD must be used by applicants preparing development proposals. It will provide clarity on principles of shopfront design and what is acceptable before applications are submitted. It will be a useful tool for householders, agents, developers and landowners facilitating a positive impact.
Built Environment		Positive impact		By using the SPD, advertisement and shopfront development proposals should be properly designed, reflecting and contributing

				to the character of the locality. The Shopfront SPD will raise the profile of town centres and shopping streets.
Transport			No impact	No impact unless significant action is required as an outcome of consultation.

Energy, Natural Resources & Climate Change		Positive impact		The Shopfront SPD will help to protect the environment by setting out standards in relation to shopfront materials, lighting and signboards.
Waste Reduction & Recycling			No impact	No impact unless significant action is required as an outcome of consultation.
Blue-Green Infrastructure/Biodiversity			No impact	No impact unless significant action is required as an outcome of consultation.
Procurement & Purchasing			No impact	No impact unless significant action is required as an outcome of consultation

In response to the information provided above please provide if there is any proposed action including any consultation that is going to be carried out
