DELIVERED BY HAND – 29 October 2025

Dear Sirs

Submission of a Petition for Debate at a full Council Meeting

Attached is a petition signed by 1021 signatories, all of whom live, work or study in the Borough of Gedling. Signatories who do not meet the qualifying criteria have been redacted. The petition relates to a local issue affecting the Carlton Hill ward (which includes the Richard Herrod Leisure Centre) and the Cavendish ward (which includes the Carlton Forum Leisure Centre) and exceeds the threshold of 140 signatories.

Having met all the necessary qualifying criteria, we request that this petition is placed on the agenda for presentation and debate at a full Council meeting on Wednesday 12 November 2025.

Statement and Issue the petition relates to

This petition is submitted with a request that the Council reconsider its plans as part of their Leisure Transformation Programme impacting the Indoor Bowls facility at the Richard Herrod Centre.

The signatories to the petition call on Gedling Borough Council to:

1. Reinstate, retain and protect indoor bowling as part of its facility mix within the proposed redevelopment of the Richard Herrod Centre
2. Recognise that by working with the Directors of Gedling Indoor Bowls Centre Limited and the English Indoor Bowls Association a financially viable and sustainable model with the inclusion of indoor bowls can be achieved
3. Pro-actively recognise and promote the proven mental and physical wellbeing benefits of indoor bowling

Preserve Its Legacy – Protect Its Future

We, the undersigned, urge the Council to reconsider these plans and protect this vital community asset.

- The birthplace of disability bowls in the region.
- Home to Gedling Indoor Bowls Club, with 6 indoor rinks serving all ages and abilities.
- A space that supports mental wellbeing, physical activity, and social connection, especially for older residents, those with disabilities, and people at risk of isolation.

We call on Gedling Borough Council to:

1. Retain and protect all 6 indoor bowls rinks.
2. Keep the Richard Herrod Centre as a community and bowls hub.
3. Respect the role this centre plays in mental and physical wellbeing.
4. Thank you for standing with us to save the Richard Herrod Centre.

PETITION TO SAVE THE RICHARD HERROD CENTRE

Preserve Its Legacy – Protect Its Future

Gedling Borough Council is planning to transform local leisure services—plans that put the future of the Richard Herrod Centre at serious risk.

We, the undersigned, urge the Council to reconsider these plans and protect this vital community asset.

The Richard Herrod Centre is:

- The birthplace of disability bowls in the region.
- Home to Gedling Indoor Bowls Club, with 6 indoor rinks serving all ages and abilities.
- A space that supports mental wellbeing, physical activity, and social connection, especially for older residents, those with disabilities, and people at risk of isolation.

This centre is not just about sport—it's about inclusion, health, community, and heritage.

We call on Gedling Borough Council to:

1. Retain and protect all 6 indoor bowls rinks.
2. Keep the Richard Herrod Centre as a community and bowls hub.
3. Respect the role this centre plays in mental and physical wellbeing.
4. Thank you for standing with us to save the Richard Herrod Centre.

PETITION TO SAVE THE RICHARD HERROD CENTRE

Preserve Its Legacy – Protect Its Future

Gedling Borough Council is planning to transform local leisure services—plans that put the future of the Richard Herrod Centre at serious risk.

We, the undersigned, urge the Council to reconsider these plans and protect this vital community asset.

The Richard Herrod Centre is:

- The birthplace of disability bowls in the region.
- Home to Gedling Indoor Bowls Club, with 6 indoor rinks serving all ages and abilities.
- A space that supports mental wellbeing, physical activity, and social connection, especially for older residents, those with disabilities, and people at risk of isolation.

This centre is not just about sport—it's about inclusion, health, community, and heritage.

We call on Gedling Borough Council to:

1. Retain and protect all 6 indoor bowls rinks.
2. Keep the Richard Herrod Centre as a community and bowls hub.
3. Respect the role this centre plays in mental and physical wellbeing.
4. Thank you for standing with us to save the Richard Herrod Centre.

PETITION TO SAVE THE RICHARD HERROD CENTRE

Preserve Its Legacy – Protect Its Future

Gedling Borough Council is planning to transform local leisure services—plans that put the future of the Richard Herrod Centre at serious risk.

We, the undersigned, urge the Council to reconsider these plans and protect this vital community asset.

The Richard Herrod Centre is:

- The birthplace of disability bowls in the region.
- Home to Gedling Indoor Bowls Club, with 6 indoor rinks serving all ages and abilities.
- A space that supports mental wellbeing, physical activity, and social connection, especially for older residents, those with disabilities, and people at risk of isolation.

This centre is not just about sport—it's about inclusion, health, community, and heritage.

We call on Gedling Borough Council to:

1. Retain and protect all 6 indoor bowls rinks.
2. Keep the Richard Herrod Centre as a community and bowls hub.
3. Respect the role this centre plays in mental and physical wellbeing.
4. Thank you for standing with us to save the Richard Herrod Centre.

Every signature counts—let's protect this essential space for generations to come.

Figure 1. A schematic diagram of the experimental design. The first part of the experiment was a 10-min pretest in which the subjects were familiarized with the apparatus and the task. The second part was the main experiment, which consisted of three blocks of trials. In each block, the subjects performed 10 trials. The first block was a baseline block, in which the subjects performed 10 trials of the task. The second block was a training block, in which the subjects performed 10 trials of the task. The third block was a test block, in which the subjects performed 10 trials of the task. The subjects were then asked to perform the task again, and the results were compared with the baseline and training blocks.
