Name of Swimmer	Postal or email address of Swimmer	Number of times per week that I use the pool	Reasons for wishing the pool at Calverton to remain open
		1	I prefer to swim in a smaller pool. A length is a long distance in larger pools. It is much friendlier to be here than a large place.
		3	I walk to the pool and home again. Inexpensive for me. Good company to be found at morning sessions.
		3	I don't drive, but I can cycle to the pool. I enjoy my swim but I also like to see familiar faces and have a chat. It is a very friendly place.
		1-2	I walk to the pool and enjoy the swim.
		4	This pool is an essential part of the community helping to ensure people's wellbeing. We need more facilities not less with all the money being built in Calverton.
		4	This pool is a lifeline. It helps people keep fit both mentally & physically. Do the right thing for once!

		1	It provides an opportunity to maintain good fitness - physical & mental wellbeing!
		3	I Cycle here each time and any further distance would not make it viable for me + it is a brilliant facility for all fitness areas.
		1	It's crucial to have local facilities for people to exercise regularly & socialise with others.
		4	I am unable to travel to any other local pools and this facility is vital for my health and wellbeing.
		1	Don't need to travel very far.

		3	At 89 yrs trying to get some exercise
		3	Perfect for convenience, facilities, staff. I can go anywhere else
		2	The other locations are too far to travel, I would be unable to swim
		3-4	It makes sense to keep it open. The pool is a huge asset to all of us. It's essential to keep it open for children as well as the adults.
		3-4	Keep this open, local + important.
		3	CALVERTON NEEDS THIS.
		2	Completely unrealistic to think people will travel to avoid or pay for to exercise - A huge loss
		3	My only option to keep swimming which is the only exercise my body will tolerate to improve my health
