

Report to Joint Consultative and Safety Committee

Subject: Minor changes to the Establishment agreed outside the formal full JCSC process.

Date: 16 June 2015

Author: Service Manager; Organisational Development

1. Purpose of the Report

This is a standing information item highlighting to the Committee any minor changes to the Establishment proposed by the Senior Leadership Team for implementation outside the formal full JCSC process but following consultation with trade unions. Such minor changes will not have wide organisational impact and will be authorised for implementation by the Chief Executive under delegated powers.

It is important to note that prior to the minor changes being implemented, trade unions will still need to be consulted locally. Should there ever be concerns raised during this consultation about any proposal made, the matter would be taken out of this “shortened process” and placed before the Joint Consultative Committee for full consideration.

2. Summary of proposal

There are no current proposals to report.

3. Recommendation

The Committee is asked to note this report.
