CORPORATE DIRECTORS PERFORMANCE RELATED PAY.

The Chief Executive reported on the process that he had undertaken to assess the performance of Corporate Directors and sought the views of the Committee in relation to his proposals as to performance related pay. As part of the discussion that followed, consideration was given to the importance of officers, at all levels, having a sound understanding of the role of elected members and being responsive to their needs. Reference was made, as part of this discussion, to recent training that Nottinghamshire County Council had organised for their highways staff with elected members and the Chief Executive undertook to pursue developing something for Gedling along similar lines.

RESOLVED

1. to support the Chief Executive's proposals in relation to performance related pay for Corporate Directors in 2013/14, including the progression to the top point for that Corporate Director that was already on the middle point;
2. that, to assist with the assessment of the future performance of the Senior Leadership Team, the Chief Executive be requested to bring forward proposals for an appraisal process involving members, peers and staff; and
3. that the Chief Executive follow up on the feedback about member/officer relations and organise some suitable training
